**American Like Me** - America Ferrera 2019-09-03

INSTANT NEW YORK TIMES BESTSELLER From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in *American Like Me*, America invites thirty-one of her friends,

peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.

*Interdisciplinary and Global Perspectives on Intersex* - Megan Walker 2022-01-24

This edited collection interrogates how social and cultural representations of individuals with intersex variations impact how they are understood and treated from legal and medical perspectives across the world. Contributors consider how novelists, filmmakers, artists, and medical professionals have represented people with intersex variations, and highlight the importance of ethical representation and autonomy to encourage wider cultural and medical knowledge of intersex variations as a naturally occurring phenomenon. The text also examines the ways in which individuals with intersex variations are represented and viewed in India, Italy, Pakistan and Israel, as well as how this impacts decision making for the individuals, families and medical providers. This book argues that reactions to intersex variations will not change unless they are no longer presented as treatable disorders. It positions representation at the forefront, shifting the emphasis away from a concern for maintaining gender norms to upholding the human rights of intersex people. This volume will be of interest to researchers and scholars in intersex studies as well as policymakers and activists.

Black Women, Ivory Tower - Jasmine L. Harris 2024-01-16

A first-of-its-kind compelling exploration of what it means to be a Black woman in higher education. Black women are heading to college in record numbers, and more and more Black women are teaching in higher education. But increasing numbers in college don't guarantee our safety there. Willpower and grit may improve achievement for Black people in school, but they don't secure our belonging. In fact, the very structure of higher education ensures that we're treated as guests, outsiders to the institutional family-- outnumbered and unwelcome. Dr. Jasmine Harris shares her own experiences attempting to be a Vassar girl and reckoning with a lack of legacy and agency. Moving beyond the "data points", Dr. Harris examines the day-to-day impacts on Black women as individuals, the longer-term consequences to our professional lives, and the generational costs to our entire families. "I want to arm as many Black girls and women as I can with the knowledge about these spaces that I lacked," says Dr. Harris. "By laying bare my own traumas, and those of Black women before me, I am providing them the tools to protect themselves, with an understanding of how deliberately many institutions will try to undercut them." Trial and error has been required of Black students to navigate systems of discrimination and disadvantage. But this book now offers useful support, illuminating the community of Black women dealing with similar issues. The author's story is not unusual, nor are her interactions anomalies. *Black Women, Ivory Tower* explores why.

Painting and Performance - Victor H. Mair 2019-03-31

In this extraordinary work of scholarship, Victor Mair traces the global development over a thousand years of a genre of popular Buddhist folk literature from China known as *pien-wen*, pointing out its origins in India as a form of oral storytelling using painting as an aid, and showing how that form has influenced performance and literary traditions in India, Indonesia, Japan, Central Asia, the near East, Italy, France, and Germany. Professor Mair's research has important implications for students and scholars of literature, folklore, painting, religion, history, art, and theater and the performing arts, not to mention Chinese popular culture and Indian civilization.

**Women in the Chinese Enlightenment** - Zheng Wang 2023-11-10

Centering on five life stories by Chinese women activists born just after the turn of this century, this first history of Chinese May Fourth feminism disrupts the Chinese Communist Party's master narrative of Chinese women's liberation, reconfigures the history of the Chinese Enlightenment from a gender perspective, and addresses the question of how feminism engendered social change cross-culturally. In this multilayered book, the first-person narratives are complemented by a history of the discursive process and the author's sophisticated intertextual readings. Together, the parts form a fascinating historical portrait of how educated Chinese men and women actively deployed and appropriated ideologies from the West in their pursuit of national salvation and self-emancipation. As Wang demonstrates, feminism was embraced by men as instrumental to China's modernity and by women as pointing to a new way of life.

*Art and the Performance of Memory* - Richard Cándida Smith 2003-08-29

This book investigates the role that the visual and performing arts play in our experience and understanding of the past. The essays highlight the role of oral history in the documentation of the visual and performing arts.

**Women, Theatre and Performance** - Maggie Barbara Gale 2000

This collection addresses key questions in women's theatre history and retrieves a number of previously "hidden" histories of women performers. The essays range across the past 300 years--topics covered include Susanna Centlivre and the notion of intertheatricality; gender and theatrical space; the repositioning of women performers such as Wagner's Muse, Willhelmina Schröder-Devrient, the Comédie Française' "Mademoiselle Mars," Mme. Arnould-Plessey, and the actresses of the Russian serf theatre.

