Selling Myself To Mr. Parker - Sable Collins
2022-01-22

DESCRIPTION: She was a penniless arts graduate forced to eke out a living at a grubby diner. Her life was going nowhere until one day a friend suggested she tried a new app that hooked women up with wealthy suitors. When a handsome, rich man contacts her, she has a tough decision to make. Will she take the plunge? Will she risk surrendering? And will her life ever be the same again? EXCERPT: "Mr. Parker, I..." Suddenly there was a hard slap on my ass, and I squealed. The slap on my bare skin echoed across that wide office space. "You don't speak unless I tell you to. And when I do, it's Master. Nothing else. Understand?" I nodded, my heart thudding. "Bend over the desk." I hesitated, which was a huge mistake. Master grabbed my lead and yanked me forwards, almost off my feet. I braced myself on the desk with both hands. Immediately there was a hard slap on my ass. I squealed again and then closed my mouth. It was too late. He spanked me hard, twice, three times, four times, five. I had to bite my lip and hop from one foot to the other to avoid crying out, but I could already feel tears welling in my eyes. Suddenly I felt his breath on my cheek. He spoke into my ear, his voice calm and clear, but firm, and at the same time, I felt his hand slide up my thigh and squeeze hard. "If you make a sound, even a whimper, I will spank you twice as hard. You have to learn to take a proper spanking without crying. Do you understand?" I nodded. He spanked me again. I closed my eyes, shaking but managed to avoid crying out. "Answer me!" "Yes Master." "Good," he said. His hand moved higher. I felt him push his fingers into my pussy, opening me up and my eyes widened. He wasn't gentle. He began to finger me quickly, roughly, making me shake. I closed my eyes, trying to control the sensations, the soreness and the pleasure, my hands braced on the desk, my ass in the air, my legs weak and

numb.

Scenes of Subjection - Saidiya V. Hartman 1997

In the tradition of Eric Lott's award-winning *Love and Theft*, Hartman's new book shows how the violence of captivity and enslavement was embodied in many of the performance practices that grew from, and about, slave culture in antebellum America. Using tools from anthropology and history as well as literary criticism, she examines a wealth of material, including songs, dance, stories, diaries, narratives, and journals to provide new insights into a range of issues. She looks particularly at the presentations of slavery and blackness in minstrelsy, melodrama, and the sentimental novel; the disparity between actual slave culture and "managed" plantation amusements; the construction of slave culture in nineteenth-century ethnographic writing; the rhetorical performance of slave law and slave narratives; the dimension of slave performance practice; and the political consciousness of folklore.

Particularly provocative is her analysis of the slave pen and auction block, which transmogrified terror into theatre, and her reading of the rhetoric of seduction in slavery law and legal cases concerning rape.

Persuasively showing that the exercise of power is inseparable from its display, *Scenes of Subjection* will interest readers involved in a wide range of historical, literary, and cultural studies.

The Realms of War (Fantasy Erotica) - Jenna Powers

An anthology of fantasy tales features the realm of Sembia as it descends into chaos, a bitter war, and a suspicious offer of assistance from its treacherous neighbors from the Shade Enclave.

The Revenge Plan - Linda Kage 2019-04-29

After I caught my boyfriend cheating, I tried to be mature about it with an amicable split. But he took his retaliation too far, and I have officially had enough. No more Miss Nice Haven. No one

is allowed to lie to me, betray, embarrass, and devastate me, fill me with self-doubt, or put my future at risk, and expect to get away with it. He is going to feel my wrath. Enter Wick Webster, his archenemy. Nothing would provoke me more than to see me moving on with the one guy he hates most, so that's exactly what I plan to do. The only hitch in my brilliant scheme is Wick himself. He's just gotta be all love-not-war and peace-is-the-only-way. He's more concerned about helping me heal than seeking my sweet revenge. And what the hell is it about his soothing presence and yummy looks that calls to me until I forget how much pain I'm in? He's making it awfully hard to use and abuse him for my malicious means. The damn guy is making me fall for him.

Female Masculinity - Judith Halberstam 1998
 Masculinity without men. In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"--lesbians who pass as men--and female-to-male transsexuals who may find the label of "lesbian" a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king

performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.

