**Slasher Girl** - Reyna Young 2022-06-01

Avid lovers of horror films and general geeky high school rejects, Samantha and her friends are about to graduate high school, but by then they all had grown sick and tired of how they'd been relentlessly bullied over those high school years by elite bubblegum-popping cheerleaders and so-called football heroes. On one fateful night while sneaking into a party, Samantha finds herself the victim of a brutal rape. While victims of the same fate and by the same hands had kept silent for months, she could not contain her rage and vowed vengeance...and what sweet vengeance it would be if she could only avoid the suspicions of both the law, her closest friends, and the entire school and community as she brandishes a butcher knife and unleashes a wild bloodbath throughout the town and across these pages.

**The Memory** - Lucy Dawson 2018-12-06

'WOW WOW WOW... what a book, I started this book this morning and I have finished this evening... completely gripped me... be prepared to be give up your day, YOU WILL NOT WANT TO PUT IT DOWN!' Goodreads Reviewer, 5 stars I look down at her, lying fast asleep - always my little girl, and so beautiful. She gives a low moan as her head turns restlessly on the pillow. It reminds me of the soft growl of a cornered animal.

Where is my poor child? What is she dreaming? People always notice my daughter, Isobel. How could they not? Incredibly beautiful... until she speaks. An unsettling, little-girl voice, exactly like a child's, but from the mouth of a full-grown woman. Izzie might look grown-up, but inside she's trapped. Caught in the day it happened - the day that broke her from within. I know why my daughter is the way she is. There's nothing I could have done to save her... is there? An unputdownable psychological thriller about families and secrets, perfect for fans of *Gone Girl*, Shalini Boland and Lisa Jewell. Readers absolutely love *The Memory*: 'A nail-biting novel that will drag you in quickly and only let's up on the very last page! Such a great, intense book!' *Cloud of Thoughts*, 5 stars 'This is Lucy Dawson's best!... starts with a bang and twists and turns all the way through... definitely a suspenseful thriller.' Goodreads reviewer 'WOW WOW WOW... what a book... talk about drawing you in, completely gripped me, had no idea who to believe... My head is still spinning from the twists and turns... highly recommend it but be prepared to be give up your day, YOU WILL NOT WANT TO PUT IT DOWN!' Goodreads reviewer, 5 stars 'My heart was in my mouth reading *The Memory* - Dawson absolutely got me and held on tight. So compelling I couldn't put it down. Another absolute cracker.' Angela Clarke 'I've just finished *The Memory* and am absolutely blown away... A dark and mysterious book... it creeped me out when I was reading late at night! I loved every second of this book. It was utterly compelling. The characters perfectly constructed, the secrets brilliantly revealed. An excellent read, perfect for these cold, dark evenings!' Vikki Patis, author of *The Diary*, 5 stars 'I had no idea where things were going and no idea how it would all end. There are a couple of big surprises and at least one genuinely chilling scene... Highly recommended.' Goodreads Reviewer, 5 stars 'Kept me glued to the pages from start to finish. This is a well-written psychological thriller that will play with your mind.' Goodreads Reviewer, 5 stars 'A 5 star read!... This was full of paranoia, deep dark secrets and a huge secret that made me fall off my chair!... Twisty, dark, deep, sometimes heartbreaking... 10 dark stars.' Goodreads Reviewer, 5 stars 'A story that had me hooked and I read it in one day because I did not want to put it down.' Goodreads Reviewer 'I read this book with difficulty putting it down, the twist that kept going from chapter to chapter, you really didn't know what to expect... Written very well, I would recommend it.' Goodreads Reviewer 'Buckle up this was quite the entertainer!... A fantastic suspenseful thriller.' Goodreads Reviewer 'The ending of the book was unexpected, took my breath away.' Goodreads Reviewer, 5 stars 'A very good psychological thriller... makes you keep turning the pages unable to put the book down till you reach the end. It was a quick read for me and I read it in one sitting making it a book I really enjoyed.' Goodreads Reviewer 'I loved this book, it had me completely turned around and I didn't see what was coming. A compulsive read.' For the Love of Books

