How Twitter Changed the World - Kaitlyn Duling 2018-12-15

In today's fast-paced society, it seems like information moves at the speed of light. More than just a social networking tool, Twitter has been a transformational platform in the worlds of communication, news, and socializing. From activists in Iran to presidents of the United States, Twitter is now an invaluable medium for sharing information. In this book, readers will be transported into a world that may be hard to imagine, one before Twitter. Colorful photographs, real-world examples, and engaging text come together to give readers the full backstory on one of today's most popular and impactful communications technologies, its applications and importance in today's society, and how it has come to change the world, for worse or for better.

The Ultimate Guide to Seduction and Foreplay - Jessica O'Reilly 2020-04-14

Sex means different things to different people - it's as varied as the different species on the planet. So, seduction and foreplay are not only about getting what you want, but about giving and receiving, teasing and pleasing for the best possible rewards, no matter how you define them. (And, yes, foreplay IS sex!) The Ultimate Guide to Seduction & Foreplay teaches readers how to tune into their own desires, become better communicators, and ultimately be more confident, passionate, and attentive lovers. Inspired by fantasies of seduction, Marla and Jess take you on a journey of sexual exploration and help you understand the many factors that add to or inhibit arousal and pleasure on psychological, sociological, and sexological levels. Readers gain a deeper understanding of their own sexual needs and the foundations for greater compatibility and connection. As you explore your own learning and seduction styles (and your lover's), you'll discover and experiment with new and exciting ways to stimulate arousal and deepen intimacy: verbal, emotional, and digital seduction, foreplay, eroticizing daily actions, games, fantasy play, mindfulness, and more. Packed with practical exercises, techniques, and creative ideas — especially for busy couples — this inclusive guide is a surefire way for folks of all genders to master the art of seduction. You don't have to be a rockstar in (or out of) the sack each time you have sex,

but this book will help you approach your lovers with the confidence and comfort you deserve! Whether you are adding to your repertoire for later or striving to please your current lover, you'll discover thrilling new pathways to pleasure and intimacy.

Love, Hate and Clickbait - Liz Bowery 2022-05-04

Shake some hands. Kiss some coworkers. Cutthroat political consultant Thom Morgan is thriving, working on the governor of California's presidential campaign. If only he didn't have to deal with Clay Parker, the infuriatingly smug data analyst who gets under Thom's skin like it's his job. In the midst of one of their heated and very public arguments, a journalist snaps a photo, but the image makes it look like they're kissing. As if that weren't already worst-nightmare territory, the photo goes viral -- and in a bid to secure the liberal vote, the governor asks them to lean into it. Hard. Thom knows all about damage control -- he practically invented it. Ever the professional, he'll grin and bear this challenge as he does all others. But as the loyal staffers push the boundaries of 'giving the people what they want,' the animosity between them blooms into something deeper and far more dangerous: desire. Soon their fake relationship is hurtling toward something very real, which could derail the campaign and cost them both their jobs...and their hearts.

Proceedings of the Sixth International Conference on Language, Literature, Culture, and Education (ICOLLITE 2022) - Nuria Haristiani 2023-01-14

This is an open access book. The rapid advancement of technology has created new civilization in this digital era which affects almost all aspects of life including language, literature, culture, and education. The digital era brings opportunities as well as challenges that people have to deal with. Thus, some adjustments need to be done in order to keep up with those changes. Studies on language, literature, culture, and education need to be continuously conducted and developed to revitalize those aspects in facing the dynamic changes of the digital era. In relation to this, Faculty of Language and Literature Education, Universitas Pendidikan Indonesia (FPBS UPI) hosts this year's International Conference on Language, Literature and Culture (ICOLLITE) with the

theme “Revitalization of Language, Literature, Culture, and Education in the Digital Era” as a forum for experts and professionals to share their research, ideas, and experiences on this issue. Presenters and participants are welcome to discuss and disseminate current issues and offer solutions to the challenges of our time. Discussions on current trends in digital literacies are expected to pave way to learn from each other for betterment as one big society of humankind, regardless of their social, economic, and cultural backgrounds.

