From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. The MILF Anthology - Cecilia Tan 2006-06-01

From Cecilia Tan and Lori Perkins, two of the best connected women in erotica today, comes what could become Blue Moon's most successful title in recent seasons. Here, for the first time ever, is an anthology of short erotic stories centered on the theme of MILFs. MILF, if you haven't seen the movie *American Pie*, stands for "mother I'd love to f***". More specifically, these are stories of horny young men and the voluptuous older women they crave. For legal reasons, the characters in the stories are all over 18 years of age, but there is plenty of "Mrs. Robinson" spark. (Think about a hottie like Ashton Kutcher getting it on with sexy mom Demi Moore and you are going in the right direction.) Inexperience meets experience—does the wiser, savvier older woman tame the young buck, or set him free in a whole new way? Or does he teach her some new tricks?

Goldie Roth has lived in Jewel all her life. Like every child in the city, she wears a silver guard chain and is forced to obey the dreaded Blessed Guardians. She has never done anything by herself and won't be allowed out on the streets unchained until Separation Day. When Separation Day is cancelled, Goldie, who has always been both impatient and bold, runs away, risking not only her own life but also the lives of those she has left behind. In the chaos that follows, she is lured to the mysterious Museum of Dunt, where she meets the boy Toadspit and discovers terrible secrets. Only the cunning mind of a thief can understand the museum's strange, shifting rooms—and Goldie has a talent for thieving. Which is just as well, because the leader of the Blessed Guardians has his own plans for the museum—plans that threaten the lives of everyone Goldie loves. And it will take a daring thief to stop him... *Museum of Thieves* is a thrilling tale of destiny and danger, and of a courageous girl who has never been allowed to grow up—until now.
