In this book you will learn tips, tricks and advice for your sex life, how to play naughty safe games and have fun in bed. Tony and me have been happily married for 10 years and we still share a wonderful story together, but during our lives we had experienced some issues related to the sex part go our wedding. As always, at the beginning we had a lot of fun, but over time the spark turned off. It's anybody's fault. We have very busy lives, long working hours and a happy family (and a dog!) to take care of, but it's a shame that husband and wife can't have some time on their own. Willing to find a solution we ended up discovering a new way to have sex, using games, toys and tools and despite at the beginning it looked a bit weird, we tried them and eventually enjoyed a new way to share intimacy. After the first experiences, it became an habit that led us to have sex regularly and happily. Thanks to this experience, we decided to write a book about our journey with the sex games and we truly hope that it will help you too to keep the thrill in your relationship. In this book you will learn: How to understand couple complicity and intimacy How to solve common problems about sex Your sex personally Many sex games for couples, such as Truth or Dare and Would You Rather New sex positions How to use tools during sex, dildos and soft bondage. The Game Plan Kristen Callihan 2015-11-01 A beard-related dare and one hot-as-hell kiss changes everything. NFL center Ethan Dexter's focus has always been on playing football and little else. Except when it comes to one particular woman. The lovely Fiona Mackenzie might not care about his fame, but she's also never looked at him as anything more than one of her brother-in-law's best friends. That ends now. Fi doesn't know what to make of Dex. The bearded, tattooed, mountain of man-muscle looks more like a biker than a football player. Rumor has it he's a virgin, but she finds that hard to believe. Because from the moment he decides to turn his quiet intensity on her she's left weak at the knees and aching to see his famous control fully unleashed. Fi ought to guard her heart and walk away; they live vastly different lives in separate cities. And Dex is looking for a forever girl. But Dex has upped his game and is using all his considerable charm to convince Fi he's her forever man.

The Dare Harley Laroux 2021-01-26 Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

Fix Her Up Tessa Bailey 2019-06-11 The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker*! Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means.

Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her... "Her voice feels as fresh and contemporary as a Netflix rom-com." —Entertainment Weekly "Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of *Meet Cute*

Wizard's First Rule Terry Goodkind 2001-06-23 An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

Make Me Wilder Serena Bell 2021-05-20 She's a city girl. I'm a mountain man. This shouldn't work. So why can't I stay away? Gabe: I promised my dad I'd take care of the Wilder family adventure business, including my rowdy co-workers, AKA my brothers. Now the business is in trouble. Rush Creek has become a spa-and-wedding destination, and the new tourists aren't interested in getting dirty—at least not in the woods. Then Lucy comes to town, all blond hair and silky blouses and spike heels. It's her job to give Wilder Adventures a makeover. If she gets her way, Wilder Adventures will become Wilder Romantic Adventures. Lucy hates small towns, getting messy, and anything involving the woods or the water—which pretty much makes her Not My Type. That doesn't explain why when I see her, I can't look away. Why when I touch her, I can't stop. And why, even though I know no one can talk a city girl into small town life, I'm still trying. She's driving me wild. All I can do is make her wilder. Hard Time Cara McKenna 2014-04-15 In this all-new novel from the author of *After Hours* and *Unbound*, a woman with a rocky past finds romance in the last place she'd ever expect... Annie Goodhouse doesn't need to be warned about bad boys; good sense and an abusive ex have given her plenty of reasons to play it safe. But when she steps into her new role as outreach librarian for Cousins Correctional Facility, no amount of good sense can keep her mind—or eyes—off inmate Eric Collier. Eric doesn't claim to be innocent of the crime that landed him in prison. In fact, he'd do it again if that's what it took to keep his family safe. Loyalty and force are what he knows. But meeting Annie makes him want to know more. When Eric begins courting Annie through letters, they embark on a reckless, secret romance—a forbidden fantasy that neither imagines could ever be real...until early parole for Eric changes everything, and forces them both to face a past they can't forget, and a desire they can't deny. Praise for Cara McKenna and her novels "Cara McKenna is my go-to author for gritty, hot love stories full of honest emotion."—Victoria Dahl, USA Today bestselling author "McKenna writes dark, lush, erotic romance."—Heroes and Heartbreakers "Sweet, smoking hot, standout erotic romance."—Beth Kery, New York Times bestselling author Before becoming a purveyor of smart erotic romance, Cara McKenna worked as a lousy barista, a decent designer, and an over-enthusiastic penguin handler. She loves writing sexy, character-driven stories about strong-willed men and women who keep each other on their toes...and bring one another to their knees. Cara now writes full-time and lives north of Boston with her bearded husband. When she's not trapped in her own head, she can usually be found in the kitchen, the coffee shop, or jogging around the nearest duck-filled pond.