The Emoji Revolution - Philip Seargeant 2019-07-11

Explores the evolution of emoji, how people use them, and what they tell us about the technology-enhanced state of modern society.

Queer Data - Kevin Guyan 2022-02-10

Data has never mattered more. Our lives are increasingly shaped by it and how it is defined, collected and used. But who counts in the collection, analysis and application of data? This important book is the first to look at queer data – defined as data relating to gender, sex, sexual orientation and trans identity/history. The author shows us how current data practices reflect an incomplete account of LGBTQ lives and helps us understand how data biases are used to delegitimise the everyday experiences of queer people. Guyan demonstrates why it is important to understand, collect and analyse queer data, the benefits and challenges involved in doing so, and how we might better use queer data in our work. Arming us with the tools for action, this book shows how greater knowledge about queer identities is instrumental in informing decisions about resource allocation, changes to legislation, access to services, representation and visibility.

Seven and a Half Lessons About the Brain - Lisa Feldman Barrett 2021-03-04

'Highly accessible, content-rich and eminently readable . . . Fascinating and informative . . . popular science at its best.' - The Observer 'Subtly radical . . . It presents a revelatory model of consciousness that will be completely new to most readers' - The Guardian 'Best Reads For Summer' Have you ever wondered why you have a brain? Let renowned neuroscientist Lisa Feldman Barrett, bestselling author of *How Emotions*

Are Made, demystify that big grey blob between your ears . . . In seven short chapters (plus a brief history of how brains evolved), this slim, entertaining, and accessible book reveals mind-expanding lessons from the front lines of neuroscience research. You'll learn where brains came from, how they're structured (and why it matters), and how yours works in tandem with other brains to create everything you experience. Along the way, you'll also learn to dismiss popular myths such as the idea of a 'lizard brain' and the alleged battle between thoughts and emotions, or even between nature and nurture, to determine your behaviour. Sure to intrigue casual readers and scientific veterans alike, *Seven and a Half Lessons About the Brain* is full of surprises, humour, and important implications for human nature - a gift of a book about our most complex and crucial organ.

The Palgrave Handbook of Interactive Marketing - Cheng Lu Wang 2023-01-25

Interactive marketing, as one of the fastest growing academic fields in contemporary business world, is the multi-directional value creation and mutual-influence marketing process through active customer connection, engagement, participation and interaction. Contemporary interactive marketing has moved beyond the scope of direct marketing or digital marketing, as the market is becoming a forum for conversations and interactions among connected actors or participants in platform ecosystems. The advancement of mobile technology with interactive content and personalized experience makes interactive marketing the new normal in the business world. This handbook contains the most comprehensive and cutting-edge knowledge in the interactive marketing field. The 41 chapters that are divided into eight sections cover all aspects of contemporary interactive marketing realm, including social media and influencer marketing, big data and machine learning in predictive analytics, mobile marketing and proximity marketing, interactive digital marketing and Omnichannel marketing, AI, VR and AR in business applications. With a focal point on interactive marketing, this handbook takes a multidiscipline perspective, from new technology innovations, social media and platform application, economic and

cultural impacts, social and psychological analysis, and management and information system. This book provides a timely and comprehensive textbook companion and/or course project resource for college educators and students used for variety of graduate and undergraduate marketing courses, such as Digital Marketing, Internet Marketing, Social Media Marketing, New Media Communication, Marketing Analytics and Marketing Management, etc. It offers valuable references for academic researchers who are interesting conducting and publishing in interactive marketing research. The state-of-art review and emerging new trends presented in the book are particularly useful for research idea generation and conceptual development. The book also putts forward insightful guidelines and practical tools for business management in the application of new interactive marketing strategies and applications in the real world practices.

