A desperate quest begins in the port of Alexandria: site of the great lighthouse, the famous Library, and the tomb of Alexander the Great. Treasure? Or death?

Sink Or Swim - Steve Watkins 2019-04-30

Inspired by the true story of the youngest boy who served in World War II, Steve Watkins weaves a story of courage in the face of danger and hope in the face of defeat. It's been a month since the bombing of Pearl Harbor. America is officially at war with Germany and Japan, and everyone wants to do their part. In twelve-year-old Colton's case, that means stepping up at home once his older brother, Danny, ships out with the navy. But before Danny leaves for boot camp, the brothers are fishing on the Atlantic Ocean when Danny's boat is capsized by a Nazi U-boat, nearly killing him. When more U-boats start attacking the next day, Colton realizes just how close the enemy is to American shores. With Danny's life in the balance, Colton does the only thing he can think of to help his family and his country: He steals his brother's enlisting papers and joins up instead. Colton's bold decision leads to a deadly journey. Even if he can keep his age a secret and survive boot camp, he'll have to face Hitler's ruthless submarines. But the longer he's on the seas, the less sure Colton is that he and his shipmates can stop such a relentless enemy . . .

Ring in a Teacup - Betty Neels 2013-09-03

He seemed to be everywhere It amazed Lucy how regularly Mr. der Linssen, the handsome Dutch doctor who taught one of her nursing classes, kept turning up in her life. She would bump into him at the hospital, at her home and even in Holland when she went on vacation. If only he knew she existed! But that wasn't likely, Lucy thought, since far prettier girls were obviously his for the asking....

The Industrial Vagina - Sheila Jeffreys 2008-11-19

The industrialization of prostitution and the sex trade has created a multibillion-dollar global market, involving millions of women, that makes a substantial contribution to national and global economies. The Industrial Vagina examines how prostitution and other aspects of the sex industry have moved from being small-scale, clandestine, and socially despised practices to become very profitable legitimate market sectors that are being legalised and decriminalised by governments. Sheila Jeffreys demonstrates how prostitution has been globalized through an examination of: the growth of pornography and its new global reach the boom in adult shops, strip clubs and escort agencies military prostitution and sexual violence in war marriage and the mail order bride industry the rise in sex tourism and trafficking in women. She argues that through these practices women's subordination has been outsourced and that states that legalise this industry are acting as pimps, enabling male buyers in countries in which women's equality threatens male dominance, to buy access to the bodies of women from poor countries who are paid for their sexual subservience. This major and provocative contribution is essential reading for all with an interest in feminist, gender and critical globalisation issues as well as students and scholars of international political economy.

The Paper Daughters of Chinatown - Heather B. Moore 2021-09-07

Based on true events, *The Paper Daughters of Chinatown* is a powerful story about a largely unknown chapter in history and the women who emerged as heroes. In the late nineteenth century, San Francisco is a booming city with a dark side, one where a powerful underground organization—the criminal tong—buys and sells young Chinese women into prostitution and slavery. These "paper daughters," so called because fake documents gain them entry to America but leave them without legal identity, generally have no recourse. But the Occidental Mission Home for Girls is one bright spot of hope and help. Told in alternating chapters, this rich narrative follows the stories of young Donaldina "Dolly"

Cameron, who works in the mission home, and Mei Lien, a "paper daughter" who thinks she is coming to America for an arranged marriage but instead is sold into a life of shame and despair. Dolly, a real-life pioneering advocate for social justice, bravely fights corrupt officials and violent gangs, helping to win freedom for thousands of Chinese women. Mei Lien endures heartbreak and betrayal in her search for hope, belonging, and love. Their stories merge in this gripping account of the courage and determination that helped to shape a new course of women's history in America.

Noreen is a nurse who has never been loved. She secretly loves Ramon, a heart surgeon, but he seems to have a vendetta against her. She has no idea if the throbbing pain in her chest is because of her chronic heart condition or, in fact, her broken heart. The Homesman - Glendon Swarthout 2014-02-11

Now a major film directed by and starring Tommy Lee Jones and co-starring Meryl Streep, Hilary Swank, and John Lithgow, this classic Western novel captures the devastating realities of early frontier life through the eyes of one extraordinary woman. Now a major motion picture directed by Tommy Lee Jones, *The Homesman* is a devastating story of early pioneers in 1850s American West. It celebrates the ones we hear nothing of: the brave women whose hearts and minds were broken by a life of bitter hardship. A "homesman" must be found to escort a handful of them back East to a sanitarium. When none of the county's men steps up, the job falls to Mary Bee Cuddy—ex-teacher, spinster, indomitable and resourceful. Brave as she is, Mary Bee knows she cannot succeed alone. The only companion she can find is the low-life claim jumper George Briggs. Thus begins a trek east, against the tide of colonization, against hardship, Indian attacks, ice storms, and loneliness—a timeless classic told in a series of tough, fast-paced adventures. In an unprecedented sweep, Glendon Swarthout's novel won

both the Western Writers of America's Spur Award and the Western Heritage Wrangler Award. A new afterword by the author's son Miles Swarthout tells of his parents Glendon and Kathryn's discovery of and research into the lives of the oft-forgotten frontier women who make *The Homesman* as moving and believable as it is unforgettable.

Sabriya - Ulfat Idilbi 1999-01-01

Sabriya portrays life in Damascus in the 1920's. Central to the story is Sabriya's journey to self-knowledge, intertwined with the rise and eclipse of national and feminist awareness during her painful life. The national revolt is crushed by superior foreign power and Sabriya's personal emancipation is stifled by the traditional values of a patriarchal society. Written from the point of view of a young girl passionately committed to the nationalist cause but unable, because of her sex, to take an active part, it seethes with the frustrated energy of the reluctant bystander and vividly expresses the terror of civilians living in a city rocked nightly by explosions.

Between Two Fires - Christopher Buehlman 2012-10-02

"Buehlman...slips effortlessly into a different kind of literary sensibility, one that doesn't scrimp on earthy humor and lyrical writing in the face of

unspeakable horrors."* The year is 1348. Thomas, a disgraced knight, has found an orphan of the Black Death in a Norman village. An almost unnerving picture of innocence, she tells Thomas that the plague is only part of a larger cataclysm—that the fallen angels under Lucifer are rising in a second war on Heaven. But is it delirium or is it faith? She believes she has seen the angels of God. She believes the dead speak to her in dreams. And now she has convinced the faithless Thomas to shepherd her across an apocalyptic landscape to Avignon. There, she tells Thomas, she will fulfill her mission. There her true nature will be revealed. And there Thomas will confront an evil wrestling for the throne of Heaven, and which has poisoned his own soul. *Kirkus Reviews
