The Mandate of Love (Guardians of Refuge Book 4) - Alyssa Bailey 2022-03-19

How was a man to keep his spicy woman safe? Judge Makenzie Stewart's decisions haven't always been voted favorably in the court of popular opinion; however, she loves living in her childhood home on Cache Island. She is determined to overcome the minor inconveniences of staying here and doing an unpopular job. However, preparing for a significant narcotics trial, she finds herself apprehensive over notes she receives that are especially threatening. Having the legal system back you up is cold comfort when you go to bed at night alone, exposed to the wild, untamed world that criminals can access quicker than the law. Seeking another perspective, she told her friend about what was happening. Things got hot fast with the entry of their bossy, interfering, and oh-so-enticing friend. Commander Ryder Mason could finally acknowledge it. He was tired of being alone, tired of the occasional hookup, and tired of going home to an empty house. After seeing his long-time friends find soulmates, maybe it was time he left this man's Navy and went rogue. Retire. But he loved his job, loved his life, and now he wanted to share it with someone intelligent, who had their own goals in life, and if it wasn't too late, maybe raise a couple of kids. Easy, right? That's when he met Makenzie Stewart. When danger came calling,

she stood up to it or ignored it and was resistant to help. How was a man to keep his spicy woman safe? Like Kenzie, Ryder lives under others' mandates and stays within the lines, but all bets are off when the danger grows and the scare tactics have turned deadly. Using his training and instincts, with the help of his friends, Ryder does what he does best, find the enemy's weaknesses and exploit them. Fear for the woman that has sent his system into overdrive is his motivator. While Ryder knows Kenzie is the woman for him, he's determined to make her see it as well? after he keeps her safe by eliminating the threat.

**Love Is a Rogue** - Lenora Bell 2020-10-27

Once upon a time in Mayfair a group of wallflowers formed a secret society with goals that had absolutely nothing to do with matrimony. Their most troublesome obstacle? Rogues! They call her Beastly Beatrice. Wallflower Lady Beatrice Bentley longs to remain in the wilds of Cornwall to complete her etymological dictionary. Too bad her brother's Gothic mansion is under renovation. How can she work with an annoyingly arrogant and too-handsome rogue swinging a hammer nearby? Rogue. Scoundrel. Call him anything you like as long as you pay him. Navy man Stamford Wright is leaving England soon and renovating Thornhill House is just a job. It's not about the duke's bookish sister or her fiery copper hair. Or the etymology lessons the prim-yet-alluring lady insists on giving him. Or the forbidden things he'd love to teach her. They say never mix business with pleasure. But when Beatrice and Ford aren't arguing, they're kissing. Sometimes temptation proves too strong to resist...even if the cost is a heart.

\* Instant NEW YORK TIMES and USA TODAY bestseller \*\* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \*\* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \* What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-

marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

**Love, Ish** - Karen Rivers 2017-01-24

SPECIAL PREVIEW! A rich and moving story about how one girl's celestial-sized dreams for a future on Mars go heartbreakingly awry when an unexpected diagnosis threatens her future. Things Mischa "Ish" Love will miss when she goes to Mars: lying on the living room floor watching TV, ice cream, her parrot Buzz Aldrin. Things Ish Love will not miss when she goes to Mars: mosquitoes, heat waves, missing her former best friend Tig. Ish is convinced that she'll be one of the first settlers on Mars. She's applied to—and been rejected from—the Mars Now project forty-seven times, but the mission won't leave for ten years and Ish hasn't given up hope. She also hasn't given up hope that Tig will be her best friend again (not that she'd ever admit that to anyone, least of all herself). When Ish collapses on the first day of seventh grade, she gets a diagnosis that threatens all her future plans. As Ish fights cancer, she dreams in vivid detail about the Martian adventures she's always known she'd have—and makes unexpected discoveries about love, fate, and her place in the vast universe. In this story perfect for fans of Fish in a Tree and The Thing About Jellyfish, Karen Rivers has once again created an unforgettable narrator who will pull readers into her orbit and keep them riveted until the very last page. Praise for The Girl in the Well Is Me: "Darkly humorous . . . Honest and forthcoming . . . It's in the quiet moments when Kammie is alone with her thoughts—which become surreal hallucinations—that the book comes alive." —The New York Times "A brilliantly revealed, sometimes even funny, exploration of courage, the will to live, and the importance of being true to oneself. The catastrophe draws readers in, and the universality of spunky Kammie's life-affirming journey will engage a wide audience. Moving, suspenseful, and impossible to put down." —Kirkus Reviews, starred review "Funny, surreal, occasionally heartbreaking . . . A compulsively readable story." —School Library Journal "I dare you to pick up this riveting novel without reading straight through to its heart-stopping conclusion. Karen Rivers has penned a dazzling voice, at once hilarious, heartbreaking, and searingly honest. The Girl in the Well Is Me is a triumph." —Katherine Applegate, Newbery Medal-winning author of The One and Only Ivan "A gripping story that doesn't shy away from dark places but explores them with heart, humor, and light." —Kate Messner, author of All the Answers
