Dress Rehearsal - Sandra Alex 2021-04-03

"An affecting love story of two strangers finding each other at exactly the right moment." - Kirkus Reviews
The tormented guitarist. The fearless security guard. The kiss that's seen globally. The razor blade that threatens to end everything. Billy Nestor has everything he's always wanted: a band, the best guitar skills, a creative edge like no other, a thick skin, and the chops to climb the charts. The one thing he's missing is a supportive father. While his mom is his biggest fan, his father has chided him since the day he picked up an instrument, slating that the boy would never amount to anything unless he applied himself to something other than heavy metal. Michelle Parsons has seen the world through the eyes of the battlefield. She's determined, tough as nails, and has enough brains and drive to get her anywhere she wants to go in the world. Until she gets shot in combat and has to take a backseat job as a security guard for a nothing band, and what's worse, she gets the job after her dad calls on a friend for a favor. Despite the disappointment, she quickly learns that protecting a band is almost as exhilarating as dodging landmines behind enemy lines. In the band's third month of touring as an opening act, the city that they play in is riddled with an unexpected, potentially life-threatening situation. Michelle has to put her life on the line once again, only this time, without her hard hat and camouflage. After getting the band on the stage safely, a certain band member seeks her out once the applause quiets, and a fast friendship evolves. Billy finds himself seeking Michelle out, escaping the sheltered life inside the hotel room, until Michelle and Billy come to an impasse on a serious topic, one close to Billy's heart. But little does Billy know that Michelle has also become close to his heart, and he doesn't realize it until she climbs onto the shuttle bus to go back to the airport...out of his life forever. A heartbreaking, true-to-life story about the trials and tribulations of being a rock star, and falling in love unexpectedly, with someone you would never have expected to fall for. A story that covers sensitive subject matter, readers will see rock stars in a whole different light, and the people that love them, too. Opening Night - Sandra Alex 2021-06-05

A successful guitarist. Broken by one, made by another...and wrecked by the one person he's trusted since birth. Jimmy Trent wasn't born with a guitar in his hand, but his big brother Ken showed him the ropes at a tender age. Jimmy was hooked, and when the band Brainchild was born, he began to fulfill his childhood dream. With Ken by his side, Jimmy soars with his band, reaching milestones most rock stars simply get to witness from their parent's garages. But when Mandy, Jimmy's first love, comes into the picture, all bets are off. When the supermodel doesn't bring him all the promises a proper wife should, the rock star finds himself in a hole that he can't dig himself out of. Cindy Kilgore never thought her beloved husband would stoop to the level that fifty percent of men have, but when she receives the news that he's warmed another woman's bed, she packs her bags to move back to the hometown she's missed. With her mother suffering from a recent stroke, it's all the more reason for Cindy's return. And with her two-bit a-hole boss driving a stake through her budding career, it gives her three reasons to move on. She never expects to find the job of a lifetime at a recording studio. But the job comes with strings attached that she's bluntly acquainted with the second she sees rock star Jimmy Trent answer the door. With Cindy's surprisingly apt skills, Jimmy quickly notices that Cindy is cut out for more than just an assistant's position, and this realization could not have come at a better time, since they're missing one head in the team. She quickly takes on more and more responsibility with ease and enthusiasm, until an unexpected visit to the emergency room threatens to bring Cindy's new career to a grinding halt. Jimmy has a tough decision to make, and with the growing pressure of a new record and a recording contract's ink that isn't even dried yet, the rock star and his band need to make some quick, impossible changes. Jimmy finds himself unable to turn his cheek on Cindy.

What's worse, she doesn't even know it...yet. Filled with heartache, heartbreak and a handsome helping of triumph, 'Opening Night' is the perfect complement to 'Dress Rehearsal'. Naughty Gay Men (Gay Virgin Sex Stories Collection -- Bisexual, Menage, Light BDSM and College Gays) - Amanda Richol 2013-12-13

