A Partridge and a Pregnancy Willa Nash 2021-10-22 There are a lot of places I'd rather spend Christmas Eve morning than on a cold, snowy sidewalk outside someone else's home. I'd kill to be sitting beside a fireplace, drinking cocoa, wearing flannel pajamas and reading a book. Instead, I'm here, standing in front of my one-night stand's house, working up the courage to ring the doorbell and tell him I'm pregnant. I hate that term-one-night stand. It sounds so cheap and sleezy. Tobias Holiday is neither of those things. He's handsome and caring. Witty and charismatic. And once, a long time ago, he was mine. Our one-night reunion was only supposed to be a hookup. A fling with an old lover. A parting farewell before I moved to London and put my feelings for him an ocean away. How exactly am I supposed to explain that to Tobias that I'm having a baby? His baby? Maybe I could sing it. He always loved the silly songs I made up in the shower. Three French hens, two turtle doves. And a partridge and a pregnancy.

*Tin Queen* Devney Perry 2021-09-14 No promises. No expectations. No names. That's what Emmett Stone agreed to with the woman who caught his eye two months ago. After years of drama following the end of the Tin Gypsy Motorcycle Club, a no-strings fling with a mystery woman is exactly what he needs. Except as they find themselves together more and more, it's impossible for him to keep his feelings at bay. She's clever and sassy. She's gracious and kind. She loves riding on the back of his bike every Saturday afternoon and lazing in his bed every Sunday morning. She's the perfect woman. Except she's Nova Talbot, the daughter of his archenemy-the man who murdered his father. Her identity will cost her the man who's captured her heart unless she can convince Emmett her feelings are true. Before he learns the reason she proposed their fling in the first place.

The Outpost Devney Perry 2021-05-10 Trapped in his tiny mountain cabin, she didn't expect to fall for his big heart. Exposing a prominent criminal family with an investigative news report didn't exactly work out the way Sabrina had hoped. Instead of basking in the glory of her article's success, she's on the run from a powerful man who wants her dead. To stay safe, she's forced to trade one bad situation for another. Stuck in the Montana wilderness, she's secluded from anything resembling civilization or the modern-day world. The only good thing about her situation is the gorgeous mountain man assigned to protect her. Too bad he isn't the slightest bit interested in a city girl like her. Beau likes his life quiet and simple. Give him a peaceful day hiking in the woods with his dog, and he's a happy man. He has no use for large crowds, noisy cities or dramatic women. So when a hotshot reporter rolls into town, dragging her big-time problems with her, he should have run for the hills. Instead, he volunteered to keep her safe. Bringing her into his world won't be easy, but if he can convince her that Montana isn't as terrifying as she believes, they might just be the perfect match.

**Tattered** Devney Perry 2018 Thea Landry has always known her place in modern-day society. It's somewhere just above the trash can her mother dumped her in as a newborn but below the class where much comes easy. With her tattered shoes and bargain-bin clothes, her life has never been full of glamour. So when a rich and charismatic man takes interest, she doesn't fool herself into thinking their encounter is anything more than a one-night stand. Months later, she's kicking herself for not getting his phone number. Or his last name. She's given up hope of seeing him ever again. Until one day, years later, Logan Kendrick waltzes into her life once more and turns everything she's built upside down. This time around, she won't make the same mistake. She's going to fight to keep him in her life--not for herself. But for their daughter.

The Naughty, The Nice and The Nanny Willa Nash 2021-10-20 One week with one little girl-an angel, according to my staffing agency. Acting as the short-term nanny for a single dad should have been an easy way to make some extra cash. Until I show up for my first day and face off with a demon disguised as a seven-year-old girl wearing a red tutu and matching glitter slippers. Oh, and her father? My temporary boss? Maddox Holiday. The same Maddox Holiday I crushed on in high school. The same Maddox Holiday who didn't even know I existed. And the same Maddox Holiday who hasn't set foot in Montana for years because he's been too busy running his billionaire empire. Enduring seven days is going to feel like scaling the Himalayas in six-inch heels. Toss in the Holiday family's annual soiree, and Christmas Eve nightmares really do come true. But I can do anything for a week, especially for this paycheck, even if it means wrangling the naughty, impressing the nice, and playing the nanny.

