*The Bodyguard Next Door* - Cynthia Eden

2022-05-10

He's danger and a wicked, hot grin... Iris Stuart may have a small crush on her neighbor. After all, Pierce Jennings is gorgeous, muscled, and he has a laugh that makes her toes curl. But she is not going down that particular path of temptation with the former Army Ranger and current Wilde agent. Nope. Not happening. They'll stay in the friend zone because it's safer that way. Safer for her—and for him. Even if looking into his baby blues makes her heart race. She's sunshine, secrets, and a bit of sin... Pierce's new neighbor wears paint-splattered jeans, she smells like sin, and he wants to put his hands all over her gorgeous body. Too bad she's friend-zoned him. Too bad she's starring in most of his fantasies. Too bad he can't get her out of his head. But when danger comes knocking, he's just the man she needs. So Iris may have a slightly infamous past—and a family who more than dabs in art forgeries. Iris inherited some of their not-so-slightly shady skills, and unfortunately, now some dangerous people want to use her. When the bad guys don't take no for an answer and they try to abduct her, it's her sexy bodyguard next door who comes to her rescue. Suddenly, she's got his protection. The bad guys want her art skills, the Feds in stiff suits want her to work a sting, and Pierce? He just wants her to be his. And what Pierce wants, he will get. Even if he has to take down an undercover art ring and take on the Feds, he will stay by Iris's side. He's not just going to be her bodyguard. Before they are done, he plans to be one hell of a lot more to her... Author's Note: Does it get better than having a seriously buff, ready-to-handle-any-threat bodyguard...right

next door? For Iris Stuart, this turn of events is probably the best thing that has ever happened to her. But falling for sexy Pierce wasn't supposed to happen. She's the bad girl. He's the hero. Except...maybe a bad girl can win the heart of the hero, provided, of course, that they can survive the danger heading their way. It's time for another WILDE ride. What can you expect? Hot times, lots of danger, humor, thrills...and a guaranteed happy ending.

**Bad Billionaires 4** - Elise Faber 2022-05-18  
 Bad Engagement Kate McLeod was desperate. Her younger sister was having her first baby, her younger brother was recently married, and . . . Christmas was coming. And in the McLeod household, Christmas was everything. Every year her parents' house looked like an assembly of angels had puked everywhere. She was talking lights and glitter, garland and plaid. EVERYWHERE. All of that Christmas spirit was topped off with the annual McLeod Holiday Party, complete with mistletoe and happy couples and . . . her lonesome single ass. Kate, the one everyone tried to set up with their friend or cousin or coworker. Kate, the oldest and pathetically unmarried sister. Kate, the sad, single San Franciscan. Well, this year she had a plan. She was going to get herself engaged. A diamond ring on her finger was the perfect way to get her family to back off. And she had just the perfect guy in mind. Bad Bridesmaid It began with a cock. Of the rooster variety. It ended with a groomsman toppling into the wedding cake. Heidi hadn't meant to be a bad bridesmaid. She loved her best friend and the man Kate was marrying. Who she didn't love? The groom's brother. The cocky—no pun intended—jerk had made Heidi aware of exactly what he thought of her. That being, she wasn't worth anything more than a quick romp and a disappearing act before the sun rose. Fine. Whatever. She'd done her own version of the Disappearing Act on more than one occasion. It didn't matter that she had thought they had shared something . . . well, something more. Clearly, she'd been wrong, and now he was dead to her. Of course, that was before she had to walk down the aisle with him. Because that's when all hell broke loose. Bad Swipe Stef blamed the dating app. She saw his picture—his smile, the rugged line of his jaw, the way the

man could fill out a suit, and like an idiot, she fell a bit in love with him. Idiot because no one ever really looked like their profile pic. Idiot also because if the man did look like his profile pic then he certainly wasn't going to be into a science geek who binged old Sci-Fi shows on the regular, and whose longest relationship was with her golden retriever named Fred. But in a night of drunken insanity, she swiped right on the picture she'd been drooling over for months. Then in a morning of hangover unpleasantness, she saw that he'd swiped right, too. And suddenly, she found herself on a date with the man of her dreams. The only question was whether or not he lived up to them.

Everyone deserves a Christmas treat... The annual Wheaton gingerbread exhibit (a model village made of gingerbread) and grotto has been an important part of the sleepy Cotswold hamlet's Christmas celebrations for decades. For years the gingerbread exhibition drew visitors

from across the region and each year the model town grew more elaborate and ambitious but recently, interest has been dwindling. The gingerbread grotto needs to be rehomed or close forever. Sixty-four-year-old Margi, the event's founder, has had enough of village life (and its total lack of eligible men) and is planning to sell up and head to Birmingham to live closer to her niece. She has lost her spark and her Christmas spirit and decides this will be her last gingerbread village, but despairs when she finds her only support is her old friend, Izzy, her niece Lucy from Birmingham, and Fern, the shy young farmer's daughter. Oh, and Patrick, the gorgeous, reliable school caretaker. As if this wasn't enough, Lucy is determined to get her out dating again and persuades her to try some online dating apps but Margi's had her heart broken too many times and wonders if she has just missed her chance. The Coziest Corner *All of Me: Rod & Daisy Complete Duet* - A.D. Justice 2021-08-12

This is the complete duet of ALL I WANT & ALL I NEED. BOOK 1: ALL I WANT Right time. Right place. Right woman. I was blowing off steam when a guys' trip led to a hot fling. She was exactly what I needed for our ten days together. I said I'd never fall in love. I said I'd never get attached. We were never supposed to see each other again. We were never supposed to be anything more. But when she comes back into my life, I remind myself of one thing: Wrong place. Wrong time. Wrong man.

BOOK 2: ALL I NEED Right time. Right place. Perfect woman. Can a leopard really change its spots? Normally, I'd say there's no way. But then, she has been the exception to my rule from day one. We weren't supposed to see each other again. We weren't supposed to fan the spark into an inferno. There's no turning back now. All I have to do is convince her of one thing: Right time. Right place. Right Man. *Bad Bridesmaid* - Elise Faber 2021-03-01 It began with a cock. Of the rooster variety. It ended with a groomsman toppling into the wedding cake. Heidi hadn't meant to be a bad bridesmaid. She loved her best friend, and the man Kate was marrying. She just didn't love the groom's brother. The cocky—no pun

intended—jerk had made Heidi aware of exactly how little he thought of her. Fine. Whatever. She'd thought they'd shared something...well, something more. Clearly, she'd been wrong, and now Brad was dead to her. Of course, that was before she had to walk down the aisle with him.
