In this first substantial study of rodeo women, Mary Lou LeCompte surveys the early rodeo cowgirls' achievements as professional athletes, the near demise of women's rodeo events during World War II, and the phenomenal success of the Women's Professional Rodeo Association in regaining lost ground for rodeo cowgirls.

Recalling an extraordinary chapter in women's history as well as the history of American sport, *Cowgirls of the Rodeo* contributes to a deeper understanding of the challenges facing women in the American West and in American sport.

[Cowgirl Courage - L. W. Rogers 2012](#)

At the age of eleven, Jenny Morriston executed the death-defying feat of breaking her father out of jail after he was wrongly accused of murder. Now, at the age of twenty-one, she has her mind set on an even more dangerous plan... Just helping her father slip the hangman's noose isn't enough: Jenny still has to clear his good name. So with newly short hair covered by a sweat-stained Stetson and a silver-inlaid gun belt wrapped around her waist, Jenny rides back to Rio Hondo, Texas...disguised as young gunslinger Jim Morris. Every breath, every movement, every word threatens to unmask her - and put a noose around her neck. Jenny's only chance of discovering the true murderer and staying alive long enough to see justice done is to maintain her disguise. Her sole ally is her

childhood friend Lucas. No matter how much it pains her, she must guard her identity even from him. The closer Jenny gets to the truth, the riskier her charade becomes...until the only thing she can rely on is her courage.

Captivating Westerns - Susan Kollin

2019-05-01

Tracing the transnational influences of what has been known as a uniquely American genre, "the Western," Susan Kollin's *Captivating Westerns* analyzes key moments in the history of multicultural encounters between the Middle East and the American West. In particular the book examines how experiences of contact and conflict have played a role in defining the western United States as a crucial American landscape. Kollin interprets the popular Western

as a powerful national narrative and presents the cowboy hero as a captivating figure who upholds traditional American notions of freedom and promise, not just in the region but across the globe. Captivating Westerns revisits popular uses of the Western plot and cowboy hero in understanding American global power in the post-9/11 period. Although various attempts to build a case for the war on terror have referenced this quintessential American region, genre, and hero, they have largely overlooked the ways in which these celebrated spaces, icons, and forms, rather than being uniquely American, are instead the result of numerous encounters with and influences from the Middle East. By tracing this history of contact, encounter, and borrowing, this study expands the scope of transnational studies of the cowboy and the Western and in so doing discloses the powerful and productive influence the Middle East has had on the American West.

[The Cowgirl Way](#) - Holly George-Warren
2010-07-12

The 1840s ushered in the beginning of the largest migration in US history. People in crowded Eastern cities and Missouri River towns were feeling the pull of the Western frontier. It was the dawn of a new era of expansion, and over the next few decades, the making of a new kind of pioneer. It was the birth of the cowgirl! Welcome to the world of nimble equestriennes, hawkeyed sharpshooters, sly outlaws, eloquent legislators, expert wranglers and talented performers who made eyes pop and jaws drop with their skills, savvy and bravery. In this fascinating account of an ever-evolving American icon, Holly George-Warren invites readers to saddle up with a host of these trailblazers who helped settle the West and define the cowgirl spirit.

First - Evan Thomas 2019-03-19

NEW YORK TIMES BESTSELLER • The intimate, inspiring, and authoritative biography of Sandra Day O'Connor, America's first female Supreme Court justice, drawing on exclusive interviews and first-time access to Justice O'Connor's archives—as seen on PBS's *American Experience* “She’s a hero for our time, and this is the biography for our time.”—Walter Isaacson
Finalist for the Los Angeles Times Book Prize • Named One of the Best Books of the Year by NPR and The Washington Post She was born in 1930 in El Paso and grew up on a cattle ranch in Arizona. At a time when women were expected to be homemakers, she set her sights on Stanford University. When she graduated near the top of her law school class in 1952, no firm would even interview her. But Sandra Day O'Connor's story is that of a woman who repeatedly shattered glass ceilings—doing so with a blend of grace, wisdom, humor, understatement, and cowgirl toughness. She became the first ever female majority leader of a state senate. As a judge on the Arizona Court of Appeals, she stood up to corrupt lawyers and humanized the law. When she arrived at the United States Supreme Court, appointed by President Ronald Reagan in 1981, she began a quarter-century tenure on the Court, hearing cases that ultimately shaped American law. Diagnosed with cancer at fifty-eight, and caring for a husband with Alzheimer's, O'Connor endured every difficulty with grit and poise. Women and men who want to be leaders and be first in their own lives—who want to learn when to walk away and when to stand their ground—will be inspired by O'Connor's example. This is a remarkably vivid and personal portrait of a woman who loved her family, who believed in serving her country, and who, when she became the most powerful woman in America, built a bridge forward for all women. Praise for *First* “Cinematic . . . poignant . . . illuminating and eminently readable . . . *First* gives us a real sense of Sandra Day O'Connor the human being. . . . Thomas gives O'Connor the credit she deserves.”—The Washington Post “[A] fascinating and revelatory biography . . . a richly detailed picture of [O'Connor's] personal and professional life . . . politics, has disappeared from the nation's main stages."—The New York Times Book Review [Justice O'Connor and 'The Threat to Judicial Independence'](#) - Arthur D. Hellman 2009

