Men, Women, and Books - Leigh Hunt 1891

The Lives of the Most Eminent Persons Who Have Flourished in Great Britain and Ireland - Andrew Kippis

Being Bewitched - Kirsten C. Uszkalo 2017-02-22

In 1622, thirteen-year-old Elizabeth Jennings fell strangely ill. After doctors' treatments proved useless, her family began to suspect the child had been bewitched, a suspicion that was confirmed when Elizabeth accused their neighbor Margaret Russell of witchcraft. In the events that followed, witchcraft hysteria intertwines with family rivalries, property disputes, and a web of supernatural beliefs. Starting from a manuscript account of the bewitchment, Kirsten Uszkalo sets the story of Elizabeth Jennings against both the specific circumstances of the powerful Jennings family and the broader history of witchcraft in early modern England. Fitting together the intricate pieces of this complex puzzle, Uszkalo reveals a story that encompasses the iron grip of superstition, the struggle among professionalizing medical specialties, and London's lawless and unstoppable sprawl. In the picture that emerges, we see the young Elizabeth, pinned like a live butterfly at the dark center of a web of greed and corruption, sickness and lunacy.

Biographia Britannica Or the Lives of the Most Eminent Persons - Kippis 1789

Men, Women and Books a Selection of Sketches, Essays, and Critical Memoirs from His Uncollected Prose Writing by Leigh Hunt - Leight Hunt 1876

The American Journal of Obstetrics and Diseases of Women and Children - 1874

Eighteenth-Century Women Poets - Moira Ferguson 1995-11-16

This book shows how eighteenth-century women's literature redefined nation and culture in class and gendered terms.

The English Woman in History - Doris Mary Stenton 2022-03-29

First published in 1957, *The English Woman in History* displays the place women have held and the influence they have exerted within the changing pattern of English society. Ever since the days of Queen Elizabeth I the position of women in English society has been a matter of general debate. In the seventeenth century many men produced books in praise of women, following the example of Thomas Heywood. Most of these books were devoted to the praises of individual women, but their authors generally produced arguments against subjection of all women to the unthinking dominance of men. While married women were still legally subject to their husbands and no women were allowed to take part in public affairs it was impossible to write objectively about women's place in the world. The women who at the end of the seventeenth century began to write were generally fired by a sense of injustice, and men tended to write condescendingly of charm and beauty, which interested them more than intelligence and wit. Now that women are bearing public responsibilities with success it is possible for historians to look back dispassionately over the centuries and trace the stages by which this position has been won. It is a survey of this nature which Lady Stenton has attempted in this book. This is a must read for students and scholars of women's history, gender studies and women's movement.

Pokémon Alola Region Activity Book - Lawrence Neves 2017-10-17

Visit a Tropical Wonderland with Activities Featuring Alola and Its Pokémon! The newest activity book for every Pokémon fan visits the Alola region! Do some island-hopping for ever-changing fun, and say hello to the Island Guardians plus amazing Mythical and Legendary Pokémon! There's something here for every Pokémon Trainer, from the young novice to the seasoned fan! Inside, you'll find activities featuring Pokémon on each island, plus Pikachu-themed puzzles and first partner Pokémon from Rowlet to Litten to Popplio, sticker activities, and more! Show off your Pokémon knowledge, and triumph over more than a dozen types of brainteasers and activities with the Pokémon Alola Region Activity Book today!
