

# Father And Daughter In A Relationship

Daughters Need Fathers, Too -  
Tina M. Kelly Ph. D.  
2017-12-22

Fathers are important role models for their daughters. They are the first men that their daughters relate to, and the relationships with their fathers set the tone for any relationships their daughters have in the future. There is no doubt that fathers-daughter relationships impact daughters both positively and negatively. There are similarities between the father-daughter relationships, the daughters' perception of themselves, and how other men perceive them to be. Daughters drastically need their fathers support, acceptance, and love. Daughters who have positive relationships with their fathers are left with strong values, confidence, and high self-

esteem. The daughters who have experience failed relationships with their fathers are in need for compassionate relationships with other men and other people who are vulnerable to their plan. Daughters who suffer from negative relationships should learn to place high values on themselves, acknowledge that they are somebody, and that they hold the key to their own happiness. Many people do not identify the impact fathers have on their daughters' lives. As a result, these daughters can go through endlessly with no expectations of healing from the damage caused by lack of positive relationships with their fathers. If one is to comprehend the impact of father-daughter relationships, one must be open to comprehend the effect of that

## Father And Daughter In A Relationship

relationships. Fathers' impacts their relationship with their daughters, especially the role fathers play after divorce. After parents' divorce, daughters have various feelings of support, love, comfort, discomfort, honor, and disappointment. When fathers are part of their daughters lives, they grow up feeling safe, secured, and protected, because their fathers were always around. Daughters needs their fathers to be the standard against which they will judge all men.

Fathers' Daughters - Maureen Murdock 1996

For many women, the most important relationship in their lives has been with their father. Using myth, fairy tale, literature, and real-life stories, Jungian therapist Maureen Murdock reveals the unspoken truth about daughters and the immense power the fathers they idealize have over them.

The Language of Love and Guilt - Ruth Wodak 1986-01-01

Although mother and daughter are two central female roles, they have rarely been

investigated. The relationship is specific, certainly different than the mother-son or father-daughter relationships. And this difference manifests itself in sex-specific language behavior. Despite 'eternal' features of the mother-daughter relationship, its quality is affected by individual psychological and by sociocultural variables. Thus, investigations took place in two big cities with very different structures and traditions: Vienna and Los Angeles. This is the first cross-cultural study which reflects and combines multiple linguistic, socio-psycholinguistic and text linguistic categories, approaches and methods to be able to investigate such an important topic as family relationships and the 'place' of women nowadays in our societies.

*Embracing Your Father* - Linda Nielsen 2004-03-17

An expert in father-daughter relationships shows daughters how to forge a new path to communication with their fathers Psychologist Linda

## **Father And Daughter In A Relationship**

---

Nielsen shows readers how every daughter can transform her relationship with her father--if she is willing to be the adult who does the emotional embracing rather than the angry, hurt little girl waiting for Daddy to embrace her. Based on her popular Fathers and Daughters course--the first in the country devoted to exploring father-daughter relationships--Nielsen shows every woman how to: Go first and initiate a better relationship Examine her expectations regarding her relationship with her father Cultivate self-reliance Get to know her father as a person Explore her mother's role in the relationship Stay connected, even through divorce

### **How to Father a Successful Daughter** - Nicky Marone

1988

HOW TO FATHER A SUCCESSFUL DAUGHTER reveals, step by step, how a father can provide high-quality parenting for his daughter, promote self-esteem and confidence that will take

her through her adult years, and offer the first -- and crucial -- supportive male role in his daughter's life.

Wounded Woman - Linda Schierse Leonard 1982-01-01  
This book is an invaluable key to self-understanding. Using examples from her own life and the lives of her clients, as well as from dreams, fairy tales, myths, films, and literature, Linda Schierse Leonard, a Jungian analyst, exposes the wound of the spirit that both men and women of our culture bear—a wound that is grounded in a poor relationship between masculine and feminine principles. Leonard speculates that when a father is wounded in his own psychological development, he is not able to give his daughter the care and guidance she needs. Inheriting this wound, she may find that her ability to express herself professionally, intellectually, sexually, and socially is impaired. On a broader scale, Leonard discusses how women compensate for cultural devaluation, resorting to