Sandra Day O'Connor retired from active service on the United States Supreme Court in early 2006. As her principal project, she has taken on the task of defending the independence of the judiciary. In speeches, op-ed articles, and public interviews, she has warned that we must be ever vigilant against those who would strong-arm the judiciary into adopting their preferred policies. Justice O'Connor has done the nation a service by bringing the subject of judicial independence to center stage and by calling attention to the important values it serves. Unfortunately, however, in describing the threats to that independence, she has presented a picture that is in some respects overstated and, in others, incomplete. Four aspects of Justice O'Connor's critique are addressed in this article. First, Justice O'Connor has painted with too broad a brush in identifying what might be called external threats to the independence of the judiciary. Second, she has not adequately emphasized what may be called the internal aspects of judicial independence. Third, although she has discussed the threat to judicial independence posed by the election of judges in the states, she has said little about the current confirmation process for judicial nominations in the federal system, a development that may pose as serious a threat as any of the recent events that she does discuss. Finally, while Justice O'Connor has disclaimed the idea that it is somehow improper to criticize judicial decisions, she has at the same time suggested that when elected officials rail against elitist judges, or when writers publish jeremiads against judicial tyranny, they do present a threat - indeed a grave threat - to judicial independence. This view is misguided. In America, no one is above criticism, including criticism that is nasty and ugly and stupid. To suggest that intemperate language endangers the independence of the judiciary is itself irresponsible - and in the long run will only undermine that independence.

Path to Justice - Jim Dutton 2017-08-25

Path to Justice exposes the harsh realities and sacrifices necessary to build a case against a ruthless drug cartel, the Baja Norte Familia. Insights and strategies for conducting a complex international investigation and for trying a drug distribution, money laundering, and murder conspiracy case in federal court are interwoven with perilous confrontations with the cartel. The reader lives the case with the career prosecutor and veteran agents--how they think and how they banter to get by. Path to Justice takes the reader from the Montana-Canadian woods, the ice-bound lakes of Glacier National Park and the plains of Kansas to the beaches of San Diego and the hills above Rosarito Beach, Baja California Norte. Lead prosecutor and chief of a federal task force, Nick Drummond, struggles with personal demons and his relationship with task force agent Ana Schwartz in his efforts to convict the heads of the Familia cartel. In Drummond's Path to Justice, he faces the ethical dilemma of his career.

Cowgirls - Teresa Jordan 1992-01-01

American lore has slighted the cowgirl, although at least one can still be found in nearly every ranching community. Like her male counterpart, she rides and ropes, understands land and stock, and confronts the elements. The writer and photographer Teresa Jordan traveled sixty thousand miles in the American West, talking with more than a hundred authentic cowgirls running ranches and performing in rodeos. The result is a fascinating book that also situates the cowgirl in history and literature. A new preface and updated bibliography have been added to this Bison Book edition.

Forged Desire - Tess Rydder 2017-09-30

Justice Donavon is a Rockstar in the world of New York Finance. He finds himself temporarily transferred, to a small town in Montana, to oversee the opening of a new bank. R.J. Madison is a Montana cowgirl, born and raised. She also is the owner and operator of Madison and Sons Blacksmithing. The two meet when Justice commissions her to build a sculpture for the bank lobby. It is not long before sparks start to fly between the New York playboy and the smoking hot blacksmith. Justice is in charge in and out of the bedroom and can't wait to tame this sexy cowgirl and teach her how fun submission can be. This book contains hot and

Cowgirl's Justice - Dawn Nelson 2019

The town of Danville has changed little since Jesse Walker left her childhood home, the Running W Ranch. However, the people living around there have changed considerably. After leaving an abusive husband she returns home to find she has become a target. Someone is terrorizing the town, killing her animals, and threatening her life. Is it the cult that has taken up residence in the area or someone else? While not looking for a new relationship she finds herself intrigued by a local ranch hand, Justin, who neither wants nor needs a woman in his life. Jesse, Justin, Logan the ranch caretaker, and her best friend Marnie, must get to the bottom of the plan to drive her away before more people are hurt or killed and the town of Danville is changed forever

