When Heaven and Earth  
Changed Places -

**When Heaven and Earth  
Changed Places** - Le Ly

Hayslip 2017-04-04

“One of the most important books of Vietnamese American and Vietnam War literature...Moving, powerful.”  
—Viet Thanh Nguyen, Pulitzer Prize-winning author of *The Sympathizer* In these pages, Le Ly Hayslip—just twelve years old when U.S. helicopters landed in her tiny village of Ky La—shows us the Vietnam War as she lived it. Initially pressed into service by the Vietcong, Le Ly was captured and imprisoned by government forces. She found sanctuary at

last with an American contractor and ultimately fled to the United States. Almost twenty years after her escape, Le Ly found herself inexorably drawn back to the devastated country and loved ones she’d left behind, and returned to Vietnam in 1986. Scenes of this joyous reunion are interwoven with the brutal war years, creating an extraordinary portrait of the nation, then and now—and of one courageous woman who held fast to her faith in humanity. First published in 1989, *When Heaven and Earth Changed Places* was hailed as an instant classic. Now, some two decades later, this indispensable memoir

## **When Heaven And Earth Changed Places A Vietnamese**

### **Womans Journey From War To Peace**

continues to be one of our most important accounts of a conflict we must never forget.

The Cave - Tim Krabbe

2003-05-16

A stunning psychological thriller about friship, drugs, and murder from the author of The Vanishing. Egon Wagter and Axel van de Graaf met when they were both fourteen and on vacation in Belgium. Axel is fascinating, filled with an amoral energy by which the more prudent, less adventurous Egon is both mesmerized and repelled. Even as a teen, Axel has a strange power over those around him. He defies authority, seduces women, breaks the law. Axel chooses Egon as a friend, a friendship that somehow ures over time and ends up determining Egon's fate. During his university studies, Egon frequents Axel's house in Amsterdam, where there is a party every night and women fill the rooms. Though Egon chooses geology over Axel's life of avarice and drug dealing, he remains intrigued by his friend's conviction that the only

law that counts is the law he makes himself. Egon believes that Axel is a demonic figure who tempts others only because he knows they want to be tempted. By the time he is in his forties, Egon finds himself divorced and with few professional prospects. He turns for help to Axel, who sends him to Ratanakiri, a fictional country in Southeast Asia. Axel gives Egon a suitcase to deliver-and Egon never returns. Utterly compelling and resonant, The Cave is an unforgettable story of betrayal in the spirit of Tim Krabbé's remarkable first novel, The Vanishing.

### **Child of War, Woman of Peace** - Le Ly Hayslip

2011-04-13

The inspiring story of an immigrant's struggles to heal old wounds in the United States, this is the sequel to When Heaven and Earth Changed Places, Le Ly Hayslip's extraordinary, award-winning memoir of life in wartime Vietnam.

### **M.I.A., Or, Mythmaking in America** - Howard Bruce

## **When Heaven And Earth Changed Places A Vietnamese Womans Journey From War To Peace**

Franklin 1993

This paperback edition of M.I.A. or Mythmaking in America adds major new material about Ross Perot's role, the 1991-1992 Senate investigation, and illegal operations authorized by Ronald Reagan. "An important and compelling book. . . .

Franklin raises and answers all of the hardest questions about an enduring piece of political mythology."--The Philadelphia Inquirer "A calm and thoughtful book on a firestorm of a subject. . . . Intelligent, provocative, and courageous."--Kirkus Reviews

**When Heaven and Earth  
Changed Places** - Le Ly  
Hayslip 1989

*The Twenty-five Year Century* -  
Quang Thi Lâm 2001

For Victor Hugo, the nineteenth century could be remembered by only its first two years, which established peace in Europe and France's supremacy on the continent. For General Lam Quang Thi, the twentieth century had only twenty-five years: from 1950 to

