

Sex Offender Check Uk

Sexual Deviance - Tony Ward 2003

Sexual Deviance: Issues and Controversies addresses the biological, developmental, cultural, and learning factors in the genesis of sexual deviancy and links those theories to interventions with sex offenders. Edited by renowned sexual behavior experts Tony Ward, D. Richard Laws, and Stephen M. Hudson, this exceptional volume is divided into two sections. The first section covers explanations for sexual deviance, including ethical issues and classification systems for sexually deviant disorders. The second section addresses responses to sexual deviance, including traditional and modern intervention approaches.

Internet Child Abuse: Current Research and Policy - Julia Davidson 2010-09-13

Internet Child Abuse: Current Research and Policy provides a timely overview of international policy, legislation and offender management and treatment practice in the area of Internet child abuse. Internet use has grown considerably over the last five years, and information technology now forms a core part of the formal education system in many countries. There is however, increasing evidence that the Internet is used by some adults to access children and young people in order to 'groom' them for the purposes of sexual abuse; as well as to produce and distribute indecent illegal images of children. This book presents and assesses the most recent and current research on internet child abuse, addressing: its nature, the behaviour and treatment of its perpetrators, international policy, legislation and protection, and policing. It will be required reading for an international audience of academics, researchers, policy-makers and criminal justice practitioners with interests in this area.

Where are They Now? - Joyce Plotnikoff 2000

The Resettlement of Sex Offenders after Custody - David Thompson 2017-07-14

Circles of Support and Accountability is a voluntary initiative that assists people with convictions for sexual offences to resettle in the community. People leaving prison with such convictions often have difficulties in resettling. They carry the burden of the conviction itself, which may be both stigmatising and isolating, and they are the subject of sex offender register requirements, parole and other supervisory conditions. Circles of Support and Accountability in the UK started over ten years ago and have slowly spread across the country. They work closely with the police and probation services but rely entirely on volunteers prepared to give up their time to work with people often otherwise shunned by communities. Circles offer support to the person concerned but also hold them accountable for their future behaviour. They aim to ensure there are 'no more victims'. This book is based on original research and provides a close-up picture of how these Circles of Support and Accountability work in practice. It brings together for the first time the voices of all the participants, from the offenders and the volunteers through to the Coordinators who link the volunteers to the professionals in the form of the police and probation services.

Children as 'Risk' - Anne-Marie McAlinden 2018-10-04

Examines the social, legal and cultural challenges navigating the boundaries of 'normal'-'problematic'-'risky' sexual behaviours among peers.

Sexual Offending - Amy Phenix 2015-12-07

This expert reference provides a broad, comprehensive review of the major domains of sexual offending. Beginning with an integrated etiological model of sexual offending, chapters follow addressing the primary predisposing conditions related to sexual offending (e.g. pedophilic, hebephilic, paraphilic rape and non-contact paraphilic disorders, hyper sexuality and personality factors). In addition, special subgroups of sexual offenders (females, youth and the intellectually disable) are considered. Both broad and specific perspectives on the assessment of sexual offenders are provided. Overviews are offered of clinical and forensic evaluations of such offenders and the utility of structured psychological assessment. A novel conceptual model of risk assessment is proposed. More specifically, each of the primary approaches or

instruments related to risk assessment of sexual offending are addressed: the Static risk assessment measures, the Sex Offender Risk Appraisal Guide, structured professional judgment, and the varied measures of dynamic or criminogenic needs assessment. Finally, multiple aspects of management of sexual offenders are discussed including models of psychosocial treatment, the question of the effectiveness of such treatment, biological interventions, civil commitment, circles of support, and the containment approach to community management. Chapters are authored by both prominent experts and experienced professionals for a breadth of perspective. Among the topics covered: Pedophilic, Hebephilic, Rape Paraphilic Disorders and the variety of Non Contact sexual offending conditions Personality, related conditions, & their association with sexual offending: motivators and disinhibition in context. Disorders of hyper sexuality. Assessments of sexual offenders, including the role of psychological testing, clinical & interview approaches, as well as forensic evaluations Conceptual models of risk assessment & discussion of specific static, dynamic & structured clinical risk assessment approaches Models of & reviews of treatment outcome with sexual offenders, including psychotherapy, psychopharmacology and castration, the containment approach, civil commitment & circles of support Overview of public policy issues & an evidence-based perspective on sex offender registration and residential restrictions. This breadth of material in Sexual Offenders will help practitioners gain multiple levels of clinical insight as well as giving them up-to-date practical tools and techniques for working with this problematic class of individuals.

