

# Sex In The Bible An Introduction To What The Scriptures Teach Us Sexuality

*Portraits of Jesus* - Michael R. Cosby 1999-11-01

This book provides a learning-by-doing approach to the study of the Gospels. It allows students to uncover literary patterns, theological issues, and interpretive problems through close readings of primary sources. Questions are asked along the way that help readers understand the shape of the narrative, and the themes important to each Gospel writer.

**Intimacy Cover-Up** - P. Roger Hillerstrom

A straight-forward, biblical approach to the why's and how's of sexual abstinence before marriage by a counselor and his twenty-something daughter. Includes relevant, non-offensive discussions about

some of the most common intimacy myths.

**Sexuality, Religion, and Magic** - Michael A. Kőszegi 1994

**Sex in the Bible** - Michael R. Cosby 1984

An introduction to what the scriptures teach us about sexuality.

**Sex and the Single Savior** - Dale B. Martin 2006-01-01

Probing into numerous questions about gender and sexuality, Dale Martin delves into the biblical texts anew and unearths surprising findings. Avoiding preconceptions about ancient sexuality, he explores the ethics of desire and marriage and pays careful attention to the original meanings of words, especially

## Sex In The Bible An Introduction To What The Scriptures

those used as evidence of Paul's opposition to homosexuality. For example, after a remarkably faithful reading of the scriptural texts, Martin concludes that our contemporary obsession with marriage--and the whole search for the "right" sexual relationships--is antithetical to the message of the gospel. In all of these essays, however, Martin argues for engaging Scripture in a way that goes beyond the standard historical-critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ.

*The Talk* - Luke Gilkerson  
2014-07-28

When it comes to the matter of teaching kids about sex, Christian parents are often confused about what to say and when to say it. *The Talk* is a series of 7 studies, all anchored in the Scriptures, that helps parents to talk meaningfully with children about sexuality. *The Talk* was written for parents to read with children ages 6 to 10 years old.

**Teach Us Sexuality**  
The study supplies elementary-age children with foundational truths about sexuality at a level they can understand.

**Lesbians and Gay Men as Foster Parents** - Wendell Ricketts 1991

Unprotected Texts - Jennifer Wright Knust 2011-01-25

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar." —Bart Ehrman, author of *Misquoting Jesus* Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away

## Sex In The Bible An Introduction To What The Scriptures Teach Us Sexuality

from the mere slogans to which it is so often reduced.

Sex, Sexuality and Gender in the Old Testament - Pete Brazier 2021-09-17

Sex, sexuality, and gender in the Old Testament seeks to bridge the conversational gap in global Christian thinking, between traditional and the liberal/progressive views of sexuality by taking a deep dive into the text of the rich Hebrew scriptures of the Bible. It is: a journey through the Old Testament looking at the Hebrew text and various English translation choices an exploration of what is said about sex, sexuality and gender with a view to dispelling many preconceptions written in light of current conversations about same sex marriage in various parts of the Church. No prior knowledge of Hebrew is required to understand this book. Endorsements: Stephen Froggatt - Pete has somehow managed to write a book which is both a reference book and a readable account of his research. I lack the Hebrew skills to do it justice, but his

patient leading through the pertinent points, stressing the need for great care when translating anything, opens up the riches of the texts he has chosen to present. In terms of scholarship, he has been meticulous in his research. He has done the spade work and the analysis so that we don't have to and explained it in a way that is not littered with footnotes but offers a clear path through the forest of words. He bravely approaches all the contentious yet illuminating passages around Sex, Sexuality and Gender, while recognising that his readership may well hold a range of opinions on them. Finally, he simply shows how much he loves the Hebrew language with all its poetry and ambiguity, and it is a delight to be caught up in his enthusiasm. Thank you Pete for writing this important book. It is one to which I will return, and to which I will refer others who are asking these same questions. Rick Ormrod - Reviewing a book that focuses on Biblical languages,