1975, during which the

Republic of Vietnam and its Army grew up and collapsed with the fall of Saigon. This is the story of those twenty-five years. General Thi fought in the Indochina War as a battery commander on the side of the French. When Viet Minh aggression began after the Geneva Accords, he served in the nascent Vietnamese National Army, and his career covers this army's entire lifespan. He was deputy commander of the 7th Infantry Division, and in 1965 he assumed command of the 9th Infantry Division. In 1966, at the age of thirty-three, he became one of the youngest generals in the Vietnamese Army. He participated in the Tet Offensive before being removed from the front lines for political reasons. When North Vietnam launched the 1972 Great Offensive, he was brought back to the field and eventually promoted to commander of an Army Corps Task Force along the Demilitarized Zone. With the fall of Saigon, he left Vietnam

## **When Heaven And Earth Changed Places A Vietnamese**

**Womans Journey From War To Peace** and emigrated to the United States. Like his tactics during battle, General Thi pulls no punches in his denunciation of the various regimes of the Republic, and complacency and arrogance toward Vietnam in the policies of both France and the United States. Without lapsing into bitterness, this is finally a tribute to the soldiers who fell on behalf of a good cause.

**Tiger Force** - Michael Sallah  
2012-02-16

For seven months in 1967 the soldiers of Tiger Force lost control in a frenzy of torture, mutilation and cold-blooded murder. Stories started to leak back of women and children blown to pieces; of innocent civilians being routinely executed; of beheaded children and necklaces made from the severed ears of the dead. Afterwards no-one would talk about what happened, and the official investigation was swiftly curtailed. The actions of Tiger Force in the Vietnam war have never been made public; some have even alleged they were subject to a government

**cover-up.** The experimental unit of elite soldiers found itself in a brutal and baffling war where there were no rules, and their reaction was catastrophic. TIGER FORCE is the previously unheard account of the true actions of these doomed men, and the consequences of this dark chapter in recent history. For the very first time, Pulitzer-prize winning authors Michael Sallah and Mitchell Weiss reveal the awful truth behind the American military's wall of silence.

**When Heaven and Earth Changed Places** - Le Ly Hayslip 1991

**A Vietcong Memoir** - Nhu Tảng Trương 1985

Former Vietcong official tells what Vietnam thought it was fighting for, what the reunified Vietnam was like, and why he left.

**Berlin Diary** - William L. Shirer 2011-10-23

The author of the international bestseller *The Rise and Fall of the Third Reich* offers a personal account of life in Nazi

## When Heaven And Earth Changed Places A Vietnamese

### Womans Journey From War To Peace

Germany at the start of WWII. By the late 1930s, Adolf Hitler, Führer of the Nazi Party, had consolidated power in Germany and was leading the world into war. A young foreign correspondent was on hand to bear witness. More than two decades prior to the publication of his acclaimed history, *The Rise and Fall of the Third Reich*, William L. Shirer was a journalist stationed in Berlin. During his years in the Nazi capital, he kept a daily personal diary, scrupulously recording everything he heard and saw before being forced to flee the country in 1940. *Berlin Diary* is Shirer's first-hand account of the momentous events that shook the world in the mid-twentieth century, from the annexation of Austria and Czechoslovakia to the fall of Poland and France. A remarkable personal memoir of an extraordinary time, it chronicles the author's thoughts and experiences while living in the shadow of the Nazi beast. Shirer recalls the surreal spectacles of the Nuremberg

rallies, the terror of the late-night bombing raids, and his encounters with members of the German high command while he was risking his life to report to the world on the atrocities of a genocidal regime. At once powerful, engrossing, and edifying, William L. Shirer's *Berlin Diary* is an essential historical record that illuminates one of the darkest periods in human civilization.

