## **SM 101** - Jay Wiseman 2011-11-22

100,000 COPIES IN PRINT! The long-taboo subject of consensual BDSM (bondage/discipline, dominance/submission, sadomasochism) is coming "out of the closet" - much to the delight of the millions of adults who enjoy engaging in bondage, spanking, erotic role-playing and similar consensual practices. With chapters on everything from partner-seeking to afterplay, including step-by-step guides to bondage, spanking, flagellation, roleplay, erotic torment and much more, Jay Wiseman's SM 101 has taught the fundamentals of safe, exciting SM to tens of thousands of people of all genders and orientations! "If you want to read SM nonfiction that has a pulse and passion, that inspires as much as it instructs, SM 101 is the book for you." - Joseph Bean, Drummer

## **Different Loving** - Gloria G. Brame 1993

Discusses dominance, submission, and their related activities, including transgenderism, corporeal punishment, fetishism, body modification, and other carnal acts

## **The Loving Dominant** - John Warren 2001

John Warren, known as "Mentor" to the many who have read his books or hearkened to his sage advice at his workshops and gatherings, brought his decades of BDSM experience to his classic manual "The Loving Dominant". Out of print for several years, this classic is now available once again, now in a revised and updated second edition in a quality trade binding. From its advice on "Stalking the Wild Submissive" to its extensive Resource Guide, "The Loving Dominant" offers perhaps the greatest breadth of subject of any basic BDSM guide available today -- including some basic toymaking patterns and an entire chapter on BDSM photography!

## **Ties that Bind** - Guy Baldwin 1993

The SM/Leather/Fetish Erotic Style - Issues, Commentary and Advice A well known psychotherapist and SM expert offers advice regarding relationships, the community, the SM experience, and personal transformation.

## **The Complete Guide to Safer Sex** - Clark Taylor 1999

Explores the sexual aspects of AIDS prevention while explaining how to minimize the risk of infection and how to create a safer and healthier sexual life style.

## **Confronting Christianity** - Rebecca McLaughlin 2019-04-17

Although many people suggest that Christianity is declining, research indicates that it continues to be the world's most popular worldview. But even so, the Christian faith includes many controversial beliefs that non-Christians find hard to accept. This book explores 12 issues that might cause someone to dismiss orthodox Christianity—issues such as the existence of suffering, the Bible's teaching on gender and sexuality, the reality of heaven and hell, the authority of the Bible, and more. Showing how the best research from sociology, science, and psychology doesn't disagree with but actually aligns with claims found in the Bible, these chapters help skeptics understand why these issues are signposts, rather than roadblocks, to faith in Christ.

## **The (New and Improved) Loving Dominant** - John and Libby Warren 2012-12-12

Previous editions of The Loving Dominant taught more than 40,000 people the fundamentals of safe, affectionate dominance and submission. Now John and Libby Warren, two of the scene's most respected educators, have updated this seminal work for a new generation of practitioners. Includes an all-new chapter on partner-finding, plus new information on electricity play, ethical play with multiple partners,

watersports, kinky digital photography, and more!

## **Sexual Outsiders** - David M. Ortmann 2013

This study draws on common sense, humor, anecdotes, interviews, history, clinical case studies, analyses of human behavior, and basic ideas from psychology and philosophy to illustrate the real lives and experiences of men and women in BDSM communities.

## **Different Loving** - William Brame 1996-01-13

"A detailed, eye-opening account of the real sexual underground in America . . . a thorough and serious study."—Playboy From Different Loving: In order to understand unusual sexualities such as dominance and submission, one first has to consider the question 'What is normal?' If the unique function of sex is reproductive—and the only reason men and women should engage in sex is for the purpose of creating a new life—then only heterosexual intercourse is normal. By this standard, many common acts, even contraception, must be considered aberrant. Reproductive relevance was the Victorian standard of normalcy, and even today many of the laws in the United States still abide by that model. But people have always pursued sex for both reproduction and for pleasure and well-being. We start from the premise that sex for pleasure is a normal human drive and is acceptable when it brings pleasure to both partners. From this perspective, D&S is simply a 'different' kind of loving. We hope to add to the greater body of knowledge about what people really do behind closed doors with the people they most love and trust. Perhaps Different Loving will help open the door for further research into the mystery, beauty, and complexity of human life and its diverse expressions. Praise for Different Loving "The definitive guide to the sexual styles of those who walk on the wild side."—Kirkus Reviews "As a window on largely unexplored territory, Different Loving is a breakthrough in the dialogue on human sexuality, and a significant work of popular sociology."—South Bend Tribune "A comprehensive primer on loving with leather and romance by riding crop."—Michael Musto, New York Daily News

## **Come Hither** - Gloria G. Brame 2001

How do you tell your partner that you'd like to be spanked? Where can you find a good dominatrix? If your husband likes to wear your underwear, does that mean he's gay? What really goes on at S&M clubs? This is a frank, friendly guide on how to turn your secret fantasies into satisfying expressions of love and desire. It is full of practical advice, quizzes you can complete alone or with friends, and a glossary of kinky slang.

## **Sensuous Magic** - Patrick Califia-Rice 2001-11-09

Mixing erotic vignettes with practical how-to suggestions and personal insight, 'Sensuous Magic' is Califia's classic beginner's guide to S/M for couples who harbour fantasies of erotic dominance and submission. Experienced players will appreciate the breadth of Califia's knowledge of safety and technique and his insights into the psychology of S/M. Novices will be reassured by Califia's honest, unpretentious approach.

