Time for The Talk - Steve Zollos 2011-01-01

Time for The Talk will help fathers walk their sons through one of the

most important conversations of their lives. "The Talk" is much broader than just a talk about sexuality; it's a conversation about manhood, about right decisions, about Christ. Time for The Talk will help you give your son what he needs to steer through the moral and spiritual confusion of this world and make wise, godly, character-forming decisions. You will be equipping him to enter true manhood—a passage that many young men today simply never make. Time for The Talk provides a complete framework for discussing the key areas of manhood that every boy should learn from his father. Through "The Talk" you will open a channel of communication based on truth and love that will endure for life.

Seduced by Sex, Saved by Love - Jan Kern 2008

Teens can learn to break free from the past and make choices needed to take hold of the authentic love God offers.

Sex Has a Price Tag - Pam Stenzel 2010-08-03

"If I only had known what could happen, I would have made a different choice!!!"A decade in a crisis pregnancy center, counseling both Christian and non-Christian teens...speaking to millions of students through the years...counseling and answering the letters of thousands of teens...Pam Stenzel has heard this statement over and over and over again. From kids like you.Sex Has a Price Tag rejoices that, indeed, sex is glorious. Sex is God-given. But sex outside of God's boundary is behavior that has far-reaching consequences. Outside a monogamous marriage it has a price tag of incalculable costs.Here are real testimonies, encouragement, and advice about:abstinence vs consequencesBiblical definitions and examplesphysical diseases and emotional disasterexamination of urgestaboo subjects including masturbationadvice on where to go for helpavoiding sexual activity and awkward situationsdealing with friends, parents...and your self-respectSex Has a Price Tag is brutally frank but totally sympathetic, written to girls and guys. Here are searing personal testimonies, medical stats, and practical solutions; encouragement in the form of Biblical examples, support and networking options, innovative alternatives to dating situations, and creating journaling. There are sources and links for seeking help. Sex Has a Price Tag is life-affirming, and is a life-saver.

Love Has No Price Tag : Erotic Sex Story - Jessica Bankman 2014-05-01
Kelly is the CEO of a small book publisher. She wakes up late after spending the night with one of her male companions, Frankie. She is too busy for a relationship and doesn't want her heart broken again so she spends what little free time she has with a variety of men to ensure she doesn't fall for any of them. Upon arriving at work, she is informed by her finance director that she has received another offer for her company to be bought out by Smith & Welch. Kelly is furious that this large publisher keeps submitting offers to buy her out despite Kim rejecting them each time, so she decides to meet with a representative from the company and put the buyout to bed once and for all.Kelly turns up at the meeting and is shocked to see that the man charged with buying her company is her old college professor Oliver who she had a fling with and who ultimately broke her heart. Oliver gives Kelly an offer that she can't refuse; he helps her save her failing company in exchange for a weekend alone together at his estate. Kelly has to decide whether saving her company is worth the cost.

Nobody Told Me - Pam Stenzel 2011-01-05

Teens have their whole lives ahead of them, but making poor choices can undermine their hopes for a bright future. Too many young adults look back on decisions they made in the heat of the moment and regret the path they chose—they wish someone had told them how premarital sex could negatively impact their future relationships. Here is a book to help teens make the right choices when it comes to sex, based on actual questions the author has received from real-life teens. Nobody Told Me is written for young men and women who want passionate, long-lasting marriages in the future but haven't considered how the decisions they make now impact their chances for fulfillment. This accessible book contains information teens need about the physical, emotional, and spiritual risks associated with premarital sex, as well as guidelines for making healthy choices. Teens have questions about sex, and now there is somewhere to find the answers.

True Love Dates - Debra K. Fileta 2013-10-08

It is possible to find true love through dating. In True Love Dates, Debra

Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. True Love Dates provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, Truelovedates.com, and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

Sex Still Has a Price Tag - Pam Stenzel

Today, people are faced with a raging plague of sex-related problems. Pregnancy, sexually transmitted diseases and rape statistics are at an all-time high. Even so, today's society encourages sexual activity, and young people must have a compelling reason to commit to sexual abstinence. In "Sex Still Has a Price Tag," world renowned abstinence educator.