**After This Our Exile** - Carol Morgan 2023-01-29

After the years of turmoil and tragedy, life at La Bonne Vie Plantation settled into placid contentment (or a semblance of such) ... until Nicolas

(Nicky) Fontenot, prodigal son of Angelique and her brother François, returns after years in a Texas prison, and Antoine Babineaux II returns to claim his father's name. At the heart of the story, and the hearts of Antoine and Nicolas, is beautiful, incorrigible Desirée Fontenot, the image of her mother Angelique. Ghosts of the past rise up and the lurid whispers and innuendos come to life once again. Then Uncle Virgil Leveque, the catalyst of the earlier tragedy, returns home after thirty years in an insane asylum, and unwittingly becomes the agent provocateur that sends the story hurtling toward its conclusion and closure at last. But is there truly closure?

**The Living Age** - 1890

**Women Talking** - Miriam Toews 2019-04-02

The basis of the Oscar-winning film from writer/director Sarah Polley, starring Rooney Mara, Claire Foy, Jessie Buckley, with Ben Whishaw and Frances McDormand. INTERNATIONAL BESTSELLER "This amazing, sad, shocking, but touching novel, based on a real-life event, could be right out of *The Handmaid's Tale*." -Margaret Atwood, on Twitter "Scorching . . . a wry, freewheeling novel of ideas that touches on the nature of evil, questions of free will, collective responsibility, cultural determinism, and, above all, forgiveness." -New York Times Book Review, Editors' Choice One evening, eight Mennonite women climb into a hay loft to conduct a secret meeting. For the past two years, each of these women, and more than a hundred other girls in their colony, has been repeatedly violated in the night by demons coming to punish them for their sins. Now that the women have learned they were in fact drugged and attacked by a group of men from their own community, they are determined to protect themselves and their daughters from future harm. While the men of the colony are off in the city, attempting to raise enough money to bail out the rapists and bring them home, these women—all illiterate, without any knowledge of the world outside their community and unable even to speak the language of the country they live in—have very little time to make a choice: Should they stay in the only world they've ever known or should they dare to escape? Based on real events and told through the "minutes" of the women's all-female symposium, Toews's masterful novel uses wry, politically engaged humor to relate this tale of women claiming their own power to decide.

Her body bears a three letter message from her killer, daubed in lurid red lipstick. In the 1970s, Danny Neilson was the detective working on the infamous Red Silk murders. Still haunted by the memory of the unsolved investigation, he spots a link between the new murders and those carried out by Red Silk - details that no copycat killer could have known about. But Archibald Atto, the man suspected of the killings all those years ago, is rotting in jail, so Danny has to face up to his fear that they never caught their man. Neilson goes with police photographer Tony Winter, to visit Archibald Atto in prison. But Atto will not speak to them unless it is on his terms. As clues begin to surface, they learn that they are dealing with a killer whose agenda is so terrifying and history so twisted that it will take the combined efforts of police forces past and present to make an arrest.

A new Dark Age has fallen across Britain. With the sudden return of magic, our modern, technological society has crumbled. Cities lie in ruins, communications are limited. Gods and monsters walk the land. In this new time, myth and legend has become reality; nothing is quite as it seems. The plague came without warning. Nothing could stop its progress: not medicines, not prayer. The first sign of the disease is black spots at the base of the fingers; an agonizing death quickly follows. But this is no ordinary disease... Caitlin Shepherd, a lowly GP, is allowed to cross the veil into the mystical Celtic Otherworld in search of a cure; her search takes her on a quest to the end of a land of dreams and nightmares to petition the gods. Caitlin is humanity's last hope, but she carries a terrible burden: a consciousness shattered into five distinct personalities... and one of them may not be human. *The Queen of Sinister* is the latest installment in Mark Chadbourn's brilliant new sequence: exciting, evocative, terrifying, and awe-inspiring.

**The Guyde** - Howie Reith 2016-11-19

*The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll

learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and

you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
