

Sex And Gender Explorer

Disability, Sexuality, and Gender in Asia - Wanhong Zhang

2023-08-01

This book introduces experiential knowledge of the intersectionality of disability, sexuality, and gender equality issues. Scholars and disabled persons' organizations in different Asian countries such as China, Vietnam, Myanmar, Nepal, and Japan have contributed to the book. It is a preliminary introduction of the frontline practice of Asian disability activism and the experience of women and LGBTIQ people with disabilities. It presents the direct participation of disability advocates in mapping how both women with disabilities and LGBTIQ individuals with disabilities realize their rights such as identity, work rights, personal safety, and sexual rights. Studies presented here explore the experience of empowering diverse disability groups and advocating for equality and non-discrimination. It explains how to use the leverage of the Convention on the Rights of Persons with Disabilities (CRPD) for further human rights campaigns in a broader context for disadvantaged groups. This collection is the product of a participatory research project, which aims to increase the capabilities of local disabled persons' organizations and NGOs in utilizing human rights laws and encourage dialogue and collaboration between academia, people with disabilities, and human rights advocates. It will be essential reading for academics, researchers, policy-makers, and campaign groups.

The Explorer's Roadmap to National-Socialism - Sarah K. Danielsson

2016-03-16

Whilst terms such as Lebensraum are commonly associated with National-Socialist ideology of the 1930s and 40s, ideas of racial living space were in fact generated in the previous decades by an international geographic community of explorers and academics. Focusing on one of

the most influential figures within this group, Sven Hedin, this is the first study that systematically connects the geographic community to the intellectual history of the development of National-Socialist ideology and genocidal practices. The book demonstrates how colonial, racial and nationalistic policies were often spearheaded by explorers and geographers such as Hedin. In Germany, Britain, France, and Russia their positions as publicly recognized authors and reputable academics made them highly influential with politicians. Whilst this influence was to become most visible within Hitler's Germany, the debates were not by any means restricted to or even originated in, Germany. Germany was the home of some of the most prominent geographers, but this scientific community had a tradition of international debate and exchange with especially British, French and Russian geographic societies and institutions. Many issues that were later discussed and championed by National-Socialist ideology were aired and debated in this international setting - raising important questions about the international character and impact of National-Socialism. Tracing the intellectual history of the international geographic community and its relationship to National-Socialism, this study provides an assessment of Hedin's close involvement with the Nazi elite as a culmination of decades of political and scientific work. In so doing the book uncovers a long ignored or overlooked important connection between exploration, geographers, and genocide.

Sex and the Slayer - Lorna Jowett 2005-04-15

The author aims "to demonstrate in this book not how "feminist" or "progressive" the show is but how it represents femininity, masculinity, and gender relations, including sexuality, and how this relates to the context of genre. The book aims to draw out ... patterns of gender

representation and to relate these to relevant contexts".--Intro.

Encyclopedia of Sex and Gender - Carol R. Ember 2003-12-31

The central aim of this encyclopedia is to give the reader a comparative perspective on issues involving conceptions of gender, gender differences, gender roles, relationships between the genders, and sexuality. The encyclopedia is divided into two volumes: Topics and Cultures. The combination of topical overviews and varying cultural portraits is what makes this encyclopedia a unique reference work for students, researchers and teachers interested in gender studies and cross-cultural variation in sex and gender. It deserves a place in the library of every university and every social science and health department. Contents:- Glossary. Cultural Conceptions of Gender. Gender Roles, Status, and Institutions. Sexuality and Male-Female Interaction. Sex and Gender in the World's Cultures. Culture Name Index. Subject Index.