## **Conquer Me** - Kacie Cunningham 2011-03-28

Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.

## **Screw the Roses, Send Me the Thorns** - Philip Miller 1995

Light-hearted and fun to read, SCREW THE ROSES, SEND IN THE THORNS tells readers everything they need (and want!) to know about sadomasochism. Deeply committed to the blend of trust, fantasy and sensuality that makes S/M an intensely erotic and deeply intimate experience, Miller and Devon here offer everyone - from the complete novice to the well-practised sub or dom - clear explanations, solid advice, safety measures and steamy suggestions. Illustrated with over 225

photos and illustrations, the book also includes a glossary and 30-page resources listing.

**Pro-Domme** - Aleta Cai 2019-04-15

In this guide, you'll learn practical steps towards becoming a professional dominatrix. You'll learn how to brand yourself, how to advertise, how to vet clients as well as how to sustain your business. Additionally, there are 24 lessons that I, Aleta Cai, a well-known independent dominatrix in NYC learned through my experience in the industry over many years.

Different Loving - Gloria G. Brame 1998

Different Loving Too: Real People, Real Lives, Real BDSM - Gloria G. Brame 2015-12-14

The long-awaited sequel to 1993's *Different Loving*, the book that introduced BDSM to the mainstream, *Different Loving Too* takes a deep dive into the secret world of BDSM and how it has changed in the 21st century. Often emotional, always intimate, people who told their stories back then have come back to bare their souls - sharing highlights, low points, lessons learned and their secrets to successful BDSM relationships. Intriguing anecdotes, in-depth interviews and Community Dialogues are skillfully stitched together with Dr. Brame's well-known insight and renowned sexological scholarship. Readers new to BDSM will find this a bracingly honest look at a still taboo subject. Experienced BDSMers will be amazed at the Scene luminaries they recognize and the true history they reveal. Advance praise for *Different Loving Too*

*Different Loving* was a revolutionary and influential book, not just for me personally, but for how kink and BDSM was framed at an important time in our history. By including some of the same interviewees from the original book, as well as adding a whole new batch of kinksters, *Different Loving Too* continues the tradition. It explores how the kink community has evolved, along with the threads that still connect us to our past. All in all, it's a fascinating book for anyone interested in BDSM from a personal or academic standpoint. -- Kali Williams, Founder of KinkAcademy.com

If you think all people who practice BDSM are the same, think again. *Different Loving Too* illuminates the wide range of motivations, meanings, and practices of kinksters, and offers a fascinating look behind the dungeon (and bedroom) door. No matter how much experience you do or don't have in the scene, you're sure to learn something new. -- Rachel Kramer Bussel, Editor, *Dirty Dates: Erotic Fantasies for Couples*

How to Be Kinky - Morpheous 2012-11-13

*How to be Kinky* is a primer on the multi-faceted world of kink and getting into BDSM play. It is for beginners and novices, couples and

singles. Morpheous' comprehensive guide to kink addresses all aspects of kinky play, such as how to turn bedrooms into a den of iniquity, how to maintain physical and emotional safety during play and proper protocols and etiquette at fetish events. Fully updated, this enhanced second edition is reworked in full-colour, with gorgeous and sexy photos, as well as 15 easy to follow photo essays.

Leading and Supportive Love - Chris M. Lyon 2012-10-26

Have you felt 'left out' of the traditional relationship self-help books because you derive great pleasure from following your partner's requests and direction on many things in your life? Or do you respond to the natural inclination to guide, direct and protect your partner? Are your friends and family having difficulty understanding that your relationship works more like a captain and first mate on a boat? If so, this innovative book, *Leading and Supportive Love, the Truth about Dominant and Submissive Relationships*, can help with new and clearer understanding of yourself, your relationship and acceptance with those that you love and care for. The Dominant and Submissive Relationship is an ancient and contemporary harmonious dance that has become mysterious, magnetic, powerful, and controversial in modern day society. It may not be what you think, and some of the truth may surprise you! It's a law of nature for socialized animals and humans to have hierarchical relationships. There are those who answer that call in a more literal, thorough way. The couple has a 'pack leader'; or a dominant leader; and a submissive member. Through history to modern day, both roles have been held by both men and/or women...Oh and yes, this is a relationship where both partners are equals. Read about case illustrations, research insights, relationship help, and surprising details that may make you look at this type of long-term, committed relationship in a whole different way, no matter what gender you are! Do you identify with one of these lists of traits? Most people either do identify or know someone who does. If so, this unprecedented book is for you! S-Type Service to your partner is of great priority to you and you take it very seriously. Decisiveness, direction, and guidance from your partner makes you feel secure and loved. You avoid conflict and are generally non-confrontative in nature in close relationships. You greatly appreciate your partner being clear and direct with communication, so there are no doubts about what the expectations are. You appreciate the freedom that comes from structure, surrender, and personal discipline. L-Type You have natural dominant traits and seem comfortable and confident when using them. You place an importance on follow-through and follow-up from your partner. You step into your natural abilities to lead, guide, protect and direct. It's important to you that you earn trust from your partner. You will not ask for it or demand it up front. You feel safe, secure and valued when your partner trusts you to lead and make decisions in the areas agreed upon.
