**Guide Book To Attract The Right Man** Kandace Buzzanca 2021-07-10 The dating world is a minefield nowadays, especially for women who want a committed relationship and a family one day. Now, this book is full of generalisations but if you take them as principles rather than rules I think they can help you understand how your behaviour is perceived by men and what are some golden rules when it comes to the first month or two of dating. Bottom line, know what you want, have rules for your own behaviour, let the guy lead so you stop confusing men or attracting ones that will disrespect you, play games with you and ultimately can't or won't give you what you want. This book can save you a lot of time and emotional energy. It did so for me and I'd recommend it. I'd also recommend every woman out there to stick to her dating standards and to honour her own needs and wants even if it looks like there's no one around that's suitable or right for her. The right guy will come along and you will feel a hell of a lot better and your heart and body will be in a much healthier place if you wait for him and say no to the rest. Trust me, it is worth waiting. Here's what you're going to learn inside: -What to say when you want to "slow things down" with a guy without losing his interest in you. -The most seductive first date "good deed" that can CAPTURE a man's desire and make him desperate to see you again. -The #1 key to conquering a man's heart during the early dating stages. (This is something most women only figure out after YEARS of painful trial and error.) -How to get a boyfriend by avoiding a HUGE relationship-killing mistake most women make within the first few weeks of dating. -The single most irresistible feminine attitude that easily overwhelms a man's emotions and makes it IMPOSSIBLE for him to get you off his mind. -How to get a man to treat you like a top priority (instead of his Plan B) once you start dating him. - How to maintain the "Queen's Composure" when men pull away and how to use it to make the good ones come RUNNING back to you. -The "dating rules" high-value women use to quickly eliminate players and find Mr. Right. -And much, much more...

**Why I Love You** First Love Publishing Last Love 2019-12-08 I used to think that being someone's first love was a big thing. Don't get me wrong it is, but I think its even better to someone's last love. Especially if you are with the right person, maybe even you are not only their first love, but their last love as well. My husband and I had different views on what a first love is. The way I looked at it... a first love was that first person you are in a relationship with. Not a junior high boyfriend, but a real long term relationship. Maybe the first person you kissed, had sex with, or lived with. The first love of your life would be the one that you never forgot and the one who was hard to get over. They are the one that you compare every other possible relationship to. My husband looked at this differently, and he made me do the same as well. He told me once or twice that I was his first love. I asked him what he meant, how that could be because I knew he had another long term relationship where he was engaged to a girl, lived with her and had what I thought was a longer relationship then what they actually did have, so how could I have been his first love? I loved his answer to this question. He said that yes it's true that he lived with someone, but it was more like being roommates where he and I would have a home together. Yes it's true that he asked someone to marry him, but it was not the same as with us. I am his first love, even though those girls came before me, because I am the one he shares everything with, I will be the only one to be mother to his kids. I am the one he wants to change his life for. I am the one that makes him feel loved and supported. I make him want to be a better man. This to him is what being a true first love is.

