

Best Kept Secret Sexual Abuse Of Children

The Best-kept Secret -

Florence Rush 1992

A study which shows that sexual abuse of children has an extensive history and has been - and still is - condoned by society. The author is on the board of New York Women Against Rape and works with Women Against Pornography. Her commentary is coupled with the testimonies of victims.

The Secret Life of

Vulnerable Children - Ved P. Varma 2015-06-18

How do disturbed children see the world? How can we understand their difficulties? Most children have secret worlds but for some these worlds contain secrets that are both permanent and damaging. Originally published in 1992, this moving account of the secret lives of such vulnerable and disturbed children will

enable professionals working with these children to find out what is going on in their minds - what they are thinking, what they are feeling, why they behave as they do. The contributors, all experts in their field at the time, show how vulnerable children can be assessed and how they can be helped most effectively.

Child Sexual Abuse -

Christopher Bagley 2003-09-02

A comprehensive overview of the causes, treatment and prevention of child sexual abuse which approaches the problem from the perspectives of the victims, their families and the offenders themselves.

A Sourcebook on Child Sexual Abuse - David Finkelhor 1986-05

- How widespread is child sexual abuse? - Which groups of children are at greatest risk?

- Why do offenders offend? - What are the initial and long-term effects of sexual abuse on victims? - How can child sexual abuse be prevented? - How should researchers approach the problem? David Finkelhor is a leading researcher in the field of family violence and child sexual abuse. He is the author of two previous books on the subject, "Sexually Victimized Children" and "Child Sexual Abuse: New Theory and Research." Finkelhor is also known for his work in other areas of family violence. He is a co-editor of "Dark Side of" Copyright © Libri GmbH. All rights reserved.

Home Truths About Child Sexual Abuse - Catherine Itzin
2005-06-28

Home Truths About Child Sexual Abuse brings together the findings of research and clinical work by leading figures in the UK and USA. It makes visible the prevalence of sexual abuse and exploitation of children by normal, ordinary, heterosexual family men, both within and outside the family.

Comprehensive and multidisciplinary in approach, it covers the many different aspects of child sexual abuse including: *phenomenology *definitions and terminology *epidemiology *explanatory frameworks *concepts and theory *the contribution of radical feminism *constructs, classifications and typologies *policy *treatments *multi-disciplinary and multi-agency work *medical advice *gender issues *criminal justice. The book provides the evidence and knowledge base necessary to begin to achieve effective prevention. It offers professionals, researchers and policy makers an invaluable source of reference and an informed basis for action.

Childhood Sexual Abuse -

David M. Fergusson

1999-02-02

Childhood Sexual Abuse critically reviews research into and provides a concise and clear guide to our current knowledge on the topic. The issues covered include: the prevalence of child sexual abuse; who molests children;

the effects of such abuse, both immediate and long-term; the risk factors for abuse; and the influences and interventions that may amplify or ameliorate the impact of child sexual abuse on the victim. Areas of debate, such as the false memory syndrome, are approached in terms of the research data relevant to their resolution. This volume sets out to inform rather than advocate, discusses the methodologies of research as well as their results, highlights the limitations and the extent of current information, and points out how we can learn more about child sexual abuse.

Not Monsters - Pamela D. Schultz 2005

In the wake of recent violence our nation has experienced, and the paranoia that has ensued, we've directed our attention to potential terrorists in our midst. Yet our children face more risk from people they know than from terrorists they have never met. An estimated one in five girls and one in ten boys in the United States experience some form of

sexual abuse by age eighteen. What could possibly motivate a person to molest a child? Not *Monsters* documents the stories of nine convicted child molesters through one-on-one interviews, listening to what offenders have to say about their crimes and exploring the roots of these behaviors from a social constructionist perspective. Their words paint a compelling and frightening portrait of how sexual abuse works in Western culture to perpetuate a political and social system of dominance and control.