Sex, Drag, and Male Roles - Diane Torr 2010

The gender-bending performances of Diane Torr, creator of the Man for a Day workshops

The Erotic Explorer's Guide - Maggie Crawford 2023-07-02

From the experienced and insightful author Maggie Crawford comes a groundbreaking book that will revolutionize your relationship to pleasure and empower you to embrace the best sex of your life. In "The Erotic Explorer's Guide," Maggie combines her wealth of knowledge and expertise to provide a comprehensive framework that will transform the way you experience pleasure and intimacy, regardless of your gender or sexual orientation. Discover a new sexual intelligence: - Unlock a deep connection with your body, desires, and unleash the psychological and physical blocks holding you back from experiencing the pleasure that is your birthright. - Develop a heightened understanding of your own unique desires and preferences, allowing you to explore and express your sexuality with confidence and authenticity. Master the art of communication: - Learn effective communication hacks to confidently discuss a range of topics with your partner, including oral sex, open relationships, and beyond. - Enhance your ability to express your desires,

boundaries, and needs, creating a foundation of trust and intimacy in your relationships. Unleash the power of orgasms: - Discover the truth about orgasms and gain insights into techniques and practices that can lead to more plentiful, powerful, and satisfying climaxes. - Embrace a journey of self-exploration and pleasure as you navigate the intricacies of orgasmic experiences. Become an extraordinary lover: - Learn the secrets to becoming a skilled and attentive lover, moving beyond mere technique to embrace a collaborative and deeply satisfying sexual connection. - Challenge societal expectations and norms, allowing you to approach intimacy with an open mind and a desire to create extraordinary experiences for yourself and your partner. "The Erotic Explorer's Guide" draws upon scientific research, personal anecdotes, and expert insights to provide an inclusive and entertaining guide to transforming your sex life, boosting your confidence, and cultivating meaningful relationships. Maggie Crawford's unique voice and compassionate approach will guide you towards embracing your sexual journey, expanding your pleasure potential, and fostering a deeper connection with yourself and your partners. Embark on an exhilarating exploration of pleasure, self-discovery, and empowerment. Let "The Erotic Explorer's Guide" be your trusted companion as you navigate the vast landscape of human sexuality, uncover hidden desires, and embark on a journey of sensual liberation. It's time to embrace the boundless pleasure that awaits you.

Gender Explorers - Juno Roche 2020-06-18

'I believe that children who are questioning and exploring their gender are the gender bosses that we all so desperately need. I believe that they are our future.' In this life-affirming, heartening and refreshing collection of interviews, young trans people offer valuable insight and advice into what has helped them to flourish and feel happy in their experience of growing up trans. Speaking openly and candidly about their gender, their experiences of coming out, their aspirations, and their fears - accompanied by interviews and support from their parents and carers - this book is beautiful proof of the potential for trans children to live rich and fulfilling lives when given the support and love they need. With their

trademark candour and empathy, Juno Roche gives voice to a generation of gender explorers who are making gender work for them, and in the process, reveals a kinder, more accepting world, that we should all be fighting for.

Sacred Kink - Lee Harrington 2016-04

Some of us have had a moment in the middle of fun and sexual exploration that lead to connecting with the divine or having an epiphany about life that was far from expected. Others have been drawn to the possibilities of finding universal truths between the sheets or in the dungeon for all of their lives. Some are aware that their bodies hold the key towards knowing their spirits, but don't know which doors of desire to unlock. Others have glimpsed the limitless where they have been told that only debauchery lives, and are looking to go back for more. This and more is Sacred Kink. Modern tools of BDSM, fetishism, kink and erotic adventuring have roots that go far back into history, tools that have been used for reaching altered states of consciousness, creating spiritual epiphanies, and changing lives. Sacred Kink: The Eightfold Paths of BDSM and Beyond explores the sacred roots of kink tools, and the ways kink can be used today for sacred workings. Explore and find practical tools involving: - Negotiation, Communication and Aftercare for Sacred Kink - Catharsis, Top Trances and Exorcising Personal Demons - Ordeals, Earning Leathers, and Ending Relationships - Energetically Transmitted Diseases and Solo Sex Magic - Creating Ritual Play Spaces and Dedicated Tools - Developing Rituals for Dominance and Submission - Pain Processing and the Dialysis of Desire - Erotic Shapeshifting and Possession Workings - The Spiritual Calling of Mastery and Slavery - Kink and Chemistry Ethics - ...and so much more. Whether you're a seasoned explorer or have never delved into the depths of adventurous sex and personal truth, you hold in your hand a roadmap, a set of keys, and an invitation to journey on your own path of Sacred Kink.