*A Little Too Wild* Devney Perry 2022-10-16 Crew Madigan is a snowboarding legend. He's gorgeous, rich, famous and every woman's dream. Well, except mine. I'll take a nerdy guy with a clumsy streak who wouldn't know what to do with a pair of skis to save his life. Superstar athlete? No, thanks. World champions? Hard pass. Crew? Definitely not. It's been over a decade since Crew set foot on Madigan Mountain. Instead of sitting with his family during his brother's wedding, he takes the chair beside mine. ESPN really doesn't do that chiseled jaw justice. The cameras miss the flecks of gold in his eyes. When he invites me to his hotel room after the wedding, I break all of my own rules for just one night. But here's the problem with just one night. Crew is impossible to forget. And he's not the only one who loves a thrill. The crash, the broken bones, are inevitable. Because together, we're a little too wild.

*The Brazen* Willa Nash 2021-07-15 Kerrigan Hale's personal life is about as exciting as a bucket of tar. With hard work and hustle as her steadfast companions, who needs romance or adventure? Her empire in Calamity, Montana, isn't going to build itself. For years, her mentor-and investor-helped make her dreams come true. Until his unexpected death put her fate in his grandson's hands. A brazen billionaire, he seems intent on ruining Kerrigan's life. But if Pierce Sullivan thinks she'll go down without a fight, he's sorely mistaken. Pushed to the extreme, she drives to his ritzy mountain lodge to force the arrogant You Can Call Me Mr. Sullivan to hear her out. No sooner does she arrive than a snowstorm traps her with Pierce. Stranded together for days, she's in for the battle of her life. Pierce is nearly irresistible by candlelight. Without his suits and fancy cars, he's almost human. Except only a fool would let down her guard. And Kerrigan can't risk her future. Not when she doesn't know if he's out to pilfer her dreams . . . or to steal her heart.

*Dotted Lines* Devney Perry 2021-03-02 Clara Saint-James is completing a journey started by an old friend. She'll return a Cadillac to California, a place she's avoided for more than a decade. But it's time for closure and to put old ghosts to rest. And it's time to find out if the feelings she's cherished for the boy from her past are just fanciful memories-or if there's a chance they are real. Timing was never on her side, especially when it came to Karson Avery. The two of them lived in a junkyard as runaway teens, and though she wanted more than his friendship, he always belonged to another-until that one night when he was hers. When Clara finds Karson living in a small, coastal town, she's not surprised the beautiful boy from her past grew into a stunning man. His smile is as captivating as ever. His eyes have the same roguish glint. But timing is still working against her. Clara must decide how far she's willing to go to battle for Karson's heart. Or if it's time to let him go and surrender to the dotted lines that have always kept them apart.

**The Coppersmith Farmhouse** Devney Perry 2017-03-09 One old farmhouse brought them together. It could also tear them apart. Gigi has just uprooted her whole world to start a new life. The unexpected gift of a farmhouse in small-town Montana is just what she and her daughter need to escape big-city loneliness. The last thing she needs is attitude from the town's sheriff, the most perfectly attractive and ruggedly handsome man she's ever laid eyes on-and a complete jerk. Jess knows all about women like Gigi. Beautiful. Sexy. Scheming. She's stolen his sanctuary, the farmhouse that should have been his. But along with a face full of freckles, she's got a sharp wit and a backbone of steel-something he doesn't discover until after making a complete fool of himself. If he can earn back her trust and win her heart, he might just find the home he's always needed.