Deflowered Lyric - J.J. Staples 2015-08-21

Have you ever kept a secret, one strategically hidden, unknown, or unseen? If discovered, the secret could destroy someone. What if as a child, you were sexually abused? *Deflowered Lyric* shines the light on sexual abuse through glimpsing the childhoods of three main characters. Their journey through life discloses brokenness and strength intertwined together and

expressed in a poetic prose. The enthralling story of their tangled lives reveals the struggles shared from their experiences of sexual abuse. Uncovered are the stark truths of lives touched by abuse with graphic depictions of sexual assault and the resulting emotional turmoil. Each chapter of the book starts with a lyrical poem to introduce the life stages of each character. Although the topic of child sexual abuse is a somewhat forbidden and a hidden conversation, *Deflowered Lyric* introduces the reader's to a cadence, which marches towards healing through exposing and acknowledging the secret sin to forgiving the reprobate. A strong religious faith by the character, Lyric provides the roadmap to recovery. Written with blunt, honest prose, *Deflowered Lyric* raises awareness to the pain and fear victims of childhood sexual abuse suffer, and calls readers to action; demanding protection for children. *Deflowered Lyric* has received the distinct honor of Award-

Winning Finalist in the "Fiction: African-American" category of the 2014 USA Best Book Awards".

The Sexual Abuse of Children - William T.

O'Donohue 2013-11-12

The sexual abuse of children is now seen as an enormous problem; first, because there is an increasing awareness that it is more prevalent than previously thought, and second, because it gives rise to so many complex questions. How is sexual abuse to be defined? What are the effects of abuse? How can the victim be helped? How can abuse be prevented? These two comprehensive volumes cover a wide spectrum of basic and applied issues. Expert contributors -- including physicians, attorneys, psychologists, philosophers, social workers, and engineers - - address such relevant topics as epidemiology, animal models, legal reforms, feminist scholarship, child pornography, medical assessment, and diverse models of psychotherapeutic intention.

Handbook on Counseling Youth

- John McDowell 1996-06-09
Thoroughly researched, this easy-to-use handbook is designed to help parents, teachers, pastors and youth workers guide today's young people through the minefields of adolescence. From simple challenges to major crises, this book will equip adults to help youth cope with situations involving emotional issues, abuse, addictions, family issues, disorders, sexual issues and much more.

Judicial Decision Making in Child Sexual Abuse Cases -

Margaret M. Wright
2011-11-01

In the 1980s, Canada witnessed a public outcry over child sexual abuse cases. Elected officials sought a remedy through legal reforms. Amendments were made to the Criminal Code of Canada and sexual assault was redefined. The word "rape" was replaced with a continuum of categories intended to reflect the full range of sexually intrusive behaviours. Margaret Wright examines how the courts have

dealt with child sexual abuse cases since then. She demonstrates that although the laws may have changed, their interpretation still depends on the social construction of children and on judges' own understanding of what constitutes child sexual abuse.

Critical Issues in Child Sexual Abuse - Jon R. Conte 2002

The chapters in this book are intended to describe what is known and what is not known in several specific areas of childhood abuse. The opening interview with Roland Summit gives readers an opportunity to get acquainted with a pioneer in the field. An instrumental force in the study of child sexual abuse, Summit has indelibly impacted the work of the remaining authors and the field in general. The interview provides a personal and historical view of the development of the field and identifies problems and issues all professionals should be prepared to deal with.a"

Confronting Child and Adolescent Sexual Abuse -

Downloaded from
legacy.opendemocracy.net
on 2022-12-10 by guest

Cynthia Crosson-Tower
2014-01-30
Confronting Child and Adolescent Sexual Abuse is the first text to examine the history, theory, treatment, and prevention of this complex phenomenon. With in-depth insights into the psychologies of victims, their families, and the perpetrators, this comprehensive text shows readers how to recognize the symptoms and impact of childhood sexual abuse, critically engage with the unique nature of each case, complete a thorough assessment, develop a treatment plan, and effectively intervene in critical situations. A national expert on child abuse and neglect and the author of numerous books and publications, Cynthia Crosson-Tower addresses a wide range of special topics and helps readers prepare for working in this challenging professional field. "This is sure to become the definitive 'classic' text in courses preparing students for competent practice with sexually abused children and

adolescents." —Barbara Nowak, Albany State University "This text opens with a history of sexual abuse, offers models for treatment and assessment and provides excellent insights into many of the major sexual abuse dynamics of our times. Finally we have a textbook that is very relevant for our times."