Sex and Gender Effects in Pharmacology - Stella E. Tsirka 2023-11-12

Biological sex and gender have a tremendous impact on the efficacy and safety of pharmacological interventions in virtually every disease state. This book presents a comprehensive and up-to-date overview on how sex-

specific information is guiding the diagnosis and treatment of diseases affecting men and women, as well as of disease states that disproportionately affects women. Experts in various fields discuss both preclinical and clinical research that is contributing to a better understanding of the impact of sex in the presentation, etiology, treatment, and disease outcomes. Also discussed are the challenges encountered in implementing this growing body of knowledge into practice, as well as possible avenues to recognize and reduce health disparities between men and women so that therapeutic interventions are tailored and improved.

The End of Gender - Debra Soh 2021-08-31

"International sex researcher, neuroscientist, and frequent contributor to The Globe and Mail (Toronto) Debra Soh [discusses what she sees as] gender myths in this ... examination of the many facets of gender identity"--

Sex/Gender-Specific Medicine in the Gastrointestinal Diseases - Nayoung Kim 2022-05-26

Sex/gender - specific medicine (SGM) is defined as the practice of medicine based on the understanding that biology and social roles are important in men and women for disease prevention, screening, diagnosis, and treatment. Current research demonstrates differences in disease incidence, symptomatology, morbidity, and mortality based on sex and gender. Sex/gender-specific medicine is a fundamental aspect of tailored therapy and precision medicine. Therefore, the variables must be considered in medical education and practice as well as in research models ranging from human participants, animals and cells.

Gastroenterology is very big and important division of Internal Medicine, which include esophagus, stomach, small and large intestine, pancreatobiliary tract and liver. Nowadays estrogen is known to play a key role in the prevention of colon cancer and progression of liver cirrhosis and hepatocellular carcinoma, especially in women. This book covers the sex/gender-specific medicine in the area of gastrointestinal (GI) tract in the adults as well as in the pediatrics and in the gut microbiota.

The Ashgate Research Companion to Feminist Legal Theory -

Professor Margaret Davies 2013-11-28

As a distinct scholarly contribution to law, feminist legal theory is now well over three decades old. Those three decades have seen consolidation and renewal of its central concerns as well as remarkable growth, dynamism and change. This Companion celebrates the strength of feminist legal thought, which is manifested in this dynamic combination of stability and change, as well as in the diversity of perspectives and methodologies, and the extensive range of subject-matters, which are now included within its ambit. Bringing together contributors from across a range of jurisdictions and legal traditions, the book provides a concise but critical review of existing theory in relation to the core issues or concepts that have animated, and continue to animate, feminism. It provides an authoritative and scholarly review of contemporary feminist legal thought, and seeks to contribute to the ongoing development of some of its new approaches, perspectives, and subject-matters. The Companion is divided into three parts, dealing with 'Theory', 'Concepts' and 'Issues'. The first part addresses theoretical questions which are of significance to law, but which also connect to feminist theory at the broadest and most interdisciplinary level. The second part also draws on general feminist theory, but with a more specific focus on debates about equality and difference, race, culture, religion, and sexuality. The 'Issues' section considers in detail more specific areas of substantive legal controversy.

The Explorer's Guide to Planet Orgasm - Annie Sprinkle PhD

2017-03-22

Welcome to the most mysterious and wonderful of planets, a planet made just for you. We call it Planet Orgasm. On Planet Orgasm, there are dozens of kinds of orgasms, just waiting for us all to have them. You can take Orgasmanaut Training, learn the fascinating history of orgasm research, expand your definition of orgasm, and voyage into undiscovered orgasmic lands. You'll discover orgasms for people of every gender and orientation: big world-shaking orgasms and gentle mini-gasms; orgasms in every part of your body; orgasms by yourself, orgasms

with toys, orgasms with others... and orgasms only you can discover for yourself. World-famous performer/author/educator Annie Sprinkle is your guide, together with artist/educator Beth Stephens and illustrator YuDori. Under the leadership of this fearless crew, you'll discover, through words and pictures, just what Planet Orgasm has in store for you!

