The Ultimate Guide to Orgasm for Women - Mikaya Heart

2011-08-01

Owning our desires should be neither embarrassing nor uncomfortable. Nor should they be subject to anyone else's moral judgment of what is right or wrong, good or bad, normal or abnormal. Combining communication and information is the key. By shrugging off the taboos against talking about our preferences and experiences when we're being sexual, we will take the first and most important steps toward ensuring our own fulfillment. The Ultimate Guide to Orgasm for Women is an unflinchingly honest, responsible, and thoroughly comprehensive exploration of female sexuality. Topics include: The physical types of orgasm, such as electrical, flying, pounding, deep, waves, and blips; orgasm as an emotional release; the "elusive orgasm" and why some women have difficulty having one; how often we fake them and why; masturbation; multiple orgasms; the male-female dichotomy; penetration and the G-spot; defining the erotic; and the joy of sex toys.

Discovering Your Couple Sexual Style - Barry W. McCarthy 2011-03-17

Winner of the 2009 Smart Marriages® Impact Award Think all sex should be earth shattering? The quality of most couple sex doesn't measure up to the much distorted image of the perfect romantic love/passionate sex encounter portrayed in popular culture. In *Discovering Your Couple Sexual Style: Sharing Desire, Pleasure, and Satisfaction*, renowned marital and sex therapist Barry McCarthy and his wife Emily McCarthy urge couples to ignore what they see on TV, in books, or online, and discover their own unique sexual style. The McCarthys offer three guidelines for sexual satisfaction: develop positive, realistic sexual expectations; explore sensual and sexual options; and communicate sexual desires. With this foundation, couples can take a

straightforward survey to determine which of four couple sexual styles best fits their relationship. Based on three years of research and treating more than 4,000 individuals and couples, *Discovering Your Couple Sexual Style* provides information, guidelines, exercises, and case studies that will help readers find their own sexual voice and develop a mutually satisfying sexual style.
