*Facehooked* - Suzana E. Flores 2021-09-07

The number of Facebook users worldwide exceeded one billion in August of 2012. With the increase in Facebook users, psychologists have seen an alarming increase in the number of Facebook related complaints from their clients. Dr. Suzana Flores, clinical psychologist, has interviewed Facebook users of all ages for three years exploring the positive and negative features of Facebook and evaluating the effect it has on our lives. Facehooked explores the problems most commonly found on Facebook, including controversial topics such as self-esteem, privacy, peer pressure, stalking, emotional manipulation, among others. Readers are not only provided with practical tools to help identify and avoid unhealthy behaviors, but also suggestions for healthier interaction on Facebook.
