**Crazy Love** - Lee Kilraine

She probably should NOT have told her boss he has a small...tool. The new member of Tynan Cates's construction crew might just drive him crazy. She claims she's got construction experience but...She's afraid of heights. (Climbing ladders is part of the job.) She's a hazard with a hammer. (And every other tool.) And she suggested he had a small...you know what? Never mind about that. Lulubelle Swan tells her new boss she's experienced. No, not like that. In construction. A Big. Fat. Lie. But she

needs help getting her life unstuck after tragic loss. The former soldier is just the man to help. Except she can't get him to talk about his past. Ty wants to block out the past and live in peace. The last thing he wants is some pint-sized pixie to stir up things long-buried. No matter how sexy she is. Lu wants to get unstuck so her family can stop worrying. The last thing she wants is some muscle-bound ex-soldier to make her feel things again. Sexy things. Sometimes, instead of getting what you want, life gives you what you need. If you're lucky. Crazy Love is a full-length small-town romance featuring a grumpy ex-soldier, a woman lying her butt off to gain closure, a pushy three-legged rescue dog and his cat, and a tight-knit family of brothers. It's a romance about learning to live—and love—again after loss. A little heat, a lot of heart, some humor and a sigh-worthy HEA.

*You Are Not Crazy* - David Klow 2018-02-14

People today live in psychological bubbles. They think that they are the only ones who experience what they do. Person after highly intelligent person comes into therapy thinking that there is something terribly wrong with them. They think that they are crazy, yet do not realize that everyone around them is having quite similar experiences. **YOU ARE NOT CRAZY: Letters from Your Therapist** ends the psychological isolation. It helps people realize that they are not the only ones who have strange thoughts or behave inconsistently. Psychotherapist David Klow brings deep insight, wisdom, and warmth to this process as he helps readers find new understanding about themselves. Through a series of heartfelt letters to his patients, he relates timeless and impactful information that normalizes life's struggles. **YOU ARE NOT**

**CRAZY . . .** - Is for those looking to develop insight into themselves - For anyone who wants to have more satisfying relationships - For readers who want to eavesdrop on the inner lives of others while perhaps seeing themselves through their struggles - Uses letters as vehicles for transmitting valuable information and for normalizing the process of therapy - While confrontational on occasion, the compassion and love from the therapist shine through every time  
**Crazy for You** - Kerry Cohen 2021-09-21

A psychologist and bestselling author redefines love and sex addiction as a spectrum disorder, and offers a new approach for healing. For anyone who has wondered Why does everyone else seem to be able to make romantic relationships work, and I can't? What's wrong with me? Why is love so hard? Psychologist and bestselling memoirist Kerry Cohen is all too familiar with the questions she often hears from her clients—and has asked herself. Even though sex and love are some of the most universal,

sought-after experiences we have, many of us lack the tools and understanding to approach them in a healthy way. Without knowing it, many people struggling with sex and love actually fall somewhere on the spectrum of sex and love addiction (SLA). Sex and love addiction is still wildly misunderstood. It's shrouded in secrecy and shame, and many counselors lack the training to address it—leaving people who need help without resources. Yet SLA isn't a binary of you are or you aren't, rather, it's a spectrum. Kerry Cohen knows this all too well as both a therapist and someone who identifies on the SLA spectrum. Based on research and her own clinical experience, *Crazy for You* dives into SLA and provides an inclusive framework for understanding relationships, along with practical exercises and advice for self-assessment, discovery, and healing: Part one explains the sex and love addiction spectrum, helping you determine where you fall on it and how you got there Part two introduces strategies

for breaking the spell of sex and love addiction, like behavior modifications and self-awareness techniques Part three teaches you how to navigate healthy, safe, and fulfilling relationships

**Crazy Love** - Amir Abrams 2011-10-24

If everyone wants to say I'm trippin', well, that's their problem. . . If you saw my boo Sincere, you'd totally understand why I've dropped everything--even my besties--to be with him 24/7. After all, what girl wouldn't do whatever it takes to show her first-ever boyfriend she's all he could ever want? I know I'm a prize, but relationships are tough enough when you're just a high school senior, so I've really had to up my game to keep a college freshman like Sincere interested. And if that means hacking his cell and following him everywhere, I'm down.

Because I just know what we have is for always.

