Savage One - Angela Molino 2018-07-26

Arianna D'Abrucci has always thought she was crazy, even though she knows deep down magic is real no matter how many shrinks told her it wasn't! Family secrets and rhinestone skeletons in the closet spill out like a bucket of muddy horny toads on a hot Tennessee night as she fast approaches her birthday and her long lost Uncle Enzo shows up to awaken an ancient magic and her glamorous Mob Doll mother, Naomi, goes missing. A Yankee transplant turned Southern Belle with a slight addiction to spaghetti and meatballs and wrestling entertainment finds herself thrust into the supernatural world like a gas throttle stuck on bats out of hell speed demon mode. Her world turned upside down like Alice in the rabbit hole! Packing some wicked magic with an impressive blood line, she finds out she is the daughter of the Life Bringer of Fate and the God of Outcasts also known as the King of the Badlands. Funny thing was she had never met her father. The mystery surrounding

him and her parents love affair was straight out of the Godfather and Good Fellas. She defines the stereotype of an Italian of the South transplant. Snowbird retirees don't have nothing on this hot mama! Along her journey, with her best friend Navi, and her familiar Luigi by her side, she finds out that she has to fulfill a prophecy and she is pledged to the Savage One. Gunnar Reinhart is tall, dark, sexy and makes Aria's lady parts betray her at every turn. Dangerous and bossy, he makes the steamy summer night in Nashville light up with excitement and friction. He oversees Aria's transformation from do gooder, flighty, high society outcast to the kick ass bitch destined to be the Queen of the Foletti and his mate. The cast of misfits on this journey are guaranteed to have you howling in laughter, cheering for the underdog, and watching Aria battle to take the throne and bring supernaturals out of the closet to the human race! It's getting down and dirty in the south and Aria is leading the charge. Life as

you know it is about to take one helluva turn, especially when you realize your neighbor is a shifter, witch or possibly one of the Fae! Jump into a world where believers in magic and things that go bump in the night watch the birth of supernaturals coming out to the human race and the chaos that ensues! This exciting series delivers a savory plate of spaghetti and meatballs with extra parmesan!

Asian Popular Culture - Anthony Y.H. Fung
2013-05-29

This book examines different aspects of Asian popular culture, including films, TV, music, comedy, folklore, cultural icons, the Internet and theme parks. It raises important questions such as - What are the implications of popularity of Asian popular culture for globalization? Do regional forces impede the globalizing of cultures? Or does the Asian popular culture flow act as a catalyst or conveying channel for cultural globalization? Does the globalization of culture pose a threat to local culture? It

addresses two seemingly contradictory and yet parallel processes in the circulation of Asian popular culture: the interconnectedness between Asian popular culture and western culture in an era of cultural globalization that turns subjects such as Pokémon, Hip Hop or Cosmopolitan into truly global phenomena, and the local derivatives and versions of global culture that are necessarily disconnected from their origins in order to cater for the local market. It thereby presents a collective argument that, whilst local social formations, and patterns of consumption and participation in Asia are still very much dependent on global cultural developments and the phenomena of modernity, yet such dependence is often concretized, reshaped and distorted by the local media to cater for the local market.

Miami Beach. But triple pay and carrying a gun had its advantages. I'd shove away paparazzi and screaming fans for a lot less. The Marines trained me to be Force Recon—intimidation and crowd control was child's play compared to four tours. This assignment should've been easy money. But the doe-eyed starlet with the perfect smile dragged me down her rabbit hole. Living for the spotlight, she leaked the ultimate scandal. I warned her making headlines wasn't in my job description, but she kept smiling for the cameras. Now she was going to find out just how scandalous a bodyguard could be.

Rhoda: 'Comrade Kadalie, You Are Out of Order!' - Joel B Pollak 2023-01-04

This authorized biography was made possible through the gracious help of my mother-in-law, Rhoda Kadalie, who provided generous access to her files, letters, photographs, and extensive library of documents. She made time to sit with me for several hours of interviews from September through October 2021, to answer questions as they arose, and to offer innumerable clarifications. Rhoda also reviewed the first draft of the biography in December 2021, making corrections and additions, and contributing some of her own original vignettes, never before published.

