

Sex Addiction Counsellor

Sex and Sexuality - Glyn Hudson-Allez
2005-06-24

This book bridges the gap between the counsellor and the specialist sex therapist, by providing answers to questions raised by patients or clients about sex, gender and sexuality. It covers physiological information about genitalia, variations on sexuality, the differences between men and women in genital sexual arousal and sexual dysfunctions, an understanding of developmental sexuality and information as to whether the sex discussed is normal or pathological. By having a clearer understanding of usual sexual practices, counsellors can be readily equipped to reassure their clients, or refer to an appropriate person for specialist referral. Topics covered include physiological difficulties like erectile problems, ejaculatory difficulties, vaginismus and dyspareunia, and loss of sexual desire; gender problems including cross-dressing, transsexualism and intersex; and psychological problems include sexual addiction, fetishism and unusual sexual practices. These are discussed in the context of individual clients and in couple dynamics, and provide a comprehensive reference for the non-specialist mental health professional.

The Pain and Betrayal Caused by Sexual Addiction - Fai Seyed Aghamiri 2023-04-12

Have you recently discovered that your partner is a sex addict? Chances are that the discovery or disclosure of such compulsive behaviours have left you shattered. Betrayal trauma is a very common multilayered complex type of trauma suffered by partners of sex addicts. Symptoms of post traumatic stress disorder (PTSD), emotional instability, grief, loss, low self-esteem, hypervigilance and depression are just a few of the ramifications a betrayed partner must endure. This book provides a step by step explanation of what trauma and healing entail. Dr Fai encourages the reader to approach betrayal trauma healing holistically and provides an accurate portrayal of suggested techniques

that are based on current research and brain science. Dr. Fai Seyed is one of the few sex addict specialists in Australia. She is the author of multiple international academic articles, and the #1 Amazon best seller *Reclaim Your Life*, and *Recovery Journey Workbook*. With her extensive therapeutic experience, Dr Fai has assisted adolescents, adults, couples, and families through a variety of life's issues as a skilful and empathic professional counsellor and psychotherapist. Originating from Stockholm Sweden, Dr. Fai has completed a PhD on sex addiction and how it affects the general health of intimate female partners. Currently, she is the only one in Australia with a PhD on this important topic. She works as the principal therapist and director of House of Hope Counselling and Psychotherapy Centre and resides in Brisbane, Australia. This is published on Kindle Direct Publishing
Counselling Male Sexual Offenders - Andrew Smith 2017-11-22

Counselling Male Sexual Offenders: A Strengths-Focused Approach informs readers how to utilize an easily accessible, integrative, strengths-focused counselling approach with men who pose a sexual risk. There is currently a scarcity of published material which teaches people in a practical way how to conduct one-to-one counselling with different sorts of male sex offenders. However, as the number of internet offenders increases exponentially and more historic abuse cases emerge, understanding and treating the phenomenon of sex offending can play a significant role in preventing sexual crime and reducing harm to victims. In addition to being a 'how to do book', in *Counselling Male Sexual Offenders* the author explores at depth the inner processes of counsellors working with this client group. It presents treatment formats and exercises for engaging individuals who deny and minimize harmful sexual behaviour. With illustrative case studies of various types of sex offenders - as well as statements from sex offenders and probation officers themselves -

this text provides one of the most comprehensive insights available into the authentic experience of treating this population. Counselling Male Sexual Offenders will be of value to counsellors and psychotherapists, alongside other practitioners such as psychologists, social workers, probation officers, and support workers.

Sex Addiction - Paula Hall 2019-02-04

Sex Addiction: A Guide for Couples and Those Who Help Them is a practical book that provides empathic support, guidance, information and pragmatic strategies for couples who want to survive sex and porn addiction - whether that's together, or apart. Sex and porn addiction devastates couple relationships, and unlike the impact of infidelity, there is no 'before' to get back to and no 'after'. This book adopts the metaphor of a boat, presenting addiction as the tidal wave that devastates the relationship, leaving both crew members fighting for survival. There's guidance to ensure each partner makes it safely back to shore and advice on surveying the damage to your relationship and deciding if you want to save it and set sail again. You'll find practical advice for both the partner and the addicted partner, including first-hand accounts of couples that have already undertaken the journey. There are exercises to do alone, and many to share together, to help you understand what's happened, consider your future, and if you choose to stay together, begin the task of rebuilding trust and intimacy. *Sex Addiction* is not only a practical guide for couples, but also for the therapists who support them. This book will be a companion to Paula Hall's previous books on sex addiction and builds on the already known frameworks and models used, but it is also written to stand alone.

