and terror, told with crisp, raw dialogue, a feeling for the drama of potentially violent confrontations, and an undercurrent of despair, despite many heartfelt tributes to cops he trusted and the mentor whose murder he had to look into." - BookLife Review He landed his dream job pursuing the guilty, but two decades of horrific violence and a steady stream of death left him scarred... From the streets of South Los Angeles to the elite homicide bureau, former sheriff's detective Danny R. Smith saw some of L.A.'s darkest hours: a crack cocaine epidemic, unprecedented gang warfare, a spike in homicides that stunned the nation, the Rodney King riots. A beating left him unconscious. Only the miraculous malfunction of a killer's automatic weapon saved his life. But it was the hundreds of deaths and innumerable tragedies-murdered colleagues, dead kids, a Native American burned alive by skinheads-that took the greatest toll. In this no-holds-barred memoir, Smith offers a rare, unfiltered view of a career in law enforcement, and reveals his unique insights into battling PTSD and being forced to leave the profession he loved. Nothing Left to Prove is shocking, riveting, and poignant-remarkably honest. It's the very personal story of one man's career and its effect on his life, unveiled through Smith's masterful storytelling. If you think you know cops, if you enjoy compelling true-crime stories, then you'll love Danny R. Smith's powerful narrative. Buy Nothing Left to Prove for an eye-opening insider's perspective today! Advanced Reader Reviews: "Danny R. Smith has told his story with open and raw emotion that few would be willing to share openly and with such brutal honesty. His story leaves the reader with a better understanding of the hardships that a career in law enforcement can take on one's life, and hopefully leaves society with a better appreciation of those who chose to protect us." - Andrea Self "Nothing Left to Prove is a gritty, gut-wrenchingly honest and compelling inside look at the life of a law enforcement officer. This author pulls no punches as he lays bare the violence and horrific atrocities that took place during his career."

Get Over Yourself! Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula:

- **Getting Over What?** Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back.
- **Almost Over It** Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way.
- **Over It** Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

when life does not live up to our expectations, we end up with an Expectation Hangover. This particular brand of disappointment is profoundly uncomfortable and can cost us valuable time and energy if not treated and leveraged effectively. Christine Hassler has broken down the complex and overwhelming experience of recovering from disappointment into a step-by-step treatment plan. This book reveals the formula for how to process Expectation Hangovers on the emotional, mental, physical, and spiritual levels to immediately ease suffering. Instead of wallowing in regret, self-recrimination, or anger, we can see these experiences as catalysts for profound transformation and doorways that open to possibility. Often it is only when life throws us a curveball (or several) that we look in a different direction and make room for the kinds of unexpected things that lead more directly to a life we love. By the time you finish this book, you'll understand why your Expectation Hangover happened and have your own treatment plan — a clear course of action to pursue your goals while preventing future disappointment.