## Father And Daughter In A Relationship

passive submission (“the Eternal Girl”), or a defensive imitation of the masculine (“the Armored Amazon”). The Wounded Woman shows that by understanding the father-daughter wound and working to transform it psychologically, it is possible to achieve a fruitful, caring relationship between men and women, between fathers and daughters, a relationship that honors both the mutuality and the uniqueness of the sexes. *The Wounded Woman* - Linda Schierse Leonard 1982-01-01 This book is an invaluable key to self-understanding. **Between Fathers and Daughters** - Linda Nielsen 2008

At last! A no-nonsense, entertaining, and insightful book for dads and daughters who want more from their relationship--or who want to

## **Father And Daughter In A Relationship**

---

understand and rebuild it on an adult level. Dr. Linda Nielsen addresses the questions that daughters and dads regularly ask her--and a lot more. Based on two decades of work with hundreds of dads and daughters, **BETWEEN FATHERS AND DAUGHTERS** summarizes cutting-edge research in clear language and offers compelling stories about real people--including well-known celebrities. With candor and humor, **BETWEEN FATHERS AND DAUGHTERS** exposes the half-truths, downright lies, and family dynamics that prevent so many dads and daughters from having a more relaxed, more meaningful, more communicative relationship, regardless of age. Explaining why most daughter-dad relationships haven't reached their full potential or have unraveled, Nielsen provides hope as she shows fathers and daughters how to make changes now!

**Fathers and Daughters** - Sue Sharpe 2013-04-15  
Fathers and Daughters

explores the complex nature of this subject using the voices and experiences of both fathers and daughters. Sue Sharpe provides an examination of the important processes operating within the relationship such as those affecting gender roles, achievement, teenage sexuality, women's relationships with men and ageing. It is an original and captivating treatment of a strangely neglected subject. Sue Sharpe is a free-lance writer and researcher based in London.

**Improving Father-Daughter Relationships** - Linda Nielsen  
2020-05-27

Improving Father-Daughter Relationships: A Guide for Women and Their Dads is essential reading for daughters and their fathers, as well as for their families and for therapists. This friendly, no-nonsense book by father-daughter relationships expert, Dr. Linda Nielsen, offers women and their dads a step-by-step guide to improve their relationships and to understand the impact this will

---

have on their well-being. Nielsen encourages us to get to the root of problems, instead of dealing with fallout, and helps us resolve the conflicts that commonly strain relationships from late adolescence throughout a daughter's adult years. Showing how we can strengthen bonds by settling issues that divide us, her book explores a range of difficult issues from conflicts over money, to the daughter's lifestyle or sexual orientation, to her parents' divorce and dad's remarriage. With quizzes and real-life examples to encourage us to examine beliefs that are limiting or complicating the connection between fathers and daughters, this guide helps us feel less isolated and enables us to create more joyful, honest, enriching relationships.

**I Love You Daddy** - Roger Carlson 2019-03-09

This thirty-six illustration picture book is an engaging depiction of a relationship between a dad and his daughter. It demonstrates the values that the dad strives to

instill in his daughter. It portrays the very unique bond between a dad and a daughter. Highlighted in this book is an appropriate response to stress and disappointment. This dad's love for his daughter is steadfast which sets the stage for daughters growth and development. Parents and children thrive in the environment presented in "I love you Daddy."

*A Melody to My Father* - Alicia B. Thompson 2009-12

*A Melody to my Father* is a dialogue between a daughter and her father. The daughter Michal is determined that some changes need to be made in her life. Michal will pursue her dream of getting rich at all cost, no matter who she hurts in the process. Ironically, in the midst of a life changing event in Michal's life she is faced with guilt and depression and the only way she can escape her hurt is to find encouragement from her Father. Through Michal's relationship with her Father she learns who she really is and what life is all about.

## **Father And Daughter In A Relationship**

---

Women and Their Fathers -  
Victoria Secunda 1992

A powerful, groundbreaking exploration of the father-daughter relationship and its influence on a woman's life--from the author of *When You and Your Mother Can't Be Friends*. . . . you'll better understand how Dad may powerfully influence your romantic choices".--New Woman.

