One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book DO YOU WORK WITH A MEAN GIRL? A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? Mean Girls at Work isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal

way of saying, “You've just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today's transformed workplace. Praise for Mean Girls at Work “An invaluable suit of armor for surviving nine to five!” —Leil Lowndes, bestselling author of How to Talk to Anyone “If you think the emotional cruelty of comedies like Mean Girls and Heathers doesn't exist in the real world workplace, think again. In Mean Girls at Work, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies.” —Ann Creamer, author of It's Always Personal: Navigating Emotion in the New Workplace “Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” —Carolyn Cassin, President, Michigan Women's Foundation “A must-read for women of all ages in today's workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. They suffered starvation, boredom, the daily cruelties of living in tight quarters, and the ever-present prospect of discovery and death because they were cut off from the outside world. Anne Frank kept a diary throughout this time, recording vivid recollections of her events. Her story is a fascinating meditation on human tenacity and weakness, as well as a riveting self-portrait of a sensitive and vibrant young woman whose promising future was sadly cut short.

[The Guyde](#) - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[Unprotected](#) - Miriam Grossman 2007-08-28

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything- goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and

misinformation, it's time to offer them real protection.

A Girl is a Half-Formed Thing - Eimear McBride 2014-09-09

Taking the literary world by storm, Eimear McBride's internationally praised debut is one of the most acclaimed novels in recent years; it is "subversive, passionate, and darkly alchemical. Read it and be changed" (Eleanor Catton). Eimear McBride's debut tells, with astonishing insight and in riveting detail, the story of a young woman's relationship with her brother, the long shadow cast by his childhood brain tumour, and her harrowing sexual awakening. Not so much a stream-of-consciousness, as an unconscious railing against a life that makes little sense, and a shocking and intimate insight into the thoughts, feelings and chaotic sexuality of a vulnerable and isolated protagonist, *A Girl Is a Half-formed Thing* plunges inside its narrator's head, exposing her world firsthand. This isn't always comfortable—but it is always a revelation. Touching on everything from family violence to religion to addiction, and the personal struggle to remain intact in times of intense trauma, McBride writes with singular intensity, acute sensitivity, and mordant wit. *A Girl Is a Half-formed Thing* is moving, funny, and alarming. It is a book you will never forget.
