I Love Jesus, But I Want to Die - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

The Rise and Triumph of the Modern Self - Carl R. Trueman 2020-10-26
Modern culture is obsessed with identity. Since the landmark Obergefell v. Hodges Supreme Court decision in 2015, sexual identity has dominated both public discourse and cultural trends—and yet, no historical phenomenon is its own cause. From Augustine to Marx, various views and perspectives have contributed to the modern understanding of self. In *The Rise and Triumph of the Modern Self*, Carl Trueman carefully analyzes the roots and development of the sexual revolution as a symptom, rather than the cause, of the human search for identity. This timely exploration of the history of thought behind the sexual revolution teaches readers about the past, brings clarity to the present, and gives guidance for the future as Christians navigate the culture's ever-changing search for identity.

12 Rules for Life - Jordan B. Peterson 2018-01-16

The #1 Sunday Times and International Bestseller from 'the most influential public intellectual in the Western world right now' (New York Times) What are the most valuable things that everyone should know? Acclaimed clinical psychologist Jordan Peterson has influenced the modern understanding of personality, and now he has become one of the world's most popular public thinkers, with his lectures on topics from the Bible to romantic relationships to mythology drawing tens of millions of viewers. In an era of unprecedented change and polarizing politics, his frank and refreshing message about the value of individual responsibility and ancient wisdom has resonated around the world. In this book, he provides twelve profound and practical principles for how to live a meaningful life, from setting your house in order before criticising others to comparing yourself to who you were yesterday, not someone else today. Happiness is a pointless goal, he shows us. Instead we must search for meaning, not for its own sake, but as a defence against the suffering that is intrinsic to our existence. Drawing on vivid examples from the author's clinical practice and personal life, cutting edge psychology and philosophy, and lessons from humanity's oldest myths and stories, *12 Rules for Life* offers a deeply rewarding antidote to the chaos in our lives: eternal truths applied to our modern problems.

Comentario bíblico con aplicación NVI 1 y 2 Tesalonicenses - Michael W. Holmes 2015-06-09

La mayoría de los comentarios bíblicos nos llevan en un viaje de una sola vía de nuestro mundo al mundo bíblico. Pero nos dejan ahí, asumiendo que de alguna manera nosotros podremos hacer el viaje de regreso por nuestros propios medios. En otras palabras, se enfocan en el significado original del pasaje pero no discuten las aplicaciones contemporáneas. La información que ofrecen es valiosa, ipero el trabajo esta a medias! La serie de Comentarios NVI nos ayuda con las dos partes del trabajo

interpretativo. Esta nueva y única serie, muestra a los lectores como traer el mensaje antiguo a un contexto moderno. Explica no solo lo que da a entender la Biblia sino también como nos puede hablar poderosamente hoy día.
