**Sexual Dysfunction** - John P. Wincze 1991

A comprehensive guide for therapists who wish to utilise the latest

procedures for treating sexual dysfunctions. Clinician's will benefit from the authors' long years of clinical experience with a variety of sexual

dysfunctions, and will also become conversant with the latest procedures from both medicine and psychology in use today. Awareness of the effects of new approaches will prove valuable to those confronting sexual problems. As the authors point out, clinicians with relatively little experience can utilise these programs to treat the majority of sexual dysfunctions with which they are confronted and be confident that their approaches are based on the latest developments in our science. A valuable resource for sex therapists, both experienced and beginners, psychotherapists, family therapists and counsellors.

Understanding Asexuality - Anthony F. Bogaert 2015

In a world where people often feel compelled to advertise their sexual inclinations and preferences, many people identify as asexual, lacking sexual attraction to either men or women. This book introduces the idea of asexuality as a fourth category of sexual orientation and re...

Religion and Lust - Jr James Weir 2023-09-04

In preparing *The Psychical Correlation of Religious Emotion and Sexual Desire* for its second edition, the author has incorporated in it a considerable amount of additional evidence in support of his theory. He has carefully verified all references; he has endeavored to eliminate all unnecessary material; and, finally, he has changed the style of the work by dividing it into three parts, thus greatly simplifying the text. He feels under many obligations to his critics, both to those who thought his little book worthy of commendation, and to those who deemed his premises and conclusions erroneous. He feels grateful to the former, because they have caused him to believe that he has added somewhat to the literature of science; he thanks the latter, because in pointing out that which they considered untrue, they have forced him to a new and more searching study of the questions involved, thereby strengthening his belief in the truthfulness of his conclusions. To the second edition of *The Psychical Correlation of Religious Emotion and Sexual Desire*, the author has seen fit to add certain other essays. In preparing these essays for publication, he has borrowed freely from his published papers, therefore, he desires to thank the publishers of the *New York Medical Record*, *Century Magazine*, *Denver Medical Times*, *Charlotte Monthly* and *American*

*Naturalist* for granting him permission to use such of his published material (belonging to them) as he saw fit. The author asks the indulgence of the reader for certain repetitions in the text. These have not been occasioned by any lack of data, but occur simply because he believes that an argument is rendered stronger and more convincing by the frequent use of the same data whenever and wherever it is possible to use them. When this plan is followed, the reader, so the author believes, becomes familiar with the author's line of thought, and is, consequently, better able to comprehend and appreciate his meaning. Finally, the author has been led to the publication of these essays by a firm belief in the truthfulness of the propositions advanced therein. He may not live to see these propositions accepted, yet he believes that, in the future, perhaps, in worthier and more able hands, they will be so weightily and forcibly elaborated and advanced that their verity will be universally acknowledged.

Female Sexual Function and Dysfunction - Elisabetta Costantini 2017-06-19

This book discusses all aspects of sexuality in women and in particular explores sexual function and dysfunction in a variety of settings, including the different stages of life and a wide range of major diseases and local conditions. The aim is to refocus attention on the needs and sexual realities of women, providing a fresh point of view that will assist gynecologists, sexual medicine physicians, and urologists in delivery of high-quality care and help women themselves to understand and address sexual problems relating to desire, arousal, orgasm, and sexual pain. Psychological aspects of female sexuality and the impacts of the aging process, pregnancy, and childbirth are carefully examined. Extensive consideration is then given to the effects on sexual function of such conditions as cardiovascular disease, cancer, diabetes, neurological disease, endometriosis, pelvic organ prolapse, urinary incontinence, reproductive disorders, sexual abuse, and drug abuse. Issues of sexual identity and female dysmorphophobia are also considered. The authors are all experts in the field and have a deep understanding of the complexities of female sexuality.

Just Sex? - Nicola Gavey 2013-10-14

Winner of the Association for Women In Psychology 2006 Distinguished Publication Award! The past two decades have witnessed a significant shift in how rape is understood in Western societies. This shift in perception has revealed the startling frequency of occurrences of date rape, obscuring the divide between rape and what was once just sex. *Just Sex?* combines an overview of the existing literature with an analysis of recent research to examine the psychological and cultural implications of this new epidemic. The result is the conclusion that feminist theory on sexual victimisation has gone both too far and not far enough. The reader is presented with a challenging and original perspective on the issues of rape, sex and the body, incorporating subjects including: \* rape as a social problem \* the social constructionism of sex, subjectivity and the body \* heterosexuality under the microscope This book succeeds in making a valuable contribution to feminist and social constructionist work on rape that will be of interest to those studying psychology, gender studies, cultural studies and sociology. *Just Sex? The Cultural Scaffolding of Rape* was selected as a 2005 winner of AWP's (Association for Women in Psychology) distinguished publication award.