Assessment and Treatment of Sexual Offenders with Intellectual Disabilities - Leam A. Craig 2010-12-03

A practical handbook for practitioners that covers the assessment, treatment and management of sexual offenders with intellectual disabilities - an area of growing interest within clinical forensic psychology. New for the Wiley Series in Forensic Clinical Psychology: a practical handbook that covers the assessment, treatment and management of sexual offenders with intellectual disabilities Summarises the research literature on the characteristics and prevalence of sexual offenders with intellectual disabilities Discusses risk assessment and innovations in treatment and management Includes contributors world-renowned in the field of assessment and treatment of sexual offenders with intellectual disabilities such as Tony Ward, Glynis Murphy, and Douglas Boer

Impacts of Sex Crime Laws on the Female Partners of Convicted Offenders - Lisa Anne Zilney 2020-06-01

This work is an exploratory examination of the experiences, motivations, and coping mechanisms of women who are involved in intimate relationships with registered sexual offenders. The study focuses both on women who were involved with an offender prior to the commission of his offense and who stayed with him post-conviction, and on women who became involved with a registered offender after his sex offense conviction. Like the offender himself, these women face a variety of challenges in responding to treatment of them by friends, family, the community, and the criminal justice system. Utilizing the results of intensive interviews, this work provides a unique look at the women who are one of the few sources of support for registered sexual offenders and assesses the effectiveness and wide-ranging implications of community notification and registration laws on public safety, policy, and practice. This work offers alternative approaches based on evidence and case studies and considers the significance of familial contact in buffering sexual recidivism. These women are the heretofore unstudied victims of sexual offending legislation. This book is essential reading for those in sociology, criminology, psychology, and social work. For undergraduate or graduate students, practitioners, researchers, or policy makers, this thought-provoking book will shed light on how to optimize the reintegration of sex offenders. It assesses the effectiveness and wide-ranging implications of sex offender legislation on public safety, policy, and practice and considers alternative approaches to reduce sexual violence.

Sex Offenders - Fabian M. Saleh M.D. 2009-02-11

This comprehensive reference by nationally recognized experts provides an interdisciplinary overview of existing knowledge about sex offenders. It provides in-depth coverage of the problem of identification, risk assessment and management, treatment, and legal solutions. It seeks to ensure public safety while at the same time maintaining medical integrity and respect for due process. The book is intended for psychiatrists, clinical psychologists, and researchers who work with sex offenders, as well as attorneys, members of the judiciary, and policymakers.

Innovations and Advancements in Sex Offender Research - Wesley Jennings 2016-04-14

This book provides a comprehensive dissemination of theoretically grounded and empirically sound research on sex offenders and sex offending. It uses diverse methodological approaches with implications for the research of criminal justice policy and practice. The chapters derive from and focus on different geographical contexts and generate empirical evidence concerning sex offenders and sex offending including: low sex recidivism rates; a lack of sex offender specialization; little to no evidence of sex offending continuity from adolescence to adulthood; and a host of collateral consequences of sex offender registration and notification policies with limited deterrent effect or public safety benefit. This book was originally published as a special issue of the Journal of Crime & Justice.