Playing Well With Others - Lee Harrington 2012-02-29

Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to: • Examine your own motivations, needs, wants and desires • Ease your way into established communities • Understand etiquette in different adventurous sex communities • Familiarize yourself with the many types of events available to you • Care for your relationships as you explore new territory • Negotiate for play and aftercare • Go back to the "world at large" without ruffling feathers • ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

The Explorer's Guide to Planet Orgasm - Annie Sprinkle 2017-04-20

Christianity: An Explorer's Guide - Marcus Braybrooke 2017-03-28
Christianity: An Explorer's Guide offers a comprehensive and compassionate over-view of Christianity, pointing to a living experience of God's love in Jesus. The book is an ideal survey for the enquirer and will give Christians a deeper understanding of their faith and the fascinating and varied history of the church. The book describes the life-changing experience of meeting Jesus. It tells the Gospel story, describes the history of the Church and outlines its beliefs. The book also describes how in their spiritual and practical life followers of Jesus try to copy his example of loving service of others. 'I am inspired by this brilliant book, which will be invaluable to those who wish to know more about Whilst fascinated, I never once felt I was being proselytised. A tour de force.' Baroness Rabbi Julia Neuberger. Marcus Braybrooke is an Anglican priest, President of the World Congress of Faiths and prolific author *Beatrice the Sixteenth* - Irene Clyde 2023-06-06
Originally published in 1909, *Beatrice the Sixteenth: Being the Personal Narrative of Mary Hatherley, M.B., Explorer and Geographer* is the debut feminist science fiction novel by Irene Clyde. Mary Harthereley is lost. After being struck by a camel's hoof, Mary finds herself thrown into an alternate plane of existence some five hundred years in the past. Discovered by people of the local province, she is escorted into the Kingdom of Armeria ruled by Queen Beatrice the Sixteenth. Welcomed by the inhabitants, Mary is introduced to a rather progressive society

wherein there is no gender, divorce or carnivores and is taken in by their concept of "conjux,"--lifetime partnerships based on romantic love and companionship rather than sex. Finding herself growing fond of the kingdom, Mary uncovers deception and plot as a war threatens to upend all that the Armerias hold dear. Professionally typeset with a beautifully designed cover, this edition of *Beatrice the Sixteenth* is a classic of feminist science fiction literature, reimagined for modern readers.

Transgender America: Spirit, Identity, and the Emergence of the Third Gender - S. F. Howe 2018-03-17

SPIRIT, IDENTITY, AND THE EMERGENCE OF THE THIRD GENDER
For someone who has been suffering in private about their sexuality or gender identity, finding support can be an important step toward self-acceptance. However, there is little to no attention or support for seeking awareness of the higher truth about gender and the body, not to mention about life on earth in general; a higher awareness that might alter your perspective and, therefore, your reactions and your choices. This book aims, in some small measure, to bridge that gap.

Understanding the bigger picture of life on earth enables you to put your gender and sexuality issues in perspective. For those open to these words, it will save you from a lifetime of focusing on the wrong thing--your sexuality or your gender identity--rather than the right thing--your true, infinite spiritual identity which is genderless. There is no gender in Spirit; gender only exists in this illusion world and all other physical illusion realms. Overidentification with the body is one of the key experiential traps that causes you to remain locked into your programming in our matrix-like illusion world. Hence, real freedom is not about obsessing over your various gender identity or sexual orientation issues but about recognizing your true identity as an Infinite Being. This book will guide you step by step into an understanding of your true self as the Infinite and will enable you to put your culturally-induced sex and gender obsession in its rightful place. This shift in perspective, once made, will bring the peace and freedom you have longed for but may have never known before. Scroll up ... and click on "Add to Cart" to order "Transgender America" right now!

Spirit of Desire - Lee Harrington 2016-04-01

Spirit of Desire features 33 profoundly personal and diverse stories sharing the revelations, power, connections, and pathways explored in Sacred Kink. Some of the authors have been on the road for decades, others for a very short time; some have spoken about their passions before, while others are only now putting pen to page. Whether you are a traveler on the road of sexual expression, a spiritual seeker on a quest for enlightenment, or a curious creature wondering what this is all about,

these personal journeys will take your breath away, leave you hot and bothered, and have you pondering the nature of love. A collection of personal stories for practitioners of spiritual kink.

Cross Dressing, Sex, and Gender - Vern L. Bullough 1993

Not only surveys cross dressing and gender impersonation throughout history and in a variety of cultures but examines the medical, biological, psychological, and sociological findings that have been presented in modern scientific literature.
