

How Can I Impress My Crush With Words

Blue Whispers at Midnight - Zoya Irfan Ansari 2021-12-16
Blue Whispers to you at midnight when you are all alone, What do you expect to hear? What do you think these whispers would say? How do you think you'd feel after hearing them? Do you think these whispers would be comforting, Or would they hurt you? Would they speak a truth you need to hear, or would they contain a lie you need to be protected from? Blue Whispers at Midnight, comfort, melancholy, lullaby, emptiness, be it whatever it makes you feel like, is a compilation of works from writers all across the world telling you what blue sounds like when it whispers to you at midnight.

Out of the Gobi - Weijian Shan 2023-02-22
Foreword by Janet Yellen

Weijian Shan's *Out of the Gobi* is a powerful memoir and commentary that will be one of the most important books on China of our time, one with the potential to re-shape how Americans view China, and how the Chinese view life in America. Shan, a former hard laborer who is now one of Asia's best-known financiers, is thoughtful, observant, eloquent, and brutally honest, making him well-positioned to tell the story of a life that is a microcosm of modern China, and of how, improbably, that life became intertwined with America. *Out of the Gobi* draws a vivid picture of the raw human energy and the will to succeed against all odds. Shan only finished elementary school when Mao Zedong's Cultural Revolution tore his country apart. He was a witness to the

brutality and absurdity of Mao's policies during one of the most tumultuous eras in China's history. Exiled to the Gobi Desert at age 15 and denied schooling for 10 years, he endured untold hardships without ever giving up his dream for an education. Shan's improbable journey, from the Gobi to the "People's Republic of Berkeley" and far beyond, is a uniquely American success story - told with a splash of humor, deep insight and rich and engaging detail. This powerful and personal perspective on China and America will inform Americans' view of China, humanizing the country, while providing a rare view of America from the prism of a keen foreign observer who lived the American dream. Says former Federal Reserve chair Janet Yellen: "Shan's life provides a demonstration of what is possible when China and the United States come together, even by happenstance. It is not only Shan's personal history that makes this book so interesting but also how the stories of

China and America merge in just one moment in time to create an inspired individual so unique and driven, and so representative of the true spirits of both countries."

A Writer's Diary - Toby Litt
2023-01-01

'I blame Literature. All those f*cking lovely writers who made me want to be a writer. Toby Literature.' A Writer's Diary is a year in the life of a man called Toby Litt. Day by day, Toby offers intimate details about his family and well-being, insights into creative writing, and other fascinating reflections, ranging from the immediate surroundings of his desk and study out into the world and on to infinite possibility. As the year unfolds an increasingly urgent narrative starts to build. A Writer's Diary becomes a compulsive page-turner, full of stories and characters we have grown to love - and full of questions we need answered. Will Toby Litt find the perfect pencil sharpener? Will everyone he loves make it through the year? And will he

be the same person at the end of it? Blending fact and fiction, invention and memoir with joyful creativity and remarkable ambition, A Writer's Diary is a year in a life and a life in a year. .

Inspire To Inspire - Sunny Rampal 2020-08-27

"Hey look, a shooting star."

"Wow, it is amazing." "Did you wish for something." "Oops! I was astonished on spotting it, didn't realise I had to make a wish". Well happens with most of us. The shooting star is like an opportunity which passes right in front of us and we don't realise, what we could have done with it. Many times we are not open to change or see what's best for us. We just keep sailing away in life, as not many of us have the strength to get up face the unknown. An unknown opportunity, an unknown person or simply an unknown situation, can throw us off track....

The Mexican Fisherman - Pete 2013-09

It is our own macabre curiosity that makes us jealous of those who have seen dark places. Those who have stepped into unlit rooms, when we have only gazed into the abyss from the doorway. There will never be a

shortage of good citizens who by choice or by fear never venture away from the light. It is of little consequence that those who have, did it because they made it a conscious decision or had their choice made by circumstance. Should chance decide that you cross paths with someone like this, you will not be able to forget their story. This is a story I will not forget. Pete we are of the same age. You started your journey before me. You have travelled further. I am jealous not because I am curious of what lies in the dark but because of what you have had that is good. I am jealous because you don't pretend to be who you are. For good or ill. Man is only doomed to failure if he wastes his life trying to be someone or something that everyone else wants. I do not aspire to be perfect. I aspire to be who I am. Pete you have achieved this. "Anonymous infantry NCO"

Alone in the Heat of the Battle - Violeta 2010-04

How can a woman who has suffered countless devastating

trials grow to enjoy - and ultimately embrace - a sense of achievement, accomplishment, and fulfillment? Violeta writes about how she overcame her agonizing hardships, and encourages others to conquer their own and achieve their dreams, in this honest, revealing, and inspiring book, *Alone in the Heat of the Battle*. You will be mesmerized and enriched as Violeta recounts her many struggles: her bipolar diagnosis, her stay in psychiatric wards, her night in an isolation room, a brain aneurysm, partial vision loss, the inability to drive, weight gain, and the early death of her beloved mother. Despite the struggles she has faced, Violeta's sense of humor shines through. She wants to encourage you to overcome your trials and achieve your dreams. Faith, love of family, and inner strength help make this book a must-read for anyone who is struggling with personal obstacles.

different college, this time, and Lokha, as usual, is balancing multiple girlfriends at a time. A new, pornoholic, mustard-oil smelling roommate is forcibly thrown into Gaam's room. An invitation to a Sikkim wedding. A trip down memory lane to grandma's village. A nightmarish Guwahati-Siliguri bus journey. A senior who needs marathon body massage sessions whenever he pays a visit to the juniors' hostel... ..and many more amusing stories adorn this addictive sequel to the hilarious and much-loved *Once Upon a Time in College* as it follows the trials and tribulations of the protagonist, Gaam, and his band of friends and seniors in North Bengal Medical College.

I Married a Coconut - Priti Tanna 2023-07-13

As a first-generation Indian American, Priti Tanna navigated the challenging interplay of traditional Indian values and the modern American lifestyle, seeking her place of belonging. Balancing the weight of generational expectations, she pursued the

"trifecta" of a stellar education, an ideal Indian partner, and early motherhood. When a supposed astrological mishap led to Priti symbolically marrying a coconut to remedy her struggles to find love, she embarked on a journey of self-discovery that launched her from her comfort zone and revealed her own needs and desires. *I Married a Coconut* intertwines Priti's transformative quest, resonating with immigrant parents guiding their children's future, individuals challenging societal norms, and those seeking a profound understanding of themselves. By recounting her own experiences, Priti sets ablaze a vivid symphony of motivation and authentic self-revelation, a poignant reminder that the power to forge an extraordinary path resides within the core of our being.

her dark secret draws near, she unexpectedly finds someone. Dannie struggles to move past her torments, hide the truth from her friends, and keep it together until she can finally have what she has always wanted—freedom. Reed is a junior who just moved to California from Kansas. Wildly attracted to Dannie, he is convinced she is everything he has been waiting for. After fate leads them to finally meet in the school library, Dannie first tries to place Reed in the dreaded friend zone. But she, too, cannot ignore the obvious chemistry. As Reed teaches her how to find hope, trust, and even love, Dannie must decide whether to harbor her secrets or reveal the truth and risk everything. While she wrestles with her decision, Dannie has no idea that a secret obsession will drive another young man to stop at nothing until she is his and his alone. *The Face You*

See shares the compelling tale of a teenage girl’s quest to free herself from her past, and when she does she finds hope, the courage to embrace love, and the will to defy all odds in the most unlikely of circumstances. “In swift and relatable prose, *The Face You See* juggles the many difficult topics and circumstances that young adults face.” -Foreword Clarion Review □□□□ “...those who have experienced or overcome traumas will find Dannie relatable and empowering ...” -BlueInk “It initially seems that this book will present yet another high school love triangle, but the plot surprises and unsettles those expectations. It moves past lighthearted teen drama to present a serious, emotionally affecting coming-of-age tale ... An engaging contemporary romance, whose conflicted, nuanced heroine helps it transcend the conventions of its genre.” -Kirkus Review