*Come As You Are: Revised and Updated* - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you

don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

**Atlas of Human Brain Connections** - Marco Catani 2012-06-14

One of the major challenges of modern neuroscience is to define the complex pattern of neural connections that underlie cognition and behaviour. This atlas capitalises on novel diffusion MRI tractography methods to provide a comprehensive overview of connections derived from virtual in vivo tractography dissections of the human brain.

*Healthy Sex Drive, Healthy You* - Diana Hoppe 2010-04

Studies show that having a healthy sex life can:- Boost your immune system- Promote heart health- Alleviate stress- Increase longevity In easy-to-understand text, Dr. Hoppe explains:- The expected life patterns of a woman's sex drive- How-and why-libido is different in men and women- and what to do about it- Ways-medical, psychological, emotional, sensual- to boost your desire and get-and stay--focused on sexual intimacy- Doctors' emerging understanding of sexual dysfunction in women Overflowing with ideas and tips for what you can do tonight to light the fire, this book is at once reassuring and effective.

**The Right to Sex** - Amia Srinivasan 2021-08-19

A SUNDAY TIMES BESTSELLER BLACKWELL'S BOOK OF THE YEAR 2021 SHORTLISTED FOR THE ORWELL PRIZE 2022 Essential lessons on the world we live in, from one of our greatest young thinkers - a guide to what everybody is talking about today 'Unparalleled and extraordinary . . . A bracing revivification of a crucial lineage in feminist writing' JIA TOLENTINO 'I believe Amia Srinivasan's work will change the world' KATHERINE RUNDELL 'Rigorously researched, but written with such spark and verve. The best non-fiction book I have read this year' PANDORA SYKES ----- How should we talk about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. Since #MeToo

many have fixed on consent as the key framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity – its deep ambivalences, its relationship to gender, class, race and power – we need to move beyond 'yes and no', wanted and unwanted. We need to interrogate the fraught relationships between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, pleasure and power, capitalism and liberation. We need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, *The Right to Sex* is a landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.

**Handbook of Clinical Sexuality for Mental Health Professionals** - Stephen B. Levine 2011-01-19

The constantly-changing field inspired the second edition of *Handbook of Clinical Sexuality for Mental Health Professionals*. In a state-of-the-art guide, Dr. Levine and his associates continue to help professionals with the assessment and treatment of a large array of sexual concerns. Written in a personal, supervisory style, the book will help new therapists anticipate clinical contingencies and help experienced therapists refine their thinking and teaching. Easily accessible, the *Handbook* is divided into six major sections with helpful annotated references: Being a Therapist; Intimacy; Sexual Dysfunction; Sexual Identity Struggles; The Forgotten; and Additional Vital Topics. Twenty-one chapters have been thoroughly revised and updated, and five new ones have been added. These focus on gay and lesbian life, transitioning to single life, cancer survivorship, the sexual issues of the developmentally challenged, and sex among the aging.

**The Sexual Laws** - Kiyoshi Kobayashi 2021-01-28

Though the series is a coherent unit with the unified purpose, each book is designed to be read independently from the others. The first three books are preparing for the proposal and the last book is augmenting the proposal. His core proposition is in Book Four *The Third Prophecy*; in fact it can be expressed in one simple sentence 'To love a child is not to make one'.

*Sex Drive* - Bella Ellwood-Clayton 2012-03-01

When it comes to women's priorities, is sex on top? Lack of libido is women's most common sexual problem and once in a secure relationship, women's sex drive begins to plummet. Exploring what our libido is and why it is being depleted, sexual anthropologist Dr Bella Ellwood-Clayton argues that women don't want sex because they don't feel sexy. At a time when women's libidos are being threatened by the wider forces of media, marketing and medication and our increasingly pressured lives, who can blame them? With increasing numbers of women with low libido being diagnosed as 'sexually dysfunctional', the race to create a 'pink Viagra' is on. But do we have unrealistic expectations about our sex drive? Who defines what is normal and abnormal? And could 'low libido' in fact be the natural order of things? Provocative, authoritative and engaging, *Sex Drive: In pursuit of female desire* is both fascinating reading and a book that is creating passionate debate.

*Everything Great Marriage* - Bob Stritof 2004-01-19

Brimming with helpful information and tips, *The Everything Great Marriage Book* can help bring harmony to any relationship.

