Sports Law - Patrick K. Thornton 2010-09-15

Sports Law looks at major court cases, statutes, and regulations that explore a variety of legal issues in the sports industry. The early chapters provide an overview of sports law in general terms and explore its impact on race, politics, religion, and everyday affairs. Later chapters address hot button issues such as gender equity, drug testing, and discrimination. Written from a sport management perspective, rather than from a lawyer's, this text covers all the major areas presented in sports law today including: cases relating to torts, contracts, intellectual property, and agents. Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.

Law Books in Print: Subjects - Nicholas Triffin 1987

Sportscasters/sportscasting - Linda K. Fuller 2008

A comprehensive introduction to the workings of the business, *Sportscasters/Sportscasting: Principles and Practices* explains all of the information essential to anyone looking to begin a career in sports media, and includes numerous appendices containing acronyms and biographic information about over 200 sportscasters, and a complete Instructor's Manual.

Women's Legal Guide - Barbara R. Hauser 1996

A guide to the American legal system designed for women, examining such topics as marriage and divorce, adoption, sexual discrimination, health care, and retirement planning.

Searching the Law, 3d Edition - Frank Bae 2021-12-13

The AALS Directory of Law Teachers - 2003

Sports and the Law - Charles E. Quirk 2021-12-12

First Published in 1999. This is a collection of essays looking at the continuing growth and significance of Sports Law. Among the tokens of

the flourishing of sports law during the past two decades are the publication of specialized treatises, articles on facets of sports law in traditional law reviews, appearance of legal journals or reviews devoted solely to sports law, and courses on the subject in law schools. Sports and the Law: Major Legal Cases should attract the interest of a variety of audiences. Authorities in the field of sports law will want to examine how their colleagues as well as non-specialists treat specific cases and broader issues. Also, lawyers who lack familiarity with sports law may desire an introductory exposure to the rapidly expanding field. Each essay ends with a selected bibliography.

Women's Almanac - Doris Weatherford 2002

Women's Almanac 2002 is a first-stop reference source that combines news, issues, statistics, and a resource directory along with historical information and analysis from both the U.S. and international perspectives. No other resource offers this unique combination of information, complete with annotated list of Web sites, charts, statistics, and graphs. The Almanac is unique for its U.S. information, where women's history is profiled state by state. Acclaimed women's studies author Doris Weatherford, editor-in-chief and major contributor to the book, presents cutting-edge information about women in the United States and throughout the world.

Subject Guide to Books in Print - 1993

Text, Cases and Materials on Sex-based Discrimination - Herma Hill Kay 2006

The authors of *Text, Cases, and Materials on Sex-Based Discrimination*, Sixth Edition have incorporated new U.S. Supreme Court cases dealing with employment discrimination (sexual harassment), and the family and medical leave act. Additional materials have been added dealing with educational discrimination (Title IX retaliation), and new textual material provides updates in the continuing controversy over Title IX as applied to athletics. Also included are new cases on same-sex marriage and child custody issues, as well as the Supreme Court of Colorado's opinion in the Kobe Bryant case.

New Books on Women and Feminism - 1997

Women, Sports, and the Law - Karen Tokarz 1986-01-01

An intense research guide to a specific subject area, the Pathfinder is becoming a more accepted form of publication. Dedicated to promote equal opportunity of women.

Women's Almanac 2000 - Doris Weatherford 2000-06-19

Women's Almanac 2000 is a first-stop reference that combines news, issues, statistics, and a resource directory together with historical information and analysis from both an international and U.S. perspective. No other reference offers this unique combination of information, complete with an annotated list of Web sites, dozens of photos, charts, statistics, and graphs. With acclaimed women's studies author Doris Weatherford as editor-in-chief and major contributor, this is the authoritative source for cutting-edge information about women in the United States and throughout the world.

Bibliographic Guide to Law - 1987

Books in Series - 1985

Vols. for 1980- issued in three parts: Series, Authors, and Titles.

Playing With the Boys - Eileen McDonagh 2007-10-25

Athletic contests help define what we mean in America by "success." By keeping women from "playing with the boys" on the false assumption that they are inherently inferior, society relegates them to second-class citizens. In this forcefully argued book, Eileen McDonagh and Laura Pappano show in vivid detail how women have been unfairly excluded from participating in sports on an equal footing with men. Using dozens of powerful examples--girls and women breaking through in football, ice hockey, wrestling, and baseball, to name just a few--the authors show that sex differences are not sufficient to warrant exclusion in most sports, that success entails more than brute strength, and that sex segregation in sports does not simply reflect sex differences, but actively constructs and reinforces stereotypes about sex differences. For

instance, women's bodies give them a physiological advantage in endurance sports, yet many Olympic events have shorter races for women than men, thereby camouflaging rather than revealing women's strengths.

Law Books in Print: Subject index - Nicholas Triffin 1994

Legal Research and Law Library Management - Julius J. Marke 2006

This revised edition of Legal Research and Law Library Management retains the best elements of the previous edition while covering the latest in law library management.

Searching the Law - Edward J. Bander 1989

Educational Equity - Karen Maschke 2013-09-13

Multidisciplinary focus Surveying many disciplines, this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States. The themes addressed include the historical, political, and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law. The articles are drawn from journals in law, political science, history, women's studies, philosophy, and education and represent some of the most interesting writing on the subject. The law in theory and practice Many of the articles bring race, social, and economic factors into their analyses, observing, for example, that black women, poor women, and single mothers are treated by the wielders of the power of the law differently than middle class white women. Other topics covered include the evolution of women's legal status, reproduction rights, sexuality and family issues, equal employment and educational opportunities, domestic violence, pornography and sexual exploitation, hate speech, and feminist legal thought. A valuable research and classroom aid, this series provides in-depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women.