**Daddy: Reflections of Father-Daughter Relationships** - K E Garland  
2018-05-25

A father's presence is important in a daughter's life. He is the first man a little girl sees and knows. He demonstrates how men relate to women. But what happens when the father-daughter relationship is dysfunctional? Daddy answers that question. Included are fourteen memoirs that describe the impact a failed father-daughter relationship can have. These women share essays and narratives that detail various stages of breakdown. Whether an event occurred in childhood,

adolescence, or adulthood, each story explains how their father's physical, emotional, or psychological abandonment has affected them. The book is separated into two parts. Part I shows the proverbial truth in the phrase, hurt people hurt people. While some stories confirm why or how men mistreat their daughters, others show how daughters sometimes internalize neglect and continue the cycle either with the relationship they have with themselves, or others. Part II illustrates how compassion can lead towards a path of inner peace and happiness, no matter the state of the relationship.

**Fathers and Daughters** -  
Madonna King 2019-06-13  
What do girls think about their fathers? And what are fathers struggling with when it comes to their relationship with their daughters? Award-winning journalist, author and commentator Madonna King has interviewed over five hundred girls and many fathers, as well as leading psychologists, school teachers,

## **Father And Daughter In A Relationship**

---

CEOs, police, counsellors and neuroscientists, to get the answers all mothers, fathers and daughters need to know. Exploring a father's role in his daughter's life from both perspectives, Madonna examines the key issues that arise and helps families navigate the, sometimes, very difficult moments. This essential and insightful book reveals why daughters can turn against their fathers and explores:

- Communication
- Teen rebellion
- Discipline
- Sexual education
- Divorced families
- How much influence can/should a father have and what you can do to repair a broken relationship?

FATHERS AND DAUGHTERS will give a voice to our girls, insight to our fathers and peace of mind to both.

### *Father-Daughter Relationships*

- Linda Nielsen 2019-06-04

In this fully revised new edition, *Father-Daughter Relationships: Contemporary Research and Issues* summarises and analyses the most relevant research regarding father-daughter

relationships, aiming to break down the persistent misconceptions regarding fatherhood and father-daughter relationships and encourage the reader to take a more objective and analytical approach. The research is brought to life with compelling personal stories from fathers and daughters, including well-known celebrities and politicians. Boxed quizzes and questionnaires show students how the research can be applied to their own lives while others highlight the relationships between real-life fathers and daughters. Nielsen discusses the father-daughter relationship within a diverse range of family structures, including divorced and separated parents, gay parents, adopted children and children of sperm donors. Covering a wide range of topics, including the father's impact on his daughter's cognitive, academic, social and physical wellbeing, ethnic minorities, and incarcerated or abusive fathers, *Father-Daughter Relationships: Contemporary*

## **Father And Daughter In A Relationship**

---

Research and Issues gives panoramic view of the most recent research and statistics. This book is essential reading for upper level undergraduate and for graduate students, as well as for practitioners working with families, such as social workers, mental health professionals and family counsellors. It is especially relevant for courses in psychology, sociology, women's studies, and counselling. Linda Nielsen is a Professor of Adolescent and Educational Psychology at Wake Forest University. A member of the faculty for 35 years, she is a nationally recognized expert on father-daughter relationships. Father-daughter relationships in Shakespeare's plays Cymbeline, Hamlet, King Lear and Othello - Valdrina Stublla 2019-05-09

Seminar paper from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Basel (Englisches Seminar), course: Shakespeare's Roman Plays, language: English, abstract:

The relationship between fathers and daughters is a powerful source of Shakespeare's plays, which he chose to explore in great depth. By focussing on Shakespeare's dramas "Cymbeline", "Hamlet", "King Lear" and "Othello", I will try to examine the complex and provocative relationship between fathers and daughters. These literary works provide four different father-daughter relationships between Cymbeline and Innogen, Polonius and Ophelia, King Lear and Cordelia and Brabantio and Desdemona. The plays have in common that they take up the stories at the point at which the daughter is moving out of the sphere of her father's control and starts to become independent. The topic will be introduced by considering the historical background, which will help understand the situation of women at Shakespeare's times and the cultural dimension of the relationship a woman had to her father. Following this, on the basis of Shakespeare's

---

dramas I will explore the challenges that daughters had to face by considering the fathers' responses to transitions in her life like marriage. How do daughters handle the situation of leaving their fathers for the commitment of marriage and filial obedience? Are the fathers ready to release their daughters into adulthood?