Take a trip into a world where men plagued by curious thoughts can't help but act on their lustful desires. These three sizzling tales of naughty men doing the deed with one another bring the heat, so be prepared. 1. Dorm Room Curiosities: Twenty-year-old Cameron hasn't had a girlfriend in two years, hasn't had sex in over one and finds himself relying on bisexual fantasies to get off. Living in a small dorm room makes keeping secrets difficult, and his roommate, David, eventually finds out about the nasty things Cameron is into. But it's Cameron's lucky day. Sort of. David and his girlfriend are looking for a third person to join them under the covers. There's just one catch: to tag along for a freaky three-way, Cameron has to drop to his knees and savor what David's packing under his trousers. If he does, a reward is certainly in order -- but not the type this naïve college student expects. 2. Ben's Dangerous, Sinful Meeting: Ben's had his eye on his best friend, Scott, for as long as he can remember. There are just a few minor problems: Scott's not gay and he's in a relationship. Luckily for Ben, a cheating girlfriend takes care of problem number two and a few drinks reveal that problem number one isn't entirely true. But Ben finds out that fooling around with his best friend is not at all like he was expecting it to be -- it's a lot rougher, more demeaning and a whole lot hotter. Who knew cable ties and a gag could spice things up so much? 3. Curiosity Got Me Drilled: In the deep recesses of Jason's mind -- a place he doesn't like to go -- are secrets that no one knows. But when his gay roommate, Brent, catches him tugging on his shaft to some questionable videos that most straight men wouldn't get off on, the floodgates open and the secrets pour out. Will Jason's curiosity about other men be satiated, or will Brent's idea of bedroom fun prove to be too much for him to handle? This 17,000 word short story collection features gay men, virgins, light bdsm, college roommates, group sex, oral sex, anal play and a whole slew of creamy surprises!

Ambitious People - Nicola Nichols 2022-09-08

You have to admire ambitious people. Their desire and passion for success give them the willingness to do what it takes to achieve their goals. But it also means they don't mind bending the rules. They'll use whatever they have, do whatever they have to, to win. No price is too high. In fact, many of them are addicted to the excitement that comes with the risks that come with pushing the envelope, coloring outside the lines, and knowing that they travel paths most wouldn't dare to follow. Through coincidence, or maybe fate, an odd group of very ambitious women and men have wound up living in the cauldron that is the apartment building on quiet little Crescent Street. They are quite different people, with differing goals, and yet, their ambition, their nearly insatiable lust, give them a bond that lets them understand each other -- very well. This is their story. A sizzling tale of their struggles for power and hot sex. ~~~~~ PG Excerpt ~~~~~ The dental office wasn't big, but it was modern and upmarket. It sparkled. Sitting there made me nervous. Across the desk from me was a sour-looking guy named Jerry. He was the office manager, a dentist. I sat there, hands in my lap, watching him reading my job application. The guy moved his lips while he read. I'd seen an ad for a receptionist on the college bulletin board the day I dropped out of school and got right on it. I called, Jerry said to come in. School had been a disaster. Actually, school was fine. I was the disaster. I had no interest in any of the subjects. I'd thought that getting a degree would set me on a path to success. The problem was that I didn't have any idea what success looked like for me, no idea what path I wanted to take. I wasted a semester searching and pretending. Then I dropped out. I needed time. I needed perspective and here I was. I didn't give a shit about dentistry or office work, but I thought an office job would let me meet people who were doing interesting things. I like people doing interesting things. "Four dentists share this practice," Jerry told me. "What we are looking for, Crystal, is mainly someone reliable who can answer the phone, keep schedules, and be the charming face our clients see." The look he gave me told me that meant sexy and efficient. I was glad I'd worn a dress and heels and put on makeup. I almost hadn't bothered. I tend toward punk, if you must know. Fortunately, my nose ring didn't seem to bother him, nor the little rings tattooed on my neck. "I can do that," I said. "If a candidate has the skills and aptitude to take on some of the office work, paying bills, taking care of maintenance issues, things like that, well, that would be in her favor." "I took two accounting classes in college," I said, too eagerly. "I was a business major." He didn't need to know that I had hated all the business classes and I'd earned a D

average. I wanted this job. I hated being poor and working here might let me meet people who were successful or on their way to being successful. I might not know what field I wanted to work in, but I was ambitious. You don't get ahead hanging around with other poor people. The only other jobs in town seemed to involve working as a server in a restaurant or truck stop diner. "That's a bonus," he said. "And I'd like to

offer you the job. Unfortunately, to start with, it would only be part-time. Twenty-five hours a week." That sucked. "So no benefits." He shook his head. "This is a young practice, and we have to keep the monthly overhead down." I knew the rent on this office had to cost a bundle. On the other hand, these were dentists, and my guess was that the money was rolling in. Jerry's clothes sure weren't off the rack from a discount store. He struck me as one of those cheap guys who'd use any excuse to keep from paying fair prices.