Aquatic Exercise for Pregnancy - Susan Baines 2010

Aimed at midwives and health and fitness professionals, this practical, illustrated resource book covers every aspect of one of the most beneficial forms of exercise for pregnant mothers. Aquanatal exercise combines the therapeutic properties of warm water with suitably chosen music, to create a unique method of exercising. Unlike dry land exercise, which tends to work specific parts of the body, aquanatal exercise gently works the whole body. Written by two specialist coaches for the Register of Exercise Professionals (UK), who have developed the UKOCOs first level3 Pregnancy Aquatics, Nutrition and Health module at the University of Salford, this book is the culmination of over ten years OCO passionate interest and work in the field of aquanatal exercise. Contents include: Water generally OCO aquanatal specifically The anatomy of movement and the main muscles OCO Pool safety OCO risk assessment and management OCO Getting the best out of your classes OCO Aquanatal choreography OCO Practical tips for more fun and interesting classes OCO Contraindicated aquanatal exercises OCO The pelvic floor and aquanatal exercise OCO Ethical considerations OCO Public health, physical activity and aquanatal exercise OCO quanatal exercise and parent education Nutrition during pregnancy and for physical exercise OCO The law and aquanatal exercise OCO Voice care for the aquanatal exercise coach OCO Marketing within the NHS OCO Sample screening and risk assessment forms OCO Sample sessions plans and client information sheets"

Sex Offenders and the Internet - Dennis Howitt 2009-09-28

Online, the opportunity to commit a crime is never more than a few clicks away. Sex Offenders and the Internet explores the nature of online sex offenders in order to help practitioners understand and treat this new category of client. Kerry Sheldon and Dennis Howitt examine the research base by reviewing case studies and psychological profiles, with a particular focus on paedophilic Internet sex offenders. Issues covered include child pornography, the often overlooked 'excuses' for paedophilia, and how we can move forward. The result is a book that comprehensively details the nature of Internet sex offenders, bringing together the relevant research into one essential volume.

Infocrime - Eli Lederman 2016-03-25

It has often been said that information is power. This is more true in the information age than ever. The book profiles the tools used by criminal law to protect confidential information. It deals with the essence of information, the varieties of confidential information, and the basic models for its protection within the context of the Internet and social networks. Eli Lederman examines the key prohibitions against collecting protected information, and against using, disclosing, and disseminating it without authorization. The investigation cuts across a broad subject matter to discuss and analyze key topics such as trespassing and peeping, the human body as a source of information, computer trespassing, tracking and collecting personal information in the public space, surveillance, privileged communications, espionage and state secrets, trade secrets, personal information held by others, and profiling and sexting. Infocrime will appeal to graduate and undergraduate scholars and academics in the legal arena, in law schools and schools of

communication, and to practicing lawyers with an interest in legal theory and a concern for the protection of the personal realm in a world of increasingly invasive technologies.

Routledge Handbook of Athlete Welfare - Melanie Lang 2020-10-26

Athlete welfare should be of central importance in all sport. This comprehensive volume features cutting-edge research from around the world on issues that can compromise the welfare of athletes at all levels of sport and on the approaches taken by sports organisations to prevent and manage these. In recent years, sports organisations have increased their efforts to ensure athlete health, safety, and well-being, often prompted by high-profile disclosures of sexual, physical, and emotional abuse; bullying; discrimination; disordered eating; addiction; and mental health issues. In this book, contributors lift the lid on these and other issues that jeopardise the physical, emotional, psychological, social, and spiritual welfare of athletes of all ages to raise awareness of the broad range of challenges athletes face. Chapters also highlight approaches to athlete welfare and initiatives taken by national and international sport organisations to provide a safer, more ethical sports environment. As the first book to focus exclusively on athlete welfare, this is an essential read for students and researchers in sports studies, coaching, psychology, performance, development and management, and physical education. It is also a useful reference point for anyone working in welfare, safeguarding, child protection, and equity and inclusion in and beyond sport.