Woman, Trashed - Joanne Brodie 2012-10-02

Suburban, middle-class, and from a good family - this is what makes Joanne Brodie's story all the more shocking. It is the dual account of the relentless seduction of the impulse to self-destruct and, at the same time, the human spirit's desperate desire to survive. Brodie is unremittingly honest in recounting a life that saw her take the deceptively easy and palliative path that leads to prescription drug addiction and the ripple effect of its devastating impact on the people in her world. To the outside world a

successful businesswoman with an enviable career and the trappings to accessorise it, how then did the woman with the world at her feet find herself working in a brothel and, finally, running an S&M parlour from her home?

Brodie's story is never boring and often painful, and throughout it all she maintains a wry tone that lends humour to her serious subject.

Whether she's exposing the many doctors and psychiatrists who reached all too easily for the prescription pad or describing the high flying, cocaine-fuelled lives of the rich and powerful circles she once partied in, she never compromises on the truth. And as she moves from gallery owner to prostitute to dominatrix and eventually to counsellor to many who sought her help and advice on their own lifetime journeys to recovery, her shrewd, original and on occasion eccentric insights will give courage and inspiration to all.

Relate - After The Affair - Julia Cole 2013-04-30

Finding out your partner has had an affair can feel like the ultimate betrayal and learning to trust again is difficult and painful. *After the Affair* takes a frank look at the reasons why people have affairs and the devastating effects they may have upon the person who has been betrayed. Since this book was first published the internet has grown hugely; websites such as Facebook have mushroomed; and mobile phones have become ubiquitous. All of these create more chances to connect with other people discreetly, quickly and at any time of the day or night. As a result, the nature of affairs is changing dramatically. *After the Affair* helps couples understand their feelings and explains: - Why affairs happen, including common triggers - What constitutes an affair - How to recover from a betrayal - The pros and cons of leaving or staying in a relationship, with steps to take for reconciliation or parting as amicably as possible Whether you choose to reconcile or to move on, *After the Affair* can help you work through your feelings and make sense of what has happened.

Song of Solomon for Lovers - Gary Mcfarlane 2014-06-03

A BOOK FOR LOVERS Maybe the John 10:10 life was meant to encompass the pleasurable enjoyment and fulfillment of sex and sexual intimacy, when it is done God's way. Proverbs 5: 15 - 19 commends those who are married to do

the following: Drink water from your own cistern,?And running water from your own well. Should your fountains be dispersed abroad,?Streams of water in the streets?Let them be only your own,?And not for strangers with you. Let your fountain be blessed,?And rejoice with the wife of your youth. As a loving deer and a graceful doe,?Let her breasts satisfy you at all times;?And always be enraptured with her love. Sex goes wrong. It does not always work. It does not always click into place. The “No, No, No” and “don't, don't, don't” before marriage, becomes “yes, yes, yes” after marriage, but so often and too often the “how, how, how” is missing from any guidance and pre-marriage preparation. Myths, misunderstandings, misinformation, misdirection and repeated practice, becomes entrenched and sex no longer holds the pleasure it once promised. Recapture it. Get it for the first time. Your enthusiasm that is! That sex can be great – when practiced in the context that God designed it and when His instruction manual is followed and practiced. Sometimes a little help is needed to redirect and get us back on track or on a new track. Prov 4: 7 “And in all your getting, get understanding”. Gary McFarlane will seek to help you to get understanding.