**The Lucky Heart** Devney Perry 2021-05-10 Life on his ranch could be their future. If they can overcome their past. Felicity's life story reads like the script to a bad soap opera. Girl's high-school boyfriend becomes a drug addict. Girl falls for boyfriend's best friend. Girl leaves them both behind only to return home years later for murdered ex-boyfriend's funeral. Now she's back home in Montana, ready to start fresh. She's got a long list of amends to make and relationships to rebuild, including one with the man who has owned her heart for sixteen years. Silas doesn't need much. He's got a great horse, close friends and the Lucky Heart ranch, but something has always been missing. He's not an idiot. He knows the missing piece is Felicity. And now that she's returned to Prescott, he's got a second chance to win her heart. This time, the only thing standing in his way is history. Drudging up the past is going to be about as painful as playing tug of war with barbed wire. But if they can heal old wounds, he'll get the girl he should have had all along.

**Fallen Jester** Devney Perry 2021-05-18 Leo Winter loves his life. He works when he needs money. He rides when he craves freedom. He frequents the local bar when he wants a good time. The Tin Gypsies might be a memory, but the bachelor life he lived with his motorcycle club still suits him fine. So when a one-night stand surprises him at a family barbecue and claims she's pregnant with his child, he's certain he's died and gone to hell. Cassandra Cline took one night off from her structured life. One. And now her wild fling with the local bad boy has turned her life sideways. Her dreams and academic career are circling the drain, and none of it would have happened if she'd stayed far, far away from Leo. Except avoiding him is impossible, especially when she's forced to move home to Clifton Forge, Montana. And he refuses to leave her side when a series of strange accidents put her and their baby at risk. But are they accidents? Or is she standing in the middle of a battlefield she doesn't understand? Her only allies are people she barely knows. And a man who has the potential to steal her heart. If only he'd stop playing the fool.

**The Clover Chapel** Devney Perry 2017-05-30 She took a dare and fell in love. Truth would have been the smarter choice. After years of living under her father's thumb, Emmeline is ready to break free. She's abandoned her life as a New York socialite to follow her dream of becoming a kindergarten teacher in a small, wholesome town. Seeing the man that nearly broke her was absolutely not what she had hoped to find in Prescott, Montana. Nick hasn't seen his Emmy in nine years, but that doesn't mean he's forgotten a thing about the woman he loves. After just one blissful night as man and wife, he gave her up, sacrificing his own happiness to keep her safe-far away from him. But the moment she walks back into his lonely life is the moment he decides never to let her go again. He won't waste his second chance. All he has to do is win back Emmeline's heart, keep her safe from the shadows in his past and prove to her that taking a wager on him is a sure bet.

*Juniper Hill* Devney Perry 2022-01-11 Memphis Ward arrives in Quincy, Montana, on the fifth worst day of her life. She needs a shower. She needs a snack. She needs some sanity. Because moving across the country with her newborn baby is by far the craziest thing she's ever done. But maybe it takes a little crazy to build a good life. If putting the past behind her requires a thousand miles and a new town, she'll do it if it means a better future for her son. Even if it requires setting aside the glamour of her former life. Even if it requires working as a housekeeper at The Eloise Inn and living in an apartment above a garage. It's there, on the fifth worst day of her life, that she meets the handsomest man she's ever laid eyes on. Knox Eden is a beautiful, sinful dream, a chef and her temporary landlord. With his sharp, stubbled jaw and tattooed arms, he's raw and rugged and everything she's never had and never will. Because after the first worst day of her life, Memphis learned a good life requires giving up on her dreams too. And a man like Knox Eden will only ever be a dream.

**The Bully** Willa Nash 2022-03-03 Nellie Rivera is trading traffic for tranquility. When the quiet streets of small-town Montana beckon, she leaves Denver behind and moves to Calamity. It would be the perfect adventure if not for Cal Stark. When her archnemesis dares to show his face one Saturday morning, declaring he is moving there too, she vows to make his life a misery. The town isn't big enough for the both of them and besides . . . She was here first. Cal has been a thorn in her side since high school. He might have bullied her back then, but she's not a modest teenager anymore and has learned a few plays of her own. If all goes to plan, she'll run the former pro quarterback out of town within a month. There's only one problem. Cal has the same plan. He wants Calamity bad enough to pull out all the stops. And after one kiss, she realizes that he doesn't play fair.