Living My Best Life, Hun - London Hughes 2023-09-05

'A hilarious must read.' - Jameela Jamil 'Funny, frank and inspiring' - Lenny Henry All her life, London longed to be a badass, an awesome bulletproof star nobody could mess with -

someone who takes no shit - and in *Living My Best Life, Hun*, she lifts the lid on how she went from secretly writing *Frasier* fan fiction alone in her bedroom to taking Hollywood by storm. It hasn't been an easy journey; from birthday parties gone wrong and dealing with bullies every step of the way, to getting blocked by Foxtons (long story) and being mistaken for the cleaner at a comedy competition (true story), London leaves no stone unturned. It took London some time to find her voice and her people, but now that she has, she's mentally high-fiving her fourteen-year-old self every day. Frank, fearless and funny, *Living My Best Life, Hun* will inspire you to ditch the self-loathing, start the self-loving and engage with your inner winner.

cross-cultural collection about beer. It explores the brewing processes used in antiquity and in traditional societies; the social and symbolic roles of beer-drinking; the beliefs and activities associated with it; the health-promoting effects as well as the health-damaging risks; and analyses the modern role of large multinational companies, which own many of the breweries, and the marketing techniques that they employ. **White Lens on Brown Skin** - Matthew B. From the earliest accounts of contact with Europeans, Polynesians have been perceived as sensual and sexual beings. By the late 1800s, publications, lectures and stage plays about the Pacific became popular across Europe, and often contained exotic and erotic components. This book details the fusion of truth and fiction in the representation of Pacific Islanders, focusing on the sexualization of Polynesians in American cinema and other forms of mass communications and commercial entertainment. With messaging

almost subliminal to American audiences, the Hollywood media machine produced hundreds of tropical film titles with images of revealing grass skirts, scanty sarongs, female toplessness and glistening exposed male pectorals. This critical filmography demonstrates how the concept of "sex sells," especially when applied on a large scale, shaped American social views on Polynesian people and their culture. Chapters document this phenomenon and an annotated filmography of sexualized tropes and several appendices conclude the book, including a glossary of Polynesian terms and a film index. *The Ex-Factor* - Laura Greaves 2015-03-17
Talented, gorgeous and hopelessly in love, American movie star Mitchell Pyke and Brazilian supermodel Vida Torres were Hollywood's most talked-about couple. They seemed destined for 'happily ever after' - until Vida left Mitchell for his best friend, and Mitchell publicly vowed he would never love again. Sydney dog trainer Kitty Hayden has never even heard of Mitchell Pyke.

Still reeling from the loss of her mother, Kitty is too busy cleaning up the various messes made by her indolent younger sister, Frankie, and trying to find a girlfriend for her terminally single best friend, Adam, to keep up with celebrity gossip. When her work takes Kitty to Mitchell's movie set, their worlds spectacularly collide. The chemistry between them is undeniable – and it's not long before Kitty is turning her life upside down to be with her leading man. But as Kitty quickly discovers, when someone as famous as Mitchell Pyke tells the world he'll never love again, the world listens. And the vindictive Vida is never far away. With constant reminders that she's merely a consolation prize, how can Kitty compete with such a tenacious adversary – especially when she starts to suspect that Mitchell isn't over Vida after all? Pamela Tiffin - Tom Lisanti 2015-09-22
Dark-haired 60s cult pop icon Pamela Tiffin debuted in *Summer and Smoke* (1961) and was a scene-stealing comedienne opposite James Cagney in Billy Wilder's *One, Two, Three* (1961) before becoming the queen of teenage drive-in movies in *State Fair* (1963), *Come Fly with Me* (1963), *For Those Who Think Young* (1964), *The Lively Set* (1964) and *The Pleasure Seekers* (1964). After landing a sexy adult role opposite Paul Newman in *Harper* (1966), she went blonde and ran away to Italy to star in such films as *Kiss the Other Sheik* (1968), *The Fifth Cord* (1971) and *Deaf Smith & Johnny Ears* (1973). This thoroughly researched career retrospective pays tribute to the talented Tiffin, hailed by Cagney for her "remarkable flair for comedy," and addresses why she did not achieve superstardom. Interviews with co-stars, including Franco Nero, and film historians offer a behind-the-scenes look at her most popular films.