## Sex In The Bible An Introduction To What The Scriptures Teach Us Sexuality

specifically the Old Testament might strike those who know me as an odd thing for me to be doing, but the subjects of sex and sexuality are pertinent ones in the church at the present time and several Old Testament verses are used as "clobber texts" by those who support the traditional views, so receiving a copy of this book was timely in many ways. I approach this book as somebody who has zero knowledge of the original languages the Biblical books were written in and who hasn't really wanted to learn, having struggled in the past with modern languages and content to benefit from the knowledge of others through the use of commentaries. The book opens with an engaging introduction and a strong authorial voice that immediately draws the reader into the writer's enthusiasm for his subject, a blog post that has grown and become an interesting and well researched piece of academic writing that is nevertheless accessible to any reader with a good understanding of the

Hebrew Scriptures. The introduction states that "you shouldn't need to know or learn and Hebrew in order to read and understand this book" and this is indeed the case. Throughout there is sufficient translation and explanation of the subtleties of the translation of different Hebrew words and phrases that I feel I fully understood the points made at various points without knowledge of the original language. I think the book really succeeds for me on two fronts. It demonstrates quite clearly that the church's traditional understanding of certain passages and verses is not supported by the Hebrew and that some opinions have been based on some possibly very inaccurate translation. The book also reinforces the value of listening to the voices of those who can bring the latest understanding of translation from the Biblical languages into English and of being open to God bringing us greater understanding and knowledge through those he has given this particular gift to.

# Sex In The Bible An Introduction To What The Scriptures Teach Us Sexuality

## ~~What Does the Bible Really Teach about Homosexuality?~~

**(eBook)** - Kevin DeYoung  
2015-11-09

In WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY?, award-winning author Kevin DeYoung challenges each of us - the skeptic and the seeker, the certain and the confused - to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, this timely book responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

*Religion and Family Links* -  
Donald Swenson 2008-01-01

This text captures the important relationship between religion and the family with a review of relevant literature on the subject, synthesizing it within a theoretical framework.

The book shows how these two social institutions work - or don't work together. Much of the research is historical in nature. This assists the reader in understanding the links between the two social phenomena. Literature is drawn from folk religion, Christianity, Judaism and Islam.

The Biblical "One Flesh" Theology of Marriage as Constituted in Genesis 2:24 -  
René Gehring 2013-08-12

This book provides a thorough study of the sole biblical foundation of marriage as given in the short description of Genesis 2:24: "For this reason a man shall leave his father and his mother, and be joined to his wife; and they shall become one flesh." All the other biblical texts dealing with marriage are traced back to this basis that was declared as the original ideal by Jesus even in the times of the New Testament and the emerging Christian church. Thoughts about crucial questions concerning marriage, divorce, remarriage, and even what we

## Sex In The Bible An Introduction To What The Scriptures Teach Us Sexuality

might expect of marriage in the world to come are thus presented in the light shining forth from the first pages of the Scriptures. The intriguing connections to the biblical plan of redemption, conversion, and baptism are also investigated, developing a deeper understanding of the human-divine covenant that is exemplified by this beautiful Edenic marriage pattern.

*A Brief History Of Castration -*

Victor T. Cheney 2006-03-06

Victor T. Cheney has just published a BRIEF HISTORY OF CASTRATION 2nd EDITION. This book contains a five page index plus a two page glossary with numerous footnotes to aid the curious history buff and serious researcher. Readers unfamiliar with this subject (which is most of us) will be surprised to learn how important this operation was to many cultures of the world in times past, and to a lesser extent, even today. In Italy thousands of young boys were castrated to prepare their voices for the opera. In Arab lands slaves (both black and

white) were castrated in order to become harem guards. Chinese emperors found castrated males to be extremely reliable for treasurers and other governmental posts. In the past their operation was very dangerous and many died from infections. But it also had its beneficial side effects. The average castrated male lives 15 years longer than "normal" men. This is because harmful hormones and other impediments were removed from the man's system. For instance, one cannot get testicular cancer if he has no testicles. Many ancient religions, as well as the early Christians, used their religious duties unhampered by impure thoughts and immoral deeds. Though Christians gradually abandoned this practice some breakaway groups continued to castrate young men in Russia and elsewhere even in this 20th century. The author believes that castration can still play an important role in modern society. He shows that it can be used to prevent

# Sex In The Bible An Introduction To What The Scriptures Teach Us Sexuality

serious crimes, diseases, and the loss of vital spiritual and moral values.

