Cuffed, Tied, and Satisfied - JAIYA 2014-06-17

BANISH BORING SEX AND UNLEASH ORGASMIC ECSTASY WITH POWER, RESTRAINT, AND SENSATION PLAY! Are you ready to expand your sexual boundaries? If you've ever fantasized about being taken by your man, dreamed of playing with handcuffs, ropes, and paddles, or been turned on by the thought of wickedly wielding power over your lover, you've found the right book! Award-winning Sexologist and author Jaiya will be your Mistress in this fun-to-read handbook that will transform your sex life. CUFFED, TIED, AND SATISFIED leads the kink novice and pro alike on a shame-free personal journey to sexual empowerment, including your full plan for safely playing on the edge, setting boundaries, and communicating with your partner about your deepest, darkest, untapped desires. Jaiya will teach you how to make your sexual fantasies a safe reality through: • SENSORY PLAY - Blindfolded and tied to the bed; you're helpless as every inch of your skin is awakened with your lover's hot breath and a delicious feather... • POWER ROLES - You've drawn up your own sexy contract detailing every moment of how you want your lover to take you to full surrender; he looks into your eyes and pulls you to your knees... • IMPACT AND TOYS - Just the sound of your wicked crop sends your lover into ecstasy; the anticipation has you both on the brink of extraordinary pleasure... • ROLE PLAYING - Standing naked in front of your lover, they admire your black thigh-high heels. You've empowered your inner Dominatrix, and you're ready to take control... CUFFED, TIED, AND SATISFIED is all you need to bring kink out of the dungeon and into your bedroom.

Lights Camera Booze - Kourtney Jason 2013-09-24

"A volume of movie-themed drinking games, promising hours of adult and alcoholic fun." —My Daily Cocktails MAKE MOVIE NIGHT EPIC Invite friends over, mix some drinks, press play and drink, drink, drink every time Lights Camera Booze tells you to. It's eighty-proof fun in front of the big screen when this book turns your favorite movies into drinking game parodies, including: Hand-drawn game boards Rules on when to drink Themed cocktails for each flick Post-movie sobriety challenges Movies featured include: American Pie, Anchorman, National Lampoon's Animal House, Back to the Future, The Big Lebowski, The Breakfast Club, Bring It On, Clerks, Clueless, Dirty Dancing, Ferris Bueller's Day Off, Fight Club, Ghostbusters, The Goonies, Harold & Kumar Go to White Castle, The Hangover, Home Alone, The Karate Kid, Legally Blonde, Magic Mike, Mean Girls, Monty Python & the Holy Grail, Napoleon Dynamite, Office Space, The Princess Bride, Pulp Fiction, The Rocky Horror Picture Show, The Sandlot, Scream, Sex and the City, Superbad, Tommy Boy, and Wayne's World

Burn After Writing (Gray) - Sharon Jones 2021-05-18

The national bestseller. Write. Burn. Repeat. Now with new covers to match whatever mood you're in. "This book has made me laugh and cry, filled me with joy, and inspired me." -TikTok user camrynbanks Instagram, WhatsApp, Snapchat, TikTok, VSCO, YouTube...the world has not only become one giant feed, but also one giant confessional. Burn After Writing allows you to spend less time scrolling and more time self-reflecting. Through incisive questions and thought experiments, this

journal helps you learn new things while letting others go. Imagine instead of publicly declaring your feelings for others, you privately declared your feelings for yourself? Help your heart by turning off the comments and muting the accounts that drive you into jealousy for a few moments a night. Whether you are going through the ups and downs of growing up, or know a few young people who are, you will flourish by finding free expression--even if through a few tears! Push your limits, reflect on your past, present, and future, and create a secret book that's about you, and just for you. This is not a diary, and there is no posting required. And when you're finished, toss it, hide it, or Burn After Writing. **SECRET OF THE HIMALAYAN TREASURE** - Mundra Divyansh 2019-01-24

THE OLDEST SECRET SOCIETY OF INDIA. THE GREATEST TREASURE IN THE HISTORY OF MANKIND. THE MOST EPIC MYSTERY OF THE ANCIENT WORLD. When the richest man of India confesses to being part of a secret society in a live press conference; chaos ensues. His daughter Aanya Vashishtha takes the help of Aarav Kohrrathi, a brilliant but egoistic treasure hunter and his friend Rehann to solve the mystery of The Ring of the Seven, a society of influential men who are tasked to protect the greatest treasure in history. What starts off as a quest to uncover her father's secret leads them to something bigger which they themselves couldn't have fathomed. They take the help from her father's associate, Shayna Maheshwari, a billionaire banker and someone herself involved with the secret, as they progress towards a treasure hidden somewhere in the Himalayas. They brave bullets, puzzles, deadly chases, cult of assassins, and betrayal as their quest takes them across the length and breadth of South Asia; from the bustling metropolises of Mumbai and Delhi to the ancient temples of Nepal; from the serene beaches of Sri Lanka to the towering mountains of the Himalayas. They try to uncover a set of secret books of lost arts, which are believed to reveal the map of the treasure, and strive to discover the identities of the masters of the Ring of the Seven to solve the penultimate mystery. In a tale of love and loss, logic and emotions, religion and history, action and adventure, and the trial of a few good men against the most powerful organization in the history of mankind. Will they find the secret of the Himalayan treasure?

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on fivelovelanguages.com. *The Five Love Languages* is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Introduction to Probability - Joseph K. Blitzstein 2014-07-24

Developed from celebrated Harvard statistics lectures, *Introduction to Probability* provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.

