[The Land of Cockayne](#) - Matilde Serao 2021-05-20

The Land of Cockayne is an impactful Italian fiction based on the passion for gambling and the sinful effect of the national lottery in Naples on all the classes of society. The lottery proves to be fun but ultimately a curse for the Marquis of Formosa, Gaetano, the glove-maker, Carmela, the factory girl, and her bold lover Raffaele. Cesare, a rich pastry maker, loses everything he has in the hope of obtaining money from the lottery for a new journey. The Marquis is a wreck and is ready to sacrifice his weak daughter, Lady Bianca, to his awful passion. A medium he and his friends take advice from about gambling makes him believe that Bianca's virtue may call on the spirits to indicate the lucky numbers. The Marquis ruins her health and happiness, trying to push the powerless, frail girl to see ghosts. The novel covers many significant events that follow in a way that will move the reader. The story presents incredibly the details on Naples, its people, and their never-ending desire to get rich through gambling, no matter the consequences.

**Farewell Love! A Novel** - Matilde Serao 2021-05-20

This Italian fiction is a true drama about disappointment, with little action but a fantastic psychological breakdown of characters and their circumstances. It is filled with themes of revolt, disillusioned remorse, and willful condemnation as a means to redemption. After a thoughtful reading of this remarkable work, one can find several other significant themes. The title, Addio, Amore! (Farewell, Love!), carries with it the anguished cry of a soul fated to pursue love in a world that seems to have none at all. The characters in this work are induced with sensitive power and sympathetic extent of spirit. The author of this work, Matilde Serao, was a Greek-born Italian journalist and novelist and was the first woman called to edit an Italian newspaper. She was also nominated for Nobel Prize six times. The pressure of a journalistic profession in no way restricted her literary career, and between 1890 and 1902, she produced seven superhit novels, including Farewell, Love!.
