Sunday Suppers at Lucques - Suzanne Goin
2009-02-19

Few chefs in America have won more acclaim than Suzanne Goin, owner of Lucques restaurant. A chef of impeccable pedigree, she got her start cooking at some of the best restaurants in the world-L'Arpège. Olives, and Chez Panisse, to name a few-places where she acquired top-notch skills to match her already flawless culinary instincts. "A great many cooks have come through the kitchen at Chez Panisse," observes the legendary Alice Waters, "But Suzanne Goin was a stand-out. We all knew immediately that one day she would have a restaurant of her own, and that other cooks would be coming to her for kitchen wisdom and

a warm welcome." And come they have, in droves. Since opening her L.A. restaurant, Lucques, in 1998, Goin's cooking has garnered extraordinary accolades. Lucques is now recognized as one of the best restaurants in the country, and she is widely acknowledged as one of the most talented chefs around. Goin's gospel is her commitment to the freshest ingredients available; her way of combining those ingredients in novel but impeccably appropriate ways continues to awe those who dine at her restaurant. Her Sunday Supper menus at Lucques-ever changing and always tied to the produce of the season-have drawn raves from all quarters: critics, fellow chefs, and Lucques's devoted clientele. Now, in her long-awaited cookbook, Sunday Suppers at Lucques, Goin offers the general public, for the first time, the menus that have made her famous. This inspired cookbook contains: §132 recipes in all, arranged into four-course menus and organized by season. Each recipes contains detailed instructions that

Real Food Has Curves - Bruce Weinstein
2010-05-11

CURVE YOUR APPETITE. Dumping the fake stuff and relishing real food will make you feel better, help you drop pounds, and most importantly, take all the fear out of what you eat. Does that sound too good to be true? It isn't—despite the fact that lately we've given up ripe vegetables for the canned stuff; tossed out sweet, tart orange juice for pasteurized concentrate; traded fresh fish for boil-in-a-bag dinners; and replaced real desserts with supersweet snacks that make us feel ridiculously overfed but definitely disappointed. The result? Most of us are overweight or obese—or heading that way; more and more of us suffer from diabetes, clogged arteries, and even bad knees. We eat too much of the fake stuff, yet we're still

hungry. And not satisfied. Who hasn't tried to change all that? Who hasn't walked into a supermarket and thought, I'm going to eat better from now on? So you load your cart with whole-grain crackers, fish fillets, and asparagus. Sure, you have a few barely satisfying meals before you think, Hey, life's too short for this! And soon enough, you're back to square one. For real change, you need a real plan. It's in your hands. Real Food Has Curves is a fun and ultimately rewarding seven-step journey to rediscover the basic pleasure of fresh, well-prepared natural ingredients: curvy, voluptuous, juicy, sweet, savory. And yes, scrumptious, too. In these simple steps—each with its own easy, delicious recipes—you'll learn to become a better shopper, savor your meals, and eat your way to a better you. Yes, you'll drop pounds. But you won't be counting calories. Instead, you'll learn to celebrate the abundance all around. It's time to realize that food is not the enemy but a life-sustaining gift. It's time to get off the

processed and packaged merry-go-round. It's time to be satisfied, nourished, thinner, and above all, happier. It's time for real food. Shape your waist, rediscover real food, and find new pleasure in every meal as Bruce Weinstein and Mark Scarbrough teach you how to: • Eat to be satisfied • Recognize the fake and kick it to the curb • Learn to relish the big flavors you'd forgotten • Get healthier and thinner • Save money and time in your food budget • Decode the lies of deprivation diets • Relish every minute, every bite, and all of life REAL FOOD. REAL CHANGE. REAL EASY.

