Girl Boner - August McLaughlin 2018-08-07
In a culture where female empowerment is used to sell everything from sex toys to

soap, most sex education continues to bypass pleasure. The results are stark; we've grown accustomed to slut- and prude-shaming and allowed others to dictate how a "good girl" is meant to feel, act, and look. In *Girl Boner: The Good Girl's Guide to Sexual Empowerment*, August McLaughlin offers an inclusive, unfiltered blend of personal narrative and practical tips on relationships, solo play, journaling, gender issues, and more. From the perks of "jilling off" to the 7 types of 'gasms, *Girl Boner* will "empower you to own your sexual self and enjoy ... your whole life a great deal more."

desire, and emotional scars from being molested in her early years. However, in her late forties, after meeting and marrying the love of her life, Zam was determined to finally fix her sensual self. The Pleasure Plan is what happened when she decided to challenge her hopelessness. In partnership with her initially reluctant husband, she visited a variety of healers and tried an array of pleasure-enhancing methods: from dilators and dildos, to hypnosis and hosting a sex brunch, to cleansing chakras, to making love to her husband in front of a geriatric Tantric goddess. Packed with humor, heart, and a healthy dose of prescriptive advice, this book chronicles Zam's insight as she confronts many issues- from mismatched libidos to female erection enlightenment. Throughout this journey, she and her husband grow as individuals and as a couple, both in and out of the bedroom"--

No More Headaches - Juli

Slattery 2011-09-09

Both husbands and wives can be extremely frustrated by the differences in sexual needs and expectations between them.

This frustration manifests itself as fighting, resentment, feelings of either guilt or

rejection, and general marital strife. There are few safe and appropriate places to ask the questions about sex that

frustrate and confuse women most. In *No More Headaches*, Juli Slattery provides that place with honest answers that target women's specific needs.

Her warm and compassionate style come through as she examines the underlying issues that prevent couples from having a satisfying sex life.

Helping husbands and wives understand and address the sexual relationship with their spouse will improve the marriage by reducing stress and frustration in that area, which will reduce stress in other areas of marriage as well. Each chapter contains questions for reflection and

questions for couples to discuss. Juli Slattery has extensive experience speaking to women about marriage, parenting, and family issues at retreats and conferences as well as on television and radio.

52 E-mails to Transform Your Marriage - Samantha Rodman 2016-11-01

Press “send” for amazing results! With 52 E-mails to Transform Your Marriage, you’ll find a year’s worth of e-mails to help you reconnect with your spouse, reignite intimacy, and keep your love alive. There’s no doubt marriage can be a challenge—we’ve all heard that half of marriages end in divorce. A common problem you may face as a couple is feeling stuck or disconnected—lonely within the marriage—as if you and your spouse were worlds apart, even as you present a united front. Attempts to discuss the problem may lead to painful arguments, and even couples therapy may prove more expensive and time-consuming than effective, putting each of you on the spot and moving so quickly that you may leave, session after session, without feeling closer. E-mail, however, can be a much less threatening way to communicate your true thoughts and feelings. Based on the author’s popular online relationship coaching sessions, each chapter of this book

provides an e-mail writing assignment focused on a different topic, such as sex, intimacy, communication, trust, and the future. These weekly assignments will grant you both the time to write—which can be extremely therapeutic in itself—and read what the other has to say without the need for an immediate

response. With 52 E-mails to Transform Your Marriage, you'll discover useful tips for good communication, learn how to respond to messages with empathy and validation, and be well on your way to rediscovering and sustaining the love that brought you together in the first place.