**Crazy Love Therapy** - Elsa Carat 2016-08-10  
Mon credo ? Collectionner les relations sans avenir et attirer les hommes paumes, en manque d'affection... Mais j'ai pris une resolution ! Finie la collection des terriens en detresse, quitte a rester celibataire un petit moment. Oui, mais voila. Une situation etonnante va changer la donne: ma rencontre pour le moins insolite avec

Axel. A priori, rien ne cloche, seulement ma raison me freine a le connaitre davantage... Bons points: Axel est different des hommes que j'ai connu. Sexy, sur de lui, mysterieux, desinvolte. Mauvais points: Il est beaucoup trop sexy, trop sur de lui, trop mysterieux, trop desinvolte. Alors que faire ? Son pouvoir d'attraction est detonnant ! Je pourrai, en tout cas, compter sur le soutien indefectible de mes amies, fideles et non moins gaffeuses, pour corser cette rencontre et me pousser dans les bras de cette ame en peine. Toutes ensemble, nous nous lancons a corps perdu sur le chemin de l'amour, quitte a abandonner, en cours de route: bonnes resolutions, pudeur, peur du ridicule et meme, respect rigoureux de la loi ! Que l'aventure commence...

smile, cry, fan yourself, and leave you wanting more. Contained in this box set are the M/M romance novels *A Second Chance*, *Finding Love Again*, and *Where You Least Expect*. \* *A Second Chance* I never thought I'd love again. Even if I could, I didn't even know if I wanted to. I was betrayed... I had my heart broken. And I was in mourning... I lost a dear friend. Something inside me just shut down. I didn't want to go out. I didn't want to face the world. But then I saw him again... Keifer... the man who broke my heart. And it all came rushing back. The emotion, the fire... the heat... the memories... the rage. So I punched him. Yeah, I punched him real good. I thought it would be over. I never expected to keep thinking about him. I never expected that he... that he was still thinking about me. I always said to myself that I wouldn't give anybody a second chance. Cross me, and you're out, gone, and we're finished. But now I find myself changing my tune. I don't know if I'll be able to give him a second chance. But I know

that I'm going to try... and we'll see where this goes. Because I still love Keifer. And doesn't love deserve a second chance? \* *Finding Love Again* William knew he'd never walk again. He'd lost that part of his life... but he never thought he'd lose more. Lose his wife. Lose his life. The injury changed everything. They injury stole everything. He was ready to give up hope. The only thing he still lived for was his physical therapy sessions. The only thing he still lived for was his budding friendship with his therapist, Lucius. The man was kind and gentle, listened and helped. He was the only support William had. And to William's surprise, he realized that he was beginning to fall in love with his physical therapist. Now... now an ex-wife and ex-life later, he's finding a reason to hope again. To live again. And... to love again. \* *Where You Least Expect Love* is confusing. It intertwines with lust, with a base attraction so animal and powerful, it can make a man do things he shouldn't. It can make a man think things are

one way... when they are the other. I thought I was in love with Terrence. He was everything I wanted in a man. But I slowly began to realize that I was just in love with the fantasy of him. Terrence in theory. And the person I was really falling in love with... the man who would stand by my side, love me, support me... Was someone I could never have imagined. Greg used to cruise for girls. Greg was the ladies man on campus, a star athlete back in the day. And here he was... his gorgeous eyes looking right through me. And he's telling me that he's falling for me... And that this could be the beginning of our happily ever after. \*

Daniela's Crazy Love: The Prequel - Emily Jane Trent

Daniela Rinaldi's first love broke her heart. Cooper Burke left love behind for a career in major league baseball. This is The Prequel to Daniela's Crazy Love: The Novel - a steamy romance about a second chance at love. The devastating breakup with the high school baseball star hurt Daniela deeply. Even now, she may be unable to resist his charms. When Cooper shows up unexpectedly, he seems to be hiding something. Daniela suspects that he is frightening her for reasons she doesn't understand. Cooper was the last person she expected to be following her. But there he was, as annoyingly handsome as before. His short brown hair and pale green eyes had not failed to make her want to fall into his arms. And right then, it was no different. For some reason, her mind couldn't conceive that he had been gone

nearly four years. Quite the opposite, it felt as though time stood still, like he had not left at all. He had been waiting for her, patiently anticipating her next words. "Cooper! You scared me to death!" Could Cooper be the one who is terrorizing Daniela, or is she imagining it? And if he isn't, then who is the man in the shadows? This Prequel is the beginning of Cooper & Daniela's romance. The love story continues in Daniela's Crazy Love: The Novel. Genres: New Adult Romance, Romantic Suspense

**Crazy Love** - W. Brad Johnson 2007

The scenario is all too common: Girl meets guy (or Guy meets girl). Guy is smart, charming, and maybe even endearing. Girl falls in love. As the relationship progresses Guy's serious personality problems begin to surface. She gets longer and more vivid glimpses of habits and tendencies she didn't notice at first. With about 15% of the adult population suffering from one or more personality disorders -- that's over 16 million potential relationship partners, says the National Institutes of Health -- finding the right partner and maintaining a healthy love relationship is harder work than we thought!
