

Playing The Field Sex Stardom Love And Life In Hollywood

Playing the Field - Mamie Van Doren 2013-02-17
Memoir of the blonde bombshell actress who grew to fame in the 1950s.

Glamour Girls of Sixties Hollywood - Tom Lisanti 2013-03-01

During the 1960s, many models, Playboy centerfolds, beauty queens, and Las Vegas showgirls went on to become “decorative actresses” appearing scantily clad on film and television. This well illustrated homage to 75 of these glamour girls reveals their unique stories through individual biographical profiles, photographs, lists of major credits and, frequently, in-depth personal interviews. Included are Carol Wayne, Edy Williams, Inga Neilsen, Thordis Brandt, Jo Collins, Phyllis Davis, Melodie Johnson, and many equally unforgettable faces of sixties Hollywood.

Star Studies - Martin Shingler 2019-07-25
Martin Shingler presents the mother volume for Palgrave's Film Stars series in three easily-navigable chapters in which he provides a summative and instructive account of star studies for today's film student. Via a critical evaluation of the work of leading film scholars, he provides a convincing argument for how this important area of film studies has evolved. Building on this, he offers some new directions for star scholarship, and ends by offering the film student a useful set of themes and issues for his or her own investigation. 'Star Studies' is the perfect companion for the student who wishes to foster further research on stardom across a wide range of contexts, from national cinemas, to mainstream and marginal cinemas, to different historical periods and beyond.

But Enough About Me - Burt Reynolds
2016-10-25

A scandalous, sentimental, no-holds-barred, New York Times bestselling memoir from one of Hollywood's most legendary stars. Burt Reynolds was a Hollywood leading man known for his legendary performances, sex symbol status, and infamous Hollywood romances. In his decades of stardom, Reynolds saw it all. *But Enough About Me* will, in his words, “call out the assholes,” try to make amends for “being the asshole myself on too many occasions,” and pay homage to the superstars and ordinary heroes he came to love and respect. Beginning with Reynolds's adolescence as a notable football player in South Florida and the devastating car accident that ended his sports career and helped steer him toward acting, *But Enough About Me* then chronicles Reynolds's meteoric rise to fame. From Oscar nominations, to the spread in *Cosmopolitan* magazine, to the financial decisions that took him from rich to poor and back again, Reynolds shares the wisdom that came from his many highs and lows. He also opens up about his romances and breakups with some of Hollywood's leading women, including the “two loves of his life,” Dinah Shore and Sally Field, and his turbulent relationship with Loni Anderson, to whom he was forced to pay record-setting amounts of alimony and child support after the couple divorced. Through it all, Reynolds reflects on his personal pitfalls and recoveries and focuses on his legacy as a father and acting teacher.

Hollywood Moon - Joseph Wambaugh 2010
Hollywood certainly isn't your typical police precinct, but these days it seems even weirder than usual, from drag queens in delicto flagrante behind dumpsters to men in massage parlours

receiving unspeakable injuries from Barbie dolls. The cops have peculiarities of their own: Hollywood Nate still dreams of movie stardom, but worries that he's too good-looking to be a character actor. Then there's Dana Vaughn, a tough no-nonsense cop who can't stand the fact that former chauvinist pig Lee Murillo has become her new "guardian angel" after she saved his life. But there's a darker side to all that weirdness - and when the enigmatic crook Dewey Gleason hatches an audacious kidnap plan, without knowing that one of the hired help lives a double life as a serial sex attacker, things start to get very dangerous indeed.

Hollywood Sinners - Victoria Fox 2011-05-01
POWER Marriage to Hollywood heartthrob Cole Steel secured Lana Falcon a glittering place on the red carpet. But running from a wicked past she has trapped herself in a gilded cage the price of freedom. . . her soul?

"When a Girl's Beautiful" - The Life and Career of Joi Lansing - Richard Koper

Joi Lansing made a career in Hollywood at a time when being blonde and curvy was much appreciated. Although she never became as successful as Jayne Mansfield or Mamie Van Doren, let alone Marilyn Monroe, she carved out a path for herself, appearing in several iconic television shows. In the 1960s, she took a new route by becoming a singer, earning praise for her newfound talents. Insecurity about her looks and talent plagued her all her life. In growing older, she did everything to stay young and beautiful. Nevertheless, Joi was also acute enough to know that it had taken more than good looks to become famous. In 1965 she stated that, "Looks are important, of course. But after the looks go, what does a girl have? What I mean is, a girl has to have more than just looks to succeed in Hollywood." "When a Girl's Beautiful" — The Life and Career of Joi Lansing tells the story of a vulnerable, sweet and talented woman, who gave her all to become famous and struggled to survive in the harsh world of show business. With an overview of Joi Lansing's film and television appearances, it also contains rare pictures and many never-before-seen photographs from family albums. It's enlivened with quotes and anecdotes of people who knew and worked with her.