*Antiwarriors* - Melvin Small  
2002

The antiVietnam War movement marked the first time in American history that record numbers marched and protested to an antiwar tune on college campuses, in neighborhoods, and in Washington. Although it did not create enough pressure on decision-makers to end U.S. involvement in the war, the movement's impact was monumental. It served as a major constraint on the government's ability to escalate, played a significant role in President Lyndon B. Johnson's decision in 1968 not

## When Heaven And Earth Changed Places A Vietnamese

### Womans Journey From War To Peace

to seek another term, and was a factor in the Watergate affair that brought down President Richard Nixon. At last, the story of the entire antiwar movement from its advent to its dissolution is available in *Antiwarriors: The Vietnam War and the Battle for America's Hearts and Minds*. Author Melvin Small describes not only the origins and trajectory of the anti-Vietnam War movement in America, but also focuses on the way it affected policy and public opinion and the way it in turn was affected by the government and the media, and, consequently, events in Southeast Asia. Leading this crusade were outspoken cultural rebels including Abbie Hoffman and Jerry Rubin, as passionate about the cause as the music that epitomizes the period. But in addition to radical protestors whose actions fueled intense media coverage, Small reveals that the anti-war movement included a diverse cast of ordinary citizens turned war dissenter: housewives, politicians, suburbanites,

clergy members, and the elderly. The antiwar movement comes to life in this compelling new book that is sure to fascinate all those interested in the Vietnam War and the turbulent, tumultuous 1960s.

### **Daughter of the Sea** - Hiep

Thi Le 2021-10-22

An unforgettable Voyage...

Memoir of an 8-year old "boat person" who flees post-war communist Vietnam in search of a father and brother rumoured to have escaped to the West. Braving sea storms and pirates in a overloaded fishing boat, Hiep and her younger sister are rescued by British sailors and interned in a series of horrific Hong Kong refugee camps. Surviving by their wits, these displaced children of the sea create their own primitive society amid the dispirited and desperate adults awaiting sponsors in the U.S. At the age of eight in 1979, the Vietnam-born actress and her seven-years-old sister were separated from their parents and left their village in central Vietnam as boat people. Their mother and older brother

## When Heaven And Earth Changed Places A Vietnamese

### Womans Journey From War To Peace

stayed behind with her other children. The sisters lived in refugee camps in Hong Kong for three months, where they were reunited with their father. They then immigrated to California before reuniting with their five other siblings. Her mother finally reunited with the family four years later. Hiep was a premed student at UC-Davis, majoring in physiology, when she came to the open casting call with one of her sisters for the Oliver Stone film *Heaven & Earth* (1993) that was being held at San Jose State University because several of her friends were doing it for fun. She was one of the sixteen thousand Vietnamese Americans seen by casting scouts for the film and was the one, out of the thousands, who got the starring role of Le Ly Hayslip. Despite having no acting experience, she had half-dozen callbacks before she was finally chosen to play the role of Le Ly Hayslip between the ages of thirteen to thirty-eight. Since that time, She acted in several films and television

shows. She has graduated from college. She was the owner and operator of the China Beach Vietnamese Bistro in Venice, California. She is now owner and Chef of Le Cellier Restaurant Wine Bar in Marina Del Rey, California. complications from stomach cancer on Dec. 19, 2017 in Los Angeles Hiep passed away. She was 46. Above all, Hiep is the proud mother of two. Author Hiep Thi Le Co-founder Jill Powell "Since I've know her from, Hiep always turned something negative into a positive. As a child, she faced her dangers, adversities and self doubts with an innocence and sense of adventure which reflects the true resilience of refugee children separated from their families and left to fend for themselves." -Le Ly Hayslip (*Heaven and Earth*) "Most of us 'come-of-age' not just once, but many times as we navigate life's passages. Hiep's harrowing, true-life journey from innocent village girl to street-wise refugee--told with charm, humor, and precocious wisdom--turns a

## When Heaven And Earth Changed Places A Vietnamese

### ~~Womans Journey From War To Peace~~

boat-person's Lord of the Flies woman who experienced the true horror of the Vietnam War—and survived to tell her unforgettable story. A Vintage Shorts Vietnam Selection. An ebook short.