Eliminating Online Child Sexual Abuse Material - Rick Brown 2022-12-09

This book uses a crime science approach to explore the ways in which child sexual abuse material (CSAM) can be tackled. It describes the CSAM ecosystem, focusing on the ways in which it is produced, distributed and consumed and explores different interventions that can be used to tackle each issue. Eliminating Online Child Sexual Abuse Material provides a methodical approach to unpacking and understanding this growing problem, identifies approaches that have been shown to work and offers alternatives that might be tried. This analysis is set within a crime sciences context that draws on rational choice, routine activities, situation crime prevention and environmental criminology to better understand the nature of the problem and the potential ways in which it may be solved. This book is intended for policy-makers and practitioners working in child protection, online harms and related areas and for students studying sexual violence or internet-related crime. The book will also be of interest to crime scientists as it provides another example of how the approach can be used to understand and reduce crime.

Treating Sexual Offenders - William L. Marshall 2013-05-13

Through extensive consideration of current research, theory and practice, Treating Sexual Offenders provides a guide to the assessment, treatment, and evaluation of a number of different disorders. Provides therapists with the means to have a continued positive impact on the sex offender, from assessment to post-treatment evaluation and follow-up. Includes fetishisms, transvestic fetishisms, exhibitionism, frottage, pedophilia, sexual sadism, sexual masochism, telephone scatologia, voyeurism, rape, child molestation, and incest. The Therapist Rating Scale used and referenced throughout the text is available for download below. Therapist Rating Scale (pdf file)

The Oxford Handbook of Sex Offences and Sex Offenders - Teela Sanders 2017

Provides comprehensive, even-handed analysis of the myriad of topics related to sex offenses, including pornography, sex trafficking, criminal justice responses, and the role of social media in sex crimes. Extending beyond the existing scholarly research on the topic, this volume teases out the key debates, controversies, and challenges involved in addressing sex crimes.

The Wiley Handbook of What Works in Violence Risk Management - J. Stephen Wormith 2020-02-10

A comprehensive guide to the theory, research and practice of violence risk management The Wiley Handbook of What Works in Violence Risk Management: Theory, Research and Practice offers a comprehensive guide to the theory, research and practice of violence risk management. With contributions from a panel of noted international experts, the book explores the most recent advances to the theoretical understanding, assessment and management of violent behavior. Designed to be an accessible resource, the highly readable chapters address common issues associated with violent behavior such as alcohol misuse and the less common issues for example offenders with intellectual disabilities. Written for both those new to the field and professionals with years of experience, the book offers a wide-ranging review of who commit acts of violence, their prevalence in society and the most recent explanations for their

behavior. The contributors explore various assessment approaches and highlight specialized risk assessment instruments. The Handbook provides the latest evidence on effective treatment and risk management and includes a number of well-established and effective treatment interventions for violent offenders. This important book: Contains an authoritative and comprehensive guide to the topic Includes contributions from an international panel of experts Offers information on violence risk formulation Reveals the most recent techniques in violence risk assessment Explains what works in violence intervention Reviews specialty clinical assessments Written for clinicians and other professionals in the field of violence prevention and assessment, The Wiley Handbook of What Works in Violence Risk Management is unique in its approach because it offers a comprehensive review of the topic rather than like other books on the market that take a narrower view.

Assessment and Treatment of Sex Offenders - Anthony R. Beech 2009-03-04

A comprehensive resource for practitioners working with sexual offenders. Discusses assessments and interventions, as well as providing a comprehensive literature review There are around 10,000 convictions or cautions for sexual offences in the UK each year; early evidence suggests that treatment programmes can halve re-conviction rates Edited by a University of Birmingham team who are world leaders in researching this area; the subject is of interest worldwide, with strong markets in Canada and New Zealand Includes material on managing offenders with developmental disabilities and those with Dangerous and Severe Personality Disorder

Censoring Sex Research - Thomas K Hubbard 2013-08-31

This volume brings into daylight one of the most explosive episodes of censorship and censure of academic scholarship in recent decades, presenting an extended version of Bruce Rind's suppressed essay on sexual relations between male adults and adolescents cross-culturally, accompanied by twelve essays arguing for or against Rind and analysing the controversy.
