Street Journal bestselling author Kristen Proby and 1001 Dark Nights... There are two things you need to know about me. 1: I'm never late. And 2: I hate Christmas. Yes, I'm a girl who hates the holidays. My entire, enormous family is already enjoying their holiday vacation in Iceland, but thanks to my busy job and having to meet them there, I'm late. They could have chosen any holiday to fly across the world, but Christmas won, which sent me scrambling because the end of the year is my busiest time. It's difficult to carve out moments to see the family at all. So, now, I'm forty thousand feet in the air, trying to get to Iceland before Christmas morning, all while also attempting to get some work done. If only the hot guy next to me would leave me be. Dylan says I should put the work away until after my holiday and relax a bit. And while his suggestion of spending some time together on the north Atlantic island seems preposterous, I can't help but feel intrigued when he promises to show me how to enjoy the Yuletide season properly. After all, I can't possibly spend every minute with my family. But how do I just shrug off my duty to my job and throw caution to the wind for a stranger...no matter how handsome he is? Because that's something else about me: I never throw caution to the wind—even a beautiful, blustery Icelandic wind. Then again, Mama always said, "Never say never..." \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. 1001 Dark Nights: Bundle Twenty-Nine - Shayla Black 2020-12-08

From New York Times and USA Today bestselling authors Shayla Black, Jennifer Probst, Kristen Proby, and Gena Showalter. Four Dark Tales. Four Sensual Stories. Four Page Turners. More Than Pleasure You by Shayla Black I'm Stephen Lund, confirmed bachelor...and son of a successful billionaire whose sins I can't forget—or forgive. Though he insisted I get over his transgressions, I can't. So I put space between us with a temporary getaway to Maui. My rental's sexy caretaker, Skye Ingram, is a beautiful distraction. When Skye needs a date to her ex-boyfriend's wedding, I'm game to play her pretend fiancé. But our pretend engagement begins to feel real. Our passion certainly is. So are the consequences. When I'm confronted with the reality that our lives are now irrevocably entwined, I have to choose between leaving Skye to return to the life I've always known or abandoning everything familiar to start over with the woman who awakened my heart. Something Just Like This by Jennifer Probst Jonathan Lake is the beloved NYC mayor who's making a run for governor. His widowed status and close relationship

with his daughter casts him as the darling of the press, and the candidate to beat, but behind the flash of the cameras, things are spinning out of control. It all has to do with his strait laced, ruthlessly organized assistant, Alyssa Block. Her skills and reserved demeanor are perfect to run his campaign, but her brilliant brain has become a temptation he's been fighting for too long. Can he convince her to take a chance on a long-term campaign for love or will his efforts end up in scandal? Wonder With Me by Kristen Proby Reed Taylor doesn't pay much attention to the holidays—until he receives a surprise present. Four-year-old Piper is the daughter he never knew about, and with the death of her mother, is also now the roommate he never expected. He's determined to make their first Christmas together one she'll never forget. Noel Thompson has gotten her share of strange requests in her career as an interior designer. The call to design a beautiful home for Christmas is more like a dream come true. And that was before she met her new employer—sexy and mysterious, he's everything she ever hoped Santa would bring her. The Darkest Assassin by Gena Showalter Fox is a demon-possessed immortal with many talents. Now, the keeper of Distrust has been marked for death, a winged assassin with rainbow-colored eyes tracking her every move, determined to avenge the males she accidentally decimated. If only she could control the desire to rip off his clothes... Bjorn is a fierce warrior with many complications. Never has he hesitated to exterminate an evil being. Until now. The sharp-tongued female with a shockingly vulnerable heart tempts him in ways no one else ever has, threatening his iron control. But, as Fate itself seems to conspire against the unlikely pair, both old and new enemies emerge. And Fox and Bjorn must fight to survive. And learn to love... \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*

**Cherry Lane: A Huckleberry Bay Novella** - Kristen Proby 2023-11-20  
From New York Times and Wall Street Journal Bestselling author Kristen Proby comes an all-new small town romance set in her beloved Huckleberry Bay series, *Cherry Lane*! Sometimes, love is waiting in the most unexpected of places. Zeke Cross is a big city guy who finds himself living in the smallest town on the face of the earth, running an auto repair shop with his best friend. Not just running, but owning. He's not used to sleepy little towns. He craves noise, excitement, and people. And yet, he's grown to love the town of Huckleberry Bay, and the people who have welcomed him into the fold. Almost everyone has been kind and accepting of the outsider. Everyone except Cherry Dubois. Cherry is a small town girl, and she misses the sleepy community from her childhood. Now, her home is overrun by move-ins, who seem hell-bent on

bringing big city ideals to her little town, and ruining what she's always had. Her neighbor, Zeke, is the most annoying of all, with his loud music and arrogant attitude. How is she supposed to think when he's around? Sure, he's handsome, but that almost makes it worse. Then Cherry needs Zeke's help, and she finds out that the big city guy isn't all that bad, especially when he has his hands on her and makes her forget all the reasons why she doesn't like him. But at the end of the day, will she be able to trust this man to stay for good, or will her worst fears come true? \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*
