**That Which Awakens Me** - Ananda Kiamsha Madelyn Leeke 2009-11

In the poetic memoir *That Which Awakens Me*, Ananda Kiamsha Madelyn Leeke shares her journey of self-discovery from a law school graduate to a creative woman who learned to open the door to authentic living. When Leeke graduated from law school in 1989, she was a twenty-something with a life plan focused on becoming a successful attorney. Using her multiple bar exam failures and two bouts of unemployment as a catalyst for self-discovery and lifestyle reinvention, Leeke followed her own unique path during the past twenty years and made changes in the way she feels, thinks, lives, works, and manages her finances. Through poetic reflection and personal stories, she shares the lessons that taught her to trust her intuition, expand her spiritual practices, heal emotional wounds, tap into her creativity, discover her passions, open her eyes to hidden opportunities, volunteer and serve her local community, travel the world, and heed her calling as a writer, artist, creativity coach, yoga teacher, Reiki Master practitioner, radio host, blogger, social media strategist, and innerpreneur. *That Which Awakens Me* provides insight for anyone seeking guidance on how to both handle and benefit from the ups and downs of their own life journey.

**To Have, to Hold, and to Never Let Go** - Cattina C. Coleman 2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.

**Astrology for Real Relationships** - Jessica Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac

knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

"Cupid... Wesley shut up." I think he heard me or maybe he didn't because I said it so fast. "What did you just call me?" Oh, shit. "Nothing, I said Wesley." He starts walking toward me and I backed up slowly. "No, you did not you called me Cupid. How did you know my name or did you know the whole time?" I ran upstairs but he was too quick for me. "Get off of me!! Stop!! Why would you pretend to be someone you're not?" I said to him. "Stop moving I'm not going to hurt you, stop."

**SignMates** - Bernie Ashman 2000

Dispelling the myth that only certain Sun signs are compatible with each other, this book shows how, by working through the strategies suggested for one's sign combination, differences can be turned into assets rather than liabilities.

*Tears of Longing* - Christine Reiko Yano 2002

Enka, a sentimental ballad genre, epitomizes for many the nihonjin no kokoro (heart/soul of Japanese). To older members of the Japanese public, who constitute enka's primary audience, this music--of parted lovers, long unseen rural hometowns, and self-sacrificing mothers--evokes a direct connection to the traditional roots of "Japaneseness." Overlooked in this emotional invocation of the past, however, are the powerful commercial forces that, since the 1970s, have shaped the consumption of enka and its version of national identity. Informed by theories of nostalgia, collective memory, cultural nationalism, and gender, this book draws on the author's extensive fieldwork in probing the practice of identity-making and the processes at work when Japan becomes "Japan."

**The House of the Scorpion** - Nancy Farmer 2013-08-01

As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive.
