

What Can I Do To Make A Woman Love Me More

Love Poems & Personal Thoughts Gerald E. Middlebrooks
2015-01-18 This book of Love Poems are of the poems that I have written over the years. I write about the women I have known, women I have seen and been compelled to write poems. Included are poems to family members the loved ones in my life. There is nothing more beautiful than the love between a man and a woman. The love one has for parents, children and grandchildren. Without the love of a good woman, a man can never be the man that he can be. The same goes for a woman without the love of a good man she will never be the woman she can be. Without the love and care of parents we would be lost. Our children cause us to realize what our parents went through raising us and how much love and patience it takes. Our grandchildren are the joys of our life's they can do no wrong. We spoil them like we never did with our own children, then let their parents try to undo the spoiling the grandparents did. At the end of the poems, I included some personal thoughts on men, women, family and relationships. I hope you enjoy these few poems. It is funny that word love. You can love your dog, cat, house, car or money. However, that house, car and money is only a material thing that one could lose rather quickly. The love you feel for a pet is not nearly on the same level, as you would feel for another human. There are those that would say I love my pet more than any human that I have met. Then I feel sorry for you that you have not met or allowed yourself the feeling of true deep down in your soul love that only another human can bring. The true love of another person's warm touch. Missing that special person when they are not with you remembering their smell and laughter the little things they do to make you feel special. That is the type of love I am speaking of

trusting, protecting and not wanting to hurt that person. Believe
In Me Late at night you lie awake An hold your pillow tight As the
feelings gets to hard to fight Have no worry I will be there
tomorrow All I ask is that you believe in me I will be around for all
to see Some men never try to satisfy They are just trying to get by
I will consider your feelings and show you complete affection I
will let you know you are a work of perfection I want to touch
your body as well as your mind I promise I will be kind All I ask is
that you believe in me

reveals the naked truth about sex, love, relationships - and getting exactly what you want.

Putting Her in Her Place Ryan Hale 2016-10-24 Girls are hardwired to obey and submit. The problem is men and women have reversed gender roles. This is causing men to become feminized and women to become masculinized. I can prove this. You don't see many girls wearing dresses any more, do you (?), because they are all out wearing what men wear; namely: pants, teeshirts, etc. I mean come on, SERIOUSLY! If you want to have the best possible relationship with a girl, where she obeys and submits like a good little girl, then you have to train her back to childhood obedience. You must instill the fear of God in her, letting her know that you are in control of her, and that she must obey you. The more you train her, the more she will start to fall in love with you. The more she will start to accept you as her dominant master. The more she will submit to you and obey you in everything you tell her to do. The less she will try and make decisions on her own. The more she will accept your punishments when she has wronged you. I am not a mysoginistic man. I don't want you reading this thinking I am. I am a man who has a wonderfully loving relationship with my girl, who learned this secret and now want to share it with you. I watch too man of my male friends go through the pain and torment of relationships with girls. They don't know how to train a girlfriend, so they keep getting hurt, fucked, and you whatever other adjective you want to fill in the blank with. It doesn't have to be this way. It should not be this way. This book will help you fix it. I don't let my girl do anything adult. She has to play and do childlike activities. I am the adult, she is the little girl. I make her color, fingerpaint, journal in a diary (that I get to read), make her stand in a corner when she acts up, make her take a nap when she's tired, and withhold priveliges from her when she doesn't want to comply with my instructions. She loves me, let me assure you. She will never leave me, because she knows I am her answer and have her

best interest at heart. She yearns to be taken care of and protected by me. She loves submitting and being dominated. The sex is amazing, let me share. You can have the same. Read this book. Do what it instructs you to do. Start training your girl today. You will win in the end, I promise. Start reading and taking notes! This is more than a book, it's a course! Grab Your Copy Now

Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last

forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. How to Fall in Love with Anyone Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the New York Times' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom.

The Angry Therapist John Kim 2017-04-18 Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

In the end the Supervisor is found guilty of the murder as well as causing Juveniles to commit Capital Felonry Murder. She receives the Death Sentence and is executed. Now! The wicked witch of the East is dead. Her Young Students are absolved of the crime. The little Student who killed Annie the Bag Lady is also absolved of her crime and everything ends but, not until Harry and Sharon having a Binge Party.

When a Man Loves a Woman Elizabeth Cooks 2020-03-15 *When a Man Loves a Woman-The World will know when a Man truly Loves a Woman; Oh yes, the World will know. He does not have to say one word. His actions will prove his Love for his Woman. The purpose of this book is to share our experiences and share, what should happen, and what it feels "When a Man really Loves a Woman", God's way. I have been in a few relationships in my life; some good, some not so good. But not many where I really felt truly loved. Between two husbands, I was married for a total of 38 years. Most of my adult life was devoted to being a wife and mother, two positions that I took very seriously. I must say that being married at 20 years old was a learning experience for me. At that time, I knew very little about how to be a good wife or mother. I saw my mother do the best she could do. She taught me how to cook, clean and have respect for myself and others. So here I was, a young Mother and Wife, it was either "Sink or Swim". .I decided to swim. I was raised to be a fighter and Mama taught me, that nothing beats a Failure but a Try... So, I tried. Falling many times, but I did the best I knew how to do. That's where the problems come in. We try, without asking for God

Devine Guidance. I was talking to one of my cousins a while ago, about the union of Marriage and she reminded me that, marriage doesn't always mean that two people love each other; which is so true. Thanks for reminding me of that Cousin. There are a lot of married couples, who are not in Love with each other. They did not nurture their Love (take care of or encourage it to grow), so it died. Some are just married for convenience. Just going through the motions, living in unhappy relationships day after day. Sleeping in separate rooms, Barely speaking to one another. waiting for the children to get grown, so they can get a divorce. We talking to somebody. Love has to be developed and nurtured. If you plant the right seeds, Love can grow over time into a Beautiful Relationship between a Man and a Woman. Don't give up on Love. But it must include God, it takes three).Down through the years, I learned what it feels like to be loved and to be unloved. I think with my 1st husband, may God rest his soul, I loved him more than he loved me. We both thought we loved each other in the beginning, but we both were young and did not know how to nurture our love and instead of growing together, we grew apart and our love for each other slowly died. For many years I was angry and blamed him for our broken marriage, but as I gain more Wisdom, I understand that it was not all his fault. Even though, I did the best I knew how to; I was still missing the mark. Ladies, It's good to love a man, but it's so much sweeter -when a man loves you more than you love him, Right. Because if a man loves you more, he will give his all to make you happy. He keeps him looking for ways to please you and make you love him more. Sometimes, when we as women give 75% and he is only giving 25%, a man can easily take your love for granted, and become spoiled and content. Love is not 50/50. We believe, When a Man Loves a Woman, he should give 100%.