**The Foreign Inlaw** - Porntipa Ilvesmaki 2014-04-01

..".By a rough calculation, I would say I have read over a thousand books. This is the first time I have told my story in the most detailed and open way. I have taken old stories, dusted them off, and told them once again. I am proud to have the chance to do something I've always wanted to do, to choose the right side and make a bold statement that I am supporter of democracy. I have dug up some of the past that has been concealed, and I may be a catalyst to help Thai people to come to their senses and be free from all the prejudice that the leaders of the past have convinced them was true. I also want to take this opportunity to tell you about my experiences, from past to present. How did I get the nickname of 'Golden Daughter-in-law'? That is another story that I want to share and tell from my experience, how I ended up on this road, which has been paved with emotion, from love, pity, sadness, anxiety, joy, gladness to so many other emotions, woven together to tell you my story.

*Her Best Potential: The Performance Improvement Plan for Kika Klarakova* - Vince Montague 2008-10-22

*Her Best Potential: The Performance Improvement Plan for Kika Klarakova* is the management memo of a bureaucratic stalker. A life-long civil servant, Rose Chan thrives on the mundane rituals of cubicle life and government forms. However, her world transforms when she attempts to write a "performance review" of her enigmatic employee, Kika Klarakova, a woman who scorns convention and the bureaucratic world of social work. As her obsession grows, Rose Chan surreptitiously documents the personal life of her employee, wondering how the one person who might truly understand her is the same person who wants nothing to do with her. Who is Kika Klarakova? And why is Rose Chan drawn so close to her? In her lonely world of Sudoku puzzles and empty parking lots, Rose faces metaphysical questions about herself and her report. Is the act of imagination a gesture of freedom, or rather, as she fears, a symptom of self-inflicted folly?

**Performance in a Time of Terror** - Kanchuka Dharmasiri 2021-03-29

This volume is a collection of five Sinhala plays, translated into English, which were written and performed during the most violent phase of modern Sri Lankan history. Ranjini Obeyesekere's translation of these five well-known and celebrated plays by K. B. Herath, Prasannajith Abeysuriya, Dhananjaya Karunaratne, Prasanna Jayakody and Rajitha Dissanayake highlights and explores the dynamic period of Sri Lankan theater and performance arts in the 1980s and 1990s. The plays in this collection offered a political space for criticism, introspection, discussion and protest during a time of suppression of voices, political violence and terror. Audiences flocked to the theater to watch plays produced by talented dramatists and artists who were experimenting with forms and themes under extremely challenging circumstances, shoe-string budgets and strict censorship. Kanchuka Dharmasiri's introduction to the volume further details the history and socio-political contexts of the theater of this period, discussing themes such as dissent, identity and the brutal power of the state. She also looks at the unique formal elements employed in these plays as well as their influence and reach. This volume is a significant addition to the growing corpus of Sinhala literature in translation. It will be an essential read for scholars and researchers of literature, performance studies, cultural studies, and the politics and history of Sri Lanka.

**In-Between Worlds** - Sukanya Chakrabarti 2022-11-25

This book examines the performance of Bauls, 'folk' performers from Bengal, in the context of a rapidly globalizing Indian economy and against the backdrop of extreme nationalistic discourses. Recognizing their scope beyond the musical and cultural realm, Sukanya Chakrabarti engages in discussing the subversive and transformational potency of Bauls and their performances. *In-Between Worlds* argues that the Bauls through their musical, spiritual, and cultural performances offer 'joy' and 'spirituality,' thus making space for what Dr. Ambedkar in his famous 1942 speech had identified as 'reclamation of human personality'.

Chakrabarti destabilizes the category of 'folk' as a fixed classification or an origin point, and fractures homogeneous historical representations of the Baul as a 'folk' performer and a wandering mendicant exposing the complex heterogeneity that characterizes this group. Establishing 'folk-ness' as a performance category, and 'folk festivals' as sites of performing 'folk-ness,' contributing to a heritage industry that thrives on imagined and recreated nostalgia, Chakrabarti examines different sites that produce varied performative identities of Bauls, probing the limits of such categories while simultaneously advocating for polyvocality and multifocality. While this project has grounded itself firmly in performance studies, it has borrowed extensively from fields of postcolonial studies and subaltern histories, literature, ethnography and ethnomusicology, and cosmopolitan studies.

*A Woman Like Me* - Diane Abbott 2024-09-19

From challenging expectations as a bright and restless child of the Windrush generation to making history as the first elected Black female MP in the UK, Diane Abbott has seen it all. In this honest and moving memoir, Diane takes the reader through her incredible journey. She paints a vivid picture of growing up in 1960s North London with her working-class Jamaican parents, before entering the hallowed halls of Cambridge University to study history. Ever since the day she first walked through the House of Commons as the only state-educated Black woman MP, she has been a fearless and vocal champion for the causes that have made Britain what it is today. From increasing access to education for Black children and speaking out against the Iraq war to advocating tirelessly for refugees and immigrants, Diane has long been at the forefront of cultural change in Britain. Written with frankness and often wry humour, *A Woman Like Me* is an inspirational account that celebrates how one woman succeeded against massive odds to build an extraordinary legacy.