Mom, sex is NO big deal! - Sharon Hersh 2010-07-28

"But Mom, it's not the same as when you were a teenager..." Your daughter is right. Never before have teenage girls been so inundated with the idea that sex is a natural part of teenage relationships. The media, the Internet, and your daughter's peers reinforce this myth daily. In fact, the majority of teenage girls will experiment with sex. And never before has the price tag of teen sexual behavior been so high—disease, depression, and a distorted view of self. This is a book of hope and empowerment. The good news is that you can use the challenges your daughter faces today as catalysts to help her develop a sacred view of

sex and of herself. Your daughter will make critical decisions during her adolescence and those decisions will have lifelong consequences. But you, as a mother, can have enormous influence over your daughter if you are prepared. "Mom, Sex Is NO Big Deal!" will arm you with information and strategies to help your daughter arrive at a place of wholeness as she makes decisions about how she will behave sexually during the most vulnerable period of her life.

Mojo - Marshall Goldsmith 2010-12-09

The follow-up to global bestseller What Got You Here Won't Get You There (the Amazon.com no.1 bestseller for 2007 on Leading People) addresses the vital phases of gaining mojo (tough), maintaining it (tougher) and recapturing it after you lose it (toughest of all, but not impossible) This is vital in any competitive arena, whether business, sport or politics. Goldsmith draws on new research, as well as his extensive experience with corporate teams and top executives, to provide compelling case studies throughout. Readers will learn the 26 powers that are within us all and will come away with a new, hyper-effective technique to define, track and ensure future success for themselves and their organisations. Goldsmith's one-on-one training usually comes with a six-figure price tag. Now his advice is available without the hefty fee.

Sex Still Has a Price Tag - Pam Stenzel

The Price Tag of Sex - Pam Stenzel 2004**Pricing Lives** - W. Kip Viscusi 2020-10-06

How society's undervaluing of life puts all of us at risk—and the groundbreaking economic measure that can fix it Like it or not, sometimes we need to put a monetary value on people's lives. In the past, government agencies used the financial "cost of death" to monetize the mortality risks of regulatory policies, but this method vastly undervalued life. Pricing Lives tells the story of how the government came to adopt an altogether different approach--the value of a statistical life, or VSL—and persuasively shows how its more widespread use could create a safer and more equitable society for everyone. In the 1980s, W. Kip Viscusi used the method to demonstrate that the benefits of requiring businesses to label hazardous chemicals immensely outweighed the costs. VSL is the risk-reward trade-off that people make about their health when considering risky job choices. With it, Viscusi calculated how much more money workers would demand to take on hazardous jobs, boosting calculated benefits by an order of magnitude. His current estimate of the value of a statistical life is \$10 million. In this book, Viscusi provides a comprehensive look at all aspects of economic and policy efforts to price lives, including controversial topics such as whether older people's lives are worth less and richer people's lives are worth more. He explains why corporations need to abandon the misguided cost-of-death approach, how the courts can profit from increased application of VSL in assessing liability and setting damages, and how other countries consistently undervalue risks to life. Pricing Lives proposes sensible economic guideposts to foster more protective policies and greater levels of safety in the United States and throughout the world.

Pussy Price Tag - Warren B 2018-02-28

This short, funny, blunt book is an ode to the most precious yet forbidden topic on the planet. The Vagina. Boldly referred to as P*ssy from the cover to the spine. P*ssy Price Tag is nothing short of direct and informative. Warren B goes into great detail as she explains why a woman should never be ashamed to ask for what she needs from her lover. You do not have to be long winded to get an intelligent point across. It asks and answers the most taboo questions about sexual relationships from a descriptive and point blank view. Though her language is not for the faint of heart. PPT is definitely something EVERY woman should read.

Price of a Kiss - Linda Kage

I don't care what my cousin says; I am not the queen of impossible relationships. I mean, just because my last boyfriend tried to kill me and left a bit of a scar on my neck, then forced me to move across the country and legally change my name to Reese Randall to escape him, does not mean- Oh, who am I kidding? For a freshman in college, I have to have

the worst dating track record ever. It's no wonder love is the last thing on my mind when Mason Lowe enters my life. But the chemistry between us is like bam! Our connection defies logic. And he's just so freaking hot. Being around him makes me feel more alive than I've ever felt before. I even like bickering with him. He could be my soul mate...except for one teeny tiny glitch. He's a gigolo. Boy, do I know how to pick them.