Sex & Scripture: A Biblical Study of Proper Sexual Behavior - John W. Schoenheit  
2017-05-24

What does the Bible say about Sex? It is not an exaggeration to say that there is no single subject that influences people as profoundly as sex. Sex and Scripture covers, in clear everyday language, what the Bible says about sexual subjects such as: abstinence, marriage, adultery, masturbation, homosexuality, lust and pornography.

**The End of Sexual Identity** - Jenell Williams Paris  
2011-03-21

Sexual identity has become an idol in both the culture at large and in the Christian subculture. And yet concepts like "gay" or "straight" are relatively recent developments in human history. We let ourselves be defined by socially constructed notions of sexual identity and sexual orientation--even though these may not be the only or

best ways to think about

sexuality. Anthropologist Jenell Williams Paris offers a Christian framework for sexual holiness that accounts for complex postmodern realities. She assesses problems with popular cultural and Christian understandings of heterosexuality and homosexuality alike. The End of Sexual Identity moves beyond culture-war impasses to open up new space for conversations in diverse communities both inside and outside the church.

*God and Sex* - Michael Coogan  
2010-10-01

An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of

## Sex In The Bible An Introduction To What The Scriptures Teach Us Sexuality

those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. God and Sex is certain to provoke, entertain, and enlighten readers.

*What Wives Wish their Husbands Knew about Sex -*

Richard Rupp 2007-04-01

It's an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges. As a result, many Christian men, single and married, are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it. They help men: -learn what the Bible

says about a healthy sex life - discover how to relate to women as men instead of as boys -address psychological and spiritual issues that interfere with healthy sexuality -learn specific techniques that create a strong relationship, great foreplay, and passionate sex Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists, What Wives Wish Their Husbands Knew about Sex dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men.

*Apostle on the Edge -* Michael R. Cosby 2009-10-20

Author and teacher Michael R. Cosby provides a wonderful guide to Paul's letters, helping students relate them to their own cultural setting and figure out for themselves what they mean. Irreverent, entertaining, engaging, and fun, yet grounded in sound theology, Cosby's textbook, full of pictures, questions, and

insights, is certain to be a most popular educational tool.

*The Zondervan Encyclopedia of the Bible, Volume 5* - Merrill C.

Tenney 2010-08-10

Revised edition. Volume 5 of 5.

The Zondervan Encyclopedia of the Bible has been a classic

Bible study resource for more than thirty years. Now

thoroughly revised, this new

five-volume edition provides

up-to-date entries based on the latest scholarship. Beautiful

full-color pictures supplement

the text, which includes new

articles in addition to thorough

updates and improvements of

existing topics. Different

viewpoints of scholarship

permit a wellrounded

perspective on significant

issues relating to doctrines,

themes, and biblical

interpretation. The goal

remains the same: to provide

pastors, teachers, students,

and devoted Bible readers a

comprehensive and reliable

library of information. • More

than 5,000 pages of vital

information on Bible lands and

people • More than 7,500

articles alphabetically

arranged for easy reference •

Hundreds of full-color and

black-and-white illustrations,

charts, and graphs • 32 pages

of full-color maps and hundreds

of black-and-white outline

maps for ready reference •

Scholarly articles ranging

across the entire spectrum of

theological and biblical topics,

backed by the most current

body of archaeological

research • 238 contributors

from around the world

[Bible, Gender, Sexuality](#) -

James V. Brownson 2013-02-03

In *Bible, Gender, Sexuality*

James Brownson argues that

Christians should reconsider

whether or not the biblical

strictures against same-sex

relations as defined in the

ancient world should apply to

contemporary, committed

same-sex relationships.

Presenting two sides in the

debate -- "traditionalist" and

"revisionist" -- Brownson

carefully analyzes each of the

seven main texts that appear to

address intimate same-sex

relations. In the process, he

explores key concepts that

inform our understanding of

## **Sex In The Bible An Introduction To What The Scriptures**

### **Teach Us Sexuality**

the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate

in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.