Recovery Journey - Fai Seyed Aghamiri
2022-07-26

Are you or a loved one caught up in the destructive cycle of porn/sex addiction? This guide and workbook will be your first step towards learning the best, research and evidenced based recovery techniques. To prevent future relapses, a sex addict needs to be actively involved in their recovery. This book provides a step by step explanation of what recovery entails along with worksheets to assist a sufferer's journey to effective recovery and enduring sobriety. The author encourages the reader to approach recovery holistically and provides an accurate portrayal of suggested techniques that are based on current research and brain science. Dr. Fai Seyed is one of the few sex addict specialists in Australia and the author of multiple academic articles that have been published in international journals in addition to the number one Amazon best seller *Reclaim Your Life*. She has extensive therapeutic experience and has assisted adolescents, adults,

couples, and families through a variety of life's issues as a skilful and empathic professional counsellor and psychotherapist. Originating from Stockholm, Sweden, Dr. Fai has completed a PhD on sex addiction and how it affects the general health of intimate female partners. She works as the principal therapist and director of House of Hope Counselling and Psychotherapy Centre and resides in Brisbane, Australia.

Who Says I'm an Addict? - David Smallwood
2014-06-02

Do you worry that you drink too much? Or perhaps you fear that your dependence on drugs, food, sex, or some other vice is spiralling out of control, and taking your quality of life with it? In *Who Says I'm an Addict?*, David Smallwood looks at the issue of addiction with compassion, clarity, and wisdom that comes not only from his own difficult journey with addiction, but from his considerable experience overseeing treatment programmes in rehabilitation clinics. David looks in detail at all areas of addiction, from denial, hitting rock bottom, and dealing with shame and guilt, to how our family of origin and the traumas we go through in childhood influence us in later life. He then explores the road to long-term recovery, guiding the reader on how to do the emotional work necessary to ensure that they avoid relapse and can finally lay their demons to rest and get on with re-building their life.

Compulsive Sexual Behaviours - Silva Neves
2021-05-10

Compulsive Sexual Behaviours offers a unique approach to the struggles people face with their out-of-control sexual behaviours. This comprehensive guide is deeply rooted in the science of sexology and psychotherapy, demonstrating why it is time to re-think the reductive concept of ‘sex addiction’ and move towards a more modern age of evidence-based, pluralistic and sex-positive psychotherapy. It is an important manual for ethical, safe and efficient treatment within a humanistic and relational philosophy. This book will be an important guide in helping clients stop their compulsive sexual behaviours as well as for therapists to self-reflect on their own morals and ethics so that they can be prepared to explore their clients’ erotic mind.

Three in a Bed: Conversations with a sex

therapist (*HarperTrue Desire - A Short Read*) -
Joanna Benfield 2016-01-14

A frank insight into the lives of those who come into sex therapy and how it changes their world.

A Stranger Among Us - D.E. Wilkie 2015-07-07

In *A Stranger Among Us*, Mr. Wilkie fearlessly confronts everything that most of us don't know or understand about sexual addiction. Whether this is your battle, or you have a loved one struggling with it, the author provides an honest, in-depth, first-hand account that is both professional and personal. In an era when addiction is a societal epidemic, here is an author who is not only prepared but equipped to throw out a lifeline. For not only does he bravely share his own personal struggles, he also provides insightful recommendations from countless therapists and other professionals in the field. Sex addicts need to read this book in order to discover the tools that will free them from the bondage of addiction and offer the hope needed to escape isolation. Friends, relatives and co-workers of a sex addict need to read the book in order to be empowered with constructive ways to help and offer love and support without judgment or condemnation.

—Jo-Ann Schultz Early on in his book Mr. Wilkie writes: "It is not what we do that determines who we are; it is who we are that determines what we do." It has been my privilege to watch Mr. Wilkie on this very difficult spiritual journey of recovery and discovery. Even though I have not battled with sexual addiction, the universal principles that he lays out in the book have opened the door to new discoveries and have enabled me to recognize that real change happens from the inside out. The depth of one's true identity will surface from this must read.