into a true Vietnamese Exodus: the portrait of a blossoming young American painted with a bamboo brush. Like a river flowing to the sea, Hiep's story sweeps us past many amazing people, places, and events that most of us can scarcely imagine. It's a voyage you won't want to miss." - Jay Wurts, coauthor of When Heaven and Earth Changed Places

Fathers and Daughters - Le Ly Hayslip 2017-08-08

The youngest of six children in a close-knit Buddhist family, Le Ly Hayslip was twelve years old when U.S. helicopters landed in Ky La, her tiny village in central Vietnam. As the government and Viet Cong troops fought in and around Ky La, both sides recruited children as spies and saboteurs. Le Ly was one of those children. In this harrowing selection from the memoir of a girl on the verge of womanhood in a world turned upside down is a poignant picture of Vietnam, then and now, and of a courageous

The Tet Offensive - James J. Wirtz 2013-07-12

In this account of one of the worst intelligence failures in American history, James J. Wirtz explains why U.S. forces were surprised by the North Vietnamese Tet Offensive in 1968. Wirtz reconstructs the turning point of the Vietnam War in unprecedented detail. Drawing upon Vietcong and recently declassified U.S. sources, he is able to trace the strategy and unfolding of the Tet campaign as well as the U.S. response.

Saigon - Anthony Grey 2013-10-08

An epic saga of love, blood, and destiny in twentieth-century Vietnam: "This superb novel could well be the War and Peace of our age" (San Francisco Chronicle). Joseph Sherman first visits Saigon—the capital of French colonial Cochin-China—as a

## When Heaven And Earth Changed Places A Vietnamese

### Womans Journey From War To Peace

young man on his father's hunting trip in 1925. But the exotic land lures him back again and again as a traveler, soldier, and reporter. He returns because of his fascination for the enchanting city—and for Lan, a mandarin's daughter he cannot forget. Over five decades Joseph's life becomes enmeshed with the political intrigues of two of Saigon's most influential families, the French colonist Devrauxs, and the native Trans. In this sweeping saga of tragedy and triumph, Joseph witnesses Vietnam's turbulent, war-torn fate. He is there when millions of coolies rise against the French, and during their bloody last stand at Dien Bien Phu. And he sees US military "advisors" fire their first shots in America's hopeless war against the Communist revolution. A story of adventure, love, war, and political power, Saigon presents an enthralling and enlightening depiction of twentieth-century Vietnam.

**On the Ho Chi Minh Trail -**  
Sherry Buchanan 2021

Follow Sherry Buchanan on a journey by an author who has long had a passion for Vietnamese art and for the sketches produced under the duress of the Vietnam or American War (1965-1975). Though she was familiar with and had traveled in Vietnam, she had never attempted the Trail before. The epic military road through the spectacular Tru'ò'ng So'n Mountains was built by North Vietnam to bring about the unification of North and South Vietnam, promised in the 1954 Geneva Accords. The United States, allied with South Vietnam to defeat the communist North, deployed close to eight million tons of bombs against it. Buchanan encounters totemic locations from Hanoi in the north to Ho Chi Minh City in the south, and records her interactions - both scheduled and spontaneous - with North the South Vietnamese, Laotians, and Americans, who were actors or participants in the Vietnam War. Buchanan reveals the stories of the women who defended the Trail against the

## **When Heaven And Earth Changed Places A Vietnamese**

### **Womans Journey From War To Peace**

sustained American bombing campaign - the most ferocious in modern warfare - and of the artists who drew them. She focuses on what life was really like for the women and men under fire, bringing a unique perspective to the history of the Vietnam War. She discovers an inspiring postwar legacy of personal healing, forgiveness, and atonement. She talks to the Vietnamese women veterans who encouraged a culture of forgiveness toward the foreign enemy and continued their fight for social justice; to American veterans who returned to Vietnam to take responsibility where their government had failed to do so; and to women in the former South Vietnam who brought reconciliation through art. Interspersed with these accounts are excerpts from memoirs and chronicles that reveal logistical details of the Ho Chi Minh Trail which were hidden until now.