The Unavailable Father - Sarah S. Rosenthal 2010-04-06

Strategies for overcoming a damaged father/daughter relationship Problems between fathers and daughters can damage a young girl's identity, convince her she's unloveable or without worth, and send her into unhealthy adult relationships. This groundbreaking book includes in-depth stories and case histories of a broad spectrum of women over 25 who have recovered and flourished in their professional and personal lives despite the lack of a father's recognition and affection. While the legacy of pain that these fathers leave is deep, there is much that can be

done to alleviate and even conquer it. Using these women's stories as well as her insights from her private practice, the author outlines basic strategies to overcome the void left by an abusive, absent, alcoholic, mentally ill, irresponsible, selfish, or unloving father. Written by Sarah Simms Rosenthal who has a thriving practice in New York City Reveals how to understand the truth about your childhood Includes strategies for discovering and analyzing past adult relationship mistakes—both personal and professional Offers successful techniques for establishing new patterns of behavior The women whose stories are told in The Unavailable Father have learned to recognize and change the patterns instigated by their dysfunctional fathers and have moved forward, fulfilled.

**Father-Daughter Relationships** - Linda Nielsen 2012-05-04

The first research-based text that focuses on the impact of

## **Father And Daughter In A Relationship**

---

the father-daughter relationship, this provocative book examines the factors that can strengthen or weaken these relationships and the impact that these relationships have on society. The research is brought to life with compelling personal stories from fathers and daughters, including well-known celebrities and politicians. Controversial questions engage the reader and film lists and website resources demonstrate the relevance of the research. Boxed quizzes and questionnaires show students how the research can be applied to their own lives while others highlight the relationships between actual fathers and daughters. Bold faced terms, a conclusion, and review questions keep readers focused on the key concepts. How these relationships are often ignored or denigrated in the media and in some mental health and legal systems is examined. The hope is that readers will apply the research to their own families and/or work. The book addresses:

What is "good" fathering? How do daughters influence their fathers' well-being? How do fathers affect their daughters' social, academic, athletic, and psychological development? How are problems such as depression, eating disorders, and teenage pregnancy related to the quality of these relationships? How are father-daughter relationships in ethnic and racial groups unique? How do incarceration, abuse, gay or lesbian relationships, military service, immigration, and poverty affect father-daughter relationships? The book opens with the importance of the father's role on daughters and the changing patterns of these roles. Chapter 2 examines the myths and misconceptions of father-daughter relationships including how they are portrayed in the media and the differences between parenting styles. Chapter 3 explores the behaviors that constitute "good" fathering. Scales used to measure "good" fathering are included. How fathers affect their daughters' social,

## **Father And Daughter In A Relationship**

---

academic, intellectual, athletic, and psychological development is then considered. Factors that can weaken father-daughter relationships, such as divorce, including various theoretical perspectives, are explored in chapters 5 and 6. Father-daughter relationships of racial or ethnic minorities and an array of potentially destructive situations that affect these relationships are the focus of chapters 7 and 8. The impact of fathers who are incarcerated, abusive, alcoholics, gay, or sperm donors are considered. The book concludes with suggestions on where we go from here. Intended as a supplemental text for upper-level undergraduate or graduate courses on father-daughter relationships and/or parenting taught in human development, family studies, psychology, sociology, counseling, social work, and women's studies, this practical book also appeals to mental health practitioners, social

workers, legal professionals, and school counselors interested in these relationships.

### **Shepherding a Child's Heart: Parent's Handbook -**

Tedd Tripp 2001-07-01

The Shepherding a Child's Heart Parent's Handbook is not just a fill-in-the-blank study guide that rehearses the material in Shepherding a Child's Heart. In the ten years since the publication of Shepherding, Tedd Tripp has had the opportunity to teach on childrearing to thousands of young parents across the country and in many other parts of the world. That, coupled with ten years of insights into God's Word on the subject, has resulted in a broader and deeper understanding of the content and application of Shepherding a Child's Heart. Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children.