—Corrina L Fischer Irrespective of people's opinions on addiction, Mr. Wilkie explains sexual addiction from both a personal and professional perspective. His holistic approach simultaneously addresses the body, soul, and spirit and gives a refreshing insight to the incredible raw journey of a sex addict and their need for a power greater than themselves. He provides many helpful resources, including a workbook section which allows the reader to work through the recovery principles he describes throughout the book. —Didier Milliquet

People Who Are Addicted To Sex - Joanne Brodie 2014-06-02

Excessive engagement in prostitution, pornography, phone and chat room sex, exhibitionism, voyeurism and compulsive masturbation - such behaviours may point to sexual addiction. In this book, Joanne Brodie pulls away the blankets to uncover the hidden reality of a condition that has become prevalent in our increasingly sexualised society. The author's frank observations and shrewd insights are based on compelling case studies and years of experience as a counsellor for the afflicted, as well as her own struggle with sex addiction. In her wry tone, and with quirky humour, she deflates several myths surrounding sexual addiction, identifies behavioural patterns associated with it and, ultimately, advises on the steps to healing.

CBT for Compulsive Sexual Behaviour -
Thaddeus Birchard 2015-05-15

Increasing numbers of therapists are coming into contact with the problem of compulsive sexual behaviour disorders. However, it is still a relatively new field and there is little in the current literature available that enables the therapist to work with and treat this problem. *CBT for Compulsive Sexual Behaviour: A guide for professionals* addresses this by providing a guide to cognitive-behavioural theory and practice which includes the assessment, diagnosis and treatment of addictive sexually compulsive disorders. Beginning with a description of addictive sexuality and an overview of cognitive behavioural therapy in which CBT is presented as the most useful response, Thaddeus Birchard provides clear therapeutic information about the implementation of CBT treatment intervention. The chapters included cover the neuroscience that underpins the addictive process; a 'how to' chapter on the use of groups; paraphilias; trauma and attachment; comorbid disorders and cross-addictions and analysis on the function of internet pornography, all written from a cognitive behavioural stance. Using case vignettes throughout, Thaddeus Birchard draws on his own experience as a psychosexual therapist, along with the latest research in the field, to enable the therapist to treat a range of compulsive sexual problems in a way that can be

applied in individual practice or in a group setting as well as how to prevent relapse. This book will be essential reading for psychosexual therapists, cognitive behaviour therapists and other professionals working with sexual compulsive disorders.

Overcoming Sex Addiction - Thaddeus Birchard
2017-04-21

Overcoming Sex Addiction is an accessible self-help guide which uses the principles of cognitive behaviour therapy to help those with problematic or unwanted patterns of sexual behaviour. It is designed for those who are not yet ready to seek professional help or who live in a place where little help is available and can be used in conjunction with general psychotherapy. Written by a leading expert in the field, the book offers an insight into the origins of sex addiction, before going on to explain the cycle of addiction and how to break it. The book has a do-it-yourself week-by-week programme of action to tackle compulsive sexual behaviour, and provides extensive advice on relapse prevention to help the reader move forward in recovery. *Overcoming Sex Addiction* will provide clear, informed guidance for sex addicts and those professionals working with them.

Reclaim Your Life - Fai Seyed Aghamiri
2020-10-06

If you or your loved one is stuck in the vicious cycle of porn/sex addiction and tired of living a double life, then reading this Guide to Holistic Recovery from Sex Addiction will be the first step you take towards finding optimal, lifelong solutions. This book explains simply how sex addiction is considered a chemical imbalance which impacts the brain in a similar way to other addictive substances, such as heroin. The author gives an honest representation of this condition based on the latest research and brain science, while encouraging the reader to build compassion and understanding towards sex addicts. The author emphasises that sex addiction is not about simply liking sex too much - rather craving it too much. The reasons why some people become dependent on sex are explored and a path to recovery is given in this book, which also includes honest stories told by addicts and their partners. She has practiced both in the UK and Australia, having graduated from the Karolinska Institute of Stockholm,

Sweden, as an accomplished dental/oral surgeon. Now as a skilled and empathic professional counsellor and psychotherapist, Dr Fai Seyed has been supporting adolescents, adults, couples and families through a wide range of life's challenges. Currently Dr Fai is writing a PhD on sex addiction and its impact on intimate partners' overall wellbeing. She lives in Brisbane, Australia, and practices as the principal therapist and director of House of Hope Counselling and Psychotherapy Centre.

