It also will give him a signal that sounds like a text is coming in when another love interest is closing in, so that he has ample time to move his situation to another location. It gives him the details about what direction the woman is coming in from and her estimated time of arrival. It's called the Polyamory Handler (PH) for short. It was designed for people who like to have more than one relationship going at a time and prefer to keep them secret. And the little app has made him rich. He's just turned thirty-five and the lifestyle he's leading is a thing he has always wanted. That's until he sees her again.

After I Break (Immortal Billionaires Book 2)
- Melissa Sercia 2021-05-25

Boy meets girl. They fall in love. The end... This is not one of those stories. Not exactly. Piper Broken. Cold. Ice princess. Hunting magical artifacts leaves little time for love. And I prefer it that way. Love never did me any favors. I have a great career, a million dollar apartment in downtown Manhattan, and the freedom to do whatever I want. Until I meet Lux. He's sexy, mysterious, and the most arrogant man I've ever met. And now we are being forced to work together. With both my career and my heart on the line, I could lose everything if I give in to his seduction. Lux Demon. Liar. Dangerous. I'm an immortal incubus who feeds off sexual energy. Love is just a nightmare disguised as a fairytale. I learned that hard lesson a long time ago. Until I meet Piper. She's spoiled, self-absorbed, and one of the most stunning women I've ever seen. Which will only complicate things. Her very presence is a distraction. I should be focused on the artifact but all I can think about is breaking her and making her mine. As Lux and Piper fly all over the world in search of the missing artifact, their hunger for each other grows, but so do their secrets. And they aren't the only hunters after the prize. With danger lurking around every corner, Lux and Piper must rely on each other more than ever. But how can a demon and a mortal woman learn to trust again when both of their pasts have left them broken? And when Lux's old rival resurfaces, putting their lives in even more danger, Lux will have to make a choice-preserve the artifact or protect Piper. When hate turns into desire, can it ever become love? After I Break is a standalone book in the Immortal Billionaires series, a steamy enemies to lovers romance with possessive alpha males, a strong female heroine, dark romance, and a HEA. WARNING: This book contains graphic content and is meant for 18+ readers only.