Life at the Marmont - Raymond Sarlot

2013-04-30

Raymond Sarlot bought the Chateau Marmont in 1975, but what was originally a business purchase became a love affair as he delved into the hotel's incredible history. From its perch overlooking the Sunset Strip, the glamorous Marmont reigned for decades as the spot for artists, writers, musicians, and actors of every stripe and remains a home-away-from-home for A-listers like Scarlett Johansson and Johnny Depp. Here, Sarlot and co-author Fred E. Basten share a wealth of scandalous and intriguing tales about them all, from the stars of Hollywood's Golden Era like Jean Harlow and Grace Kelly to idols of the sixties and seventies like Jim Morrison and John Belushi (who tragically died there in 1982). Whether your obsession is Hollywood history or celebrity gossip, *Life at the Marmont* has plenty of gripping, juicy stories to fascinate.

Scoring the Hollywood Actor in the 1950s - Gregory Camp 2020-12-31

Scoring the Hollywood Actor in the 1950s theorises the connections between film acting and film music using the films of the 1950s as case studies. Closely examining performances of such actors as James Dean, Montgomery Clift, and Marilyn Monroe, and films of directors like Elia Kazan, Douglas Sirk, and Alfred Hitchcock, this volume provides a comprehensive view of how screen performance has been musicalised, including examination of the role of music in relation to the creation of cinematic performances and the perception of an actor's performance. The book also explores the idea of music as a temporal vector which mirrors the temporal vector of actors' voices and movements, ultimately demonstrating how acting and music go together to create a forward axis of time in the films of the 1950s. This is a valuable resource for scholars and researchers of musicology, film music and film studies more generally.

That Kind of Woman: The Life and Career of Barbara Nichols - Richard Koper

Barbara Nichols (1928-1976), the "dame with the shapely frame," changed her reddish-brown hair to platinum blonde, drew whistles as a semi-nude post-World War Two pin-up model, and was named Miss Long Island. Broadway beckoned and she drew attention in the Pal Joey musical.

When Hollywood called, she filled a dubious niche in small, wisecracking roles, wringing both comedy and tragedy from cheesy, dim-witted stereotypical strippers, gold-diggers, barflies, gun molls, and floozies. Barbara scored great reviews in films, such as Pal Joey (1957), Sweet Smell of Success (1957) and The Pajama Game (1957). Her later work on television cemented her archetypical characterizations on The Bob Cummings Show (1958-1960), Love that Jill (1958), The Jack Benny Program (1958-1960), The Red Skelton Hour (1958-1960), The Beverly Hillbillies (1962), Adam-12 (1968), The Twilight Zone (1959), The Untouchables (1959) and Batman, among others. Always the life of the party and smiling before the public, her private life spiraled down into a whirlpool of troubled relationships and heartbreaking decline. Forever haunted by her unbreakable image as "that kind of woman," Barbara ultimately fell victim to the perilous price of fame, yet her sunny character and the hilarious anecdotes recalled by co-workers, directors, and relatives live on as a testament to her enduring appeal. The author has drawn from extensive interviews with Tab Hunter, Michael Dante, Marvin Kaplan, Paula Stewart, Barbara Luna, Mamie Van Doren, Shirley Knight, director William Byron Hillman, Barbara's psychic, two of her relatives, fellow high school students, and friends. Filmography. Index. Bibliography. Foreword by her second-cousin, John Carpenter. Illustrated with more than 200 photographs from her personal archives.

In Pieces - Sally Field 2018-09-18

A Sunday Times Book of the Year 'A memoir as soulful, wryly witty, and lyrical as it is candid and courageous' - Booklist, starred review 'Impressive, candid and vivid' The Times 'Beautifully written' Sunday Times Sally Field is one of the most celebrated, beloved and enduring actors of our time, and now she tells her story for the first time in this intimate and haunting literary memoir. In her own words, she writes about a challenging and lonely childhood, the craft that helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. Sally Field has an infectious charm that has captivated audiences for more than five decades, beginning with her first television role at the age of 17.