**Would Jesus Date A Woman Like Me?** - Brian Bolden 2015-02-11

Throughout the centuries, frustration, disappointment, and despair on both sides has created a great divide between black women and black men. In the world of relationships, it has become increasingly difficult for black women to make an emotional, spiritual, and psychological connection with black men. For many women, they don't even know how to begin to put on a different "hat" and often find themselves saying, "Why can't I find a good black man?" The truth of the matter is, many black women are sinking and drowning, according to many black men. On the other side of the spectrum there are black men who also have a considerable amount of scar tissue to deal with, not the least of which has been black women who are deceitful, disrespectful, high maintenance, materialistic gold diggers with "get paid" mentalities. The end result is that many black men have become frustrated with black women and have also chosen to cross color lines in unbelievably large numbers. For those black men, having a strong Nubian queen by their side has become nothing more than a pipe dream they used to have. For them, dating outside their race is no longer taboo and no longer creates the innate feeling of betraying black women. Sadly, a lot of black men all over the country have lost love and respect for many black women. A lot of black men feel many black women have no idea how to love them, care for them, or nurture their men. They no longer believe that black women are good homemakers nor can they keep a peaceful home. This is an epidemic that has spread all over America. It is my sincere belief that the thoughts and ideas outlined in my book will help answer numerous questions with which black women continue to struggle regarding their relationships with men--particularly black American men, such as: Why will he bed me but not wed me? Why have many black women lost the love and respect of black men? Why are black men continuing to cross the fence in alarming numbers? Why are black men becoming more hesitant to approach black women? Are black men really intimidated by successful black women? Why are so many black men disappointed, discouraged, and frustrated with many black women? Why do many black men see black women as too difficult and too complicated to deal with? Why are some black men making a vow to never date or marry another black woman ever again? Why are many black women hitting home runs in their careers but striking out in their relationships and marriages? These are some of the questions that are answered in this book. This is why it was so important for me to write this book. I want to inform black women in America what they need to do to help restore the faith of good-quality black men. I want black women to understand that I am writing this book as a wake-up call. If I do my job well, perhaps these words will sufficiently energize the mind, heart, and soul of the amazing creation God called woman to stimulate positive behavioral change in her--or at

least provoke a little thought. Now, I know I'm treading on thin ice here, but trust me when I say this book is not about bashing black women in America. It's a book about reality and truth. More often than not, most of us do not like to hear the truth because it forces us to take a good look at ourselves, blemishes and all. The old adage, "The truth hurts," could certainly apply here. However, another old adage is also applicable: "The truth shall set you free." By writing this book, I truly hope to make it easier for black men and woman to come together as one. I want black women to understand that just because many black men have lost faith doesn't mean that we have given up on you. The reality is that sometimes we need to be challenged, and this book will definitely challenge many black women in America to take an introspective look at themselves. Negotiating Performance - Diana Taylor 1994

In *Negotiating Performance*, major scholars and practitioners of the theatrical arts consider the diversity of Latin American and U. S. Latino performance: indigenous theater, performance art, living installations, carnival, public demonstrations, and gender acts such as transvestism. By redefining performance to include such events as Mayan and AIDS theater, the Mothers of the Plaza de Mayo, and Argentinean drag culture, this energetic volume discusses the dynamics of Latino/a identity politics and the sometimes discordant intersection of gender, sexuality, and nationalisms. The Latin/o America examined here stretches from Patagonia to New York City, bridging the political and geographical divides between U.S. Latinos and Latin Americans. Moving from Nuyorican casitas in the South Bronx, to subversive street performances in Buenos Aires, to border art from San Diego/Tijuana, this volume negotiates the borders that bring Americans together and keep them apart, while at the same time debating the use of the contested term "Latino/a." In the emerging dialogue, contributors reenvision an inclusive "América," a Latin/o America that does not pit nationality against ethnicity--in other words, a shared space, and a home to all Latin/o Americans. *Negotiating Performance* opens up the field of Latin/o American theater and performance criticism by looking at performance work by Mayans, women, gays, lesbians, and other marginalized groups. In so doing, this volume will interest a wide audience of students and scholars in feminist and gender studies, theater and performance studies, and Latin American and Latino cultural studies. Contributors: Judith Bettelheim, Sue-Ellen Case, Juan Flores, Jean Franco, Donald H. Frischmann, Guillermo Gómez-Peña, Jorge Huerta, Tiffany Ana López, Jacqueline Lazú, María Teresa Marrero, Cherríe Moraga, Kirsten F. Harper's New Monthly Magazine - Henry Mills Alden 1877

Important American periodical dating back to 1850.

