A Foodie Afloat - Di Murrell 2020-07-28

A Foodie Afloat is the story of a cook's journey through France on a barge. Di Murrell takes us on a gentle journey across France; her main preoccupation being to make sure that tasty food arrives on the table each day. As she voyages across the country she shows, through her recipes, how the cuisine changes with the landscape. Whether bought in the market, dug from a lock-keeper's garden or even foraged along the towpath, the food she finds and cooks is always seasonal and local to the region. This book is more than just a collection of recipes though. It is the result of a life spent on the waterways of Europe. She talks to lock-keepers, skippers of working barges and those, who, like her, find their sustenance on or near the canal. Di's enjoyment of good champagne, foie gras and truffles leads to an eclectic mix of simplicity and sophistication in her cooking. The boating life, though rarely sensational, is full of small events and chance encounters. This is an enticing story of slow boats and slow food. Di makes it come alive, and her combination of travel and recipe book tempts us to give up everything and join her on the waterways of Northern and Central France. A Foodie Afloat is the 2020 UK winner of the World Gourmand Cookbook Awards in the Food Tourism category.

Dance, Recover, Repeat - Alasdair Duncan 2007-11-01

From an edgy new voice comes a frenetic novel about boredom, porn, and pills. Brandishing a unique, comic worldview, Alasdair Duncan assembles a surprising, devastating narrative using dialogue, emails, Internet chats, fantasies, notebook entries, blips from video games, and more. Calvin is sixteen and bored with suburban life. But in the city, things are altogether more exciting. It's there that Calvin meets Anthony -- and the two boys quickly become obsessed with each other. Then Calvin discovers pictures of Anthony on a pornographic website and is drawn into his new friend's seedy underworld. Just as he's discovering what's like when first love meets first sex, when friendship meets lust, and when love meets loss, his teen angst morphs into full-on self-destructiveness...and puts him on the path to an absolutely shocking series of events. With total command of the world he creates for his characters -- in which the computer is just another pill you can pop, another way to run and hide, like drinking or drugging or having sex -- Alasdair Duncan makes an auspicious debut.

[Never Let Me Go](#) - Kazuo Ishiguro 2009-01-08

****OVER 1 MILLION COPIES SOLD** SHORTLISTED FOR THE BOOKER PRIZE 'Brilliantly executed.' MARGARET ATWOOD 'A page-turner and a heartbreaker.' TIME 'Masterly.' SUNDAY TIMES One of the most acclaimed novels of the 21st Century, from the Nobel Prize-winning author Kazuo Ishiguro imagines the lives of a group of students growing up in a darkly skewed version of contemporary England. Narrated by Kathy, now thirty-one, *Never Let Me Go* dramatises her attempts to come to terms with her childhood at the seemingly idyllic Hailsham School and with the fate that has always awaited her and her closest friends in the wider world. A story of love, friendship and memory, *Never Let Me Go* is charged throughout with a sense of the fragility of life. 'Exquisite.' GUARDIAN 'A feat of imaginative sympathy.' NEW YORK TIMES What readers are saying: 'A book I will return to again and again, and one that keeps me thinking even after finishing it.' 'I loved it, every single word of it.' 'It took me wholly by surprise.' 'Utterly beautiful.' 'Essentially perfect.'**

Candace Tapers' life finally takes an upward swing when Nathan Dumont, shipping heir and notorious playboy, sweeps her away to a lifestyle of wealth and privilege. But that life comes with strings, and she is soon pulled in directions she never expected, discovering secrets and ulterior motives in the man who shares her bed.

[The Company I Keep](#) - Leonard A. Lauder 2020-11-17

In his much-anticipated memoir, *The Company I Keep: My Life in Beauty*, Chairman Emeritus and former CEO of The Estée Lauder Companies Leonard A. Lauder shares the business and life lessons he learned as well as the adventures he had while helping transform the mom-and-pop business his mother founded in 1946 in the family kitchen into the beloved brand and ultimately into the iconic global prestige beauty company it is today. In its infancy in the 1940s and 50s, the company comprised a handful of products, sold under a single brand in just a few prestigious department stores across the United States. Today, The Estée Lauder Companies constitutes one of the world's leading manufacturers and marketers of prestige skin care, makeup, fragrance and hair care products. It comprises more than 25 brands, whose products are sold in over 150 countries and territories. This growth and success was led by Leonard A. Lauder, Estée Lauder's oldest son, who envisioned and effected this expansion during a remarkable 60-year tenure, including leading the company as CEO and Chairman. In this captivating personal account complete with great stories as only he can tell them, Mr. Lauder, now known as The Estée Lauder Companies' "Chief Teaching Officer," reflects on his childhood, growing up during the Great Depression, the vibrant decades of the post-World War II boom, and his work growing the

company into the beauty powerhouse it is today. Mr. Lauder pays loving tribute to his mother Estée Lauder, its eponymous founder, and to the employees of the company, both past and present, while sharing inside stories about the company, including tales of cutthroat rivalry with Charles Revson of Revlon and others. The book offers keen insights on honing ambition, leveraging success, learning from mistakes, and growing an international company in an age of economic turbulence, uncertainty, and fierce competition.