Boys & Sex - Peggy Orenstein 2020-03-26
 The New York Times Bestseller Peggy Orenstein broke ground with her bestselling *Girls & Sex*, exploring young women's right to pleasure and agency in sexual encounters. Now she turns her focus to boys with an examination of how young men are navigating sexual culture in these changing times - and what we need to do help them. Drawing on comprehensive interviews with young men, psychologists and experts in the field, *Boys & Sex* dissects 'locker room talk'; pornography as the new sex education; the role of empathy; boys' understanding of hookup culture and consent; and their experience as both perpetrators and victims of sexual assault. By presenting young men's experience in all its complexity, Orenstein unravels the hidden truths, hard lessons and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

Interracial Erotic Stories XXX - Anonymous

The Very Best in Romantic Erotic Stories! XXX For Adults Only! Highly Recommended!

Their Sex Slave Teacher - Simon Grail
 2021-07-23

Attractive sixth form college teacher Dianna Crowley's life is turned on its head one night when she is snatched from her home by a trio of masked young men who she suspects are actually three of her most troublesome students. Naked, gagged, bound and hooded, Dianna is taken away to an isolated cabin in the woods where she must entertain not only her youthful captors but also their three mysterious older "friends", who each individually spend time dominating her. Over a nightmare long holiday weekend, Dianna is subjected to multiple degrading bondage scenarios, including thrashings, three-way sex, suspensions, ponygirl training, hot waxing, electrical stimulation, vegetable insertions, breast bondage, and relentless physical and mental humiliation. Is

this simple revenge for all those detentions and bad marks Dianna had given the three boys in the past, or do they have some ulterior motive for subjecting her to such misery and depravity? And even more troublingly, if her humiliating captivity is so terrible, how can she explain the intense orgasms she experiences time after time as she serves her captors? Somehow Dianna survives her ordeal, but is she truly free from the domination of her three young captors, now that they have a shameful hold over her that could destroy her career? And yet the boys do not take advantage of their new power, leaving Dianne feeling frustrated and confused. It turns out that they have one more surprise in store for her...

That's the Joint! - Murray Forman 2004

Spanning 25 years of serious writing on hip-hop by noted scholars and mainstream journalists, this comprehensive anthology includes observations and critiques on groundbreaking hip-hop recordings.

Women on Top - Nancy Friday 2014-02-07

A classic work on how women think about sex, from the New York Times–bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday's groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women's sexual fantasies, detailing how women's erotic lives have changed—and remained the same. "This absorbing, titillating and empowering feminist book is also a ribald bedside companion." —Publishers Weekly

The Routledge Dictionary of Modern American Slang and Unconventional English

- Tom Dalzell 2018-05-11

The Routledge Dictionary of Modern American Slang offers the ultimate record of modern, post WW2 American Slang. The 25,000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics, and Internet user groups. Etymology, cultural context, country of origin and the date the word

was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language, as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will, and should, offend. Rich, scholarly and informative, *The Routledge Dictionary of Modern American Slang and Unconventional English* is an indispensable resource for language researchers, lexicographers and translators.

A Companion to Crime Fiction - Charles J. Rzepka 2020-07-13

A Companion to Crime Fiction presents the definitive guide to this popular genre from its origins in the eighteenth century to the present day. A collection of forty-seven newly commissioned essays from a team of leading scholars across the globe make this Companion the definitive guide to crime fiction. Follows the development of the genre from its origins in the eighteenth century through to its phenomenal present day popularity. Features full-length critical essays on the most significant authors and film-makers, from Arthur Conan Doyle and Dashiell Hammett to Alfred Hitchcock and Martin Scorsese exploring the ways in which they have shaped and influenced the field. Includes extensive references to the most up-to-date scholarship, and a comprehensive bibliography.

Crimes Committed by Terrorist Groups - Mark S. Hamm 2011-01

This is a print on demand edition of a hard to find publication. Examines terrorists' involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the

criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that the prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

Ethnicity and Family Therapy - Monica McGoldrick 1982-11-10

Social, cultural, and religious characteristics that are relevant to working with Black American families, illustrated with case examples and hands on guide to developing cultural awareness of a specific ethnic population.

The Black Neighbor - Jenna Powers 2012-03-09

In a quiet suburb off the outskirts of Portland, a black man moves in. Cristina, a frustrated white wife of a man who's too busy trying to get promoted, greets the suburbs first black neighbor. She decides to show the warm, plush hospitality that the Mansion Estates are known for. But is Cristina taking on more than she can bite? Or for that matter, swallow?

