Into the Darkest Corner - Elizabeth Haynes 2012-06-05

Catherine Bailey has been enjoying the single life long enough to know a catch when she sees one. Gorgeous, charismatic and spontaneous, Lee seems almost too perfect to be true. And her friends clearly agree, as each in turn falls under his spell. But what begins as flattering attentiveness and passionate sex turns into raging jealousy, and Catherine soon learns there is a darker side to Lee. His increasingly erratic, controlling behaviour becomes frightening, but no one believes her when she shares her fears. Increasingly isolated and driven into the darkest corner of her world, a desperate Catherine plans a meticulous escape. Four years later, Lee is behind bars and Catherine—now Cathy—compulsively checks the locks and doors in her apartment, trusting no one. But when an attractive upstairs neighbour, Stuart, comes into her life, Cathy dares to hope that happiness and love may still be possible . . . until she receives a phone call informing her of Lee's impending release. Soon after, Cathy thinks she catches a glimpse of the former best friend who testified against her in the trial; she begins to return home to find objects subtly rearranged in her apartment, one of Lee's old tricks. Convinced she is back in her former lover's sights, Cathy prepares to wrestle with the demons of her past for the last time. Utterly convincing in its portrayal of obsession, *Into the Darkest Corner* is an ingeniously structured and plotted tour de force of suspense that marks the arrival of a major new talent.

Revolution - Russell Brand 2015-06-24

Russell Brand wants YOU to join the revolution. We all know the system isn't working. Our governments are corrupt and the opposing parties pointlessly similar. Our culture is filled with vacuity and pap, and we are told there's nothing we can do - "it's just the way things are". In this book, Russell Brand hilariously lacerates the straw men and paper tigers of our conformist times and presents, with the help of experts as diverse as Thomas Piketty and George Orwell, a vision for a fairer, sexier society that's fun and inclusive. You have been lied to, told there's no alternative, no choice and that you don't deserve any better. Brand destroys this illusory facade as amusingly and deftly as he annihilates Morning Joe anchors, Fox News fascists and BBC stalwarts. This book makes revolution not only possible, but inevitable and fun.

Strengthening Forensic Science in the United States - National Research Council 2009-07-29

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices,

and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Youngest Doll - 1991-01-01

A gentle maiden aunt who has been victimized for years unexpectedly retaliates through her talent for making life-sized dolls filled with honey. "The Youngest Doll," based on a family anecdote, is a stunning literary expression of Rosario Ferré's feminist and social concerns. It is the premier story in a collection that was originally published in Spanish in 1976 as *Papeles de Pandora* and is now translated into English by the author. The daughter of a former governor of Puerto Rico, Ferré portrays women loosening the constraints that have bound them to a patriarchal culture. Anger takes creative rather than polemical form in ten stories that started Ferré on her way to becoming a leading woman writer in Latin America. The upper-middle-class women in *The Youngest Doll*, mostly married to macho men, rebel against their doll-like existence or retreat into fantasy, those without money or the right skin color are even more oppressed. In terms of power and influence, these women stand in the same relation to men as Puerto Rico itself does to the United States, and Ferré stretches artistic boundaries in writing about their situation. The stories, moving from the realistic to the nightmarish, are deeply, felt, full of irony and black humor, often experimental in form. The imagery is striking: an architect dreams about a beautiful bridge that "would open and close its arches like alligators making love"; a Mercedes Benz "shines in the dark like a chromium rhinoceros." One story, "The Sleeping Beauty," is a collage of letters, announcements, and photo captions that allows chilling conclusions to be drawn from what is not written. The collection includes Ferré's discussion of "When Women Love Men," a story about a prostitute and a society lady who unite in order to survive, and one that illustrates the woman writer's "art of dissembling anger through irony." In closing, she considers how her experience as a Latin American woman with ties to the United States has brought to her writing a dual cultural perspective.

Freedom in the World 2004 - Freedom House (U.S.) 2004

Freedom in the World contains both comparative ratings and written narratives and is now the standard reference work for measuring the progress and decline in political rights and civil liberties on a global basis.

Diaspora and Transnationalism - Rainer Bauböck 2010

Diaspora & transnationalism are widely used concepts in academic & political discourses. Although originally referring to quite different phenomena, they increasingly overlap today. Such inflation of meanings goes hand in hand with a danger of essentialising collective identities. This book analyses this topic.

Television's Female Spies and Crimefighters - Karen A. Romanko 2016-03-02

Emma Peel wearing her "kinky boots." Amanda King and her poppy seed cake. Julie Barnes at her hippie pad. Honey West with her pet ocelot. Television's female spies and crimefighters make quite an impression, yet there hasn't been a reference book devoted to them until now. This encyclopedic work covers 350 female spies, private investigators, amateur sleuths, police detectives, federal agents and crime-fighting superheroes who have appeared in more than 250 series since the 1950s, with an emphasis on lead or noteworthy characters. Entries are alphabetical by series, featuring credits and synopses, notable plot points, interesting facts and critical commentary on seminal series and characters. A brief history of female spies and crimefighters on TV places them in chronological perspective and sociological context.

Billboard - 2010-01-09

In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers

unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

New York City Nightlife 2003-2004 - ZAGAT Survey 2003-05

These are the results of the NEW YORK NIGHTLIFE SURVEY, covering hundreds of bars, clubs and lounges. New York is renowned for its nightlife and in this guide, men and women of all ages offer their tips for a superb night out. To guide the readers to the best watering holes to suit their tastes, moods and budgets, there are a number of category lists, for example, Most Popular, Top Ratings and Best Buys. On the assumption that most people want a quick fix on the places at which they are considering socialising, there are also handy and concise indexes. ZAGAT'S second ever NEW YORK NIGHTLIFE SURVEY spotlights both the old and the trendy, minimalist lounges and clubs. The diversity of venues means that goths, pre-clubbers and tourists can all have the best of times.