Hot to Trot - Lou Wakefield 2012-09-13

With her acting career in the doldrums, thirty-something Kate Thornton plays internet backgammon to while away the hours. Playing against others from Beijing to Bolton is like having a window on the world, and she soon makes many online friends, finding herself increasingly drawn to Andy, the Canadian cowboy. When he falls from his horse and breaks his arm, Kate rushes to his aid in the South Cariboo, only to find that Andy is at least as attractive as she expected - but he is not expecting her. In fact, he has no idea who she is. Should she stay or should she leave? After such an embarrassing beginning, do she and Andy stand a chance? Somebody has been playing tricks on them both, but who? And why?

The Zodiac by Degrees - Martin Goldsmith
2004-05-01

The Zodiac by Degrees provides symbols and interpretations for each of the 360 degrees of the zodiac. These symbols make a direct

connection with your basic spiritual energies and penetrate the private language of your personal mythology. For this second edition, every one of the 360 degrees has been reexamined from extensive lists of examples. In the end, about ninety degrees have undergone major changes and all of the rest have been clarified and sharpened. The result is a symbol system of unparalleled accuracy, and an indispensable tool for both amateur and practicing astrologers. The Zodiac by Degrees gave me serious goose bumps on several occasions. Inside of half an hour, the text had cleared up my ambivalence about the exact degree of my Ascendant and given me a new understanding of my Sun degree#8212one vastly more evocative than the traditional Sabian interpretation. Martin Goldsmith is a poet in the old sense of the word: he's on fire with imagery and the fire is contagious." #8212Steven Forrest, author of The Inner Sky "At last! An astrologer who has undertaken the huge

workload of intensive research into the individual degrees of the zodiac. Thanks to his years of work, Goldsmith has finally taken this area of astrology out of the misty, intuitive, 'channeled' area of the Sabian symbols onto the firmer and more reliable footing of good, grounded research. This long-needed book is therefore an essential reference work for any serious astrologer."#8212Bernadette Brady, author of Predictive Astrology

Theatre - Somerset Maugham 2001

Julia Lambert is in her prime, the greatest actress in England. On stage she is a true professional, in full possession of her emotions. Off stage, however, she is bored with her husband, less disciplined about her behaviour. She is at first amused by the attentions of a shy but ambitious young fan, then thrilled by his persistence -- and at last wildly but dangerously in love. Although Maugham is most celebrated as a novelist and short-story writer, it was as a playwright that he first knew success. Theatre is

both a tribute to a world from which he had retired and a persuasive testimony to his enthusiasm for drama and the stage. Theatre" by W. Somerset Maugham is the basis of "Being Julia, a major worldwide movie release in October 2004 starring Annette Benning and Jeremy Irons. About the movie: "Being Julia is a delicious tale of amorous folly and revenge set in the world of the London stage in the late 1930's. It is the story of reigning stage diva Julia Lambert (played by Annette Benning in a tour-de-force performance) who falls head over heels in love with a young American. When she realizes that he is just a young social climber whose real passion is ambitious starlet Avice Crichton, Julia begins to plot a delightful revenge. "Being Julia is at once playful, sexy and viciously satisfying. Jeremy Irons, Bruce Greenwood and Maury Chaykin also star. **Summary of World Broadcasts** - British Broadcasting Corporation. African American Actresses - Charlene B.

Register 2010-06-14

Nine actresses, from Madame Sul-Te-Wan in *Birth of a Nation* (1915) to Ethel Waters in *Member of the Wedding* (1952), are profiled in *African American Actresses*. Charlene Register poses questions about prevailing racial politics, on-screen and off-screen identities, and black stardom and white stardom. She reveals how these women fought for their roles as well as what they compromised (or didn't compromise). Register repositions these actresses to highlight their contributions to cinema in the first half of the 20th century, taking an informed theoretical, historical, and critical approach.