*Noble Prince* Devney Perry 2020-11-13

*Stone Princess* Devney Perry 2021-09-26 Presley Marks has just become a cliché the jilted bride. Wearing a white dress, standing in front of her friends and family, she announces that her fiancé—according to his text—has forgotten about the wedding. Humiliated and angry, she hides from the world in the mundane routine of her life. Working at the Clifton Forge Garage isn't glamorous, but it's safe from the spotlight. At least it was, until Shaw Valance comes to town. The notorious Hollywood actor is starring in a movie based on the town's infamous murder. When he's not on set, Shaw hovers at the garage, watching as they build his custom motorcycle and irritating her with his handsome smile. He was supposed to leave once filming wrapped and go back to his fancy life, not buy the house next door. But Shaw might regret that purchase once Presley's ex-fiancé returns, bringing with him a war between old rivals that could burn both their houses down.

**Ivy** Willa Nash 2022-03-31 Can you keep a secret? Aston University might be teeming with prestigious and wealthy students, but the currency on campus isn't their millions. It's their secrets. And the three women living at Clarence Manor are filthy rich in lies and deceit. Two of the roommates have played this game for years. Some would consider them masters of a ruse. The third might be new to Aston, but she's no stranger to secrets. Cassia, the outsider. Elora, the ice princess. And Ivy, the puppet master. Who's hiding the ugliest truths? We'll let you be the judge. Go ahead. Whisper your confessions in our ear. We promise not to tell.

**Letters to Molly** Devney Perry 2019-06-18 I didn't expect to open my mailbox one summer morning and find an old letter stuffed between bills and a supermarket flyer. Penned in familiar handwriting, dated over fifteen years ago, the letter was written to me after my first date with the man I'll never forget. Week after week, new letters appear. Each marks an event in the history of our epic love affair. Each heals a wound. Each holds the confession from the one who still owns my heart. The letters are full of promise, hope and love, but truth be told, I wish I could unread them all. Because

the man who wrote these letters is not the one sending them.

**The Candle Palace** Devney Perry 2021-05-10 Sometimes a single flame can ignite a love that lasts a lifetime. Milo Phillips knows the meaning of pain. Suffering through the most intense physical agony of his life, he's confined to a hospital bed to bear it alone. More than once, he wishes he'd died in the explosion that melted and mangled his skin. Darkness consumes him, snuffing all the joy in his life and leaving an empty hole in its place. But one day, a flicker of light sneaks into his hospital room, driving away some of the hopelessness. For the first time in months, pain isn't all he feels. The flicker's name is Sara Foster, his new nurse. Milo just hopes that Sara can see past his scars. Because underneath, his heart has begun beating again just for her.

**Riven Knight** Devney Perry 2020-01-21 Genevieve Daylee didn't expect to be standing in front of a judge on her twenty-seventh birthday. But ever since her life became entangled with a former motorcycle gang, she's learned not to expect anything but trouble. Her mother, a woman she once admired and adored, is gone, leaving behind a trail of secrets and lies. She's living in a tiny apartment above a garage owned by her brother, a man who loathes her very existence. And the father she met beside her mother's grave is as much of a stranger as Isaiah Reynolds, the broken man with soulless eyes standing beside her in front of the judge. Isaiah is her protector from the murderer at large in Clifton Forge. Though he's more like a riven knight in dented armor than a prince on a white stallion. She knows next to nothing about him, other than he works as a mechanic. As of tonight, he'll be sharing her bathroom. And, according to the judge, Isaiah is now her husband.

**Runaway Road** Devney Perry 2020-03-06 Londyn McCormack didn't have a typical childhood. She ran away from home at sixteen, escaping parents more interested in drugs than their daughter. She doesn't have loving siblings or an adorable pet. Her only family is the five other runaway kids who shared her junkyard home. Life pulled them all in separate directions, taking her to Boston. For a short time, she thought she'd found something permanent. But after a devastating divorce, she's running away again, this time to find a lost friend. She's driving across the country in her convertible. As a teenager, the rusty car was her shelter. As an adult, it's her ride to freedom. Except one flat tire derails her trip. Her life collides with Brooks Cohen. They walked away from the first crash. The second might destroy them both.