The Pain And Betrayal Trauma Caused By Sexual Addiction - Fai Seyed Aghamiri 2023-01-17

Have you recently discovered that your partner is a sex addict? Chances are that the discovery or disclosure of such compulsive behaviours have left you shattered. Betrayal trauma is a very common multilayered complex type of trauma suffered by partners of sex addicts. Symptoms of post traumatic stress disorder (PTSD), emotional instability, grief, loss, low self-esteem, hypervigilance and depression are just a few of the ramifications a betrayed partner must endure. This book provides a step by step explanation of what trauma and healing entail. Dr Fai encourages the reader to approach betrayal trauma healing holistically and provides an accurate portrayal of suggested techniques that are based on current research and brain science. Dr. Fai Seyed is one of the few sex addict specialists in Australia. She is the author of multiple international academic articles, and the #1 Amazon best seller *Reclaim Your Life*, and *Recovery Journey Workbook*. With her extensive therapeutic experience, Dr Fai has assisted adolescents, adults, couples, and families through a variety of life's issues as a skilful and empathic professional counsellor and psychotherapist. Originating from Stockholm Sweden, Dr. Fai has completed a PhD on sex addiction and how it affects the general health of intimate female partners. Currently, she is the only one in Australia with a PhD on this important topic. She works as the principal therapist and director of House of Hope Counselling and Psychotherapy Centre and resides in Brisbane, Australia.

Sex Addiction 101 - Robert Weiss 2015-10-27

As technology and the internet have become more accessible, the number of affordable, easy links to pleasurable sexual content and activity

has increased with it, and so too has the number of people struggling with sex, porn, and love addiction. Unfortunately, very few people possess a comprehensive understanding of this incredibly complicated disease. Sex Addiction 101 covers everything from what sexual addiction is and how it can best be treated, to how it affects various subgroups of the population, such as women, gays, and teenagers, to how sex addicts can protect themselves from the online sexual onslaught. Sex Addiction 101 is intended to enlighten the clinical population as well as actual sex addicts and their loved ones. Along with his mentor Patrick Carnes, Weiss has become the face of and driving force behind understanding and treating sexual addiction; this book should be a core title in every addiction collection.

The Art of Loving - Gary Garfield McFarlane
2011-08-17

The Art of Loving A Book for singles, partners, marrieds and for those thinking of or preparing for marriage. If you want to refresh, revitalize, rekindle, refresh, resurrect your relationship; if you are about to enter a relationship or marriage; long time in a relationship or very very long term married or in a relationship, then this book is for you! This is a book that could begin a relationships-transforming journey for many - Revd Professor John Nolland BSc ThL BD PhD, Academic Dean, Director of Research, Tutor, Trinity College, Bristol.

Sex Addiction: The Partner's Perspective - Paula Hall 2015-08-20

Sex and pornography addiction are growing problems that devastate the lives of partners as well as sufferers. Sex Addiction: The Partner's Perspective has been written to help partners and those who care about them to survive the shock of discovering their partner is a sex addict and to help them make decisions about the future of their relationships and their lives. First and foremost, it is a practical book, full of facts, and self help exercises to give partners a much needed sense of stability and control. Like its sister book, Understanding and Treating Sex Addiction, it includes case examples and survey results revealing the reality of life for partners of sex addicts. Sex Addiction: The Partner's Perspective is divided into three parts. Part I explores the myths surrounding sex addiction and provides up to date information about what sex addiction is and what causes it before moving on to explain why the discovery hurts partners so much. Part II is about partners'

needs and includes self-help exercises and strategies to help partners regain stability, rebuild self-esteem and consider their future. The controversial topic of co-dependency is also explored with guidance on how to identify it, avoid it and overcome it. Part III focuses on the couple relationship starting with the difficult decision of whether to stay or leave. Whatever the decision, partners will then find help and support for rebuilding trust and reclaiming their

sexuality. This book has been written to help partners not only survive, but to grow stronger and move on with their lives – whether alone, or in their relationship. Readers will find revealing statistics and real life stories shared by partners who kindly took part in the first UK survey of sex addiction partners. This book will be a valuable guide for partners, but also for the therapists who seek to support them on their journey of recovery.