*Turn Abuser Into Slave* Lucy 2013-12 I'd like to ask you.... Have you been in a relationship may be you have been thinking was serious that ended because he told you that he loved you but wasn't "in love" with you? Did a man spend days or weeks trying very hard to get close to you and as soon as you started to have feelings for him, get distant at once? Are you trying to attach yourself to a man who isn't yet sure you're his "forever" woman? You probably try everything you can to get a man's interest and care, including being helpful, nice, sweet, sexy - but nothing works to make him want and love you in that special way you wanted to be loved? If you answered yes, I know exactly how you feel. How you can turn your relationship from hell to heaven I think that I have a problem with self-esteem maybe I don't have it at all. It looks like I have been attracting the wrong man for me. You have to be able to recognize if this guy is not for you. After spending a few years with my last partner whom I have loved so dearly, our life together sank into the toilet - there was no sex, no love, or so it seemed, and no real communication. I was miserable all the time. What started out as a magnificent relationship I will always remember, turned into a terrible nightmare. A couple of months ago I found myself once again in a very disturbing situation: the beginning of breaking up a long term difficult relationship. As a mother I couldn't afford to fall apart. So I started investigating Why and How not to get where I found myself in my life. I did spend a lot of time studying my personal behaviour in all my past relationships. I even went further and investigated my Mother in her relationship with my father, whatever I can remember. I also looked at my daughter's present relationship with her friend and her behaviour. I spent a lot of time like this, also reading a lot of books. I went through website after website looking for what to avoid and for advice and information. So I END UP reading, studying and gathering wisdom from professional sociology in particular relating to personal development : in theory, but also in severe personal experiences. And much of it to be completely honest creates a very sad picture in my mind. In seeking remedies, I have achieved disillusionment : a picture of NO ESCAPE. Thank God! I shall persevere with the task. Nevertheless do not want to underestimate my efforts, because I gained so much by going through this complex journey, learning many realities of which I had not been aware. The various processes gave me great opportunities to equip myself with life tools called 'knowledge'. I also learnt that the end is always a beginning, beginning of opportunities and anticipation of the unknown. And the anticipation of the unknown is bountiful in itself. I discovered that the door of life opens again as it closes, revealing a panorama of wondrous opportunities called "The Beginning and the End" . Most significantly, the beginning is always the more dominating force which should overthrow the past. Also I learned that time we invest in our relationships is priceless and we must use it wisely. Every moment presses on us. I adapted what I learned as gradually it became so clear to me. How I Become that magnetic power which Will Turn Him Into The Loving, Devoted, Committed Life Partner I Want Him To Be and wanted to spend the rest of his life with me. You can become that woman who gets all men around her instantly and deeply attracted wherever she is. You can generate this power even with men you are not getting on very well with. Have a think about it. Could you imagine him loving you so much, even willing to do anything to be next to you? Does not feel very real, but you and I know there are women all over the world who are having just that experience! And they always around and more then sure you know one or two personally.

*The Billionaire* Julia Keanini 2021-10-18 He was my dream. Caring, handsome, sincere . . . my perfect man. And he wanted me. We built a life together: love, marriage, and a beautiful baby boy. I thought I had everything a woman could ask for. Until West became a model the whole world adored. His job began to take over our lives-he was out late, he missed important events, and I could feel him withdrawing from me. I knew better than to worry he was hiding other women. But what he kept from me may have been even worse. She was a fantasy come to life. Adoring, beautiful, and kind. The type of woman men write songs about. But instead of cherishing and fighting for her, I took her for granted. When my modeling career took off, women were thrown at me. They were easy to turn away since no one could compare to my Bella. Instead, I was destroyed by the last thing I ever worried about. A man like me couldn't become an addict. And yet I did. It broke my heart, but I had to walk away. West was no longer the man I'd married. I was alone, except for his child, the one gift he left me. Slowly I begin to build a new life. Alone, since I could no longer trust men to be who they promised. How could I love another when I'd had the perfect one and he betrayed me? But Colby and I will be okay for a long time. Or at least that's what I think until I lose my job. It looks like I'm out of options, until I'm offered the career of a lifetime to design my very own clothing line. I never stopped caring for her. During all the time I spent getting clean and then building my billion-dollar company, she was always in the forefront of my mind. I have everything again, but it's meaningless without Bella. But I know I don't deserve her. So I watch her and our little boy-who isn't so little anymore-from afar. I make sure they're okay. And they are better than okay because Bella is remarkable. But then she unfairly loses her job and I have to step in. So I arrange for a trusted friend to offer Bella her dream job. He needs someone like Bella and she deserves the opportunity. It's the least I can do. I take the unusual gift of a job offer, even as I wonder if it's too good to be true. And I get to know my boss, Art. He's kind and caring and makes my heart beat a little faster once more. But he won't let me see him because of a tragic accident that scarred his face. He says he doesn't want me to judge him and although I wouldn't, I understand his hesitance. So instead I get to know him through emails and faceless conversations. He's incredible. But even as I relish our time together, somehow West is always in the back of my mind, and I can't seem to let him go. I see her falling in love with Art. The fear of losing her is now more real than ever. But even though I should let her go, I can't help but hope. Do I have a chance at winning her back? Or are the secrets and betrayals, both past and present, too much to overcome? A Modern-Day Beauty and the Beast inspired Sweet Romance. This book was previously published under the title Bella and the Billionaire Beast.