From Gidget's sweet-faced 'girl next door' to the dazzling complexity of Sybil to the Academy Award-winning ferocity and depth of her role in Norma Rae and Mary Todd Lincoln, Field has stunned audiences time and time again with her artistic range and emotional acuity. Yet there is one character who always remained hidden: the shy and anxious little girl within. With raw honesty and the fresh, pitch-perfect prose of a natural-born writer, and with all the humility and authenticity her fans have come to expect, Field brings readers behind the scenes for not only the highs and lows of her star-studded early career in Hollywood, but deep into the truth of her lifelong relationships including, most importantly, her complicated love for her own mother. Powerful and unforgettable, *In Pieces* is an inspiring and important account of life as a woman in the second half of the twentieth century.

[Ponies & Rainbows: The Life of James Kirkwood](#) - Sean Egan

James Kirkwood is the forgotten man of American letters. In 1975, he had two shows playing on Broadway, while his latest novel *Some Kind of Hero* saw reviewers comparing him to Saul Bellow and Joseph Heller. One of those shows - *A Chorus Line* - won him a Pulitzer Prize for his co-writing contribution and went on to become the biggest stage phenomenon in history. Yet today his work is largely out of print and his name rarely mentioned. Kirkwood led a life that was as gripping as any of his novels or plays. The son of silent screen stars, he grew up in Hollywood surrounded by celebrities and opulence before his parents went broke. His childhood was littered with trauma, including finding the dead body of his mother's fiancé when he was twelve. Before writing, his professional life encompassed the coast guard, stand-up comedy and soap opera acting. His

private life was equally varied, involving loving sexual relationships with both men and women. Sean Egan - author of seventeen books - took over seven years to write this definitive biography, interviewing more than sixty of Kirkwood's family, lovers, colleagues, friends and adversaries in the process. In a sweeping narrative that takes in Hollywood in the Twenties, the boom era of New York nightclubs in the Forties and the Eighties AIDS holocaust, Ponies & Rainbows both details a remarkable life and seeks to re-establish an even more remarkable talent.

Doris Day. Ihr Leben, ihre Filme, ihre Lieder - Bettina Uhlich 2023-05-05

- Die erste umfassende Biografie in deutscher Sprache über Doris Day. - Hommage an eine gefeierte Künstlerin, deren Lebensweg viele Höhen und Tiefen kannte. - Empathisch in der Herangehensweise, ergreifend geschrieben. Aus romantischen Filmkomödien wie "Bettgeflüster" (1959) oder "Ein Pyjama für zwei" (1961) kennt man sie nur zu gut, unvergessen ihre Interpretation des Liedes "Que Sera, Sera" im Hitchcock-Film "Der Mann, der zu viel wusste": Doris Day. Doch wer steckt hinter der vielfach ausgezeichneten Künstlerin, die an der Seite von Hollywood-Größen wie Rock Hudson oder Cary Grant ein Millionenpublikum begeistert? Doris' sehnlicher Wunsch ist es, Tänzerin zu werden. Doch ein Beinbruch in ihrer Jugend lässt diesen Traum zerplatzen. So konzentriert sich die junge Frau auf ihr Gesangstalent und feiert schnell erste Erfolge. Sie arbeitet mit großen Jazz-Bands zusammen und landet zahlreiche Nummer-eins-Hits. Bei einer Tournee wird Doris Day von Regisseur Michael Curtiz entdeckt und steigt in die Filmbranche ein. Für gut zehn Jahre verkörpert sie in populären Komödien

tugendhafte Frauenfiguren und singt in Musicals. Doch die Mitte der Sechzigerjahre aufkommende Freizügigkeit im internationalen Film bietet für den Hollywood-Star immer weniger Platz. Als das Image der "Sauberfrau" unglaubwürdig wird, zieht sich Doris aus dem Filmgeschäft zurück. Ihr turbulentes Privatleben - sie ist viermal verheiratet - verläuft wenig sorgenfrei. Erfüllung findet Doris Day in ihrem Engagement für Tiere, wagt als 89-Jährige gar ein musikalisches Comeback: mit grandiosem Erfolg! Bettina Uhlich beleuchtet in ihrer Biografie die große Karriere Doris Days und wirft zudem einen Blick hinter Glanz und Glamour. Eine Hommage an eine besondere und außergewöhnliche Frau, die am 03. April 2022 100 Jahre alt geworden wäre.