The Couple's Quiz Book: 350 Fun Questions to Energize Your Relationship - Alicia Muñoz 2020-06-09

Never Have I Ever - Kourtney Jason 2012-10-16

Raise the stakes in the popular drinking game with prompts that will make your friends spill the juiciest details of their lives. Exposed Secrets . . . DRINK! Confessed Sex-capades . . . DRINK! Shared Life Experiences . . . DRINK! Relived Embarrassments . . . DRINK! Oh Yes You Did . . . DRINK! Packed with 1000 confessions, this book guarantees that your next game of *Never Have I Ever* will be the most fun, exciting and revealing time you've ever had with your friends. "A fun one . . . full of ideas . . . So never again will you have to be the guy or gal holding things up while you keep saying 'Hold on, I'm trying to come up with a good one!' (Seriously, you've had time to brainstorm.) Some of them are tame—like 'built a tree fort,' 'visited the National Mall' or 'touched a sea turtle.' However, most of them are a bit raunchy and personal." —HuffPost College

My New Gender Workbook - Kate Bornstein 2013-08-06

"This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read..."—Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In *My Gender Workbook*, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, *My Gender Workbook* has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, *My New Gender Workbook* promises to help a new generation create their own unique place on the gender spectrum.

Behave - Robert M. Sapolsky 2017-05-02

Why do we do the things we do? Over a decade in the making, this game-changing book is Robert Sapolsky's genre-shattering attempt to answer that question as fully as perhaps only he could, looking at it from every angle. Sapolsky's storytelling concept is delightful but it also has a powerful intrinsic logic: he starts by looking at the factors that bear on a person's reaction in the precise moment a behavior occurs, and then hops back in time from there, in stages, ultimately ending up at the deep history of our species and its genetic inheritance. And so the first category of explanation is the neurobiological one. What goes on in a person's brain a second before the behavior happens? Then he pulls out to a slightly larger field of vision, a little earlier in time: What sight, sound, or smell triggers the nervous system to produce that behavior? And then, what hormones act hours to days earlier to change how responsive that individual is to the stimuli which trigger the nervous system? By now, he has increased our field of vision so that we are thinking about neurobiology and the sensory world of our environment and endocrinology in trying to explain what happened. Sapolsky keeps going—next to what features of the environment affected that person's brain, and then back to the childhood of the individual, and then to their genetic makeup. Finally, he expands the view to encompass factors larger than that one individual. How culture has shaped that individual's group, what ecological factors helped shape that culture, and on and on, back to evolutionary factors thousands and even millions of years old. The result is one of the most dazzling tours de horizon of the science of human behavior ever attempted, a majestic synthesis that harvests cutting-edge research across a range of disciplines to provide a subtle and nuanced perspective on why we ultimately do the things we do...for good and for ill. Sapolsky builds on this understanding to wrestle with some of our deepest and thorniest questions relating to tribalism and xenophobia, hierarchy and competition, morality and free will, and war and peace. Wise, humane, often very funny, *Behave* is a towering achievement, powerfully humanizing, and downright heroic in its own right.

The Bucket List - Georgia Clark 2019-10-01

"Emotional, hilarious, and thought-provoking." —People "Witty, sexy." —Los Angeles Times #1 Cosmopolitan Best New Books of Summer PureWow Best Reads of Summer From the author of the critically acclaimed "lively and engrossing parable for women of all generations" (*Harper's Bazaar*) *The Regulars*, comes a deeply funny and thoughtful tale of a young woman who embarks on an unforgettable bucket list adventure. Twenty-five-old Lacey Whitman is blindsided when she's diagnosed with the BRCA1 gene mutation: the "breast cancer" gene. Her high hereditary risk forces a decision: increased surveillance or the more radical step of a preventative double mastectomy. Lacey doesn't want to lose her breasts. For one, she's juggling two career paths. Secondly,

small-town Lacey's not so in touch with her sexuality: she doesn't want to sacrifice her breasts before she's had the chance to give them their hey-day. To help her make her choice, she (and her friends) creates a "boob bucket list": everything she wants do with and for her boobs before a possible surgery. This kicks off a year of sensual exploration and sexual entertainment for the quick-witted Lacey Whitman. The Bucket List cleverly and compassionately explores Lacey's relationship to her body and her future. Both are things Lacey thought she could control through hard work and sacrifice. But the future, it turns out, is more complicated than she could ever imagine. Featuring the pitch-perfect "compulsively delicious" (Redbook) prose of *The Regulars*, *The Bucket List* is perfect for fans of Amy Poepel and Sophie Kinsella.

Mornings Like This - Annie Dillard 2011-11-22

"Found poems are to their poet what no-fault insurance is to beneficiaries: payoffs waiting to happen where everyone wins and no one is blamed. Dillard culls about 40 such happy accidents from sources as diverse as a *The American Boys Handy Book* (1882) and the letters of

Van Gogh. . . the poet aims for a lucky, loaded symbolism that catapults the reader into an epiphany never imagined by the original authors." — Publishers Weekly In *Mornings Like This*, beloved author Annie Dillard has given us a witty and moving collection of poems in a wholly original form, sure to charm her fans, both old and new. Extracting and rearranging sentences from old and odd books—From D.C. Beard's "*The American Boys Handy Book*" in 1882 to Van Gogh's letters to David Greyson's "*The Countryman's Year*" in 1936—Dillard has composed poems on poetry's most heartfelt themes of love, nature, nostalgia, and death. A unique, clever, and original collection, Dillard's characteristic voice sounds throughout the pages.

A Little Life - Hanya Yanagihara 2016

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.