Gen Z, Explained - Roberta Katz 2022-10-26

An optimistic and nuanced portrait of a generation that has much to teach us about how to live and collaborate in our digital world. Born since the mid-1990s, members of Generation Z comprise the first generation never to know the world without the internet, and the most diverse generation yet. As Gen Z starts to emerge into adulthood and enter the workforce, what do we really know about them? And what can we learn from them? *Gen Z, Explained* is the authoritative portrait of this significant generation. It draws on extensive interviews that display this generation's candor, surveys that explore their views and attitudes, and a vast database of their astonishingly inventive lexicon to build a comprehensive picture of their values, daily lives, and outlook. Gen Z emerges here as an extraordinarily thoughtful, promising, and perceptive generation that is sounding a warning to their elders about the world around them—a warning of a complexity and depth the “OK Boomer” phenomenon can only suggest. Much of the existing literature about Gen Z has been highly judgmental. In contrast, this book provides a deep and nuanced understanding of a generation facing a future of enormous challenges, from climate change to civil unrest. What's more, they are facing this future head-on, relying on themselves and their peers to work

collaboratively to solve these problems. As *Gen Z, Explained* shows, this group of young people is as compassionate and imaginative as any that has come before, and understanding the way they tackle problems may enable us to envision new kinds of solutions. This portrait of Gen Z is ultimately an optimistic one, suggesting they have something to teach all of us about how to live and thrive in this digital world.

So You've Been Publicly Shamed - Jon Ronson 2015-12-31

CELEBRATING FIFTY YEARS OF PICADOR BOOKS 'It's about the terror, isn't it?' 'The terror of what?' I said. 'The terror of being found out.' The rise of social media has seen a great renaissance in public shaming. Justice has been democratized. The silent majority are getting a voice. But what are we doing with that voice? We are mercilessly finding people's faults, and defining the boundaries of normality by ruining the lives of those outside it. We are using shame as a form of social control. Simultaneously powerful and hilarious in the way only Jon Ronson can be, *So You've Been Publicly Shamed* is a deeply honest book about modern life, full of eye-opening truths about the escalating war on human flaws - and the very scary part we all play in it. This edition features a new chapter and interview with perhaps the most famous public shaming victim of all- Monica Lewinsky. Part of the Picador Collection, a new series showcasing the best of modern literature.

Data Science in Applications - Gintautas Dzemyda 2023-03-09

This book provides an overview of a wide range of relevant applications and reveals how to solve them. Many of the latest applications in finance, technology, education, medicine and other important and relevant fields are data-driven. The volumes of data are enormous. Specific methods need to be developed or adapted to solve a particular problem. It illustrates data science in applications. These applications have in common the discovery of knowledge in data and the use of this knowledge to make real decisions. The set of examples presented serves as a recipe book for their direct application to similar problems or as a guide for the development of new, more sophisticated approaches. The intended readership is data scientists looking for appropriate solutions to their problems. In addition, the examples provided serves as material for

lectures at universities.

Male Sex Work in the Digital Age - Paul Ryan 2019-03-20

This book explores the lives of male sex workers living in Dublin, Ireland. It focuses on the stories of young Brazilian and Venezuelan migrants who use their micro-celebrity on social media to construct a brand that can be converted into financial advantage within the sex industry. The book focuses on two sites: Grindr, which these men use to build a transient pop-up escort profile that is linked to Instagram, which in turn provides followers with access to a curated digital identity built around consumption. Ryan explores how the muscular body acts as a form of physical and erotic capital providing the raw material of these digital identities as they are broadcast on new online subscription platforms like OnlyFans. *Male Sex Work in the Digital Age* offers fascinating insights into the role social media plays in (re)creating a new and more flexible understanding of commercial sex. Students and scholars across a range of disciplines, including sociology, gender studies, sexuality studies, LGBTQ studies, media studies and law, will find this book of interest.