*Guide To Attracting The Right Man For You* Eloy Brokke 2021-07-10 The dating world is a minefield nowadays, especially for women who want a committed relationship and a family one day. Now, this book is full of generalisations but if you take them as principles rather than rules I think they can help you understand how your behaviour is perceived by men and what are some golden rules when it comes to the first month or two of dating. Bottom line, know what you want, have rules for your own behaviour, let the guy lead so you stop confusing men or attracting ones that will disrespect you, play games with you and ultimately can't or won't give you what you want. This book can save you a lot of time and emotional energy. It did so for me and I'd recommend it. I'd also recommend every woman out there to stick to her dating standards and to honour her own needs and wants even if it looks like there's no one around that's suitable or right for her. The right guy will come along and you will feel a hell of a lot better and your heart and body will be in a much healthier place if you wait for him and say no to the rest. Trust me, it is worth waiting. Here's what you're going to learn inside: -What to say when you want to "slow things down" with a guy without losing his interest in you. -The most seductive first date "good deed" that can CAPTURE a man's desire and make him desperate to see you again. -The #1 key to conquering a man's heart during the early dating stages. (This is something most women only figure out after YEARS of painful trial and error.) -How to get a boyfriend by avoiding a HUGE relationship-killing mistake most women make within the first few weeks of dating. -The single most irresistible feminine attitude that easily overwhelms a man's emotions and makes it IMPOSSIBLE for him to get you off his mind. -How to get a man to treat you like a top priority (instead of his Plan B) once you start dating him. -How to maintain the "Queen's Composure" when men pull away and how to use it to make the good ones come RUNNING back to you. -The "dating rules" high-value women use to quickly eliminate players and find Mr. Right. -And much, much more...

*The Relationship Guide to Make Him or Her Commit* Julius F. Rafael 2013-08-01 The Master Love Collection: the Relationship Guide to make him or her commit is a collection of short poems followed by a complete explanation that truly explains how to get him or her to commit. Each poem is a unique piece of work that has been recited throughout the United States, and each poetic piece can be used to help gain commitment points. This book covers but not limited to: the cheating man, how to approach a woman and how to sexually satisfy her. This book is not intended to be read in chronological order because it touches on several different relational topics. For example, the reader can skip to the end of the book and visit the Woman's Sport Cheat Sheet. This Cheat Sheet explains why men love sports, and it also explains how a woman can use sports to gain commitment points from the man she is dating. The Woman's Sport Cheat Sheet explains his sport in plain English. Upon dating several women, Julius has decided to write this book and introduce strategies and methods that can be used to make a relationship flourish. After being with a woman for more than a decade and never fully committing, he finally figured out why he did not commit to her. In his book, he mentions several reasons why he and other men such as himself don't want to fully commit. Before changing his ways, Julius dated 100's of women and upon dating them, he discovered what they want. These women have been either, single or married. In his book, he also lists several ways to sexually satisfy a woman by using his Top Ten Sex positions that's guaranteed to make her have an orgasm. Upon reading this book, the reader will discover that this book is unlike any other because not only does he speak to men, he also speaks to women by telling them how to get the opposite sex to commit.

**Make Him Fall for You** Rori Raye 2010-08 Make Him Fall For You will give you the Rori Raye Tools For Love you need to instantly change your love life (yes - that fast) - no matter how frustrated and unhappy you may be feeling right now. If you're already receiving my free newsletters from [www.HaveTheRelationshipYouWant.com](http://www.HaveTheRelationshipYouWant.com) (if not - go get them now... ) - you may have read one - or perhaps even all - of the 16 Relationship Tools of the Week I've included in Make Him Fall For You. These 16 Tools are not only some of my favorites - they have a common theme: that Being is the way to get the love, romance and life-long commitment you want, instead of the Doing that we women have all been taught to rely on to get what we want. In love, it's our receiving, our feeling, our expressing, our just being that inspires and creates the powerful attraction we all truly hold for a man just because we're women. And we've all been taught to go against these most amazing of our powers - the depth of our emotions. Make Him Fall For You will shift your "vibe" from what feels to a man like the coldness of being in your head - to the warmth, passion, and intense, irresistible magnetism of being in your heart...and that's the fastest way to connect to HIS heart. He can feel this shift immediately, and - almost shockingly - will instinctively and concretely move closer to you. We are truly feminine energy "Sirens," and it's the intense, feminine energy we create with our feelings that will compel a man - perhaps YOUR man - to feel so intensely attracted to you he'll give up anything and everything - including his "freedom" - to be with you...forever. Make Him Fall For You will help you love yourself, sink into yourself, express yourself and draw a man to you - even the one you may be with right now. Relationships can turn around on a dime. I've seen it happen over and over...and it can happen for you, just the way it did for me. Be sure to let me know how Make Him Fall For You helps you... Love, Rori