Cowgirl - G. R. Gemin 2014-03-06

Growing up on the embattled Mawr Estate in South Wales, all Gemma sees are burglaries, muggings, sadness and boredom. With a dad in prison and a mum who has given up hope, she, like everyone around her, is holding on to memories of the times when happiness wasn't so hard to find. When her search for the scene of a perfect childhood day takes her up into the surrounding hills, Gemma is forced into a meeting with the legendary Cowgirl. Everyone at school knows she's a weirdo: six foot tall and angry, the only conversations she has are with the twelve cows on her dad's farm. But with her abrupt arrival in Gemma's life, everything starts to look different. And with her only friends in mortal danger of the abattoir, it turns out she and Gemma have a mission on their hands. A gently funny story of a community coming together, this is a tale of happy endings in unexpected places. Shortlisted for the Waterstones Prize Winner of the Tir na n-Og Award Cover illustration by Tom Clohosy Cole. Also by G. R. Gemin: Sweet Pizza "The warmth and charm of 'Sweet Pizza' are quite extraordinary; though there are some very moving moments, it is mainly a joyous and eccentric comedy." - Kate Saunders, Guardian Children's Fiction Prize Judge

Western "My heroes have always been cowgirls." -Willy Nelson "This stuff is bodacious, righteous, enduring art." -Linda Ellerbee This timeless collection of hand-tinted art by internationally recognized painter and sculptor Bob Wade showcases the amazing women who performed dangerous feats in rodeos, Wild West shows, and Hollywood movies and TV, stunning audiences all over the world. The faces of the women in this collection poignantly convey the freedom, equality, and sheer joy they experienced long before the modern women's movement came along. Bob Wade's Cowgirls entertains and informs, revealing the truth about the real cowgirls who ran wild and free in the Old West. Bob Wade's art has been commissioned for public and private collections around the world. For more than twenty five years, Wade has experimented with large-scale photography and color enhancement of black-and-white vintage photos. His work is part of the permanent collection of the National Cowgirl Museum and Hall of Fame. Wade is a staff artist for Cowboys and Indians magazine, and lives in Austin, Texas. Dying at the Margins - David Wendell Moller 2018-10-03

Dying at the Margins: Reflections on Justice and Healing for Inner-City Poor gives voice to the most vulnerable and disempowered population- the urban dying poor- and connects them to the voices of leaders in end-of-life-care. Chapters written by these experts in the field discuss the issues that challenge patients and their loved ones, as well as offering insights into how to improve the quality of their lives. In an illuminating and timely follow up to Dancing with Broken Bones, all discussions revolve around the actual experiences of the patients previously documented, encouraging a greater understanding about the needs of the dying poor, advocating for them, and developing best practices in caring. Demystifying stereotypes that surround poverty, Moller illuminates how faith, remarkable optimism, and an unassailable

Dying at the Margins serves as a rallying call for not only end-of-life professionals, but compassionate individuals everywhere, to understand and respond to the needs of the especially vulnerable, yet inspiring, people who comprise the world of the inner city dying poor.

Cowboy Justice - Melissa Cutler 2013-10-01

Melissa Cutler is a bright new voice in contemporary romance. --New York Times bestselling author Lori Wilde Transforming their parents' rundown ranch in Catcher Creek, New Mexico, into a tourist destination is the toughest challenge the three Sorentino sisters ever faced. But now one of them has another fight on her hands--to keep from falling for the sexy town sheriff--again. . . Rachel Sorentino has spent her whole life protecting her siblings from trouble--only to run headlong into it herself. Her first regret about shooting at the vandals targeting her family ranch is that her aim wasn't better. Her second is that when bullets started flying, it was Sheriff Vaughn Cooper's number she dialed.

Vaughn is the mistake she keeps on making, a cowboy lawman who cuts through Rachel's surface bravado to the vulnerability no one else sees. And no matter how inconvenient their attraction--for his career, her tangled case, and his already battered heart--there's no denying what feels so irresistibly right. . . Praise for Melissa Cutler's *The Trouble With Cowboys* "One hot romance from start to finish." --Carolyn Brown "Cutler grabs readers from the first page. . .one fun, passionate romp." --RT Book Reviews, 4 Stars "Sexy, savvy stuff!" --Susan Andersen