Zyla & Kai - Kristina Forest 2022-06-07

'Zyla and Kai's journey is exciting, romantic, and completely transporting. It reminds me of Jenny Han, Stephanie Perkins, and the novels that made me first fall in love with YA romance' Book Riot's Best Books of 2022 A fresh new YA romance novel by Kristina Forest, *Zyla & Kai* is an epic star-crossed love story about first love and not just the will they, won't they - but why can't they? While on a school trip to the Poconos Mountains, Zyla and Kai run away together, leaving their friends and family confused. As far as everyone knows, they've been broken up for months. And honestly? Their break-up hadn't surprised anyone. Zyla, a cynic about love, met Kai, a hopeless romantic, while working together at an amusement park the previous summer, and they couldn't have been more different. Alternating between the past and present, we see the love story unfold from Zyla and Kai's perspectives: how they first became the unlikeliest of friends over the summer, how they fell in love during the school year, and why they ultimately broke up. Or did they?

The 228 Legacy - Jennifer J. Chow 2018-12-11

Honorable Mention, 2015 San Francisco Book Festival Finalist, 2013 Foreword Reviews' Book of the Year Award Three generations in an all-female Taiwanese family living near Los Angeles in 1980 are each guarding personal secrets. Grandmother Silk finds out that she has breast cancer, as daughter Lisa loses her job, while pre-teen granddaughter Abbey struggles with a school bully. When Silk's mysterious past comes out--revealing a shocking historical event that left her widowed--the truth forces the family to reconnect emotionally and battle their problems together. A novel of cultural identity and long-standing secrets, *THE 228 LEGACY* weaves together multigenerational viewpoints, showing how heritage and history can influence individual behavior and family bonds.

Just for Show - Julie Hamilton 2021-12-28

In this steamy debut romance, two strangers fake their relationship for social media exposure but how long until their secret is revealed? It doesn't take long for Luke Murphy's tweet to go viral. So it also doesn't take long to reconnect with Audrey. Nailed it. But at what cost? His network has put his whole career as a TV home renovations carpenter on the line. A midair meet cute is exactly what they want. After recovering from the shock, Audrey Whitaker can see the benefits of faking a relationship for social media exposure. She'll get the publicity to launch her photography business—her lifelong dream—and she'll get to spend time with a man who can, as his fans say, "really fill out a plaid shirt." Luke and Audrey agree to spend the summer together to get what they each need, then say goodbye. And to keep it professional, they'll follow all the rules...except the "no kissing" one. And maybe the "no sex" one, too! But with so much on the line, they definitely can't fall in love.

Cultivating Student Success - Tisha A. Duncan 2021

Higher education in the United States is facing a critical juncture. Tuition costs are rising, while measures of success are declining. Students struggle to meet the most basic academic requirements, barely passing their courses, while others battle physical and mental health difficulties that profoundly impact their ability to do well in college. This book responds to these challenges, offering a holistic collection of

practices to guide those working with emerging adults in higher education. Beginning with an introduction to the developmental period of emerging adulthood, the volume examines how the social and emotional development of emerging adults is relevant to struggles and successes in higher education. Subsequent chapters focus on how technology has impacted on learning and communication for today's students and how faculty and staff can best work with students through meaningful relationships. Consisting of chapters from experts in a variety of disciplines, the volume provides faculty, administrators, and staff with the knowledge and skills needed to help today's students succeed.

Fashionable Masculinities - Vicki Karaminas 2022-07-15

Fashionable Masculinities explores the expression of masculinities through constructions of fashion, identity, style and appearance as the third decade of the new millennium begins: a contradictory and precarious moment when masculinities are defined by protests and pandemics whilst being problematized across class, ethnicity, race, gender and sexuality. Whilst a majority of men might still define themselves as 'traditional,' post-millennials are now talking about how they envision a future without gender boundaries and borders. Rather than being defined as a gender, masculinity has now become a style that can be worn and performed as traditional and normative codes of masculinity are modulated and manipulated. This volume includes original essays on musical pop sensation Harry Styles, rapper and producer "Puff Daddy" Sean Combs, lumbersexuals, spornosexuals, sexy daddies, and aging cool black daddies. Bringing together contributions from leading scholars, this book interrogates and challenges the meaning of masculinities and the ways that they are experienced and lived.

