Attached Amir Levine 2012-01-05 "Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

The Noble Art of Seducing Women - My Foolproof Guide to Pulling Any Woman You Want Kezia Noble 2012-02-23 Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

Unintentionally Yours Terry Fowler 2013-06-04 Josiah has a secret on his hands When Josiah Byrd opens a thirty-year-old letter addressed to his late father, his world is shaken. He's determined to leave the truth firmly in the past—where it belongs. But he can't do it without the help of the beautiful young woman who mailed the letter. Leah Wright made a huge mistake. Yes, he mailed the letter, but she never meant to hurt anyone. And now she's promised Josiah that she'll do whatever it takes to make things right. But the more they try to ignore the past, the more they realize that love just might be the remedy that heals old wounds and unites two families.

Friends on a Rotten Day Hazel Dixon-Cooper 2008-05-01 It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

The Five Love Languages Gary Chapman 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. The Shy Guy's Guide to Dating Barry Dutter 2011-04-01 The authoritative guide that will take shy guys everywhere-from the first date to home plate. "Hey baby, what's your sign?" "Come here often?" These lines may work in the movies, but not in real life, and not for the millions of guys too shy to risk their dignity on such flimsy pickup lines. Barry Dutter knows, he used to be a shy guy himself, sitting at home night after night watching television because asking a woman for a date was simply too scary. Not anymore. He's learned dozens of tricks to help shy guys ease into the swing of dating while avoiding humiliating rejections and romantic disasters. Keeping a shy guy's tender ego in mind, he tells guys where to meet women, which ones to approach and which to avoid. Readers will learn what to do with them, and how to act from the first date through commitment time. Filled with hilarious lessons from the pop culture we grew up in, this witty, commonsense guide is a must for everyone who's ever been afraid to try-which means everyone.

Sizzle Reel Carlyn Greenwald 2023-04-18 An unputdownable queer coming-of-age rom-com about life and love in Hollywood. • "Both an irresistible love story and a riveting exploration of Hollywood dynamics." —Rachel Lynn Solomon, New York Times bestselling author of *The Ex* Talk For aspiring cinematographer Luna Roth, coming out as bisexual at twenty-four is proving more difficult than she anticipated. Sure, her best friend and fellow queer Romy is thrilled for her—but she has no interest in coming out to her backwards parents, she wouldn't know how to flirt with a girl if one fell at her feet, and she has no sexual history to build off. Not to mention she really needs to focus her energy on escaping her emotionally-abusive-but-that's-Hollywood talent manager boss and actually get working under a real director of photography anyway. When she meets twenty-eight-year-old A-list actress Valeria Sullivan around the office, Luna thinks she's found her solution. She'll use Valeria's interest in her cinematography to get a PA job on the set of Valeria's directorial debut—and if Valeria is as gay as Luna suspects, and she happens to be Luna's route to losing her virginity, too . . . well, that's just an added bonus. Enlisting Romy's help, Luna starts the juggling act of her life—impress Valeria's DP to get another job after this one, get as close to Valeria as possible, and help Romy with her own career moves. But when Valeria begins to reciprocate romantic interest in Luna, the act begins to crumble—straining her relationship with Romy and leaving her job prospects precarious. Now Luna has to figure out if she can she fulfill her dreams as a filmmaker, keep her best friend, and get the girl. . . or if she's destined to end up on the cutting room floor.

The Melody of Light M.L. Rice 2014-11-01 Siblings Riley and Aidan Gordon are survivors. Together, they survived an abusive childhood, and when a fiery accident incinerates all they have—except for each other—they survive that, too. The tragedy leaves them with burdens and pain beyond their years, but it also sets them free to forge their own paths. Aidan's road to happiness seems smooth and carefree. But Riley continues to struggle, her only saving grace being a passion for music that helps soothe her damaged soul. As their paths diverge and college looms, Riley will have to depend less on Aidan and more on herself. Fear of failure drives her, but will finding love derail her single-minded determination to succeed, or will it open the door to the family she's always wanted?

Girl on Fire Vilasini 2014-07-14 One major significant yogic thing happened on the last morning. As I went into the bathroom, I suddenly felt that I was going to faint. I slid to the floor, which was tiled and cool to the touch. In an instant, my whole genital area felt like it was on fire. I sat there amazed. This was the only manifestation of goddess Kundalini I had not experienced. It was as if the primal fire was within my own genitals. Awe filled my mind. Time stood still. Then like lightning, the energy spiraled up the centre of my being, leaving my head with a clarity that was as sharp as a razor. I returned to my room and packed my bags. There was no way they could invalidate my experience of grace. God and I knew that the goddess Kundalini herself was working magic within this being called Vilas. An honest, heart-warming account of a spiritual awakening that's mistaken for insanity. From Australia, India, America, and Bali, Vilasini ends up a highly respected high priestess of yoga. 13 Things Mentally Strong Women Don't Do Amy Morin 2019-01-10 The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim back their power. Contending with a host of difficult issues that demand psychological strength - in this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle in 13 steps. Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy offers thoughtful, intelligent advice, practical tips, and specific strategies; combining them with her personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women - and society at large - must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Insightful, grounded, and extremely timely, 13 THINGS MENTALLY STRONG WOMEN DON'T DO can help every woman flourish - and Amy will take readers on this journey with her, every step of the way.

Torn Sky Corgan 2019-01-28 He's a beautiful bastard, and he seems determined to make my life a living hell. I can't decide if I'd rather kick him in the dick or screw him, but I know what he wants to do to me. All of the deliciously sinful things that I crave. We met by chance at a club, and the chemistry between us was undeniable. Then I started working for his mother, and he suddenly found me unworthy. Now he's doing everything in his power to make me quit or get fired. I'm not the kind

of woman to let a man walk all over her, though. He presses all of my buttons, both intimately and emotionally. I'm torn between the need to resist him and the desire to give into his demands. If I let him have his way, though, I'll lose everything. This is the first book in the Torn Series by Sky Corgan. Keywords: billionaire romance, romantic suspense, dark romance, steamy romance, bad boy romance, club romance, workplace romance

Writing Better Copy Jodie Adam 2021-06-22 Writing Better Copy is simple - it starts with opening this book. Writing Better Copy is a quick and easy read that will teach you how to write more effectively to convey your message quickly. Copywriting is simply the art of conveying a message from one person to another and the most important principle of copywriting is the ease and speed with which this message is communicated. When I first started working as a copywriter, I thought that I needed to use long words and complicated sentences to bamboozle readers into buying the products; that only long elegant prose would increase website conversions. I was wrong. Copywriting is about using the simplest words and sentences you can. People don't read websites for the joy of reading, they read for information and if they don't get it quickly they go somewhere else. Writing Better Copy cuts through the waffle and bumph and teaches you how to remove the unnecessary, trim away the excess and connect with your customers effectively. What this book teaches you: What you need to be a copywriter How to identify your audience when writing What is AIDA and how to use it in your writing The difference between the emotional sale and the logical purchase How to sell the sizzle and not the steak Finding what it is that really interests your potential customers Answering the "so what" question Should you write as you speak When to be funny in your writing Why your copy should be about "you" not "me" How to keep it simple, stupid Keeping things positive Creating a tone of voice Writing headlines, sublines and calls to action Writing for the web Editing your copy Proofreading techniques It took me years working as a copywriter to learn these strategies, with this book you can learn in about an hour what took me years to learn and cut straight to the good part. The part where you write better copy for your website and sell more of what you need to sell. Writing better copy is easy, the first step you take is by reading this book.