Ritual, Performance and the Senses - Michael Bull 2020-05-18

Ritual has long been a central concept in anthropological theories of religious transmission. *Ritual, Performance and the Senses* offers a new understanding of how ritual enables religious representations - ideas, beliefs, values - to be shared among participants. Focusing on the body and the experiential nature of ritual, the book brings together insights from three distinct areas of study: cognitive/neuroanthropology, performance studies and the anthropology of the senses. Eight chapters by scholars from each of these sub-disciplines investigate different aspects of embodied religious practice, ranging from philosophical discussions of belief to explorations of the biological processes taking place in the brain itself. Case studies range from miracles and visionary activity in Catholic Malta to meditative practices in theatrical performance and include three pilgrimage sites: the Church of the Holy Sepulchre in Jerusalem, the festival of Ramlila in Ramnagar, India and the mountain shrine of the Lord of the Shiny Snow in Andean Peru. Understanding ritual allows us to understand processes at the very centre of human social life and humanity itself, making this an invaluable text for students and scholars in anthropology, cognitive science, performance studies and religious studies.

**A Woman Like Me** - Bettye LaVette 2012-09-27

Acclaimed R&B singer Bettye LaVette celebrates her storied career in show business with her stunning memoir, *A Woman Like Me*, and her new album, *Thankful N' Thoughtful*. As a teenager in Detroit, Bettye LaVette had a hit single with "My Man—He's a Lovin' Man." By the time she was twenty, she had faded

back into obscurity and was barely surviving in New York City. For the next forty years, despite being associated with legends such as Aretha Franklin, Otis Redding, Marvin Gaye, and James Brown, she remained relatively unknown outside a circle of devoted fans. Every time it seemed that her dream of stepping into the spotlight was finally coming true, bad luck smashed her hopes, again and again. Then, after a lifetime of singing in clubs and lounges, her unforgettable televised performances at the 2008 Kennedy Center Honors and at President Obama's pre-Inaugural Concert at the Lincoln Memorial in 2009 won her the recognition she had sought for her entire life. Bettye LaVette's career has been a one-of-a-kind roller-coaster ride through the world of music; it has taken her from the peaks to the pits and back. In this unflinchingly honest memoir, she boldly recounts her freewheeling childhood—her parents ran an illegal liquor business out of their living room, which was frequented by some of the top acts of the forties and fifties—her short-lived conquest of the R&B world in the 1960s, her decline into poverty and despair, and her recent comeback and career revival, with two Grammy-nominated CDs and numerous appearances on major television talk shows. Poignant, brazen, and fearless, *A Woman Like Me* is a tour de force from one of the most outspoken female performers singing today—and she's a force to be reckoned with.

*Debra* - Penelope Morrison Chambers 2006-01-05

A 21st CENTURY LOVE STORY BETWEEN TWO STAR STRUCK LOVERS DESPERATELY TRYING TO BRIDGE THE SACRED AND THE PROFANE An out of luck American born French Escort-Interpreter living

in France is brought into a windstorm that involves an international precious stones contraband ring in support of the Zionist Cause. This, after a young corporate lawyer's satchel is stolen that contains an envelope given to her in Venice, Italy. What starts out to be a banal theft, culminates in a murder that ultimately pits an Irish-American FBI agent and a Jewish-American CIA analyst, and the role played by both agencies since the end of World War Two. An intellectual battle is drawn between Catholicism and Judaism as to what it truly means to be God's Chosen People. Written in 2002, the present Bush Administration's wish to 'liberate' Iraq serves as backdrop in the understanding American Foreign Policy, which from the country's inception has been shaped by its singular vision of democracy and freedom. It is a tale of the non-Politically Correct underside of American-European relations and how religion has influenced this troubled alliance from its very beginnings. Has 'One World' hegemonic economic interests reawakened nationalism to the detriment of our most precious liberties, as once did the 'Terror' of the French Revolution and European imperialism prior to World War One, and Hitler and Stalin between the two World Wars? Is Islamic Fundamentalism a precursor to future mass revolts against any such hegemonic intent?

*Staging Femininities* - Geraldine Harris 1999

This work focuses on the work of performance artists Rose English, Bobby Baker, and Annie Sprinkle as a means of explicating and examining some of the most influential thinking on the politics of identity produced in the 1980s and 1990s.
