Rise Sister Rise - Rebecca Campbell 2016-10-04

Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives “making it” in a man’s world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I – Rebecca’s Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II – Birthing A New Age · We Were Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III – Remembering Our Cyclical Nature · You Are Spirit Earthed · You'll Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV – Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V – Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI – Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the Universe Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising “I’m a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential.” —Gabrielle Bernstein, New York Times bestselling author of Miracles Now Rise Sister Rise is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise. Believe, Ask, Act - Maryann Dimarco 2016-09-20

MaryAnn DiMarco has been communicating with the Other Side since she was 5 years old. As a psychic medium, intuitive counselor, and spiritual teacher, clients from all over the world have sought her out for both personal guidance and as a means to connect with their departed loved ones' souls. Even so, DiMarco's greatest gift is her ability to teach others how to connect to the universe themselves—and in a way that sets meaningful change in motion. Now, in her extraordinary first book, DiMarco shares her teachings for developing intuition that will enable you to control your life using three powerful steps: Believe is about recognizing and demonstrating a belief in a higher power, whether you refer to this powerful energy as God, Divine, Source, or another name. Ask teaches you how to pose the right questions to a personal team of angels, spirit guides, departed loved ones, and evolved souls who help you navigate life's ups and downs. Their job is to love, lead, and protect you as you dream, plan, and move along your soul's best path. Act is a powerful call to get off the meditation cushion and put one earthly foot in front of the other to create momentum and positive change. When you connect to your Universal Team's wisdom and guidance using Believe, Ask, Act, you will raise your intuition and learn how to identify and remove the spiritual, emotional, and real-world obstacles that hold you back. It's time to awaken. Pay attention. Understand your role on this planet and what the world has to offer. You've already signaled to the universe that you're ready to trust, listen, and work to realize your greatest potential.

We Need to Talk About Kevin - Lionel Shriver 2019-06-04

Now a major motion picture starring Tilda Swinton. Published in twenty-eight countries. Over a million copies sold worldwide. Two years ago Eva Khatchadourian's son, Kevin, murdered seven of his fellow high-school students, a cafeteria worker and a popular teacher. Now, in a series of letters to her absent husband, Eva recounts the story of how Kevin came to be Kevin. Fearing that her own shortcomings may have shaped what her son has become, she confesses to a deep, long-standing ambivalence about both motherhood in general and Kevin in particular. How much is her fault? When did it all start to go wrong? Or was it, in fact, ever 'right' at all? Lionel Shriver tells a compelling, absorbing, and resonant story while framing the horrifying tableau of teenage carnage as a metaphor for the larger tragedy—the tragedy of a country where everything works, nobody starves and anything can be bought but a sense of purpose. 'By far the best novel I've read in years...exquisitely crafted...a breathtaking work of art.' Age 'Brilliant...compulsive.' Guardian 'A great read with horrifying twists and turns.' Marie Claire 'Harrowing, tense and thought-provoking, this is a vocal challenge to every accepted parenting manual you've ever read.' Daily Mail
