Unintended Sexual Consequences Living With Past Sins 2

Evans 2015-11-20

Lessons for Living is a curriculum designed to help Christian leaders shepherd, mentor, and disciple others in the various aspects of holiness as prescribed in God's Word. This study offers weekly reminders about the doctrine of holiness and real-life application and scenarios that Christians face each day as they strive to walk in holiness. Lessons for Living encourages readers to spend time in the Word of God, and can be used individually or within study groups, discipleship groups, Sunday School classes, weekly Bible Studies, or life-enrichment groups. Our desire is that these lessons, each outlined with a Key Verse, Discussion Questions, and a Final Thought to Remember, encourage each reader to dig deeper into the Word of God and understand how and why God desires for His people to live in holiness.

The 7 Deadly Sins - Christian Vandergrout 2018-06-07

Seven titles in one book. All the seven deadly sins explained

and analyzed. Book 1: Envy Envy is often something we point out in others, but if we face the facts and admit to being imperfect, finding it in ourselves can actually improve our lives, our attitude, and our happiness. When we figure out where our feelings are wrong, we can take action and change our mindset. So many people think of envy as a sin against others, but actually, we are doing this to ourselves. We create our own misery by looking at others and comparing ourselves to them. Book 2: Gluttony Gluttony has been mistaken for many things in the past. Some people judge others for being fat. Some are confused as to how far to go when indulging themselves in delicious foods. And others wonder if self-discipline in general is the underlying commandment that is related to the sin of gluttony. Understanding the sin, and the essence of it, can be life changing. It can mean the difference between a constant nagging feeling or urge to have more, and on the other hand, a

Unintended Sexual Consequences Living With Past Sins 2

divine feeling of contentment and a smile on your face. Book 3: Greed We've heard it before: The love of money is the root of all evil. Greed, or avarice, has caused many to "err from the faith" according to Paul, who wrote to Timothy. "Flee these things," he said, urging him-- and all of us--to concentrate on Christlike qualities instead of worldly possessions, and on treasures in heaven, not on earth. Greed is everywhere. It is almost unavoidable. If we let go of the possessions that so easily possess us, we can focus more on God and His purposes. Book 4: Lust Lust has caused so much grief, so much heartbreak, and so many broken homes. We cannot underestimate the consequences of infidelity or rushing into a passion without self-control. Not only do our actions have an impact on ourselves, but also on many others around us. As you read through the examples and the immensity of sexual immorality and its consequences, you will see things from a different light. The seriousness of this

topic will be impressed on your soul as you read through shocking stories, ironic consequences, and logical yet spiritual theories you will feel are true. Book 5: Pride Many people don't see it this way, but pride is truly the most important thing we need to control and eliminate. We all have something to work on. We all need to realize better who we are. If we do, we won't look down on others, and less conflict, more equality, and more tolerance will follow. Learn how to make the world a better place by overcoming your own ego, and instead of blowing up your self-image, submitting to God's will and allowing Him to make you the best you can be. Start seeing things from His perspective, not our own narrow-minded vision. See your potential and forget the world's judgment of superficial matters. Book 6: Sloth Sloth, or laziness, is not something we do; rather, it's NOT doing something we should that makes it so sinful. The Latin words "tristitia" or "acedia" mean "without care."

Unintended Sexual Consequences Living With Past Sins 2

When we stop caring, things go wrong. How come laziness is so destructive, especially when we are not actually doing something wrong? In holy writ, life is sometimes referred to as a spiritual war. Book 7: Wrath Regarded as one of the seven deadly sins, wrath can lead to serious consequences, such as violence, aggression, saying things we regret later, or making decisions that go contrary to what benefits us. The world is filled with anger, rage, and frustration. The difference between passive and aggressive anger will be explained, as well as neurological connections that are made each time we lose our temper. On top of that, tips and suggestions are made to learn to let it fade, without any negative, unforeseen consequences. Become a better person now b

The Sex Texts - Arthur L.
2013-09-16

For all intent, virtually all accepted mainstream Catholic Christian tenets remain untouched for the past two millennia. It follows then that

we take for evident truths—for example, our views on the Creator and creation's sexuality, gender issues, and human relationship concerns—may in fact be nothing but establishment dogmas gleaned from wrong interpretation or translation of the original text and intent of Jesus Christ and the Bible authors. Now, isn't the mere chance of that being true too scary? *The Sex Texts: Sexuality, Gender, and Relationships in the Bible* by L. Robert Arthur raises just that possibility, despite the strong likelihood of facing stiff criticism from many sectors, mostly of the established Catholic persuasion. Yet those inclined to know the true message of Jesus Christ and his closest disciples may well heed to scrutinize, at the very least, what Robert is trying to point out in his work. *The Sex Texts: Sexuality, Gender, and Relationships in the Bible* promises to raise a storm, but the public debate it could engender may yet start a new direction for the rest of

humanity.

Honoring God with Body and Mind - Steven D. Hoogerwerf
2019-11-13

Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture? Does the Christian tradition provide us with a way to think about and act on our natural, God-given sexual desires? *Honoring God with Body and Mind* invites readers to consider these questions--and some ways of answering them--by guiding them into a conversational style of moral reflection. Unlike many books about Christians and sex, this one doesn't simply tell you what to do (or not to do). Instead, you will be led to think about how the meaning of sex can provide sexual boundaries, but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision-making. Informed by many years of conversations with college students, the author also

invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets, is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

Sex and the Single Christian

- Alexis Soberanis 2005-05

FORNICATION: CONSENSUAL SEXUAL INTERCOURSE BETWEEN TWO PERSONS NOT MARRIED TO EACH OTHER

What does God say about fornication? To avoid fornication, let every man have his own wife, and let every woman have her own husband. (I Corinthians 7:2 kjv) In her book, Pastor Alexis Soberanis explores the dangerous and devastating effects of fornication. She reveals that when God instructed the human race to avoid fornication at all costs, He provided a beautiful alternative: the covenant of marriage. "Marriage is honorable, and the bed is undefiled, but fornicators and adulterers God will judge" (Hebrews 13:4 nkjv). Pastor

Soberanis demonstrates how the act of fornication will continue to affect generations unless the cycle of pre-marital sex is broken by the power and blood of Jesus Christ.

