This is one of the first anthologies devoted to the writings of women in the Middle Ages. The fifteen women whose works are represented span seven centuries, eight languages, and ten regions or nationalities. Many are recognized, taught, and anthologized in their own countries but have been inaccessible to students in English. Others are little read today because their literary fortunes have paralleled fluctuations in literary taste and literary patronage. Katharina M. Wilson's introduction to the volume places these writers in historical context and explores the question of the female imagination and who these women were who were writing at a time when very few women were literate and most literature, sacred and secular, was penned by men. Each of the fifteen chapters has been written by a different scholar and includes a biographical and critical introduction to the writer, a representative

*Because of You, I Learned to Truly Love* - Abdul Haque Essop 2016-10-05

Love is not just about using the word to silence your partner in questioning any uncertainties or great concerns. But love should be shown in your actions to eliminate every doubt. It is not about giving your partner the most expensive gift that money can buy. But it has to do with the littlest of things thus showing your love for them, which becomes priceless. Ultimately, love has no price tag because money can buy you a good time, but love enriches your body, mind, heart, and soul. For a healthy relationship, refrain from hurting your partner in a manner whereby lying and cheating can totally destroy your relationship. Always remember not to hurt and break a heart that was meant to only love you. In the end, you can stand to lose that love and the person who stood by you, although they know your flaws and still completely accepted you. It is important to note that you shouldn't fool yourself by thinking that you have fooled a person by deceiving and lying to that person who truly loves you and cares about you. Only with time will it be your own guilt that will make you realize that this person always knew, and yet they have constantly forgiven you. Finally, you will certainly hurt when the day you lose that person forever by knowing that you continuously broke their trust. Take heed. When you love from your soul and someone breaks you down completely then those invisible tears become the most difficult to wipe away. To sum up my message to the world, this is my deepest and sincerest belief: Love is not who loves the other more or less but to whether your love for each other is sincere and true. Love is not who was there only when you always smiled but who was there to make you feel better when you broke down and cried. Love is not about who is right or wrong but how you work on the issues and keep your love growing strong. Love is not how many times you thought to walk away but how long you stayed in love and kept your relationship alive.

*How to Make Love to a Woman* - Michael Morgenstern 1997

Michael Morgenstern asked women all over the country, from all walks of life, and discovered the answers men seek. Learn what women find sexy in a man; how to seduce with words; what is the secret all great lovers know about pleasing women; how you can tell from a woman's kiss if she wants you take her to bed, and much more. "Will make life--sex life, anyway--easier for men and infinitely more pleasurable for women."

### **Beautiful, Being an Empowered Young Woman** - Naomi Katz 2016-10-06

Do you remember your first kiss? Your first heartbreak? Your first bra? The first time your best friend betrayed you? Beautiful: Being an Empowered Young Woman peels back the truth behind becoming a woman in a chaotic world where airbrushed perfection is beauty - when in reality, beauty is who you are. Beautiful offers strategies to help young women cope with contemporary issues, like body image, the media, relationships, competition, sex and peer pressure. It explores the way adolescents see and talk about themselves, and answers the big questions young women are afraid to ask. Naomi Katz offers truths about conquering adolescence and cultivating a unique sense of self. Weaving together narratives of real teens, Katz, a teacher who has worked with young women all over the globe, provides inspiration for growing girls looking for guidance in an increasingly complicated world.