**Mayo Clinic The Menopause Solution** - Stephanie S. Faubion 2016-04-26

**Confront menopause symptoms such as weight gain, mood swings, and low sex drive with clear advice from a trusted source.**

*Mayo Clinic The Menopause Solution* is the definitive guide to making your life change a positive one. Drawing on the latest information, leading women's health expert Dr. Stephanie Faubion covers common questions, lifestyle strategies, and treatment options.

Unlike other books, *Mayo Clinic The Menopause Solution* is comprehensive, easy to navigate, and authoritative.

Features include:

- A complete look at what happens to your body before, during, and

after menopause.

- Up-to-date information on over-the-counter medications, nutritional supplements, and hormone therapy
- Sidebars, lists, and summaries to make finding information a cinch

Dr. Faubion knows that what works for one woman doesn't necessarily work for another. In approachable terms, she presents a balanced, unbiased overview of what to expect in midlife and beyond. You'll find accurate information on perimenopause, premature menopause, menopause symptoms, long-term effects of estrogen loss, and a wide variety of therapies to enhance health.

Professional, accessible, and essential for any woman entering menopause, *Mayo Clinic The Menopause Solution* offers everything you need to take charge of your own health and get the best care from your doctor.

**Doing it Down Under** - Juliet Richters 2014-06-17

Based on the Australian Study of Health and Relationships, a national representative sample telephone survey of people aged 16 to 59.

**Psychology of The Unconscious** - Carl Gustav Jung 2023-11-23

Carl Jung called this book a commentary on the prodromal stages of schizophrenia. The object of his research was the writings of the American performer Miss Frank Miller. After reading her papers, Jung decided the lady was developing an early stage of schizophrenia. Although he was eventually wrong, the work is considered one of his main works and belongs to his major opus "Symbols of Transformation" under the name "Miller Fantasies." Later in his life, Jung acknowledged that, in fact, he was trying to analyze his own psyche and referred to personal problems.

**Resurrecting Sex** - David Schnarch 2010-09-21

In this remarkable book, Dr. David Schnarch, world-renowned sex and marital therapist and author of *Passionate Marriage*, offers a groundbreaking approach to resolving sexual difficulties and the relationship problems they cause. By showing couples how they can turn

their worst sex and relationship disasters into personal growth and spiritual connection, Dr. Schnarch offers couples the best sex of their lives. In addition to taking an unflinchingly honest, realistic, and erotic approach to sex, Dr. Schnarch reveals the complicated emotional interactions hidden within couples' most private moments. *Resurrecting Sex* speaks of compassion, partnership, generosity, and integrity in adult sexual relationships, offering hope to millions of people who are struggling with sexual difficulties. Uplifting, provocative, and heartfelt, the book is organized into four sections: A crash course in sex Explanation of how sexual relationships really work Medical options and bionic solutions Vignettes of couples changing their sexual relationships *Resurrecting Sex* addresses all major sexual issues, including male erection problems such as rapid orgasm and delayed orgasm; women's problems with arousal and lubrication, difficulty reaching orgasm, and low desire; full coverage of Viagra (for both men and women); and other sex-enhancing drugs and medical options. Rather than dwelling on sexual techniques, this sympathetic book shows how to cure the rejection, hostility, and emotional alienation that often accompany sexual problems. Its unique method helps couples develop the love, affection, and commitment that prevent divorce and strengthen families.

**What Do Women Want?** - Daniel Bergner 2013-06-20

In this headline-making book, Daniel Bergner turns everything we thought we knew about women's desire on its head. Drawing on extensive research and interviews with renowned behavioural scientists, sexologists, psychologists and everyday women, Daniel Bergner asks: - Do women really crave intimacy and emotional connection? - Are women more disposed to sex with strangers or multiple partners than either science or society have ever let on? - And is 'the fairer sex' actually more sexually aggressive and anarchic than men?

**Good Loving, Great Sex** - Rosie King 2011-01-04

Enhance the sexual desire, passion, romance and chemistry in your relationship. An open, varied sex life is as pivotal to a healthy relationship as good communication. In *Good Loving, Great Sex*, respected doctor and sex therapist Dr Rosie King provides readers with

the skills to build a sensual and satisfying sexual relationship. Whether you have been together for five months or fifty years, Dr Rosie King will teach you how to achieve sexual compatibility and balance your sex drives. Armed with exciting insights into male and female sexuality, men and women can optimise their sexual relationships while adding more affection, sensuality and intimacy to every aspect of their lives together.

**Girl Defined** - Kristen Clark 2016-05-10

In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating

disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide
