You Are Free (Even If You Don't Feel Like It) Hope Virgo 2022-05-01 In You Are Free (Even if You Don't Feel Like It) award-winning campaigner Hope Virgo opens up about her own journey with mental health and illness. With powerful honesty, she relates her experiences from being sexually abused in her youth group when she was just 13 and admitted to a mental health hospital with a failing heart at 17, to feeling like she was ready to end it all at 28 - when a new hope found her after a stranger told her about Jesus. Raw and relatable, this is more than a memoir, as Hope draws on her own story to offer advice and guidance to those living and struggling with their own mental health and wellbeing. Sharing what she has learned, Hope candidly lays out how she worked through her rage, hurt, disappointments and doubts to help others dealing with the ongoing stigma and shame that still follows mental health issues around. She also reveals the power that the Christian faith has had in her life, looking at how mental and spiritual care go hand in hand, especially in the face of confusion that sometimes God chooses not to heal us - or at least, not in the way we expect. Featuring interviews with Rachel Hughes, Matt Hogg, Zeke Rink, Jemimah Haley and many more, You Are Free (Even If You Don't Feel Like It) is a thought-provoking and heartfelt self-help book that will speak to anyone who has struggled with their mental health, in the church and outside of it, and to anyone interested in how the Christian faith can offer hope even in the

darkest of times. A testimony both to the resilience of the human spirit and to the power of God, Hope's is an understanding voice for all those in the midst of their struggles, offering support and encouragement that they too will find their way on to the path towards healing.

Capricorn Joanna Martine Woolfolk 2011-11-16 Your Sun sign (often referred to simply as your sign) is the zodiac sign the Sun was traveling through at the time of your birth. Your Sun sign is the most important and pervasive influence in your horoscope and in many ways determines how others see you. It governs your individuality, your distinctive style, and your drive to fulfill your goals. It symbolizes the role you are given to play in this life. It's as if at the moment of your birth you were pushed onstage into a drama called This Is My Life. In this drama, you are the starring actor—and your sign is the character you play. This elegant little volume is packed with what your Sun sign tells you about you. You'll read about your many positive qualities as well as your negative issues and inclinations. You'll find insights into your power, potentials, and pitfalls; advice about relationships, love, and sex; clarification on erogenous zones and how you combine romantically with other signs; guidance regarding career, health, and diet; and information about myriads of objects, places, concepts, and things to which you're attached. You'll also find topics not usually included in other astrology books—such as how you fit in with Chinese astrology and with numerology.

SignMates Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential

relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

Astrology for Real Relationships Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars?

Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Perhaps you're a loving and sensitive Cancer Moon person who likes to mother their lover. Or maybe you're a harmony-oriented, emotionally flexible Libra Moon person who is searching for that ideal spouse? Vera Kaikobad's *The 12 Moon Signs In Love: A Lover's Guide To Understanding Your Partner* helps partners understand each other's deep, emotional and private side through the careful study of personal Astrological Moon signs. Every person's individual Moon sign is an uncannily accurate guide to how they respond to love, adjust to intimacy and express their romantic persona. Our Sun signs signify what we do, while our Moon signs show us how we love. Achieving physical compatibility is a no-brainer, but achieving that oh-so-delicate level of daily emotional compatibility can mean the difference between an average relationship and a superlatively successful one. Is your lover touchy-feely? Or do they love with their mind and intellect? Some Moon signs revel in closeness and feel empowered by it. While others require space and distance through which to evaluate the meaning or usefulness of intimacy in their lives. Each Moon sign speaks its own special, emotional language. And for those of you who are willing to go that extra mile to learn those intricate little details to make your love stronger over

Horoscope Virgo for 2020 Alex Magic 2020 This amazing book was written by the great astrologer of our time. The author is a professor of psychology, a doctor of astrology and parapsychology at the London School of Astrology. A successful astrologer of our time, the author of subject books and the founder of the school of astrology, Alex Magic, where he teaches according to his own methods, which has long established itself as the strongest and incredibly effective."The expression happiness fell on his head Virgo fully recognizes in 2020. Indeed, there will be nothing to complain about - work for joy, mutual love, and travel will give a lot of impressions. In other words, you will plunge into such a pleasant madness that you will begin to thank fate for every moment. Horoscope for 2020 Virgo predicts a busy life, but business employment is not excluded. Numerous acquaintances, negotiations and trips are possible, so do not especially relax. The flow of incoming information should be carefully analyzed in order to get ahead and make a career. In the year of the Rat, do not be nervous and worry for no reason, take care of mental health. Otherwise, you can easily find yourself in such a disadvantageous state, after which even small charms seem like an expensive gift. In summer and autumn, Virgo will have to deal with everyday life, household chores and solving financial issues. But, if you take it all with mind and arrangement, then success is inevitable. Horoscope for 2020 Virgo recommends staying away from self-serving, ambitious people. Here you are definitely waiting for a catch, so do not forget about your affairs. Plunging into a routine, be sure to weigh the pros and cons. In the process of creative work, think more about the benefits that it will bring to you. and honor. In the love sphere, Virgo does not bother to renounce illusions. You idealize your partner to such an extent that he no longer knows where to hide from criticism and nit-picking. At the end of 2020, the astrological forecast promises Virgo a real firework, which will slightly blind and intoxicate. But these are dangerous "lights", after which you can really go blind and get a portion of deception even from your loved ones. Couples need to strengthen relationships with the help of romance and tenderness, which you undeservedly forgot about when solving everyday problems. What to expect Virgo in 2020 in each month..."

Astrology Kimberly Ann Jones 2007-09-01 Each sign is written as a bio of person's Personality, Love, Money, and Family. I've been studying astrology since I was nine. My astrology has been proven to be 90 percent accurate. Aries are very talkative, they like to be where the action and adventure is. Aries wants to be the center of attention, too often they speak without thinking, whatever pops into their head is usually what they say. A Taurus is very set into their ways, once they have made up their minds about something they rarely change it. Gemini's; one of the twin's personality is very dominant, and the other one is very easy going. Cancer's are very warm hearted, and have a deep sympathy for others. Leo's; when a lion is speaking they want to be the center of attention. Virgo's can be very blunt, without hesitation to say what's on their mind. They have a way with their charm that others don't realize. Libra's give others the impression, of a warm and charming personality they tend to be easygoing and can adjust to many different kinds of people. Scorpio's are very cool and calm, more on the quiet side, it takes a lot to get on their bad side. Sagittarius are very frank and honest, they don't see any need to beat around the bush. Capricorn's tend to be kind hearted, and thoughtful though they can sometimes be very fussy over things and want things their way.