Brextopia! - Simon Grail 2021-04-09

It is the year 2121, and in the state of Brextopia (the country formerly known as England), men are proud and dominant, while women know their place. Either they consent to serve their husbands as dutiful and submissive wives, wearing wedding rings in their noses, or else they earn money for the state by satisfying the sexual needs of both locals and rich foreign tourists, on whom the economy largely depends. Almost any BDSM practice is permitted as long as the proper license has been purchased. Disgraced young divorcee Penny Adams faces years of such compulsory national sexual service, when sinister Inspector Flack of the Ministry of National Security offers her an alternative. Brextopia is surrounded by unfriendly nations: the Celtic Alliance lands to the north and west, and the EuroFed countries to the south and east, who are envious of its success and preach an alternate history of the last century and dangerous ideas about equality

and human rights. If Penny submits to him totally and accepts training and certain medical adjustments to her body, she can become his naked spy catcher hunting down foreign enemies of the state. Penny consents to the deal, but will her patriotic pride sustain her through a series of intense sexual encounters that Flack arranges? She models for a private bondage photography club; has sex with a pretty lesbian nurse; endures the intimate attentions of an old war veteran; plays the part of a naked victim in a castle dungeon; entertains a party of inebriated football fans in a hired train; becomes a plaything in an exclusive gentleman's club; has a role in the historical re-enactment of a medieval sex raid, is put on display as a decoration of living flesh in a patriotic parade; offers naked sex in a retro London taxi carriage, and becomes the star prize in a church auction. But who is the spy amongst all the men she meets? The only way to find out is for Penny to have sex with all of them, and soon her endurance is tested to its limits. But is not spreading her legs for the good of her country every loyal Brextopian woman's duty? Are not the intense orgasms generated by Penny's sexually sensitised and augmented body reward enough? Surely living in a state of happy submission is the most perfect life a woman can know. She has consented to all this and should be grateful to Flack for saving her from the shame of her divorce. Or is there some truth in the lies that the enemies of Brextopia tell?

The Queer Fantasies of the American Family Sitcom - Tison Pugh 2018-02-27

The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family-friendly sitcoms. Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power, as a kind of camouflage, and as a foundation for family building. The book examines how queerness, at first latent, became a vibrant yet continually conflicted part of the family-sitcom tradition. Taking into account elements such as the casting of child actors, the use of and experimentation with plot traditions, the contradictory interpretive valences of comedy, and the subtle subversions of moral standards by writers and directors, Pugh points out how innocence and sexuality conflict on

television. As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family, television history reveals a deeper, queerer vision of family bonds.

Gay Male Pornography - Christopher N. Kendall 2004

The 2000 case of Little Sisters Book and Art Emporium v. Customs Canada provided Canada's highest court with its first opportunity to consider whether the analysis set out in R. v. Butler - in which the Supreme Court identified pornography as an issue of sex discrimination - applies to pornography intended for a lesbian or gay male audience. The Court held that it did, finding that, like heterosexual pornography, same-sex pornography also violates the sex equality interests of all Canadians. Christopher Kendall supports this finding, arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation - misogyny and homophobia alike - by sexually conditioning gay men to those attitudes and practices. The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the Little Sisters case, the notion of empowerment and the rejection of those values that daily result in all that is anti-gay have been replaced with a misguided community ethic and identity politic that encourages inequality. This

is best exemplified in the gay male pornography defended in Little Sisters as "liberation" and "central to sexual freedom." Gay Male Pornography rejects the equality claims of gay male pro-pornography advocates and argues that there is little to be gained from sexualized conformity. To date, no one has taken the position that gay male pornography violates the legal right to sex equality. This book does that and, as such, it will be of value to scholars of law, sociology, and gender studies, as well as to all who have an interest in equality and justice.

Empire and Sexuality - Ronald Hyam 1990

A study of British imperial history, intended for those who are interested in exploring the underlying realities of British expansion on the world stage. This book deals specifically with sex and its effect on the Empire.

Modest_Witness@Second_Millennium.

FemaleMan_Meets_OncoMouse - Donna J. Haraway 2018-06-27

One of the founders of the posthumanities, Donna J. Haraway is professor in the History of Consciousness program at the University of California, Santa Cruz. Author of many books and widely read essays, including the now-classic essay "The Cyborg Manifesto," she received the J.D. Bernal Prize in 2000, a lifetime achievement award from the Society for Social Studies in Science. Thyrza Nicholas Goodeve is a professor of Art History at the School of Visual Arts.