Kosher Sex - Shmuley Boteach 2010-05-12

In *Kosher Sex*, Rabbi Boteach pioneers a revolutionary approach to sex, marriage, and personal relationships, drawing on traditional Jewish wisdom. Using his experiences counseling individuals and couples, the author breaks down sexual taboos and openly, yet respectfully, discusses the meanings, emotions, and the hidden power of sex. With his unique anecdotal style, Rabbi Boteach illustrates each and every point, using real couples who have discovered the joys of "kosher sex"--sex based on love, trust, and real intimacy. He profiles the two most common types of couples--best friends and passionate lovers--and suggests ways of synthesizing the best that each type has to offer. Rabbi Boteach also has advice for singles on finding the right partner; for individuals either willing to take their long-term relationship to the next level or unsure about doing so; and for married couples who may be experiencing problems in their sex life. At a time when three out of every five marriages fail, *Kosher Sex* will have an astonishing and positive impact. With a no-holds-barred conversational style and keen insight, Rabbi Boteach breaks all the taboos and pioneers a new approach to sex, marriage, and personal relationships. He not only brings traditional Jewish wisdom into the twentieth century but makes it relevant to everyone searching for a deeper, more meaningful, and more satisfying love life. --> From the Trade Paperback edition.

The Ethical Slut, Third Edition - Janet W. Hardy 2017-08-15

The classic guide to love, sex, and intimacy beyond the limits of conventional monogamy has been fully updated to reflect today's modern attitudes and the latest information on nontraditional relationships. "One of the most useful relationship books you could ever read, no matter what your lifestyle choices. It's chock-full of great information about communication, jealousy, asking for what you want, and maintaining a relationship with integrity."—Annie Sprinkle, PhD, sexologist and author of *Dr. Sprinkle's Spectacular Sex* For 20 years *The Ethical Slut*—widely known as the "Poly Bible"—has dispelled myths and showed curious readers how to maintain a successful polyamorous lifestyle through open communication, emotional honesty, and safer sex practices. The third edition of this timeless guide to the ethics of relationships, communication, and sex has been revised to include: • Interviews with poly millennials (young people who have grown up without the prejudices their elders encountered regarding gender, orientation, sexuality, and relationships) • Tributes to polyamory pioneers • Tools for conflict resolution and instructions on how to improve interpersonal dynamics • New sidebars on topics such as asexuality, sex workers, LGBTQ terminology, and ways polys can connect and thrive The authors also include new content addressing nontraditional relationships beyond the polyamorous paradigm of "more than two": couples who don't live together, couples who don't have sex with each other, nonparallel arrangements, couples with widely divergent sex styles, power disparities, and cross-orientation relationships, while utilizing nonbinary gender language and new terms that have come into common usage since the last edition.

Love, Chloe - Alessandra Torre 2016-03-14

From New York Times bestselling author Alessandra Torre... Chloe Madison. That's me. A former NYU princess who just fell from grace, right off my pampered Manhattan throne and onto the unforgiving steps of Nicole Brantley, socialite and queen bitch. Now, I walk her dog and mix her smoothies. Try to navigate my own problems while fixing all of hers. I want what every New York girl wants. A career, an apartment, and true love, preferably in a smoking hot package. It turns out I'll have to fight for all of it.

Tight - Alessandra Torre 2015-01-31

"I was happy in my small town. In my life as a single, thirty-two year old woman. I had a good job, wonderful friends, my independence. I also hadn't been laid in three years. Hadn't been on a date in two. Had stopped counting calories and wearing makeup...a while ago. Then Brett

Jacobs waltzed in. Caressed my thigh, dug rough fingers into my hair, lowered his soft mouth to my skin, took sexual control of my mind and stirred it all around with what he packed in his pants. He dumped my quiet life upside down and crawled into a place in my heart I thought was dead. The issue is his secret. The issue is her. The issue is that I don't even know she exists, and he thinks she's dead. The issue is that shit is about to hit the fan and I can't hold on to him tight enough"--Page 4 of cover.