—Nancy DeCesare, Chestnut Hill College
Ritualistic Child Abuse in California - California State Social Services Advisory Board. Committee on Child Abuse Prevention 1991

Secret Spaces of Childhood -

Elizabeth Goodenough
2003-09-10

This eclectic, wide-ranging anthology of essays, art, poetry, fiction, and memoir gathers distinguished contributors, from Wole Soyinka to Joyce Carol Oates

Surviving Child Sexual Abuse - Liz Hall 2003-12-16
Surviving Child Sexual Abuse" is a handbook for survivors and their helpers. It examines what sexual abuse entails for a child

Downloaded from
legacy.opendemocracy.net
on 2022-12-10 by guest

and why it happens. Personal and professional issues for helpers are addressed and the long term effects of sexual abuse are examined. The strengths of survivors are acknowledged together with the supportive alliances they have formed with partners, helpers and friends. The theme of disclosure is examined in depth and the main themes in therapeutic work with survivors are discussed and methods are described which can be used in such therapeutic work. This highly successful book ends with an evaluation of the issues involved in training helpers for working with survivors.; The book is aimed at therapists including social workers, counsellors in public organizations and private practice, clinical psychologists, psychiatrists, nurses, health visitors, general practitioners, police and psychotherapists.

Interviewing Children about Sexual Abuse - Kathleen

Coulborn Faller 2007-01-11

A core issue for professionals responsible for addressing

sexual abuse is how to correctly identify cases. *Interviewing Children About Sexual Abuse: Controversies and Best Practice* critically reviews the research and practice on the spectrum of issues related to interviewing the sexually abused child. Its chapters cover all the most important topics that interviewers must keep in mind, from the accuracy of children's memories to appropriate types of questions to include to the use of interview aids, and within each chapter is a comprehensive review of research and practice, leading to conclusions that can be used to guide practice in this most sensitive of assignments.

[Treating Child Sex Offenders and Victims](#) - Anna Salter
1988-06

Treating Child Sex Offenders and Victims is a practical manual designed to assist mental health professionals in the effective treatment of both victims and offenders through the development of specialized skills. The author discusses

Downloaded from
legacy.opendemocracy.net
on 2022-12-10 by guest

methods of treatment of offenders and includes an assessment battery, which measures their sexual attitudes. She also addresses ways of treating victims and minimizing trauma within the legal system. The volume will thus be invaluable for all mental health professionals who wish to learn effective treatment of the victims and the perpetrators of child sexual abuse.

Treatment And Prevention Of Childhood Sexual Abuse -

Sandra A. Burkhardt

2013-02-01

This practice-oriented book provides a model of intervention for sexually abused children. Its approach is that intervention strategy should be based on child-generated information. Models of intervention based on adult-generated information are ineffective - simply because children do not have the cognitive capability of utilising such strategies to prevent or stop abuse. In contrast, therapeutic strategies presented in this text

emphasising child-generated information enable the clinician to assess and understand the vulnerability of sexually abused children in regards To Their Cognitive Level Of Understanding And Their Emotional Reactions.; The book guides mental health professionals to: acquire information about what and how children think about adults, in general, and perpetrators in particular; inventory children's own strategies for responding to perpetrators; document children's underlying logic for the strategies they identify; and use the information provided by children to guide the selection of treatment and prevention techniques.; After the introduction of the topic, the book moves on to a discussion of the correlates of child sexual abuse. Information on a systematic research endeavour examining victim vulnerability is then presented, as well as children's responses to perpetrators. Other chapters focus on the Burkhardt child-generated model of sexual

Best Kept Secret Sexual Abuse Of Children

abuse intervention and procedures for assessment. Finally, the appendix provides a description of educational and psychological materials on child sexual abuse which can be used for prevention and

intervention.
