The Anti-Relationship Year - Katie Wismer

2021-03-30

Johanna Palmer is very much over relationships. After a scarring experience her freshman year of college, she's decided she'd much rather have something fun than something serious. Her best friend Miller has seen it all--the tears, the parties, the drunken phone calls at four in the morning when she needed a ride. In fact, there might be several things Miller saw that Jo herself can't remember. Things Miller can't forget. With the whirlwind of senior year underway, Jo just wants to move on, get her degree, and land her dream job. But her past might not be as easy to outrun as she'd hoped. The Anti-Relationship Year is a companion to The Anti-Virginity Pact, but both books can be read as standalones.

The Summer Sand Pact - Jessie Newton

2020-10-22

These five best friends made a Summer Sand Pact as teens and have only kept it once or twice—until they reunite decades later and renew their agreement to meet in Five Island Cove every summer. Alice Kelton's marriage is in shambles, and while she's always thought she'd stay with her husband, after her last visit to the cove, she went back to the Hamptons and filed for divorce. She and her twins are moving to Rocky Ridge in Five Island Cove permanently, but she's not telling anyone. Robin's husband is in Alaska for the summer, and she's pretending she's okay. Eloise comes back to the cove every couple of weeks so she can see her new boyfriend, though she's growing tired of the distance between them. AJ broke up with her non-committal boyfriend, and she's happier,

freer, and open to another relationship, even though she lives in Atlanta. Kelli brings her son to the cove this time, knowing her relationship with her husband is on the rocks and desperate to fix it. She plans to get some help from her sisterhood during the two weeks in the cove. When she's followed to the beach house where the other women and their children have gathered, Kelli learns a dangerous secret thirty years in the making that could completely undo all the progress she's made... Get ready for more secrets to come to light in Five Island Cove, and for these five women to show each other what it means to love and support someone through thick and thin.

The Relationship Pact - Adriana Locke
2020-12-14

How hard can it be? That was the question rolling around Larissa Mason's mind just before she asked Hollis Hudson to be her fake boyfriend. It was only supposed to be for five minutes, after all. Granted, that was also before she felt his hand on the small of her back as he charmed the heck out of her family. And it was definitely before she saw the football god shirtless. Otherwise, she would've had an idea of just how hard some things could be. It turns out that pretending to be in love with a crazily handsome, somewhat enigmatic, and absolutely unforgettable tight end (that has an amazing

tight end) is easy. Reminding herself that just because opposites attract doesn't mean they're forever is much harder. What they have isn't love-it's a relationship pact. Right? AUTHOR'S NOTE: The Relationship Pact is a fun and flirty college sports romance with lots of heart. No cliffhanger. There's just one catch - the traditional, buttoned-up landlord is only willing to rent to a stable, married couple and August, quite frankly, is neither. Enter Flynn, the handsome, charming and somewhat unsuspecting gentleman who August accidentally spills her coffee over. The Pact - Karina Halle 2014

**The Pact* is a full-length, standalone "friends to lovers" contemporary adult romance* It all started with a pinky swear... Linden McGregor is tall, rugged, and gunslinger handsome; a helicopter pilot with a Scottish brogue and charm to spare. He's also one of Stephanie Robson's best friends and has fit into that box for as long as she's known him. Beautiful, funny and an ambitious businesswoman (with one hell of an ass), Stephanie Robson is one of Linden McGregor's best friends and has fit into that box for as long as he's known her. But some relationships can't be boxed, can't be classified, can't be tamed. Back in their mid-twenties and tired of the competitive hit-or-miss dating scene of San Francisco, Steph and Linden made a pact to marry each other if neither one of them were in a serious relationship by the time they hit thirty. It sounded like fun and games at the time but as the years to thirty tick past and lovers come and go out of their lives, the pact becomes larger than life. Sex is inevitable. Friendships are tested. Hearts are on the line. The pact is about to change everything. Note: due to the dirty talk and sexy times, *The Pact* is not meant for anyone under the age of 18.

Mussolini and Hitler - Christian Goeschel
2018-01-01

A fresh treatment of Fascist Italy and Nazi Germany, revealing the close ties between Mussolini and Hitler and their regimes From 1934 until 1944 Mussolini met Hitler numerous times, and the two developed a relationship that deeply affected both countries. While Germany is generally regarded as the senior power, Christian Goeschel demonstrates just how much history has underrepresented Mussolini's influence on his German ally. In this highly readable book, Goeschel, a scholar of twentieth-century Germany and Italy, revisits all of Mussolini and Hitler's key meetings and asks how these meetings constructed a powerful image of a strong Fascist-Nazi relationship that still resonates with the general public. His portrait of Mussolini draws on sources ranging beyond political history to reveal a leader who, at times, shaped Hitler's decisions and was not the gullible buffoon he's often portrayed as. The first comprehensive study of the Mussolini-Hitler relationship, this book is a must-read for scholars and anyone interested in the history of European fascism, World War II, or political leadership.