The Well of Loneliness - Radclyffe Hall 2015-04-23

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of *John O'London's Weekly*. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Start, Love, Repeat - Dorcas Cheng-Tozun 2017-11-07

A prescriptive guide to how to keep your relationship strong when there's a start-up in the family. The idea of starting your own business is exhilarating and inspiring. It's one over 30 million Americans pursue. But being the significant other of an entrepreneur is not so glamorous. Boundaries between work and home disappear. Personal savings and business funds become intertwined. You can feel like a single parent as your spouse travels, works late hours, and answers calls and e-mails 24-7. You may even sacrifice a career or move your home for the sake of the business. But there are strategies you can use to combat all this stress and uncertainty. Whether you're new to the start-up world, or a long-term entrepreneurial partner, *Start, Love, Repeat* will help you understand exactly how a start-up affects your lives—and what you can do to build a happy and healthy relationship in the midst of the madness. Dorcas Cheng-Tozun has not only done extensive research, she has lived through the perils and pitfalls of being with an entrepreneur as the wife of the CEO and cofounder of successful start-up d.light. She offers clear-sighted, first-hand advice for any couple considering making the same leap. She further draws on interviews with other successful entrepreneurs and their significant others, executive coaches, marriage-family therapists, venture capitalists, and start-up authorities to provide practical insights and steps any couple can take to build a strong relationship while launching that dream business.

The Book of Margery Kempe - Kempe Margery 1985

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.

The God of Small Things - Arundhati Roy 2017-06-13

Still, to say that it all began when Sophie Mol came to Ayemenem is only one way of looking at it . . . It could be argued that it actually began thousands of years ago. Long before the Marxists came. Before the British took Malabar, before the Dutch Ascendancy, before Vasco da Gama arrived, before the Zamorin's conquest of Calicut. Before Christianity arrived in a boat and seeped into Kerala like tea from a teabag. That it really began in the days when the Love Laws were made. The laws that lay down who should be loved, and how. And how much.

Sex Love Repeat - Alessandra Torre 2013-11-18

Madison. Paul. Stewart. They have accepted the situation. Stewart, because his life is too busy for the sort of obligations that are required in a relationship. Paul, because he loves Madison too much to tell her no. And because her sexual appetite is such that one man has trouble keeping up. So they exist, parallel relationships, each running their own course, with no need for intersection or conflict. Dana sat in the background and waited, saw the relationships, the love, and the moment that it all fell apart. She loves them. Everything else hangs in the balance.

Black Lies - Alessandra Torre 2014

Brant: Became a tech billionaire by his twentieth birthday. Has been in a relationship with me for 3 years. Has proposed 4 times. Been rejected 4 times. Lee: Cuts grass when he's not banging housewives. Good with his hands, his mouth, and his cock. Has been pursued relentlessly by me for almost 2 years, whether he knows it or not. Go ahead. Judge me. You have no idea what my love entails. If you think you've heard this story before, trust me - you haven't.

Love & Other Disasters - Anita Kelly 2022-01-18

The first openly nonbinary contestant on America's favourite cooking show falls for their clumsy competitor in this delicious romantic comedy debut! 'Sweet and sexy and wholly delicious. I'm head over heels for these two delightful disasters . . . Anita Kelly writes with tremendous warmth and care, and these pages shine with joy' Rachel Lynn Solomon 'A nonbinary protagonist in a mainstream romance is cause for excitement and the characters spark with chemistry. The heartwarming result will leave readers eager for more from Kelly' Publishers Weekly Early readers are giving Love & Other Disasters 5 stars! 'This book had so many great elements that it's no surprise I fell absolutely head over heels for it . . . the unabashed queerness in this book made my heart so happy . . . there was so much joy in this book that had me smiling from ear to ear' 'Funny, uplifting, true to life, relatable, and cheerful. If you need cheering up this is the perfect book for you' 'Such a fun read!' Perfect for fans of Red, White and Royal Blue and A Sweet Mess.

..... Every recipe needs a little chemistry . . . Recently divorced Dahlia Woodson is ready to

reinvent herself and she's found the perfect opportunity: the hit cooking competition show Chef's Special. Falling flat on her face on the first day is admittedly not the best start, but Dahlia isn't going to let it mess up her focus. London Parker is also there to win. As the first non-binary contestant on Chef's Special, they have a lot to prove, and they have enough on their mind without being distracted by the pretty contestant who crashed into them on Day One and hasn't really stopped talking since. After filming a few episodes, Dahlia and London grow closer and things get a little steamy as they spend more time together outside of the show. Suddenly winning isn't as important as either of them thought, but when their relationship starts to feel the heat both in and out of the kitchen, Dahlia and London realise that love doesn't always follow a recipe. Ravés for Love & Other Disasters! 'Wildly charming, exquisitely vibrant, and achingly tender . . . I can't wait to buy it for everyone I've ever met' Rosie Danan 'With only one book, Anita Kelly has landed among my all-time favorite authors' Meryl Wilsner 'Anita Kelly has the perfect recipe for romance . . . I didn't want it to end and I'm so hungry for more' Ruby Barrett