Detective Fiction in a Postcolonial and Transnational World - Nels Pearson 2016-04-22

Taking up a neglected area in the study of the crime novel, this collection investigates the growing number of writers who adapt conventions of detective fiction to expose problems of law, ethics, and truth that arise in postcolonial and transnational communities. While detective fiction has been linked to imperialism and constructions of race from its earliest origins, recent developments signal the evolution of the genre into a potent framework for narrating the complexities of identity, citizenship, and justice in a postcolonial world. Among the authors considered are Vikram Chandra, Gabriel García Márquez, Michael Ondaatje, Patrick Chamoiseau, Mario Vargas Llosa, Suki Kim, and Walter Mosley. The essays explore detective stories set in Latin America, the Caribbean, India, and North America, including novels that view the American metropolis from the point of view of Asian American, African American, or Latino characters. Offering ten new and original essays by scholars in the field, this volume highlights the diverse employment of detective fictions internationally, and uncovers important political and historical subtexts of popular crime novels.

The Forbidden Apple - Kat Long 2009

"Theres a great history of racy entertainment covering itself, if scantily, in a cloak of righteous education. Kat Long describes these protective measures, or ruses...Long also chronicles the way that initiatives to eradicate vice only helped pave the way for its further evolution in the city."--New York Times Book Review "[Kat] Long covers the great upheavals that have pushed the advantage in the sex wars one way or the other..."--Village Voice "Long's *The Forbidden Apple* is a fast-paced and vivid overview documenting the conflicts between evangelical moralists and defenders of sexual expression, commercial and otherwise. Anyone interested in New York City or sex will have to pick this up."--Timothy Gilfoyle, author, *City of Eros* and *A Pickpocket's Tale* "Long has provided a fascinating overview of sex in New York City since the Civil War. Everything you always wanted to know--and a lot you would never have suspected!"--Kevin Baker, author of *Strivers Row*, *Paradise Alley* and *Dreamland* *The Forbidden Apple: A Century of Sex & Sin in New York City* reveals the endless battle between outlaw sex and moral righteousness that has been fought on the streets of America's most licentious city. Beginning with *Gilded Age New York*, where upper-class men of society routinely slummed with prostitutes and burlesque dancers--then wrote scathing condemnations of the "Lost Sisterhood" for the next day's papers--and ending with Rudolph Giuliani's crackdown on the city's sexual life, *The Forbidden Apple* details the major trends in New York's sexual history, including the Victorian-era battles over prostitution; the women's movement at the turn of the twentieth century; the

hedonistic roaring twenties; the rise of Times Square as the city's sexual epicenter in the 1940s and 1950s; the birth of the gay rights movement in the 1960s; the decadence and pornography of the 1970s, and the AIDS epidemic of the 1980s. The first-ever comprehensive sexual history of New York City, *The Forbidden Apple* shows how many of this country's most important sexual trends got their start in New York, and also demonstrates how the repressive forces of morality and decency have waged war against the forces of sexual liberation and freedom throughout the city's history.

Terry Teo and the Gunrunners - Stephen Ballantyne 2015

"Terry Teo is not your average schoolboy - he's a skateboarding super sleuth about to embark on his first adventure! When he stumbles headfirst into the criminal schemes of the villainous Ray Vegas, Terry finds himself embroiled in a dastardly gun smuggling operation. Along with his karate-chopping sister, Polly, and older brother Ted, Terry must use all his street smarts to avoid Vegas' henchmen, defeat the smugglers and save the day! "--Back cover. Includes information about the origins of the comic book, the 1985 TV adaptation and the new TV series directed by Gerard Johnstone.

[The Ocean and Cryosphere in a Changing Climate](#) - Intergovernmental Panel on Climate Change (IPCC) 2022-04-30

The Intergovernmental Panel on Climate Change (IPCC) is the leading international body for assessing the science related to climate change. It provides policymakers with regular assessments of the scientific basis of human-induced climate change, its impacts and future risks, and options for adaptation and mitigation. This IPCC Special Report on the Ocean and Cryosphere in a Changing Climate is the most comprehensive and up-to-date assessment of the observed and projected changes to the ocean and cryosphere and their associated impacts and risks, with a focus on resilience, risk management response options, and adaptation measures, considering both their potential and limitations. It brings together knowledge on physical and biogeochemical changes, the interplay with ecosystem changes, and the implications for human communities. It serves policymakers, decision makers, stakeholders, and all interested parties with unbiased, up-to-date, policy-relevant information. This title is also available as Open Access on Cambridge Core.

Unintended Consequences of Peacekeeping Operations - Chiyuki Aoi 2007

The deployment of a large number of soldiers, police officers and civilian personnel inevitably has various effects on the host society and economy, not all of which are in keeping with the peacekeeping mandate and intent or are easily discernible prior to the intervention. This book is one of the first attempts to improve our understanding of unintended consequences of peacekeeping operations, by bringing together field experiences and academic analysis. The aim of the book is not to discredit peace operations but rather to improve the way in which such operations are planned and managed.

Orange Coast Magazine - 2004-02

Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. Each issue features an award-winning blend of celebrity and newsmaker profiles, service journalism, and authoritative articles on dining, fashion, home design, and travel. As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation, Orange Coast is the definitive guidebook into the county's luxe lifestyle.