Fornication is a forgivable sin, but it has disturbing consequences, including incurable sexual diseases; mass murder (by abortions); unplanned and unwanted children, resulting in hundreds of thousands of them having to be placed in the foster care system (many of these foster homes are incompatible and abusive); and most recently, many newborns being disposed of in garbage dumpsters by unwed teenage girls not emotionally and psychologically prepared for motherhood. Pastor Soberanis' desire is that every single who reads this book will make the decision to accept God's alternative to pre-marital sex, which is to wait for their Godordained spouse, leading into the confines of marriage, and in the process, canceling the generational iniquity of fornication and fatherlessness

Unintended Sexual Consequences Living With Past Sins 2

and starting a new blessing of sexual abstinence until marriage, resulting in strong and lasting family units. Pastor Alexis Soberanis and her husband Pastor Harrison Soberanis are the Founders and Senior Pastors of Prophetic Word Global Fellowship Inc., in Tampa, Florida. They are also the Founders and Administrators of People Helping People, Inc., a non-profit agency through which they have been serving the disadvantaged in Los Angeles, CA, and Tampa, Florida, since 1990. Pastor Alexis Soberanis currently resides in Tampa, Florida, with her husband Pastor Harrison Soberanis, and their son Christopher.

Holiness - Matt Ayars

2023-10-17

Be holy because I am holy. Be perfect as your heavenly Father is perfect. The Christian life includes many demands, but perhaps none are as challenging or as misunderstood as the biblical command to "be holy" (Leviticus 11:44 and 1 Peter 1:16) or to "be perfect"

(Matthew 5:48). How should we understand these charges? In this volume, three scholars from the Wesleyan tradition offer a collective treatment of the theme of holiness that includes: exegesis of key biblical passages a survey across church history theological reflections on the relationship between entire sanctification and other doctrines In addition, the coauthors constructively argue for a "neo-holiness" model that encourages the pursuit of Christian perfection but avoids the pitfalls of Pelagianism by incorporating historic understandings of grace and the work of the Holy Spirit with the best of the Wesleyan tradition. Here, the commands to "be holy" and to "be perfect" take on new meaning. What may have been a burden becomes a blessing.

Resource of the

Unintended Sexual Consequences Living With Past Sins 2

Way to Healing is a groundbreaking resource that explores the “why” behind self-destructive sexual choices. The book is based on research from over 3,800 men and women seeking freedom from unwanted sexual behavior, be that the use of pornography, an affair, or buying sex. Jay Stringer’s (M.Div, MA, LMHC) original research found that unwanted sexual behavior can be both shaped by and predicted based on the parts of our story—past and present—that remain unaddressed. When we pay attention to our unwanted sexual desires and identify the unique reasons that trigger them, the path of healing is revealed. Although many of us feel ashamed and unwanted after years of sexual brokenness, the book invites the reader to see that behavior as the very location God can most powerfully work in their lives. Counselors, pastors, and accountability partners of those who experience sexual shame will also find in this book the deep spiritual and

psychological guidance they need to effectively minister to the sexually broken around them.

Inclusion and Sexuality in Catholic Higher Education -

Mark A. Levand 2023-05-23
Drawing on research conducted at 17 Catholic universities in the United

States, making it the largest study of its kind, this volume explores effective practice in improving institutional policy relating to issues of sexuality. The text calls attention to campus cultures of fear, shame, or denial around sexuality and highlights possible points of institutional resistance to changes in policy. Discussing topics such as sexual identity, sexuality education in the curriculum, Title IX, employee termination, and morality clauses, the book shows how staff and faculty are crucial in effecting change across Catholic campuses, providing valuable insight into the "unspoken rules" around sexuality within the shadow culture at Catholic institutions. Moreover, the text illustrates how institutions can maintain fidelity to Church teachings and even embrace notions of human dignity, solidarity, and the common good to achieve sexual inclusivity. A unique study demonstrating how Catholic teaching can help support inclusive change around issues of sexuality and

gender in higher education, it ultimately puts forward a practical framework for effecting change and improving student and staff support structures in Catholic institutions. It will thus appeal to researchers and academics working in the fields of Higher Education Management, Gender and Sexuality in Education, Religion, Gender and Sexuality, and the Sociology of Religion.

Becoming a Better Lover -
Cyndi O'Bannon 2004-12

The hope for a successful marriage remains hidden in almost every heart. In fact, it is imprinted on your spiritual DNA: Two becoming One. Why then is there so much confusion and failure in marriage today? Why have so many of our children endured not just divorce, but serial monogamy? We have lost an understanding of the purpose of marriage and the nature of the commitment it requires. We have reduced marriage to a vehicle for self-fulfillment when it was created to meet the needs of others. We are trying to chart our own courses because we are biblically illiterate. Written as a course

for engaged couples preparing for marriage, *Becoming a Better Lover* serves as a reference for anyone who wishes to grow in love and to nurture his/her marriage. Marriage isn't rocket science, but it does take vision, and it does require adopting God's worldview. Far from being a cultural artifact, the intricate wisdom of God's design is increasingly illuminated by research in the social sciences. Here is a guide for living life in sync with the way God created you and for allowing him to change you from the inside out.