**Timeless** Devney Perry 2023-01-10 Aubrey Kendrick has dedicated her life to continuing the family legacy. Her time isn't just money, it's millions. A workaholic? Yes. According to her ex, she's married to her job. Is her personal life dull? Maybe. Is her penthouse rather lonely? There's no time to answer that question. Too many men have asked her to sacrifice her success to pacify their fragile egos. She'd rather be single than stifled. Until Landon McClellan strolls into her office and upends her life. He's as infuriating as he is handsome. He believes spontaneity keeps life interesting and is only happy if he's rattled her nerves. Landon is every distraction she cannot afford. But maybe he's everything she needs.

**The Birthday List** Devney Perry 2018-04-03 From Devney Perry, the author of the popular Jamison Valley series, comes a standalone romance - The Birthday List. This emotional story follows a woman learning to move forward and find new love after the tragic death of her husband.

**The Brawl** Devney Perry 2023-08-25

**Coach** Devney Perry 2023-04-06 Football star. Single dad. And once, a long time ago, mine. I've spent the better part of a decade forgetting Ford Ellis. If he had just stayed away from Montana, I might have erased the memory of his striking blue eyes and rugged smile forever. Avoiding him was easy when the only place I saw his face was on ESPN-and a remote control could fix that problem. Except my boss just hired Ford as the new head coach for the Treasure State Wildcats. Not only will I be stuck watching him on the sidelines this season, but avoiding him will be impossible now that we're working together. Maybe I haven't forgotten Ford. Maybe I still dream about what we might have been. Maybe he hasn't forgotten me either. Except those maybes won't change the fact that we were never meant to be. Maybe he was mine once. But as of today, the only thing I'll be calling Ford Ellis is Coach.

Except Aria gets a surprise a few weeks later-she's pregnant. When he learns that she's carrying his child, Brody offers Aria the chance of a lifetime. The catch? She has to live under his roof until the baby is born. Either they'll kill each other in nine months. Or discover love buried beneath their hate.

From Wall Street Journal and USA Today bestselling author, Devney Perry, this collection includes Runaway Road, Wild Highway, Quarter Miles, Forsaken Trail and Dotted Lines. Londyn McCormack didn't have a typical childhood. She ran away at sixteen and spent her youth searching for a place to call home. She's headed across the country in her best friend's Cadillac when a detour in Montana reunites her with Easton Greer, a man who hasn't changed. A man who still owns her heart. Katherine Gates has been in love with Cash Greer since the moment he saved her life from a runaway goat. But she's learned to shove her feelings for Cash down deep. They're friends-best friends. Until the day they take an impulsive road trip to the Oregon coast. And she learns that Cash has some secrets of his own. Aria Saint-James went to Arizona for a vacation with her sister. Instead, she's stuck at a wedding with her nemesis, Brody Carmichael. She blames the champagne for falling into bed with him that night. Enemy or no, the billionaire is irresistible in a tux. That love stayed with her for more than a decade. Either it's finally their time to be together. Or it's time to let him go and surrender to the dotted lines that have always kept them apart.

The Bitterroot Inn Devney Perry 2021-05-10 Her past. His secrets. They have more in common than she knows. Maisy is happily content with the life she's built for herself and her young son in small-town Prescott, Montana. Her child is thriving, her business is growing, and her family is as close as they've ever been. But when a handsome stranger walks into the lobby of her motel, her simple life is swept up in a wave of affection for his gentle heart. None of those feelings can be trusted, though. She made that mistake before with another man. The man she murdered. Hunter was a different man when he first saw Maisy Holt from afar. He took one look at her and ran in the opposite direction. But years later, he's back in Montana and unable to keep his distance. He shouldn't have tried to find her but he never was good at rejecting temptation. The promise of the good she could bring into his life is too hard to resist. Maybe if he can disguise the lies and hide the deceit, he can keep her from learning the truth. Because his only chance at a future with her is by burying his past.