The Naughty Bucket List - Kourtney Jason 2011-08-16

MAKE YOUR LIFE AN EROTIC ADVENTURE This ultimate list of sexy suggestions dares you to break from your normal routine and experience the thrill of something, someplace or even someone new. Open to any page and you'll find imaginative ideas for embracing pleasure, getting more intimate with your partner, and enjoying some naughty fun. From mild to wild, there are hundreds of thrilling sexual escapades to cross off

your dirty to-do list, including: •Hook up with a childhood crush •Play a game of strip poker as foreplay •Get it on standing in front of a mirror •Score in a football field end zone •Meet for a lunch-hour quickie •Do it on a hot day in the cool rain and many more...

Bad Sex - Nona Willis Aronowitz 2022-08-09

Named a Most Anticipated Book by Bustle, Esquire, Nylon, and The Millions "Intimate, thoughtful, and accessible to anyone struggling with the persistent, maddening inequities of contemporary sex." -Rebecca Traister, New York Times bestselling author of Good and Mad From Teen Vogue sex and love columnist Nona Willis Aronowitz, a blend of memoir, social history, and cultural criticism that probes the meaning of desire and sexual freedom today. At thirty-two years old, everything in Nona Willis Aronowitz's life, and in America, was in disarray. Her marriage was falling apart. Her nuclear family was slipping away. Her heart and libido were both in overdrive. Embroiled in an era of fear, reckoning, and reimagining, her assumptions of what "sexual liberation" meant were suddenly up for debate. In the thick of personal and political turmoil, Nona turned to the words of history's sexual revolutionaries—including her late mother, early radical pro-sex feminist Ellen Willis. At a time when sex has never been more accepted and feminism has never been more mainstream, Nona asked herself: What, exactly, do I want? And are my sexual and romantic desires even possible amid the horrors and bribes of patriarchy, capitalism, and white supremacy? Nona's attempt to find the answer places her search for authentic intimacy alongside her family history and other stories stretching back nearly two hundred years. Stories of ambivalent wives and unchill sluts, free lovers and radical lesbians, sensitive men and woke misogynists, women who risk everything for sex—who buy sex, reject sex, have bad sex and good sex. The result is a brave, bold, and vulnerable exploration of what sexual freedom can mean. Bad Sex is Nona's own journey to sexual satisfaction and romantic happiness, which not only lays bare the triumphs and flaws of contemporary feminism but also shines a light on universal questions of desire.

Perhaps the Stars - Ada Palmer 2022-09-13

From the 2017 John W. Campbell Award Winner for Best Writer, Ada Palmer's *Perhaps the Stars* is the final book of the Hugo Award-shortlisted *Terra Ignota* series. World Peace turns into global civil war. In the future, the leaders of Hive nations—nations without fixed location—clandestinely committed nefarious deeds in order to maintain an outward semblance of utopian stability. But the facade could only last so long. The comforts of effortless global travel and worldwide abundance may have tempered humanity's darkest inclinations, but conflict remains deeply rooted in the human psyche. All it needed was a catalyst, in form of special little boy to ignite half a millennium of

repressed chaos. Now, war spreads throughout the globe, splintering old alliances and awakening sleeping enmities. All transportation systems are in ruins, causing the tyranny of distance to fracture a long-united Earth and threaten to obliterate everything the Hive system built. With the arch-criminal Mycroft nowhere to be found, his successor, Ninth Anonymous, must not only chronicle the discord of war, but attempt to restore order in a world spiraling closer to irreparable ruin. The fate of a broken society hangs in the balance. Is the key to salvation to remain Earth-bound or, perhaps, to start anew throughout the far reaches of the stars?