Feel the Heat - Kate Meader 2014-01-28

IF YOU CAN'T STAND THE HEAT . . .

video of her and Jack kissing goes viral and her luscious (if voluptuous) butt starts trending on Twitter, Lili fears she's cooked up a recipe for disaster . . . Jack Kilroy's celebrity has left him feeling used and used up. While Lili's oh-so-sexy moans when she tastes his delicious creations turn him on, he's even more aroused by how this beautiful, funny woman is unimpressed by his fame. He knows they could be amazing together, if she could only see past his rabid, bitch-fork-wielding fan base. Now as he's about to start a new prime time TV cooking show, can Jack convince Lili to realize her own ambitions-and turn up the heat in his kitchen?

Sweet Tea - Piper Huguley 2021-07-13

Southern traditions, history, and hope come together in author Piper Huguley's heartfelt romance from Hallmark Publishing. Althea Dailey has succeeded beyond her wildest dreams: she's about to make partner at her prestigious law firm in New York. So why

doesn't she feel more excited about it? When she has to travel South for a case, she pays a long-overdue visit back home to Milford, Georgia. To her surprise, a white man she's never met has befriended her grandmother. Jack Darwent wasn't interested in the definition of success dictated by Southern high society. His passion for cooking led him to his current project: a documentary and cookbook about authentic Southern food. Althea's grandmother is famous for her cooking at Milford College, a historically Black institution. But Althea suspects Jack of trying to steal her grandmother's recipes.

Despite Althea and Jack's first impressions of one another, they discover they have more in common than they'd guessed...and even as they learn about one another's pasts, they both see glimmers of a better future. This Southern small-town romance includes a free Hallmark original recipe for Grandma's Biscuits and Gravy.

Modern-day chefs like to think that they are creative and often claim to push boundaries of food creation, but if we want to explore real culinary creativity then we need to look to our ancestors. Writer and food historian, Seren Charrington-Hollins delves into the history of culinary experimentation to bring us some of the weirdest and most stomach-churning food delicacies to ever grace a dining table. She uncovers the rather gruesome history behind some everyday staples, uncovers bizarre and curious recipes, whilst casting a light on foods that have fallen from culinary grace, such as cows udders and tripe; showing that revulsion is just a matter of taste, times and perhaps knowledge. From pickled brains to headcheese, through to song birds and nymph's thighs, this book explores foods that have evoked disgust and delight in diners depending on culinary perspective. So pull up a chair, unfold your napkin and get ready for a highly entertaining and enlightening journey to explore what makes

a recipe revolting? Be warned; you'll need a strong stomach and an open mind.

All You Can Eat. a Buffet of Lesbian Erotica and Romance - R. G. Emanuelle 2014-08-30

have moved beyond the entree. Each story also ends with a recipe. Some of these require cooking implements while others are whimsical accompaniments that don't require cooking at all—at least not in the traditional sense. After all, food serves as more than sustenance—it's a trigger for love, laughter, sex, pleasure, and carnal and sensory satisfaction. Whatever your palate prefers, you're sure to find something tasty here. The menu includes dishes by Ashley Bartlett, Historia, Jae, Rebekah Weatherspoon, Cheyenne Blue, Karis Walsh, Victoria Oldham, Cheri Crystal, Andi Marquette, Jove Belle, R.G. Emanuelle, Sacchi Green, and Yvonne Heidt." Cocky Chef - J. D. Hawkins 2017-07-14

You can call me arrogant as much as you want. But when you're the best at what you do and have the hottest restaurant on the west coast, with enough Michelin stars to make Gordon Ramsay's head spin, you've earned the right to your confidence. When I give an instruction in the kitchen, it's not a suggestion—it's an order.

So when a new chef thinks she can do things her way, and dares to say so to my face, even her sharp wit and gorgeous pouty lips don't make it okay. But I have to admit, she's got talent. She's creative in the kitchen and not even that double-breasted chef jacket can hide her perfect body. As I get to know her, I can't help wanting to know everything she thinks. I've never met a more talented chef. And I've never met a sassier and sexier woman in my life. There's only one way this push and pull can end. With her in my bed, begging for more.
